Consolidated Financial Statements
March 31, 2025

Management's Responsibility for Financial Reporting

The accompanying consolidated financial statements (“financial statements”) of the Squamish Nation (the “Nation”) as at March 31, 2025 and for the year then ended are the responsibility of management. The financial statements have been prepared by management in accordance with Canadian public sector accounting standards. Financial statements are not precise since they include certain amounts based on estimates and judgments. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances, in order to ensure that the financial statements are presented fairly, in all material respects.

Management maintains systems of internal accounting and administrative controls of high quality, consistent with reasonable cost. Such systems are designed to provide reasonable assurance that the financial information is relevant, reliable and accurate and the Nation’s assets are appropriately accounted for and adequately safeguarded.

The Squamish Nation Council (“Council”) is responsible for ensuring that management fulfills its responsibilities for financial reporting and is ultimately responsible for reviewing and approving the financial statements.

Council reviews the financial statements and approves them. Council meets periodically with management, as well as the external auditor, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review the financial statements and the independent auditor’s report. Council considers its findings when approving the financial statements for issuance to the Squamish People.

The financial statements have been approved by Council. In addition, these financial statements have been audited by PricewaterhouseCoopers LLP in accordance with Canadian generally accepted auditing standards on behalf of the Squamish People. PricewaterhouseCoopers LLP has full access to Council.

Khelsilem, Council Chairperson

Keith Hester, Director of Finance (“Senior Financial Officer”)

Independent auditor's report

To the Council of Squamish Nation

Our opinion

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of Squamish Nation and its subsidiaries (together, the Nation) as at March 31, 2025 and the results of its operations, changes in its net debt, its remeasurement gains and losses and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

What we have audited

The Nation's consolidated financial statements comprise:

- the consolidated balance sheet as at March 31, 2025;
- the consolidated statement of operations and accumulated surplus for the year then ended;
- the consolidated statement of changes in financial assets for the year then ended;
- the consolidated statement of cash flows for the year then ended; and
- the notes to the consolidated financial statements, which include significant accounting policies and other explanatory information.

Basis for opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the consolidated financial statements* section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Nation in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada. We have fulfilled our other ethical responsibilities in accordance with these requirements.

Responsibilities of management and those charged with governance for the consolidated financial statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Nation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Nation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Nation's financial reporting process.

Auditor's responsibilities for the audit of the consolidated financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Nation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Nation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Nation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Plan and perform the group audit to obtain sufficient appropriate audit evidence regarding the financial information of the entities or business units within the Nation as a basis for forming an opinion on the consolidated financial statements. We are responsible for the direction, supervision and review of the audit work performed for purposes of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Squamish Nation

Notes to Consolidated Financial Statements

March 31, 2025

1 Nature of organization

Skwxwú7mesh Úxwumixw, operating as the Squamish Nation (the Nation) is a government under the laws of the Province of British Columbia and is exempt from income taxes.

2 Summary of significant accounting policies

Basis of presentation

These consolidated financial statements, which represent the operations of the Nation as represented by its Council, have been prepared in accordance with Canadian public sector accounting standards.

Principles of consolidation

The consolidated financial statements include the accounts of the Nation and organizations controlled by the Nation. All controlled entities, except for the commercial enterprises which meet the definition of a government business enterprise or a government business partnership, are consolidated on a line-by-line basis. Government partnerships, other than government business partnerships, are accounted for using the proportionate consolidation method. Under this method, the Nation includes its pro rata share of the assets, liabilities, revenues and expenses that are subject to shared control on a line-by-line basis with similar items in its consolidated financial statements. The budget figures presented in the consolidated statement of operations and accumulated surplus and consolidated statement of changes in net financial assets present the original budget of the Nation, which was approved by Squamish Nation Council (the Council) on March 19, 2024.

For fully or proportionately consolidated entities, inter-organizational balances and transactions are eliminated upon consolidation. As at March 31, 2025, organizations consolidated in the Nation's financial statements include:

- Hiyam Ta Skwxwu7mesh Housing Society (Hiyam)
- Squamish Nation Youth Centre
- Squamish Lil'wat Cultural Centre (government partnership, 50% share, proportionately consolidated) (SLCC)
- MST Development Corporation (government partnership, 33% share, proportionately consolidated)
- Various other inactive entities

As at March 31, 2025 and 2024, the Nation shared control (50%) of SLCC with Lil'wat Nation, and shared control (33%) of MST Development Corporation with Musqueam Indian Band and Tsleil-Waututh Nation.

Effective fiscal year ended March 31, 2024, Nch'kay Development Limited Partnership (Nch'kay) transitioned from a governmental unit to a government business enterprise. As a result, as of April 1, 2023, the Nation ceased consolidating Nch'kay in its consolidated financial statements and accounts for Nch'kay's investment using the modified equity method. Effective January 1, 2023, legal steps concluded the transfer of ownership of Nchu'7mut Contracting Limited Partnership (Nch'7mut), Lynnwood Industrial Estates Ltd., and Lynnwood Industrial Estates Holdings Limited to Nch'kay. See note 16 for further details.

Squamish Nation

Notes to Consolidated Financial Statements

March 31, 2025

Investments in government business partnerships, government business enterprises and business partnerships are accounted for using the modified equity method and, as such, the accounting policies of such partnerships are not adjusted to conform with those of the Nation. For the year ended March 31, 2025, the Nation had equity interest in the following entities:

- Nch'Kay Development Limited Partnership (Nch'Kay)
- Nch'Kay West (Senakw) GC Limited Liability Partnership
- Senakw (Head Lease) Limited Partnership
- Senakw (Building 1) Limited Partnership
- Senakw (Building 2) Limited Partnership
- Senakw (Building 3) Limited Partnership
- Senakw (Building 4) Limited Partnership
- Senakw (Building 5) Limited Partnership
- Senakw (Building 6) Limited Partnership
- Senakw (Building 7) Limited Partnership
- Northwest Squamish Forestry Limited Partnership
- LDB Developments (AQ/MIB/SN/TWN) Limited Partnership (25% share)
- MST (Jericho) Limited Partnership (33% share)
- MST (Fairmont) Limited Partnership (33% share)
- MST (West Vancouver) Limited Partnership (33% share)
- MST (Jericho 2016) Limited Partnership (33% share)
- 1481323 BC Limited (98% share)
- MSTA Fairmont Developments LP (25% share)
- MSTA Jericho Developments LP (25% share)

The purpose of most government business partnerships is to own and develop properties for the purpose of generating income.

Asset classification

Assets are classified as either financial or non-financial. Financial assets are assets that could be used to discharge existing liabilities or represent a contractual claim to receive payment from another party. Non-financial assets are acquired, constructed or developed assets that do not provide resources to discharge existing liabilities but are employed to deliver government services and may be consumed in normal operations. Non-financial assets include the following:

- tangible capital assets
- prepaid expenses
- deferred lease costs

Intangible assets, and items inherited by right of the Crown, are not recognized in the consolidated financial statements.

Squamish Nation

Notes to Consolidated Financial Statements

March 31, 2025

Cash and cash equivalents

Cash and cash equivalents include cash on hand and short-term deposits and are measured at cost. Bank overdrafts are shown within loans payable in the consolidated balance sheet.

Inventory held for resale

Inventory consists of goods purchased and held for the purpose of resale in the ordinary course of business and is recorded at the lower of cost and net realizable value. Cost includes all expenses directly incurred to acquire and bring the inventory to its present location and condition. Cost is determined on a first-in-first-out basis.

Net realizable value represents the estimated selling price of the inventory less the estimated costs required to make the sale.

Non-financial assets

a) Tangible capital assets

Tangible capital assets are recorded at cost, which includes amounts that are directly attributable to the acquisition, construction, development or betterment of the assets. The cost, less residual value of the capital assets, is amortized on a straight-line basis over their estimated useful lives as follows:

Office buildings, prefabricated structures, and other buildings	3 – 35 years
Infrastructure	30 years
Computer hardware and software	5 – 15 years
Vehicles	5 years
Squamish Lil'wat Cultural Centre	3 – 60 years

Amortization expense is recorded over the useful life of the asset, including the year of acquisition and the year of disposal.

When conditions indicate that a tangible capital asset no longer contributes to the ability to provide goods or services, or that the value of future economic benefits is less than its carrying value, the carrying value of the asset is reduced to reflect the decline in value.

b) Deferred lease costs

Deferred lease costs include initial direct costs incurred to secure operating leases, which are deferred and amortized over the term of the leases, ranging from 20 to 30 years.

Squamish Nation

Notes to Consolidated Financial Statements

March 31, 2025

Revenue recognition

Restricted contributions received under terms of agreements are recognized as revenue in the year in which the related expenses are incurred. Unexpended restricted contributions for programs are deferred as committed program funds. Unrestricted contributions are recognized as revenue when received or receivable. Revenue from leases is recognized on a straight-line basis as it is earned based on the lease agreements and when collectability is reasonably assured. Revenues from retail operations are recognized upon delivery of performance obligations. Amounts received but not yet earned are recorded as deferred revenue.

Government Transfers

Government transfers from the federal and provincial governments that do not include stipulations are recognized as revenue when the transfers have been authorized, eligibility criteria have been met, and a reasonable estimate of the amount can be made. Government transfers with stipulations are recognized as revenue in the period the transfers are authorized, and eligibility criteria and stipulations are met.

Tax Revenue

Taxation revenues are recognized when authorized by the Council, the taxable event has occurred, and the definition of an asset is met.

Financial Instruments

Revenues from lands and resource accommodation, and interest and other income, are recognized as they are earned, and collectability is reasonably assured.

Interest and other income

The Nation receives various streams of revenue categorized as other income, which are both recurring and non-recurring. Other income sources can be categorized into:

- administration fees from related businesses
- grants from local institutions
- donations
- various other streams of funding

Squamish Nation

Notes to Consolidated Financial Statements

March 31, 2025

Use of estimates and judgments

The preparation of consolidated financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and the disclosure of contingent assets and liabilities, at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

The consolidated financial statements of the Nation do not include the assets, liabilities, revenues and expenses of the Squamish Nation Trust (the Trust). In accordance with the Trust Agreement, the Nation can appoint the Trustees. The Nation cannot remove appointed Trustees and, subsequent to their appointment, Trustees are required to govern the Trust under the terms of the Trust Agreement with no further involvement from the Nation. As a result, management has made a judgment in its interpretation of the Canadian public sector accounting standards that it does not control the Trust. See note 16 for further details.

Liability for contaminated sites

Contaminated sites are a result of contamination of a chemical, organic or radioactive material, or live organism that exceeds an environmental standard being introduced into soil, water or sediment. The Nation recognizes a liability for remediation of contaminated sites when all of the following criteria are met:

- a) an environmental standard exists;
- b) there is evidence that contaminated levels exceed the environmental standards;
- c) the Nation is directly responsible or accepts responsibility for the contamination;
- d) it is expected that future economic benefits will be given up; and
- e) a reasonable estimate of the amount can be made.

A liability for a contaminated site may arise from operations that are either considered in productive use or no longer in productive use when environmental standards are exceeded. It will also arise when an unexpected event occurs resulting in contamination that exceeds an environmental standard. The liability is based on the present value of the estimated costs directly attributable to the remediation and post-remediation activities. As at March 31, 2025 and 2024, no contaminated sites had been identified that meet the criteria outlined in the standard.

Squamish Nation

Notes to Consolidated Financial Statements

March 31, 2025

Asset Retirement Obligation

The asset retirement obligation at the financial statement date is measured based on the Nation's estimate of the amount required to retire its tangible capital asset at the balance sheet date. Asset retirement obligations are a result of contamination of asbestos and other hazardous substances. The Nation recognizes a liability for remediation of contaminated sites when all of the following criteria are met:

- a) a legal obligation exists to incur retirement costs in relation to a tangible capital asset;
- b) the past transaction or event giving rise to the liability has occurred;
- c) it is expected that future economic benefits will be given up; and
- d) a reasonable estimate of the amount can be made.

The Nation has recognized an asset retirement obligation for the future decommissioning of commercial buildings which has been included in accounts payable and accrued liabilities and tangible capital assets and further outlined in Schedule 1.

	110,715,812	98,221,680

5 Nation amenity contribution

During the year ended March 31, 2020, the Nation entered into a series of agreements with the City of Vancouver and a development partner to develop a parcel of land on the Nation's Kitsilano IR6 reserve in Vancouver, British Columbia. The development will consist of four phases and will serve as a mixed-use property. The development partner for each phase is required to pay the Nation a community amenity contribution based on the gross floor area in square feet of that phase adjusted for square footage of below-market housing. As construction of the second phase commenced during the year ended March 31, 2024, the Nation recorded a community amenity contribution of \$60,657,741 which is included in accounts receivable as at March 31, 2025 and 2024.

6 Cash and cash equivalents

a) Cash and cash equivalents available for general expenditure

Cash and cash equivalents include cash on hand and short-term deposits and are measured at cost. Portions of cash and cash equivalents are designated for future projects and strategic initiatives as of March 31, 2025. These funds are earmarked to support the Nation's growth objectives and operational strategies. These amounts are as follows:

	2025 \$	2024 \$
Cash and cash equivalents	228,001,529	217,281,755

The promissory notes with MST (Jericho 2016) Limited Partnership, MST (Jericho) Limited Partnership, and MST (West Vancouver) Limited Partnership are payable on demand, bear interest at prime rate per annum and are unsecured. Other advances are unsecured, have no fixed terms of repayment and do not bear interest.

Land purchased by the MST limited partnerships and MST (Jericho 2016) Limited Partnership was partially funded by either non-interest or low interest-bearing loans. The accounting framework for the MST limited partnerships and MST (Jericho 2016) Limited Partnership, IFRS Accounting Standards, requires the loans to be recorded at fair value rather than face value. Gains or losses resulting from fair value adjustments to the loans are non-cash items and have resulted in significant changes in equity losses and earnings during the years ended March 31, 2025, and 2024. The loans are ultimately repayable at their face value.

13 Deferred capital contributions

In November 2021, the Nation and CMHC entered into the Rapid Housing Initiative Agreement (the RHI Agreement), whereby the Nation, through Hiyam will build temporary modular residential units for Squamish People who risk homelessness. The projects include two modular housing developments consisting of 80 units of affordable housing with a specified capacity intended for women and children.

Pursuant to the RHI Agreement, CMHC advanced a sum of \$32,376,796 to Hiyam during the year ended March 31, 2022.

During the year ended March 31, 2024, the Nation, through Hiyam, received a demand non-revolving forgivable construction loan from BC Housing. Payments for principal and interest will be forgiven over a fixed term provided that the underlying capital assets are continuously used for purposes specified in the credit facility agreement and an event of default, as defined in the credit facility agreement, does not occur.

Deferred capital contribution after the elimination of the intercompany contribution for March 31 is as follows:

- d) The Nation has provided an unlimited guarantee to International Forest Products Limited (IFPL) for any damages IFPL may suffer as a result of the operation of Tree Farm Licence #38 by Northwest Squamish Forestry Limited Partnership.
- e) The Nation has indemnified the Trustees of the Trust against any claims or liabilities made against the Trustees arising from their activities as a Nation Trustee of the Trust.
- f) The Nation collects lease revenue from certain tenants where the title to the land under lease is held by the Government of Canada (Canada). The Nation has indemnified certain lessees against any losses claimed by Canada in respect of rent and fee payments made to the Nation rather than to Canada.
- g) Certain legal actions have been commenced against the Nation in connection with various matters arising during the normal course of business activities. Management is of the opinion that the cost of settling and defending such actions will not be significant and, accordingly, no provision for losses has been reflected in these consolidated financial statements.

In management's view, no provision for loss was required in respect of the above-noted guarantees and indemnities as at March 31, 2025 and 2024.

15 Related party transactions for March 31 2025.

During the year, the Nation had the following transactions with related parties:

- Received \$nil (2024 – \$4,668,553) from the Trust being the allocation of net income paid by the Trust. In accordance with the Trust agreement, this amount was loaned back to the Trust (note 16).
- Included in accounts receivable is \$399,458 (2024 – \$405,142) due from Squamish People.
- Received \$399,000 (2024 – \$362,583) in rents, and \$201,891 (2024 – \$175,377) in property taxes, from Lynnwood Marina Limited Partnership.
- Earned interest of \$2,275,830 (2024 – \$2,412,305) on the promissory note with MST (Jericho 2016) Limited Partnership.

16 Squamish Nation Trust

On May 11, 2000, the Government of Canada (Canada) signed a Settlement Agreement (the Agreement) with Squamish People ratifying the terms of the Agreement. As compensation for this settlement, Canada paid the sum of \$92,500,000 into a trust account governed by a Trust Agreement.

Under the terms of the Agreement, the Trust has been established to hold the compensation and any income from the settlement for the benefit of current and future generations of Squamish People. Trustees appointed serve minimum two-year terms, and up to four-year terms. No members of the Council are eligible to serve as a Trustee. The Trustees have appointed an independent Trust Corporation as a fifth Trustee which, in addition to its Trustee duties, administers the Trust and maintains the records. Trustees are to administer the Trust in accordance with the Trust Agreement and the Comprehensive Plan which has been approved by membership, and an established Investment Policy.

To assist with the administration of the Trust, the Nation receives advances from the Trust to pay certain expenses on the Trust's behalf. As at March 31, 2025, the Nation had an amount receivable from the Trust of \$33,114 (2024 – \$nil), representing the excess of advances received over the amount of such expenses.

The Nation does not include the assets, liabilities, income or expenses of the Trust in its consolidated financial statements. Under the terms of the Trust Agreement, the annual net income (investment income less administrative expenses) of the Trust is to be paid to the Nation and immediately loaned back in full to the Trust. This results in separate annual loans receivable, without interest, payable to the Nation no sooner than 10 years from issuance, with any future repayment not to exceed 50% of the income of the Trust in that year. As at March 31, 2025, cumulative loans receivable of \$4,668,533 (2024 – \$4,668,533) was provided for in full.

The Nation is contingently liable under the Agreement to indemnify Canada from any loss or damage resulting from any proceedings against Canada by any parties in respect of the subject matter of the Agreement. As at March 31, 2025, management was not aware of any such proceedings and considers any such contingent loss to be unlikely to occur.

17 Defined contribution plans

The Nation participates in individual defined contribution pension plans (the Plans) for its permanent employees. Permanent employees who elect to participate in a plan are required to contribute 5% of their earnings. An additional voluntary contribution of 3% of earnings is permitted. The Nation contributes amounts equal to the employees' contributions. The Nation contributed \$2,414,448 to the Plans during the year (2024 – \$2,101,929).

20 Remuneration of elected officials and senior staff

Senior staff compensation

The Squamish Nation Salary Index and Performance Management Plan (Salary Plan) is a compensation plan which applies to all Nation employees, and is designed to attract, retain and motivate the caliber of employee needed to support the achievement of the Nation's goals of providing the best service to the Nation. The Salary Plan has been approved by the Council.

All employees, including the Nation's Chief Administrative Officer and directors, are paid in accordance with the Salary Plan. For the year ended March 31, 2025, total compensation for senior staff ranged from \$114,658 (2024 – \$109,351) to \$266,363 (2024 – \$256,231). These pay rates are annual and may differ based on number of years of employment.

Elected official compensation

For the year ended March 31, 2025, all members of the Council and the Band Manager were paid in accordance with total compensation provisions included in the Squamish Nation Council Governance Policy, ranging from \$83,416 (2024 – \$78,600) to \$91,403 (2024 – \$88,272) annually. Council members may also serve as a director for companies controlled by the Nation. They receive no additional compensation for these services.

Travel

Local travel – Nation employees, including senior staff, who use their personal vehicles for work-related purposes are eligible to claim mileage.

Out of town – all business-related out-of-town travel by Councillors, the Band Manager and senior employees is pre-approved, either by the Council or by an Executive Operating Officer. Like many other governments, Nation employees and Councillors receive a daily stipend to cover meals, lodging and incidental costs when travelling on Nation business. When necessary, transportation costs are also paid. Daily stipend amounts are determined by policy.

Pension and benefits

The Nation contributes to pension plans and employment benefits (medical, dental and extended health, for example) for all employees and Councillors who meet eligibility requirements as defined by policy.

Other

The Nation provides an annual distribution to the Squamish People as well as a wide range of services to them and their families, such as education, health, housing and recreation services. Councillors and senior employees and their families may receive such services under the same conditions and eligibility requirements.

21 Contractual rights

The Nation has entered in confidential agreements with various parties, whereby the Nation will receive future funding and other economic resources. These annual revenues include lease revenues and proceeds from impact and benefit agreements and revenue sharing arrangements. Revenues range from \$10,000 to \$18.00 million (2024 -\$10,000 to \$11.05 million) per agreement and the terms of the agreements range from one year to fifty years.

In addition, the Nation has entered into funding agreements with the Government of Canada, Province of British Columbia and other funding agencies to facilitate delivery of programs and services. The terms of these agreements range from one year to ten years, and the funding ranges from \$1,000 to \$13.01 million (2024 - \$1,000 to \$11.11 million) per agreement.

22 Accumulated surplus

Pursuant to the Target Fund Policy approved during the year ended March 31, 2018, the Nation will allocate a portion of cash and cash equivalents to Targeted Funds based on the surplus for the year ended March 31, 2025. The intention of the Target Fund Policy is to establish cash and cash equivalents to pay for major future expenditures, protect against unforeseen events, fund strategic investments, or finance extraordinary expenditures while ensuring these funding activities do not negatively impact current operating budgets and cash flow. This policy was rescinded in July 2025 and replaced with the proposal to create four new funds – Emergency Fund, Capital Fund, Distribution Fund & Strategic Priorities Fund. Accumulated surplus will be allocated to these funds with Council's approval

23 Subsequent events

On July 25, 2025, the Nation entered into an \$80.0 million revolving demand facility with Royal Bank of Canada with interest rates based on RBP - 0.75%, daily Simple CORRA + 1.1% and term CORRA + 1.1%.

On August 28, 2025, the Nation announced OPTrust, via OPTrust Senakw Investments Holdings Inc., acquired Westbank Projects Corp.'s 50% ownership in Phases One and Two of the Senakw development. Phases One and Two comprise Senakw (Building 1 to 7) Limited Partnership. The Nation's interest in the development remains at 50% for these phases that are currently underway.

The Nation now fully owns the interest in Phases Three and Four of the development, having previously owned 50% in these phases.

Subject to certain agreements being entered into, the Nation will fully own the interest in Senakw (Head Lease) GP Holdings Inc. which has interest in Senakw (Head Lease) Limited Partnership.
