The accompanying consolidated financial statements of Gitwangak Band are the responsibility of management and have been approved by the Council.

The consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting standards. Financial statements are not precise since they include certain.

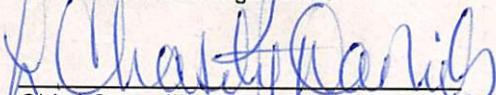

Management is responsible for the integrity and objectivity of these statements and for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

The Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control and is ultimately responsible for reviewing and approving the consolidated financial statements.

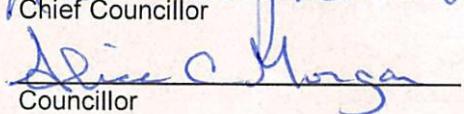

The Council meets periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review the consolidated financial statements and the external auditor's report.

The external auditors, Reid Hurst Nagy Inc., conduct an independent examination, in accordance with Canadian auditing standards, and express their opinion on the consolidated financial statements. The external auditors have full and free access to financial management of Gitwangak Band and meet when required.

On behalf of Gitwangak Band:

Chief Councillor

Aug 8, 2019

Independent Auditors' Report

To the Members of
Gitwangak Band

Opinion

We have audited the consolidated financial statements of Gitwangak Band, which comprise the consolidated statement of financial position as at March 31, 2019, and the consolidated consolidated statements of operations, accumulated surplus, change in net financial assets and cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Band as at March 31, 2019, and the results of its consolidated operations, its changes in its consolidated net debt, and its consolidated cash flows for the year then ended in accordance with PSAB.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Band in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with PSAB, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Band's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Band or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Band's financial reporting process.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- ◆ Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ◆ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Band's internal control.

- ◆ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- ◆ Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Band's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Band to cease to continue as a going concern.
- ◆ Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- ◆ Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

GITWANGAK BAND

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

March 31, 2019

1. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES

These financial statements are prepared in accordance with Canadian public sector accounting standards for governments as recommended by the Public Sector Accounting Board of the CPA Canada.

(a) Reporting Entity

Gitwangak Band reporting entity includes the Gitwangak Band government and all related entities which are accountable to the Band and are either owned or controlled by the Band.

(b) Fund Accounting

Gitwangak Band maintains the following funds as part of its operations:

- The Operating Fund which reports the general activities of the Band's administration, the operating fund includes Administration Department, Community Infrastructure Department, Economic Development Department, Education Department, Health Centre, Social Development Department and Capital Project Department.
- The Capital Fund which reports the tangible capital assets of the Band not included in other funds, together with their related activities.
- The Trust Fund which reports on the trust funds of the Band and held by third parties.

(c) Cash

Cash and cash equivalents include cash on hand and short-term investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, net of bank overdrafts.

GITWANGAK BAND

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

March 31, 2019

1. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES (continued)

(d) Tangible Capital Assets

Tangible capital assets are recorded at cost, which includes amounts that are directly related to the acquisition, design, construction, development, improvement or betterment of the assets. Cost includes overhead directly attributable to construction and development, as well as interest costs that are directly attributable to the acquisition or construction of the asset.

Leases that transfer substantially all the benefits and risks of ownership to the lessee are recorded as capital leases. Accordingly, at the inception of the leases, the tangible capital asset and related lease obligations are recorded at an amount equal to the present value of future lease payments discounted at the lower of the interest rate inherent in the lease contracts and Gitwangak Band's incremental cost of borrowing.

Amortization is provided for on a straight-line basis over their estimated useful lives as follows:

Buildings	4% Declining balance
Social Housing infrastructure	20 years Straight line
Furniture and equipment	20% Declining balance
School equipment	20% Declining balance
Mobile equipment	20% Declining balance
Sewer infrastructure	4% Declining balance
Computer software	30% Declining balance

Tangible capital assets are written down when conditions indicate that they no longer contribute to Gitwangak Band's ability to provide goods and services, or when the value of future economic benefits associated with the tangible capital assets are less than their net book value. The net write-downs are accounted for as expenses in the consolidated statement of operations.

Contributed tangible capital assets are recorded into revenues at their fair value on the date of donation, except in circumstances where fair value cannot be reasonably determined, in which case they are recognized at nominal value. Transfers of capital assets from related parties are recorded at carrying value.

Certain assets which have historical or cultural value, including works of art, historical documents and historical and cultural artifacts, are not recognized as tangible capital assets. Assets under construction are not amortized until the asset is available to be put into service.

(e) Revenue Recognition

Revenues are recognized in the period in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.

Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

Contributions from other sources are deferred when restrictions are placed on their use by the contributor, and are recognized as revenue when used for the specific purpose.

Revenue related to fees or services received in advance of the fee being earned or the service is performed is deferred and recognized when the fee is earned or service performed.

(f) Use of Estimates

The preparation of consolidated financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

GITWANGAK BAND

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

March 31, 2019

1. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES (continued)

(g) Segments

The Band conducts its business through reportable segments. These operating segments are established by senior management to facilitate the achievement of the Band's long-term objectives, aid in resource allocation decisions, and to assess operational performance. For each reported segment, revenues and expenses represent both amounts that are directly attributed to the segment and amounts that are allocated on a reasonable basis. Therefore, certain allocation methodologies are employed in the preparation of segmented financial information.

(h) Replacement Reserve

The Replacement Reserve is funded by an annual charge against earnings as opposed to an appropriation of surplus.

(i) Budget

The budget reported in the financial statements was provided by management and is unaudited.

(j) Surplus Recoveries and Deficit Funding

Under the terms of funding arrangements, remaining surpluses of certain programs may be recovered by the funding agency, and remaining deficits may be funded by the funding agency.

(k) Measurement Uncertainty

In preparing the consolidated financial statements for the Band, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities, at the date of the consolidated financial statements and the reported amounts of revenue and expenses during the period. Significant areas requiring the use of management estimates relate to the determination of allowance for doubtful accounts receivable and amortization of tangible capital assets.

(l) Principles of Consolidation

All controlled entities are fully consolidated on a line-by-line basis except for the commercial enterprises which meet the definition of government business enterprise, which are included in the Consolidated Statements on a modified equity basis. Inter-organizational balances and transactions are eliminated upon consolidation.

Under the modified equity method of accounting, only Gitwangak Band's investment in the government business enterprise and the enterprise's net income and other changes in equity are recorded. No adjustment is made for accounting policies of the enterprise that are different from those of Gitwangak Band.

The organizations that fully consolidated in Gitwangak Band's financial statements are:

1. Gitwangak Education Society

There are currently no organizations accounted for on a modified equity basis.

GITWANGAK BAND

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

March 31, 2019

1. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES (continued)

(m) Liability for Contaminated Sites

A liability for remediation of a contaminated site is recognized at the best estimate of the amount required to remediate the contaminated site when contamination exceeding an environmental standard exists, the Band is either directly responsible or accepts responsibility, it is expected that future economic benefits will be given up, and a reasonable estimate of the amount is determinable. The best estimate of the liability includes all costs directly attributable to remediation activities and is reduced by expected net recoveries based on information available at March 31, 2019.

At each financial reporting date, the Band reviews the carrying amount of the liability. Any revisions required to the amount previously recognized is accounted for in the period revisions are made. The Band continues to recognize the liability until it is settled or otherwise extinguished. Disbursements made to settle the liability are deducted from the reported liability when they are made.

As of March 31, 2019 the band does not recognize any liability for contaminated sites.

2. CASH

Under the terms of an agreement with Canada Mortgage and Housing Corporation, the Band must set aside funds annually for the repair, maintenance and replacement of worn out assets. These funds are to be held in a separate bank account and invested only in accounts or instruments insured by the Canada Deposit Insurance Corporation or as otherwise approved by the Canada Mortgage and Housing Corporation with any interest earned to be credited as revenue to the Apartment Replacement and Subsidy Fund. Cash and cash equivalents is comprised of the following:

	2019	2018

9. ECONOMIC DEPENDENCE

Gitwangak Band receives a significant portion of its revenue pursuant to an agreement referred to as "The Comprehensive Funding Arrangement". This agreement has been entered into by the Gitwangak Band and Indigenous Services Canada. It is expected that the agreement will be renewed on an annual basis.

The Band also receives major funding pursuant to an arrangement with the First Nations Health Authority and under which certain surpluses and deficits may be offset, but with the net balance repayable or refundable as the case may be.
