

MORICETOWN BAND COUNCIL
MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING
YEAR ENDED MARCH 31, 2016

The accompanying financial statements of the Moricetown Band Council and all the information in this annual report are the responsibility of management and have been approved by the Chief and Council.

The financial statements have been prepared by management in accordance with Canadian public sector accounting standards. Financial statements are not precise since they include some amounts based on estimates and judgments. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances, in order to ensure that the financial statements are presented fairly, in all material respects.

The Moricetown Band Council maintains systems of internal accounting and administrative controls of high quality, consistent with reasonable cost. Such systems are designed to provide reasonable assurance that the financial information is relevant, reliable and accurate and that the Band's assets are appropriately accounted for and adequately safeguarded.

The Band Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and is ultimately responsible for reviewing and approving the financial statements.

The Chief and Council review the Band's financial statements and recommend their approval. The Chief and Council meet periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues to satisfy themselves that each party is properly discharging their responsibilities, and to review the annual report, the financial statements and the external auditor's report. The Chief and Council take this information into consideration when approving the financial statements for issuance to the Members. The Chief and Council also consider the engagement of the external auditors.

The financial statements have been audited by Carlyle Shepherd & Co. in accordance with Canadian generally accepted auditing standards on behalf of the Members. Carlyle Shepherd & Co. has full access to Chief and Council.

INDEPENDENT AUDITOR'S REPORT**TO THE MORICETOWN BAND COUNCIL****Report on the Financial Statements**

We have audited the accompanying consolidated statement of financial position of the Moricetown Band Council as at March 31, 2016 and the consolidated statements of financial activities, cash flows and changes in net financial liabilities and a summary of significant accounting policies.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal controls as management determines are necessary to enable the preparation of financial statements that are free of material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted the audit in accordance with Canadian generally accepted auditing standards. These standards require that we comply with ethical requirements and plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement.

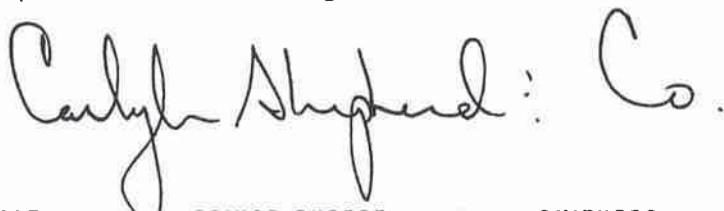

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures depend on the auditor's judgment, including the assessment of the risks of material misstatement, whether due to fraud or error. In making those risk assessments, the auditor considers internal controls relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate for the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Band Council as at March 31, 2016 and the consolidated results of its operations, cash flows and changes in net financial liabilities for the year then ended in accordance with Canadian public sector accounting standards.
