

Consolidated financial statements of

Miawpukek Band

March 31, 2019

Independent Auditor's Report

To the Members of the
Miawpukek Band

Report on the Audit of the Financial Statements

Qualified Opinion

We have audited the consolidated financial statements of Miawpukek Band, (the "Band"), which comprise the consolidated statement of financial position as at March 31, 2019, and the consolidated statements of operations, accumulated surplus, accumulated surplus – appropriated, change in net assets and cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies (collectively referred to as the "financial statements").

In our opinion, except for the effect of the matter described in the Basis for Qualified Opinion paragraph, the consolidated financial statements present fairly, in all material respects, the financial position of the Band as at March 31, 2019 and the results of its financial performance, and its cash flows for the year then ended in accordance with Canadian public sector accounting standards ("PSAS").

Basis for Qualified Opinion

The Band's fishing licenses are carried in the statement of financial position at \$9,037,825 (\$9,037,825 – 2018). Management has not expensed these licenses but has capitalized them at cost which constitutes a departure from Canadian public sector accounting standards. This is the result of a decision taken by Management in the past. The Band's records indicated that, had management expensed the fishing licenses at cost, an amount of \$9,037,825 would have been expensed in the past. Accordingly, at March 31, 2019 both assets and opening surplus are overstated by \$9,037,825.

We conducted our audit in accordance with Canadian generally accepted auditing standards ("Canadian GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Band in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Other matter

We draw attention to Note 1 to the financial statements, which states that the Band reports certain financial information that is not required by Canadian public sector accounting standards. This information is presented in order to satisfy Indigenous Services Canada and is presented on page 24.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with PSAS, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Band's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Band or to cease operations, or has no realistic alternative but to do so. Those charged with governance are responsible for overseeing the Band's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian GAAS will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Band's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Band's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Band to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Band to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Miawpukek Band

Notes to consolidated financial statements

March 31, 2019

1. Basis of presentation and significant accounting policies

The consolidated financial statements have been prepared in accordance with Canadian public sector accounting standards ("PSAS") as recommended by the Public Sector Accounting Board ("PSAB") of the Canadian Institute of Chartered Professional Accountants ("CPA") and reflect the following significant accounting policies:

A certain schedule in these financial statements is not required by PSAS but has been presented in order to satisfy Indigenous Services Canada ("ISC"). This schedule can be found on page 24 of the financial statements.

Reporting entity and principles of financial reporting

The Miawpukek Band (the "Band") reporting entity includes the Miawpukek Band government and all related entities which are either owned or controlled by the Miawpukek Band.

These financial statements consolidate the assets, liabilities and results of operations for the following reporting entities.

- Miawpukek Band
- Taqamkuk Development Corporation
- Netukulimk Fisheries Ltd.
- Harbour Authority

All inter-entity balances have been eliminated on consolidation, except in order to present the results of operations for each specific program, in which case transactions amongst funds have not necessarily been eliminated on the individual schedules.

Cash

Cash includes cash on hand and cash held on deposit at chartered Canadian banks.

Tangible capital assets

Tangible capital assets are recorded at cost. Amortization of tangible capital assets is calculated on a declining balance basis at rates which will reduce cost to estimated residual value over the useful lives of the assets.

Impairment of long-lived assets

Long-lived assets are tested for recoverability whenever events or changes in circumstances indicate that their carrying amount may not be recoverable. The amount of the impairment loss is determined as the excess of the carrying value of the asset over its fair value.

Inventory

Inventory consists of finished goods and is recorded at the lower of cost and net realizable value. Cost is determined on a weighted average basis. Net realizable value is the estimated selling price less the estimated cost of completion and the estimated costs necessary to make the sale.

Miawpukek Band

Notes to consolidated financial statements

March 31, 2019

1. Basis of presentation and significant accounting policies (continued)

Fishing licenses

Fishing licenses acquired are capitalized as intangible assets and are recorded at their fair value at the date of acquisition, which is a departure from PSAS. Licenses have indefinite lives, are not amortized and are tested for impairment annually, or more frequently, if events or changes in circumstances indicate that the asset might be impaired. The impairment test compares the carrying amount of the licenses with their fair value. When an impairment loss exists, it is recognized and disclosed in the statement of operations.

Revenue recognition

Revenue is recognized as it becomes receivable under the terms of the applicable funding agreement. Funding received under the funding arrangements which relates to a subsequent fiscal period is reflected as appropriated equity in the year of receipt and classified as such on the statement of financial position.

Government grants and transfers are recognized in the period in which events give rise to the transfer occurring, provided the transfers are authorized, any eligibility criteria has been met, including performance and return requirements, and reasonable estimates of the amount can be determined.

Other revenues are recognized as earned provided collection is reasonably assured.

Revenues from the sale of goods and services are recognized as earned where the price is fixed or determinable and when collection is reasonably assured.

Revenue received for a future period is deferred until that period and is recorded as deferred revenue.

Investments

Investments are comprised of guaranteed investment certificates and are recorded at cost, which approximates fair value.

Use of estimates

The preparation of consolidated financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Key components of the financial statements requiring management to make estimates include the cost and net realizable value of inventories, the useful lives of long-lived assets, accrued liabilities and collectability of accounts receivable. Actual results could differ materially from those estimates.

2. Economic dependence

The Miawpukek Band receives a major portion of its revenues pursuant to funding arrangements with Indigenous Services Canada ("ISC").

As explained in Note 18, under the terms of the agreement, funding from the arrangement with ISC can be suspended if the terms of the funding agreement are not complied with by the Miawpukek Band.

6. Restricted funds

Restricted funds represent segregated cash balances that have been externally restricted by third parties for future purposes. The restricted fund balance has been segregated to meet obligations with the Canada Mortgage and Housing Corporation ("CMHC"), further disclosed in Note 11, as well as obligations as a result of guaranteeing certain Band member loans as disclosed in Note 18(c).

7. Loans and advances to Band members

Advances to Band Members represent advances which are loaned based on assessments performed on a case by case basis, as well as long-term housing loans guaranteed by Band Members. The advances are repaid through payroll deductions when the Band members are employed under the Band's programs and operations. Long-term housing loans are paid based on terms agreed upon by the parties.

10. Demand loans

The Band has demand loans with Canadian Imperial Bank of Commerce at bank prime rates of interest, which are secured by properties situated in Conne River, Newfoundland and Labrador, a general security agreement and borrowing resolutions from the Band.

In addition, the Band has demand promissory notes with K.L. Malone Mackerel Ltd. (\$175,000) and Yarmouth Sea Products Limited (\$1,425,000) which are secured by fishing licences and due on termination of commercial fishing agreement by either party. Interest only accrues in the event of agreement termination and is payable at 19% per annum.

11. CMHC replacement reserve

Under the terms of the agreement with CMHC, the replacement reserve account is to be credited in the amount of \$300 to \$1,000 per unit annually. These funds, along with accumulated interest, must be held in a separate bank account or invested only in accounts or instruments insured by the Canada Deposit Insurance Corporation or as may otherwise be approved by CMHC. Withdrawals are credited to interest first and then to principal. The funds in the account may only be used as approved by the CMHC. At year end, the funds in the reserve consisted of cash of \$619,859 (\$557,130 post-1997 program, \$51,393 pre-1996 program, \$11,336 reserve overfunded) (2018 - \$599,855).

12. Long-term debt (continued)

CMHC mortgages are secured by properties in Conne River, Newfoundland and Labrador.

Annual principal repayments in each of the next five years are as follows:

	\$
2020	250,654
2021	247,951
2022	252,887
2023	232,995
2024	221,783
Thereafter	1,345,331

13. Credit facility

The Band has available credit facilities in the amounts of \$250,000 and \$100,000 (2018 - \$350,000), of which \$250,000 and \$100,000 remained unused at March 31, 2019 (2018 - \$350,000). The facilities bear interest at a rate of prime and prime plus 3%, respectively, and are secured by a guarantee of the Miawpukek Band.

	38,519,691	37,781,387

During the prior year, the Band had a surplus in their post secondary student support program NP5A of \$31,138. This program is under the fixed funding agreement, and as such, any unspent funds are repayable to ISC. Refer to Note 8 for further details.

During the prior year, the Band had a surplus in their child and maintenance foster home of \$30,500. Health Canada approved the deferral of this revenue for use in 2018/2019 and as such, the balance has been added back into revenue above.

16. Federal assistance payments

The CMHC projects have received federal assistance through Canada Mortgage and Housing Corporation pursuant to Section 56.1 of the National Housing Act to reduce mortgage interest expense to 2% to enable the Band to provide housing to low income individuals. The amount of assistance received through March 31, 2019 was \$128,904 (\$117,494 post-1997 program, \$11,410 pre-1996 program) (2018 - \$124,169).

17. Reconciliation of Service Canada funding

	2019
	\$
CRF:	
Carry forward from previous year	11,299
Used in current year	(11,299)
Surplus CRF regular funding	30,278
Disallow from 2014/2015 recognized in current year	(6,438)
Unexpended balance forward to 2019/2020	23,840

18. Contingencies

- a) The Band has entered into a funding arrangement with Indigenous Services Canada for ten years effective April 1, 2013. The Band has entered into a five-year funding arrangement with Health Canada, effective April 1, 2019. These funds may be repayable if minimum program requirements are not met.
- b) The Band has entered into contribution agreements with various government departments. Funding received under these contribution agreements are subject to repayment if the Band fails to comply with the terms and conditions of the agreements.
- c) The Band has provided guarantees for Band members for loans totaling \$6,095 (2018 - \$8,912) which are secured by restricted funds in this amount.
- d) The Band has provided ministerial guarantees on mortgages of \$1,096,921 (2018 - \$1,411,206) for Band members which are secured by the specific property mortgaged. These mortgages are not recorded as liabilities of the Band.
- e) The Band has provided letters of credit for \$440,000 (2018 - \$440,000).
- f) The Band supports the recognition of the employees' years of service to the Band. A general provision for severance pay has not been recognized in the consolidated financial statements as the employees must apply to the Band for this compensation and it is subject to budgetary concerns of the Band.

19. Defined contribution pension plan

The Band has established a defined contribution pension plan registered in the name of the Miawpukek First Nation. The assets of the plan are held separately from those of the Band in an independently administered fund. Contributions paid by the Band for the year ended March 31, 2019 amounted to \$237,335 (2018 - \$237,932).

20. Statutory remittances

As at March 31, 2019, the Band has submitted all required remittances under the Income Tax Act.

21. Segment disclosures

The Band provides a range of services to its members. For management reporting purposes, operations and activities are organized and reported by department. Schedule 1 presents each segment reported, the segment revenue and expenses that are directly attributable to the segment and amounts that are allocated on a reasonable basis.
