HEILTSUK INDIAN BAND

MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING March 31, 2023

The accompanying consolidated financial statements of Heiltsuk Indian Band and all the information in this annual report for the year ended March 31, 2023 are the responsibility of management and have been approved by the Chief and Council.

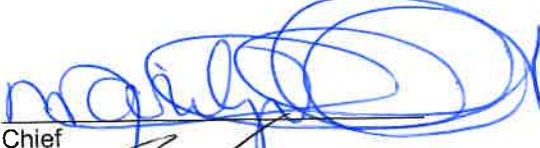

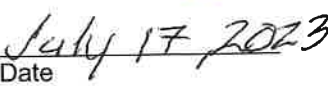

The consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting standards. Financial statements are not precise since they include certain amounts based on estimates and judgement. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances, in order to ensure that the consolidated financial statements are presented fairly, in all material respects.

The Heiltsuk Indian Band maintains systems of internal accounting and administrative controls of high quality, consistent with reasonable cost. Such systems are designed to provide reasonable assurance that the financial information is relevant, reliable and accurate and the Nation's assets are appropriately accounted for and adequately safeguarded.

The Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and is ultimately responsible for reviewing and approving the consolidated financial statements.

The Council reviews the financial statements and recommends their approval. The Council meets periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues to satisfy themselves that each party is properly discharging their responsibilities, and to review the annual report, the consolidated financial statements and the external auditor's report. The Council approves the financial statements for issuance to the Members. The Council also considers, for review and approval by the Members, the engagement of the external auditors.

The consolidated financial statements have been audited by Reid Hurst Nagy Inc., Chartered Professional Accountants in accordance with Canadian generally accepted auditing standards on behalf of their members. Reid Hurst Nagy Inc. has full access to Chief and Council. Reid Hurst Nagy Inc. have full and free access to the council for information purposes.

Independent Auditors' Report

To the Members of
Heiltsuk Indian Band

Qualified Opinion

We have audited the consolidated financial statements of Heiltsuk Indian Band, which comprise the consolidated statement of financial position as at March 31, 2023, and the consolidated statements of operations and accumulated surplus, change in net financial assets and cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the First Nation as at March 31, 2023, and the results of its consolidated operations, its changes in its consolidated net financial assets, and its consolidated cash flows for the year then ended in accordance with Canadian Public Sector Accounting Standards (PSAS).

Basis for Qualified Opinion

The fiscal 2023 financial information for Heiltsuk Holdings Limited Partnership and Heiltsuk Holdings Ltd. (Notes 7&8), included in "Investment in Government Businesses", was not subject to audit verification at the date of the financial statements and has been included for comparative purposes only. As such, we do not express an audit opinion on the value of the investment in Heiltsuk Holdings Limited Partnership, nor Heiltsuk Holdings Ltd. at March 31, 2023 (\$6,945,085), nor on the share of net income attributable to Heiltsuk Indian Band for the year ended March 31, 2023 (loss of \$874,149).

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the First Nation in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Emphasis of Matter

We draw attention to Note 19 to the financial statements, which describes the effects of a prior period misstatement and correction. Our opinion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with PSAS, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the First Nation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the First Nation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the First Nation's financial reporting process.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- ◆ Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ◆ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the First Nation's internal control.
- ◆ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- ◆ Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the First Nation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the First Nation to cease to continue as a going concern.
- ◆ Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- ◆ Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

HEILTSUK INDIAN BAND

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

March 31, 2023

1. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES

These financial statements are prepared in accordance with Canadian public sector accounting standards for governments as recommended by the Public Sector Accounting Board of CPA Canada.

(a) Revenue Recognition

Revenues are recognized in the period in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.

Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

Contributions from other sources are deferred when restrictions are placed on their use by the contributor, and are recognized as revenue when used for the specific purpose.

Revenue related to fees or services received in advance of the fee being earned or the service is performed is deferred and recognized when the fee is earned or service performed.

(b) Asset classification

Assets are classified as either financial or non-financial. Financial assets are assets that could be used to discharge existing liabilities or to finance future operations. Non-financial assets are acquired, constructed or developed assets that do not provide resources to discharge existing liabilities but are employed to deliver government services, may be consumed in normal operations and are not for resale. Non-financial assets include tangible assets, prepaid expenses and inventory of supplies.

(c) Reporting Entity

The Heiltsuk Indian Band reporting entity includes the Heiltsuk Indian Band government and all related entities that are controlled by the First Nation.

(d) Segments

The First Nation conducts its business through reportable segments. These operating segments are established by senior management to facilitate the achievement of the First Nation's long-term objectives, aid in resource allocation decisions, and to assess operational performance. For each reported segment, revenues and expenses represent both amounts that are directly attributed to the segment and amounts that are allocated on a reasonable basis. Therefore, certain allocation methodologies are employed in the preparation of segmented financial information.

HEILTSUK INDIAN BAND

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

March 31, 2023

1. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES (continued)

(e) Financial instruments

Measurement of financial instruments

The First Nation initially measures its financial assets and liabilities at fair value, except for certain related party transactions that are measured at the carrying amount or exchange amount, as appropriate.

The First Nation subsequently measures all its financial assets and financial liabilities at cost or amortized cost, except for investments in equity instruments that are quoted in an active market, which are measured at fair value. Changes in fair value are recognized in net income in the period incurred.

Financial assets measured at amortized cost on a straight line basis include cash, accounts receivable and advances to related parties.

Financial liabilities measured at amortized cost on a straight-line basis include accounts payable, notes payable, government remittance payable, amounts due to/from related parties.

No financial assets are designated to be measured at fair value.

Impairment

For financial assets measured at cost or amortized cost, the First Nation determines whether there are indications of possible impairment. When there is an indication of impairment, and the partnership determines that a significant adverse change has occurred during the period in the expected timing or amount of future cash flows, a write-down is recognized in net income. A previously recognized impairment loss may be reversed to the extent of the improvement. The carrying amount of the financial asset may not be greater than the amount that would have been reported at the date of the reversal had the impairment not been recognized previously. The amount of the reversal is recognized in net income.

Transaction costs

Transaction costs related to financial instruments that will be subsequently measured at fair value are recognized in net income in the period incurred. Transaction costs related to financial instruments subsequently measured at amortized cost are included in the original cost of the asset or liability and recognized in net income over the life of the instrument using the straight-line method.

(f) Use of Estimates

The preparation of consolidated financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates. Actual estimates in these financial statements include collectibility of accounts receivable, useful lives of tangible capital assets and related amortization and accrued liabilities.

HEILTSUK INDIAN BAND

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

March 31, 2023

1. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES (continued)

(g) Principles of Consolidation

Controlled entities are fully consolidated on a line-by-line basis and commercial enterprises which meet the definition of government business enterprise or government business partnership are included in the Consolidated Statements on a modified equity basis. Inter-organizational balances and transactions are eliminated upon consolidation.

Under the modified equity method of accounting, only Heiltsuk Indian Band's investment in the government business enterprise or partnership and the enterprise's or partnership's net income and other changes in equity are recorded. No adjustment is made for accounting policies of the enterprise that are different from those of Heiltsuk Indian Band.

Organizations consolidated in Heiltsuk Indian Band's financial statements include:

1. Bella Bella Fuel Co. Limited (100% owned by Heiltsuk Indian Band)
2. Bella Bella Band Store Ltd. (100% owned by Heiltsuk Indian Band)
3. Bella Bella Fisheries Ltd. (100% owned by Heiltsuk Indian Band)
4. Heiltsuk Environmental Services Ltd.
5. Heiltsuk Indian Band Section 95 Housing Operations (CMHC)

Organizations accounted for on a modified equity basis include:

6. Central Coast Commercial Fisheries Limited Partnership (25% limited partner)
7. Heiltsuk Holdings Limited Partnership (99% limited partner)
8. Heiltsuk Holdings Ltd. (100% owned by Heiltsuk Indian Band)
9. 1313069 B.C. Ltd (100% owned by Heiltsuk Indian Band)
10. Shearwater Resort LLP (99% limited partner)
11. Shearwater Resort GP Ltd. (100% owned by Heiltsuk Indian Band)
12. Shearwater Fuel Limited Partnership (99% limited partner)
13. Shearwater Fuel GP Ltd. (100% owned by Heiltsuk Indian Band)

(h) Contaminated Sites

A liability for contaminated sites is recognized when a site is not in productive use and the following criteria are met:

- (i) an environmental standard exists;
- (ii) contamination exceeds the environmental standard;
- (iii) The First Nation is directly responsible or accepts responsibility;
- (iv) it is expected that future economic benefits will be given up; and
- (v) a reasonable estimate of the amount can be made.

The liability is recognized as management's estimate of the cost of post-remediation including operation, maintenance and monitoring that are an integral part of the remediation strategy for a contaminated site.

As at March 31, 2022 and 2023, no liability for contaminated sites has been recorded.

(i) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, balances with banks net of bank overdrafts and term deposits having a maturity of three months or less at acquisition which are held for the purpose of meeting short-term cash commitments.

HEILTSUK INDIAN BAND

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

March 31, 2023

1. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES (continued)

(j) Replacement Reserve

The Replacement Reserve is funded by an annual charge against earnings as opposed to an appropriation of surplus.

(k) Tangible Capital Assets

Tangible capital assets are recorded at cost, which includes amounts that are directly related to the acquisition, design, construction, development, improvement or betterment of the assets. Cost includes overhead directly attributable to construction and development, as well as interest costs that are directly attributable to the acquisition or construction of the asset.

Leases that transfer substantially all the benefits and risks of ownership to the lessee are recorded as capital leases. Accordingly, at the inception of the leases, the tangible capital asset and related lease obligations are recorded at an amount equal to the present value of future lease payments discounted at the lower of the interest rate inherent in the lease contracts and Heiltsuk Indian Band's incremental cost of borrowing.

Amortization is provided for on a straight-line basis over their estimated useful lives as follows:

Boats	10 years Straight line
Buildings	25 - 40 years Straight line
Equipment	10 - 20 years Straight line
Infrastructure	10 - 20 years Straight line
Social housing	25 years Straight line
Vehicle	5 years Straight line
Water Treatment Plant	15 years Straight line
Waste Water Treatment Plant	15 years Straight line

Tangible capital assets are written down when conditions indicate that they no longer contribute to Heiltsuk Indian Band's ability to provide goods and services, or when the value of future economic benefits associated with the tangible capital assets are less than their net book value. The net write-downs are accounted for as expenses in the consolidated statement of operations.

Contributed capital assets are recorded into revenues at their fair value on the date of donation, except in circumstances where fair value cannot be reasonably determined, in which case they are recognized at nominal value. Transfers of capital assets from related parties are recorded at carrying value.

Certain assets which have historical or cultural value, including works of art, historical documents and historical and cultural artifacts, are not recognized as tangible capital assets. Assets under construction are not amortized until the asset is available to be put into service.

(l) Surplus Recoveries and Deficit Funding

Under the terms of funding arrangements, remaining surpluses of certain programs may be recovered by the funding agency, and remaining deficits may be funded by the funding agency.

HEILTSUK INDIAN BAND

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

March 31, 2023

2. ECONOMIC DEPENDENCE

The Heiltsuk Indian Band and controlled entities ("First Nation") are financially dependent on funding from government sources to operate programs and to complete capital projects. The First Nation's ability to operate certain programs depends on continuation of these sources of funding.

Contributions from Indigenous Services Canada ("ISC") are under terms of Financial Transfer Agreements ("FTA") and are provided on a block funding basis. Generally, FTA funding is provided on a multi-year basis and any unexpected balance is not repayable.

These financial statements do not reflect adjustments in the carrying value of assets and liabilities, the reported revenue and expenses and the statement of financial position classifications used that would be necessary if the going-concern assumption were not appropriate.

3. BUDGETED FIGURES

No budgeted figures have been provided for comparison purposes as none were prepared by Chief and Council.

4. RESTRICTED CASH

Replacement Reserve Fund:

In accordance with the terms and conditions of the "Operating Agreement" with Canada Mortgage & Housing Corporation, the Housing Program must set aside funds annually for the non-annual expenditures of the Program for the repair, maintenance and replacement of worn out assets. These funds are to be held in a separate bank account with any interest earned to be credited as revenue to the Replacement Reserve Fund.

Operating Reserve Fund:

In accordance with the terms and conditions of the "Operating Agreement" with Canada Mortgage & Housing Corporation, the Program is to set aside any surplus revenue to an operating reserve for the purpose of meeting future requirements of income listed occupants over and above the maximum federal assistance. The Fund may be replenished to its original limit from subsequent operating surpluses.

	2023	2022
Replacement Reserve Fund - restricted cash	\$ 296,629	\$ 205,254
Operating Reserve Fund - restricted cash	278,626	278,714

8. GOVERNMENT BUSINESSES

Commercial enterprises are those organizations that meet the definition of government business enterprises or government business partnership as described by the Public Sector Accounting Board of CPA Canada. Government business enterprises and government business partnerships have the power to contract in their own name, have the financial and operating authority to carry on a business, sell goods and services to customers outside the First Nation government as their principal activity, and that can, in the normal course of their operations, maintain operations and meet liabilities from revenues received from outside the First Nation government.

HEILTSUK INDIAN BAND

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

March 31, 2023

17. CONTINGENT LIABILITIES

Heiltsuk Indian Band has entered into contribution agreements with various federal government departments. Funding received under these contribution agreements is subject to repayment if the First Nation fails to comply with the terms and conditions of the agreements.

In addition, in the normal course of its operations, Heiltsuk Indian Band becomes involved in legal actions. Some of these potential liabilities may become actual liabilities when one or more future events occur or fail to occur. To the extent that the future event is likely to occur, and a reasonable estimate of the loss can be made, an estimated liability is accrued and an expense recorded on Heiltsuk Indian Band's financial statements.

a) Indigenous Services Canada

Under the terms of the contribution agreements with Indigenous Services Canada and other governmental departments, certain surpluses may be repayable to the government and certain deficits may be reimbursable to the Band.

b) On-Reserve Housing Loan Program

Heiltsuk has entered into an agreement with the Bank of Montreal to guarantee on-reserve member housing loans. The most recent listing of guaranteed loans from April 30, 2023 showed a total guaranteed loan balance outstanding of \$2,956,562.

18. RELATED PARTY TRANSACTIONS

During the year Heiltsuk Indian Band made the following transfers of ISC funding to related parties, related by virtue of common control:

- 1) Bella Bella School Society \$5,686,528 (\$5,137,675 in 2022)
- 2) Heiltsuk Economic Development Corporation \$138,503 (\$126,962 in 2022)
- 3) Heiltsuk College Society \$394,236 (\$394,236 in 2022)
- 4) Shearwater Marine Group \$50,000 (\$0 in 2022)

Further, Reconciliation funding has been transferred to the following related parties:

- 1) Heiltsuk Fishery Resource Limited Partnership \$133,740 (\$171,500 in 2022) for the fish plant upgrade.
- 2) Heiltsuk Coastal Forest Products Limited Partnership \$0 (\$594,733 in 2022) for the acquisition of a sawmill.

All transactions have been measured at the exchange amount.

HEILTSUK INDIAN BAND

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

March 31, 2023

19. PRIOR PERIOD RESTATEMENT

In the prior year, information for certain of the investment in government businesses group was not available nor included in the financial statements. The prior period has been restated to include the results of operations for the fiscal 2022 year. Adjustments have been made to the reported figures as follows:

For the year ended March 31	As previously stated in 2022	Adjustments Increase (Decrease)	Restated 2022
Consolidated Statement of Financial Position			
Financial assets			
Investment in government businesses	\$ 18,610,396	\$ (1,406,207)	\$ 17,204,189
Accumulated surplus	74,530,152	(1,406,207)	73,123,945
Consolidated Statement of Operations			
Revenue			
Share of income (loss) from controlled entities	87,925	(1,406,207)	(1,318,282)
Current year surplus (deficit)	\$ 22,294,451	\$ (1,406,207)	\$ 20,888,244

20. FINANCIAL INSTRUMENTS

Transactions in financial instruments may result in an entity assuming or transferring to another party one or more of the financial risks described below. The required disclosures provide information that assists users of financial statements in assessing the extent of risk related to financial instruments.

Liquidity risk

The First Nation does have a liquidity risk in the accounts payable and accruals of \$2,792,562. Liquidity risk is the risk that the First Nation cannot repay its obligations when they become due to its creditors. The First Nation reduces its exposure to liquidity risk by ensuring that it documents when authorized payments become due; maintains an adequate line of credit to repay trade creditors and repays long term debt interest and principal as they become due. In the opinion of management the liquidity risk exposure to the First Nation is low and is not material.

Credit risk

The First Nation does have credit risk in accounts receivable of \$10,960,277. Credit risk is the risk that one party to a transaction will fail to discharge an obligation and cause the other party to incur a financial loss. The First Nation reduces its exposure to credit risk by performing credit valuations on a regular basis; granting credit upon a review of the credit history of the applicant and creating an allowance for bad debts when applicable. The First Nation maintains strict credit policies and limits in respect to counterparties. In the opinion of management the credit risk exposure to the First Nation is low and is not material.

Interest rate risk

The First Nation is exposed to interest rate risk due to the variable rate interest on their loans payable. Changes in the lending rates may cause fluctuations in cash flows and interest expense.

21. COMPARATIVE FIGURES

Comparative figures have been reclassified to conform with the presentation in the current year.
