WUIKINUXV NATION
MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

March 31, 2021

The Chief and Council of the Wuikinuxv Nation has delegated the responsibility for the integrity and objectivity of the financial information contained in the consolidated financial statements to the management of the Wuikinuxv Nation. The consolidated financial statements which, in part, are based on informed judgments and estimates, have been prepared by management in accordance with Canadian public sector accounting standards, which have been applied on a basis consistent with that of the preceding year.

To assist in carrying out their responsibility, management maintains an accounting system and internal controls to provide reasonable assurance that transactions are properly authorized and recorded in compliance with legislative and regulatory requirements and that financial records are reliable for preparation of the consolidated financial statements. These systems are monitored and evaluated by management.

The Wuikinuxv Nation's independent auditors, Chan Nowosad Boates Inc., Chartered Professional Accountants, are engaged to express an opinion as to whether these consolidated financial statements present fairly the Wuikinuxv Nation's consolidated financial position and consolidated operating results in accordance with Canadian public sector accounting standards. Their opinion is based on procedures they consider sufficient to support such an opinion.

The consolidated financial statements have, in management's opinion, been properly prepared within reasonable limits of materiality and in accordance with Canadian public sector accounting standards. These consolidated financial statements present, in all significant respects the financial position of the Wuikinuxv Nation as at March 31, 2021.

Paul Willie

Paul Willie, Tribal Manager
July 11, 2023

INDEPENDENT AUDITORS' REPORT

To the Chief and Council of the Wuikinuxv Nation,

Opinion

We have audited the consolidated financial statements of the Wuikinuxv Nation (the "Nation"), which comprise the consolidated statement of financial position as at March 31, 2021, and the consolidated statements of operations, accumulated surplus, changes in net surplus and cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Nation as at March 31, 2021, and the results of its consolidated operations and cash flows for the year then ended in accordance with Canadian Public Sector Accounting Standards (PSAS).

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditors' responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Nation in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with PSAS, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Nation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Nation's financial reporting process.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements (continued)

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Nation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Nation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Nation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

WUIKINUXV NATION

Notes to the Consolidated Financial Statements

March 31, 2021

1. Significant Accounting Policies:

a) Basis of Accounting:

These consolidated financial statements (the "financial statements") have been prepared in accordance with Canadian public sector accounting standards.

b) Basis of Presentation:

The financial statements include the accounts of the Wuikinuxv Nation (the "Nation") government administration and the Wuikinuxv Nation treaty negotiation administration.

The financial statements include the results and operations of Midawis Maintenance Services Limited Partnership (a "Controlled Entity") as it is not considered to meet the definition of a portfolio investment nor is it considered to meet the criteria that would classify it as a government business enterprise. The Controlled Entity is consolidated on a line-by-line basis.

For those entities which the Nation holds an interest in, but which are not consolidated into the operations of the Nation, they are either accounted for as a portfolio investment or government business enterprise. Government business enterprises are accounted for under the modified equity method of accounting. Only the Nation's investment in the business enterprises and the enterprises' net income and other changes in equity are recorded. No adjustment is made for accounting policies of the enterprises that are different from those of the Nation, except that any other comprehensive income of the business enterprise is accounted for as an adjustment to the accumulated surplus or deficit. Inter-organizational transactions and balances are not eliminated.

Investments in the following enterprises are accounted for by the modified equity method and, as such, the accounting policies of these enterprises are not adjusted to conform with those of the Nation:

Kvamua Enterprises Limited Partnership (100%)
Central Coast Commercial Fishing Limited Partnership (25%)
Central Coast Commercial Fisheries Corporation (25%)

Investments in entities that are not controlled or influenced by the Nation are accounted for as portfolio investments using the cost method. Under this method, investments are recorded at cost, less any provision for other than temporary impairment. Portfolio investments include interests in the following:

Wuikinuxv Economic Development Corporation
Great Bear Carbon Credit Corporation
Great Bear Carbon Credit Limited Partnership
BC First Nation Gaming Limited Partnership

c) Asset Classification:

Assets are classified as either financial or non-financial. Financial assets are assets that could be used to discharge existing liabilities or finance future operations. Non-financial assets are acquired, constructed or developed assets that do not provide resources to discharge existing liabilities but are employed to deliver government services and may be consumed in normal operations. Non-financial assets include tangible capital assets and prepaid expenses. Intangible assets, and items inherited by right of the Crown, are not recognized in the financial statements.

WUIKINUXV NATION

Notes to the Consolidated Financial Statements

March 31, 2021

1. Significant Accounting Policies (continued):

d) Cash and Cash Equivalents:

Cash and cash equivalents include balances with banks, cash on hand, and term deposits.

e) Tangible Capital Assets:

Tangible Capital Assets are recorded at cost, which includes amounts that are directly related to the acquisition, design, construction, development, improvement or betterment of the assets.

Tangible Capital Assets held for use are measured and amortized as described in the applicable accounting policies. The Nation performs impairment testing on these assets whenever events or changes in circumstances indicate that the carrying value of an asset, or group of assets, may not be recoverable. Impairment losses are recognized when service potential from its use and disposal are less than the assets' carrying amount. Impairment is measured as the amount by which the assets' carrying value exceeds its fair value. Any impairment is included in earnings for the year. Prices for similar items are used to measure fair value of Tangible Capital Assets.

Amortization is provided for using the following rates and methods:

Automobiles	30%	declining balance
Boats and motors	7-15%	declining balance
Buildings	4%	declining balance
Computers	30%	declining balance
Earth moving equipment	30%	declining balance
Equipment, furniture and power tools	20%	declining balance
Generators	4%	declining balance
Housing	4%	declining balance
Infrastructure	4%	declining balance

Social Housing assets acquired under Canada Mortgage and Housing Corporation ("CMHC") sponsored programs are amortized over their estimated useful lives at a rate equivalent to the annual principal reduction in the related long-term debt.

f) Basis of Accounting for Revenue and Expenses:

Restricted transfers from other governments are initially deferred to the extent that they contain a stipulation that gives rise to a liability. Amounts deferred are recognized as revenue in the period the stipulations in the related agreement are met. Unrestricted transfers are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Contributions are recorded in the year the contribution becomes receivable under the terms of the applicable funding agreement. Contributions that are specifically designated to fund expenses of a future period, or that are restricted and unspent at the end of a period, are deferred and recognized in the period in which the related expenses are incurred.

Rents, leases, contributions from non-government agreements, other fees, and interest are recognized as revenue in the period earned, when collection is reasonable assured.

Sales of goods and services are recognized as revenue in the period the good or service is provided to the recipient, and collection is reasonably assured.

WUIKINUXV NATION

Notes to the Consolidated Financial Statements

March 31, 2021

1. Significant Accounting Policies (continued):

f) Basis of Accounting for Revenue and Expenses (continued):

Other economic activities represent activities of partnerships controlled by the Nation. Revenues from economic activities consist of sales of goods and services, government transfers, management fees, and lease revenue. Expenses are recognized as they are incurred and measurable as a result of goods and services being received and/or the creation of a legal obligation to pay.

g) Measurement Uncertainty:

The preparation of financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and the disclosure of contingent assets and liabilities, at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Significant estimates include the allowance for doubtful accounts, estimated useful lives of tangible capital assets, impairment of tangible capital assets, recoverability of investments and advances, accrued liabilities, the valuation of liability for contaminated sites, and the possibility of contingent liabilities. Actual results could differ from these estimates.

h) Liability for Contaminated Sites:

A liability for remediation of a contaminated site is recognized at the best estimate of the amount required to remediate the contaminated site when contamination exceeding an environmental standard exists, the First Nation is either directly responsible or accepts responsibility, it is expected that future economic benefits will be given up, and a reasonable estimate of the amount is determinable. The best estimate of the liability includes all costs directly attributable to remediation activities and is reduced by expected net recoveries based on information available at March 31, 2021. At each financial reporting date, the Nation reviews the carrying amount of the liability. Any revisions required to the amount previously recognized is accounted for in the period revisions are made. The First Nation continues to recognize the liability until it is settled or otherwise extinguished. Disbursements made to settle the liability are deducted from the reported liability when they are made.

i) Segment Disclosures:

A segment is defined as a distinguishable activity or group of activities of the Nation, for which it is appropriate to separately report financial information to achieve the objectives of the standard. The Nation has provided definitions used in Note 20 as well as presented financial information in segment format in Schedule 1.

2. Cash:

Replacement Reserve Fund:

Under the terms of an agreement that the Nation has with CMHC, the Nation is required to maintain a separate replacement and operating reserve account related to the structures that CMHC has a funding agreement with and holds a mortgage over. The cash to be held within these accounts is to be restricted in its use as per the terms of the agreement with CMHC. As at March 31, 2021, this reserve was under-funded by \$310,628 (2020 - \$232,477). At and for the year ended March 31, 2021 the Nation did not maintain separate bank accounts for the above described replacement reserve funds. All cash on hand at March 31, 2021 is held in a general operating bank accounts, which includes the cash restricted by CMHC for the replacement reserve.

Operating Reserve Fund:

Under the terms of an agreement with CMHC, the Nation is required to maintain a separate bank account for the operating surplus resulting from the operation of the programs under the agreement, known as the operating reserve. The funds in this account may only be used to meet future program requirements. At March 31, 2021, the operating reserve fund was over-funded by \$9,390 (2020 - under-funded by \$151,109). For the year ended March 31, 2021 the Nation did not maintain separate bank accounts for the operating reserve funds. All cash on hand at March 31, 2021 is held in a general operating bank accounts, which includes the cash restricted by CMHC for the operating reserve.

Pension Plan

The Nation provides a defined contribution plan for eligible members of its staff. Member's contributions are matched by the Nation, whose contributions are directed to the members' contribution account. The amount of retirement benefit to be received by the employees will be the amount of retirement annuity that could be purchased based on the members' share of the pension plan at the time of the members' withdrawal from the plan. During the year, the Nation contributed \$11,873 (2020 - \$10,006) for retirement benefits. The Nation has an obligation with regards to the pension plan as at March 31, 2021 of \$796 (2020 - \$3,386), included in Wages and Benefits payable.

Notes to the Consolidated Financial Statements

March 31, 2021

10. Liability for Contaminated Sites:

Power Generation Station

In the year ending March 31, 2019, the Nation retained a contractor to conduct a Supplemental Phase III Environmental Site Assessment (the "ESA") on the Nation's reserve lands: Katit 1 and Cockmi 3 (the "Site"). The ESA concluded that there is soil and groundwater contamination at the Site caused by specific past or current activities, and recommended that a Remedial Action Plan (RAP) be implemented to comply with federal and provincial requirements.

The proposed RAP will involve sampling, reporting, physical remediation, disposal of materials and post-remediation monitoring and soil treatment. These activities are estimated to take three years for their commencement, and are estimated to begin in three years from the financial statement date. The total estimated cost for the RAP is \$1,237,200 before discounting. The land on which the contamination exists is crown land and the federal government will be responsible for the costs of remediating the contamination prior to transferring the land back to the Nation as part of any future Treaty settlement.

The estimated liability is the present value of future cash flows associated with all remediation activities described above using a long-term borrowing rate of 2.45%. The discounted liability for contaminated sites at March 31, 2021 is estimated to be \$942,508 (2020 - \$919,721).

Diesel Spill

In February 2021, a diesel spill occurred for which the Nation is expected to take responsibility for the remediation of the resulting contaminated site. In April 2021, the Nation retained a contractor to perform an initial site assessment. Activities undertaken by the Nation to date include containment of the spill, shoreline surveys, surface water sampling, sediment sampling, soil screening and delineation. The initial site assessment recommended that a RAP be implemented to comply with federal and provincial requirements.

The proposed RAP will involve excavation of impacted soil, general waste management, waste soil management, reporting, and post-remediation monitoring and soil treatment. A preliminary estimate of the total cost to remediate this site was made by the contractor of \$2,340,140 - \$2,560,100. An estimate of the timeframe for these activities to occur has not been made as at March 31, 2021, or as at the date of the audit report, and as a result a liability has not been recorded with respect to the remediation.

WUIKINUXV NATION

Notes to the Consolidated Financial Statements

March 31, 2021

13. Contingent Liabilities & Commitments:

- a) Indigenous Services Canada and the First Nations Health Authority may recover certain program surpluses subsequent to discussion and negotiation with the Nation. The ultimate outcome of these negotiations is not determinable at present. Consequently, no provision for potential recoverable surpluses, if any, are reflected in these financial statements.
- b) The Nation currently has a civil claim pending against it relating to the Nicknaqueet River Mini Hydro Project and the Youth Centre Project (the "Projects") filed by the contractor hired to complete the Projects. The contractor has claimed that the Nation breached the Projects' contracts. No information is available as to the amount being pursued by the contractor or the validity of the claim. The Nation is unable to determine the outcome of the claim at this time and no amount has been accrued relating to this claim.
- c) The Nation is contingently liable for \$360,798 with respect to its guarantee of loans made by Canada Mortgage and Housing Corporation to band members for homes built on reserve.

14. Schedule of Expenses by Object:

	<u>\$ 6,887,131</u>	<u>\$ 6,980,126</u>

WUIKINUXV NATION

Notes to the Consolidated Financial Statements

March 31, 2021

15. Economic Dependence:

The Nation receives a significant portion of its revenues from ISC as a result of agreements entered into with the Government of Canada. These agreements are administered by ISC under the terms and conditions of the Indian Act. The ability of the Nation to continue operations as it currently is, is dependant upon the Government of Canada's continued financial commitments as guaranteed by these agreements. Due to certain deficiencies in its operating fund position, the Nation is also party to a Remedial Management Action Plan agreement with ISC. Under the terms of the agreement, funding from the Remedial Management Action Plan can be suspended if the Nation does not comply with the terms of the agreement.

16. Financial Instruments:

The Nation, as part of its operations, carries a number of financial instruments. It is management's opinion that the Nation is not exposed to significant interest, currency or credit risks arising from these financial instruments except as otherwise disclosed.

Credit Concentration:

Financial instruments that potentially subject the Nation to concentrations of credit risk consist primarily of accounts receivable. Funding from government agencies to the Nation represents 43% (2020 - 51%) of the net accounts receivable balance. Due to the source of funding, the Nation believes there is no unusual exposure associated with the collection of these receivables.

17. Budget Figures:

Budgeted figures have been provided for comparison purposes and have been derived from the estimates approved by Chief and Council and have not been audited. Where budgeted amounts are not provided, a budget had not been completed.

18. Subsequent Events :

Wharf Reconstruction

The Nation entered into an agreement to reconstruct the wharf located in the Village for a contract price of \$6,382,440 in the year ending March 31, 2022.

Solid Waste Management Centre

The Nation entered into an agreement for the construction of a Solid Waste Management Centre in the year ending March 31, 2022 for a contract price of \$1,647,715.

Forest Tenure Purchase

The Nation purchased Forest Tenure (FL A82001) in the year ending March 31, 2022 for \$9,000,585.

19. Comparative Information:

Certain comparative figures have been reclassified where necessary to conform with the financial statement presentation in the current year.

WUIKINUXV NATION

Notes to the Consolidated Financial Statements

March 31, 2021

20. Segment Disclosure:

The Nation provides a range of services to its members. For management reporting purposes, operations and activities are organized and reported by program. Programs were created for the purpose of recording specific activities to attain certain objectives in accordance with specific regulations, restrictions or limitations. These activities can also be categorized into segments. The following segments have been identified and as such are separately disclosed:

Core Community Operations:

Core Community Operations contains activities that are needed to manage and administer the Nation's organization.

Community Support & Development:

Community Support & Development contains all activities that relate to the operations and development of activities that support the continuing development of the community.

Resource Management & Development:

Resource Management & Development contains activities that are involved in the development of the community and the development and operation of economic opportunities.

Capital Fund:

Capital Fund represents amounts spent on the betterment and addition to the Nation's capital assets, either through repairs and maintenance or general capital purchases.

Housing:

Housing contains activities that relate to on reserve housing.

Business Enterprise:

Enterprise Funds consists of the Nation's share of earnings from investments in limited partnerships, including Kvamua Enterprises Limited Partnership, Great Bear Carbon Limited Partnership and Central Coast Commercial Fisheries Limited Partnership.

Treaty:

Treaty contains activities associated with the treaty negotiations between the Nation, the province and the federal government.

Trust Fund:

The Trust Fund consists of amounts earned on funds held in Ottawa.

For each segment separately reported, the segment revenue and expense represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. The presentation by segment is based on the same accounting policies as described in the summary of significant accounting policies as described in Note 1. The segment results for the period are presented in Schedule 1 attached.
