Management's Responsibility for Financial Reporting

March 31, 2014

The accompanying consolidated financial statements of Stoney First Nation are the responsibility of management and have been approved by Council.

The consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board of the Canadian Institute of Chartered Accountants and as such include amounts that are the best estimates and judgments of management.

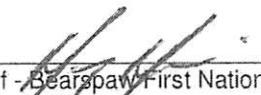

Management is responsible for the integrity and objectivity of these statements and for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control and is ultimately responsible for reviewing and approving the consolidated financial statements.

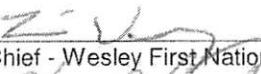

Council meets periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review the consolidated financial statements and the external auditor's report.

The external auditors, Crowe MacKay LLP, conduct an independent examination, in accordance with Canadian auditing standards, and express their opinion on the consolidated financial statements. The external auditors have full and free access to financial management of Stoney First Nation and meet when required.

On behalf of Stoney First Nation:

Independent Auditors' Report

To the Members of Stoney First Nation

We have audited the accompanying consolidated financial statements of Stoney First Nation, which comprise the consolidated statement of financial position as at March 31, 2014, and the consolidated statements of operations and accumulated operating surplus, remeasurement gains and losses, change in net financial assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the First Nation's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the First Nation's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements present fairly, in all material respects, the consolidated financial position of Stoney First Nation as at March 31, 2014, and the results of its operations, the changes in its net financial assets and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Notes to Consolidated Financial Statements

March 31, 2014

1. Basis of Presentation and Significant Accounting Policies

These financial statements are prepared in accordance with Canadian public sector accounting standards for governments as recommended by the Public Sector Accounting Board of the Canadian Institute of Chartered Accountants.

(a) Reporting entity principles of financial reporting

The Stoney First Nation reporting entity includes the First Nation government and all related entities which are accountable to the First Nation and are either owned or controlled by the First Nation.

The Consolidated Financial Statements include the assets, liabilities and results of operations for the following entities:

Bearspaw First Nation	Morley Health Centre
Bearspaw Settlement Funds	Nakoda Emergency Medical Services
Bearspaw Service Centre	Stoney Nakoda Telecom
Eden Valley Reserve	Education Authority
Eden Valley Medical Services	Social Assistance
Chiniki First Nation	Child and Family Services
Chiniki Settlement Funds	Social Housing Fund
Chiniki Restaurant	Ottawa Trust Funds
Chiniki Gas Bar	Per Capita Distribution
Chiniki Grocery	Mini Thni Foundation
Wesley First Nation	Stoney Nakoda Resort
Wesley Settlement Funds	Horse Shoe Lands Developments
Big Horn Reserve	218336 Development Ltd.
Big Horn Medical Services	Stoney Nakoda Developments Ltd.
Nakoda Lodge Ltd.	1117123 Alberta Ltd.
Tribal Common	Nakoda Oil and Gas Ltd.
Morley Common	Nakoda Contracting Ltd.
Stoney Nakoda Economic Development Trust	Iyahrhe Nakoda Food Bank Society
Capital Education	Capital Projects
Mini Thni Casino Corporation	Mini Thni Hotel Corporation
Mini Thni Utility Corporation	Stoney Nakoda Economic Development Ltd.

(b) Cash and cash equivalents

Cash and cash equivalents includes cash on hand and balances in bank accounts, net of bank overdrafts.

(c) Inventory

Inventory is valued at lower of cost and net realizable value. Cost is determined using the first in first out method.

Stoney First Nation

Notes to Consolidated Financial Statements

March 31, 2014

1. Basis of Presentation and Significant Accounting Policies (continued)

(d) Investments

First Nation business enterprises that are owned or controlled by the Stoney First Nation are consolidated with the accounts of the First Nation as they do not qualify as government business enterprises.

Investments in term deposits, treasury bills and bonds are carried at fair value.

Investments are written down where there has been a loss in value that is other than a temporary decline.

(e) Tangible capital assets

Tangible capital assets are recorded at cost, which includes amounts that are directly related to the acquisition, design, construction, development, improvement or betterment of the assets. Cost includes overhead directly attributable to construction and development, as well as interest costs that are directly attributable to the acquisition or construction of the asset.

Leases that transfer substantially all the benefits and risks of ownership to the lessee are recorded as capital leases. Accordingly, at the inception of the leases, the tangible capital asset and related lease obligations are recorded at an amount equal to the present value of future lease payments discounted at the lower of the interest rate inherent in the lease contracts and the Nation's incremental cost of borrowing.

Amortization is provided on the straight-line basis over the estimated useful life of the asset as follows:

Land	0 years Straight line
Buildings	20 years Straight line
Automotive equipment	3 years Straight line
Computer equipment	3 years Straight line
Furniture and Equipment	5 years Straight line
CMHC housing	20 years Straight line

Tangible capital assets are written down when conditions indicate that they no longer contribute to the Nation's ability to provide goods and services, or when the value of future economic benefits associated with the tangible capital assets are less than their net book value. The net write-downs are accounted for as expenses in the consolidated statement of operations.

Contributed capital assets are recorded into revenues at their fair value on the date of donation, except in circumstances where fair value cannot be reasonably determined, in which case they are recognized at nominal value. Transfers of capital assets from related parties are recorded at carrying value.

Certain assets which have historical or cultural value, including works of art, historical documents and historical and cultural artifacts, are not recognized as tangible capital assets. Assets under construction are not amortized until the asset is available to be put into service.

Stoney First Nation

Notes to Consolidated Financial Statements

March 31, 2014

1. Basis of Presentation and Significant Accounting Policies (continued)

(f) Revenue recognition

Revenues are recognized in the period in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.

Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

Contributions from other sources are deferred when restrictions are placed on their use by the contributor, and are recognized as revenue when used for the specific purpose.

Revenue related to fees or services received in advance of the fee being earned or the service is performed is deferred and recognized when the fee is earned or service performed.

Income from investments is recorded on the accrual basis.

(g) Financial instruments

All significant financial assets, financial liabilities and equity instruments of the entity are either recognized or disclosed in the financial statements together with other information relevant for making a reasonable assessment of future cash flows, interest rate risk and credit risk.

(h) Use of estimates

The preparation of financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

A significant estimate made in the preparation of the accompanying consolidated financial statements involves the recoverability of expenditures incurred with respect to flood disaster clean up costs. As the expenditures are to be submitted, reviewed and approved by the Provincial Government prior to receiving the funds, management has estimated the recoverable amounts based on submitted expenditures.

Oil and gas royalties and surface rights payments related to oil and gas exploration and development activities are administered directly by the Government of Canada ("Canada") under the provisions of the Indian Oil and Gas Act. The Nation records receipts based on currently available information supplied by Canada. Royalty payments from oil and gas producers are subject to periodic revision. Adjustments are recorded by the Nation in the period that the information becomes available.

Trust funds held by Ottawa

The trust fund accounts held in Ottawa arise from monies derived from capital and revenue sources which the Crown considers are described in Section 62 of the Indian Act. These funds are held in trust by the Government of Canada and the Crown treats these funds as primarily governed by sections 64 and 69 of the Indian Act.

The Heritage Royalty Trust Fund Capital Account was established in 1996 and is funded via the Ottawa Trust Fund Capital Account. The required annual contribution is graduated and ranges from a minimum of \$1 million to 50% of actual receipts over \$20 million. Commencing with the year ended March 31, 2010, the Nation has suspended the transfer.

These funds are treated by Canada as held in trust in the Consolidated Revenue fund of the Government of Canada. The funds attract interest pursuant to Section 61(2) of the Indian Act.

\$1,866,726 is held as security on housing loans.

Settlement trusts

Trusts were established in connection with the settlement of specific claims. The trust assets consist primarily of high grade government and corporate bonds with an annual yield of approximately 4%. The Stoney Nakoda Economic Development Trust also has made authorized loans to the Nation's entities of \$4,871,199 (2013: \$3,454,123) The securities are recorded at fair value and the loans are recorded at amortized cost.

5. Operating loan

Bank demand loan bearing interest at Royal Bank prime plus 1% secured by a band council resolution that authorizes redirection of funds received from specific government contribution agreements.

11. Contingent liabilities

A. Legal

Stoney First Nation has been named as defendant in certain legal proceedings. The Band is actively defending all lawsuits.

The Nation is currently defending claims for wrongful dismissal. Since the claims are at a preliminary stage, the amount of loss, if any, cannot be reasonably estimated. Should a loss be incurred, it will be expensed in the year the liability is determined.

There are also several proceedings in the Federal Court and Court of Queen's Bench of Alberta with respect to logging on the Stoney First Nation reserves in which the the Stoney First Nation is plaintiff which were pending as of March 31, 2009. The Crown is a defendant in certain of these proceedings and is also a plaintiff in one of the proceedings.

The Stoney First Nation is also a plaintiff in three actions filed by the Court of Queen's Bench of Alberta and the Supreme Court of British Columbia regarding aboriginal title and aboriginal and treaty rights of the Stoney First Nation in Alberta and British Columbia respectively and in the Court of Queen's Bench for Saskatchewan regarding aboriginal and treaty rights of the Stoney First Nation in lands and resources in certain areas of Saskatchewan. All three actions also raise fundamental issues in relation to the nature and scope of Treaty No. 7.

11. Contingent liabilities (continued)

B. Contributions

Government contributions related to the projects of the First Nation are subject to conditions regarding the expenditure of funds. The First Nation's accounting records are subject to audit by the various funding agencies. Should any instances be identified in which the amounts charged to projects are not in accordance with the agreed terms and conditions, amounts would be refundable to the respective funding agencies. Adjustments to the consolidated financial statements as a result of these audits will be recorded in the period in which they become known.

12. CMHC replacement reserve

Under the terms of an agreement with Canada Mortgage and Housing Corporation, the First Nation is required to provide a replacement reserve. This reserve is to ensure replacement of buildings financed by Canada Mortgage and Housing Corporation. These funds, along with accumulated interest, must be held in a separate bank account and/or invested only in accounts or instruments insured by Canada Deposit Insurance Corporation. At the year end, the replacement reserve was overfunded.

13. Employment retirement plan

The organization has a defined contribution plan for its employees. Participation in the pension plan is available to substantially all employees. Employees may contribute between 3.5% and 7.5% of their gross pay with the organization making a matching contribution to the plan. Any voluntary amounts paid by the employee are not matched. Total employer contributions for 2014 were \$818,501 (2013: \$739,295).

14. Flood relief recovery

In June 2013 the Nation experienced flooding which resulted in damage to roads, housing and infrastructure. The Nation requested relief from the Government of Alberta through the Government's Disaster Relief plan. As at March 31, 2014 the Nation has a receivable of \$3,380,422 with respect expenditures submitted under the plan.

16. Financial instruments

The Nation's financial instruments consist of restricted cash, accounts receivable, trust funds, bank indebtedness, operating loan, accounts payable and long term debt. Unless otherwise noted, the carrying value of its financial instruments approximates fair value.

It is management's opinion that the Nation is not exposed to significant currency risks from its financial instruments. The Nation is subject to credit risk with respect to other income. Credit risk arises from the possibility that the entities may experience financial difficulty and be unable to fulfill their obligations. The large amount of annual funding received from the Government of Canada minimizes credit risk.

The Nation minimizes interest rate risk by borrowing at fixed rates and is exposed to market risk with respect to certain of its Trust Funds invested in securities.

17. Economic dependence

Stoney First Nation receives a significant portion of its revenue pursuant to funding agreements with Aboriginal Affairs and Northern Development Canada and Health Canada.

18. Budget

The budget reported in the financial statements was provided by management and is unaudited.

19. Comparative amounts

Certain of the comparative amounts have been reclassified to conform with the presentation adopted in the current year.

20. Segmented information

The Nation provides a range of services to its members. For management reporting purposes, operations and activities are organized and reported by function. The segment revenues and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. The presentation by segment is based on the same accounting policies as described in the summary of Significant Accounts Policies as described in Note 2. The segment results for the period are as follows:
