## **MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING**

The accompanying financial statements of the West Moberly First Nations are the responsibility of management and have been approved by the Chief and Council.

The financial statements have been prepared by management in accordance with Canadian public sector accounting standards. Financial statements are not precise since they include certain amounts based on estimates and judgement. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances, in order to ensure that the financial statements are presented fairly, in all material respects.

The First Nation maintains systems of internal accounting and administrative controls of high quality. Such systems are designed to provide reasonable assurance that the financial information is relevant, reliable and accurate and the First Nation's assets are appropriately accounted for and adequately safeguarded.

The First Nation Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and is ultimately responsible for reviewing and approving the financial statements.

The financial statements have been audited by Doyle & Company in accordance with Canadian auditing standards on behalf of the members. Doyle & Company have full and free access to the Council.

## **INDEPENDENT AUDITORS' REPORT**

To the Chief and Council

### **Report on the Consolidated Financial Statements**

We have audited the accompanying consolidated financial statements of the **West Moberly First Nations**, which comprise the statement of financial position as at March 31, 2018 and the statements of financial activities, change in net financial assets, statement of cash flows, tangible capital assets and statement of expenditures by object for the year then ended, and a summary of significant accounting policies and other explanatory information.

### **Management's Responsibility for the Consolidated Financial Statements**

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the consolidated financial statements are free from material misstatement.

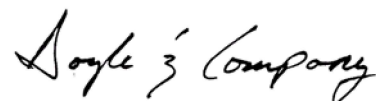

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparations and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, these consolidated financial statements present fairly, in all material respects, the financial position of the West Moberly First Nations as at March 31, 2018 and its financial performance and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

## Notes to the Consolidated Financial Statements

### March 31, 2018

---

#### NATURE OF OPERATIONS

West Moberly First Nations provides local government, education and social development services to its members and was established under the Indian Act (Canada)

#### 1. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES

These consolidated financial statements include the assets, liabilities, and results of operations of West Moberly First Nations (the "First Nation") and all related entities and organizations subject to control by Chief and Council. No inclusion has been made of assets, liabilities, revenues or expenses of First Nations members, individually or collectively, incorporated or unincorporated, that are not controlled by or the responsibility of Chief and Council.

These consolidated financial statements have been prepared in accordance with Canadian generally accepted accounting principles for local government, as established by the Public Sector Accounting and Audit Boards ("PSAB"), which encompasses the following principles:

##### (a) Fund Accounting

The West Moberly First Nations uses fund accounting procedures which result in a self-balancing set of accounts for each fund established by legal, contractual or voluntary actions. The various funds have been amalgamated for the purpose of presentation in the financial statements. Details of the operations of each fund are set out in the supplementary schedules. The West Moberly First Nations maintains the following funds:

- The Operating Fund which reports the general activities of the First Nations Administration.
- The Capital Asset Fund which reports the capital assets of the First Nations, together with their related financing.
- The Enterprise Fund which reports the investment made in controlled entities.
- The Trust Fund which reports on trust funds owned by the First Nations and held by third parties.

##### (b) Reporting Entity and Principles of Financial Reporting

The West Moberly First Nations reporting entity includes the West Moberly First Nations government and all related entities which are accountable to the First Nations and are either owned, controlled or have significant influence by the First Nations and which are not dependent on the First Nations for their continuing operations are included in the summary financial statements using the modified equity method. These include:

- Dunne-za Economic Development Corporation
- Dunne-za Ventures Limited Partnership
- West Moberly First Nations Holdings Inc.
- West Moberly First Nations Investments Inc.
- West Moberly Indigiinet Internet Service Inc.
- 5 Star Energy Services Inc.
- Black Diamond Cygnus Limited Partnership
- Three Nations Ventures
- Six Nations Ventures

**West Moberly First Nations**  
**Notes to the Consolidated Financial Statements**  
**March 31, 2018**

---

**1. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES - continued**

**(b) Reporting Entity and Principles of Financial Reporting - continued**

Three other Government Organizations, which are controlled by the First Nation, are included in the financial statements using the consolidation method. Under the consolidation method, the assets, liabilities, revenue and expenses of the those organizations have been consolidated and all inter-company balances have been eliminated on consolidation. Those Organizations are:

- West Moberly First Nation Holdings Inc.
- 0924958 B.C. Ltd.
- West Moberly First Nations Agricultural Benefits Settlement Trust

**(c) Cash**

Cash and cash equivalents consist of bank accounts and temporary investments with maturities of three months or less.

**(d) Revenue Recognition**

Government transfers and grant revenue are recognized as the First Nations becomes entitled to the funding under the terms of applicable funding agreements and are recorded in the period in which the recourses are used for the purpose specified in the agreements. Restricted funding received which relates to a subsequent fiscal period or which stipulations that give rise to an obligation are reported as deferred revenue until the resources are used for the purpose or purposes specified and/or the stipulations giving rise to an obligation have been met.

Other revenue, including rent and lease revenue, sales of goods and provision of services are recognized in the period the goods or services are provided and the related proceeds are received or receivable.

**(e) Non-Financial Assets**

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the normal course of operations. The change in non-financial assets during the year, together with the excess of revenues over expenses, provides the consolidated Change in Net Financial Assets for the year.

**(f) Tangible Capital Assets**

Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets are amortized on a declining balance basis over the estimated useful life as follows:

	Years
Automotive	3-10
Buildings	25-50
Computers	3-5
Equipment	5-20

Annual amortization is charged in the year of acquisition and not in the year of disposal.

Assets under construction are not amortized until the asset is available for productive use.

**West Moberly First Nations**  
**Notes to the Consolidated Financial Statements**  
**March 31, 2018**

---

**1. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES - continued**

**(g) Investments**

Investments are recorded at the lower of cost and fair market value.

**(h) Inventory Valuation**

Inventories are valued at the lower of cost and net realizable value on a first-in first-out basis.

**(i) Trust Funds**

The Ottawa Trust Accounts arise from monies derived from capital or revenue sources as outlined in Section 62 of the Indian Act. These funds are held in trust in the Consolidated Revenue Fund of the Government of Canada and are subject to audit by the Office of the Auditor General of Canada. The management of these funds is primarily governed by Sections 63 to 69 of the Indian Act.

First Nation trust funds are included as revenue in these statements only to the extent they have been received from the First Nation's trust funds.

**(j) Financial Instruments**

**(i) Measurement of financial instruments**

The Nation initially measures all of its financial assets and liabilities at fair value, except for certain non-arm's length transactions.

The Nation subsequently measures all of its financial assets and liabilities at amortized cost, except in equity instruments that are quoted in an active market, which are measured at fair value. Changes in fair value are recognized in net income.

Financial assets measured at amortized cost include cash, restricted cash, investments, and accounts receivables.

Financial liabilities measured at amortized cost include accounts payable, deferred contributions, treaty loan payable, long-term liabilities, obligations under capital lease, and replacement reserve.

**(ii) Impairment**

Financial assets measured at cost are tested for impairment when there are indicators of impairment. The amount of the write-down is recognized in net income. The previously recognized impairment loss may be reversed to the extent of the improvement, directly or by adjusting the allowance account, provided it is no greater than the amount that would be reported at the date of the reversal had the impairment not been recognized previously. The amount of the reversal is recognized in net income.

**2. MEASUREMENT UNCERTAINTY**

The preparation of financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**West Moberly First Nations**  
**Notes to the Consolidated Financial Statements**  
**March 31, 2018**

**3. ECONOMIC DEPENDENCE**

The West Moberly First Nations receives a major portion of its revenues pursuant to a funding arrangement with Indigenous Services Canada.

**Notes to the Consolidated Financial Statements**  
**March 31, 2018**

**13. REPLACEMENT RESERVE**

Under the terms of the agreement with CMHC, the First Nations is required to make annual deposits equal to required contributions to a replacement reserve account. These funds, along with accumulating interest, are to be held in a separate bank account. The funds in this account may only be used as approved by CMHC. Withdraws are credited to accumulated interest first and then principal.

Under agreements with CMHC, the First Nations may also establish an operating reserve to fund the ongoing operating costs of the rental housing project financed by CMHC. Required contributions to the operating reserve are equal to the amount by which revenues for the year from the CMHC rental housing project exceed all costs and expenditures incurred during the year related to the CMHC housing project.

Equity in trust funds	43,473	42,531
	<b>15,469,580</b>	<b>10,255,305</b>

**18. FINANCIAL INSTRUMENTS**

The Nation's financial instruments consist of cash, accounts receivable, investments, trust funds, accounts payable, deferred revenue, capital leases and long-term liabilities. The fair value of these financial instruments approximates their carrying values, unless otherwise noted.

**Credit Risk**

Credit risk is the risk that one party to a financial asset will cause a financial loss for the Nation by failing to discharge an obligation. The Nation's credit risk is mainly related to accounts receivable. The Nation provides credit to its clients in the normal course of its operations and assesses on a continuous basis the accounts receivable and records any amounts that are not collectible in the allowance for doubtful accounts.

**Market Risk**

Market risk is the risk that the fair value or future cash flows of the Nation's financial instrument will fluctuate because of changes in market prices. Some of the Nation's investments expose it to this risk which comprises currency risk, and interest rate risk.

**Currency Risk**

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Nation has investments outside of Canada and incurs expenditures in foreign currency.

**Interest Rate Risk**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in interest rate. The Nation is exposed to interest rate risk on its bank account balances and any of its fixed and/or floating interest rate financial instruments.

**Liquidity Risk**

Liquidity risk is the risk that the Nation will encounter difficulty in meeting its obligations associated with financial liabilities. The Nation manages its liquidity risk by monitoring its operating requirements and cash forecasts to ensure it has sufficient funds to fulfil its financial obligations.
