## MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

The accompanying consolidated financial statements of N'Quatqua First Nation are the responsibility of management and have been approved by the Chief and Council.

The consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board of Chartered Professional Accountants of Canada and as such include amounts that are the best estimates and judgments of management.

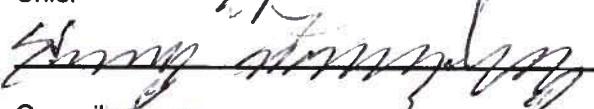

Management is responsible for the integrity and objectivity of these consolidated statements and for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

The Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control and is ultimately responsible for reviewing and approving the consolidated financial statements.

The Council meets periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review the consolidated financial statements and the external auditor's report.

The external auditors, Seigneuret & Company, Chartered Professional Accountant, conduct an independent examination, in accordance with Canadian auditing standards, and express their opinion on the consolidated financial statements. The external auditors have full and free access to financial management of N'Quatqua First Nation and meet when required.

## INDEPENDENT AUDITOR'S REPORT

To: The Members of  
N'Quatqua First Nation

I have audited the accompanying consolidated Statement of Financial Position of the N'Quatqua First Nation as at March 31, 2015, the consolidated Statements of Operations, Changes in Net Debt, the consolidated Statement of Cash Flow for the year then ended, and a summary of significant accounting policies and other explanatory information.

### **Management's responsibility for the financial statements**

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's responsibility**

My responsibility is to express an opinion on these consolidated financial statements based on my audit. I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

### **Opinion**

In my opinion, these consolidated financial statements present fairly, in all material respects, the financial position of the N'Quatqua First Nation as at March 31, 2015 and the results of operations, changes in net debt, cash flow of the Nation for the year then ended, in accordance with Canadian public sector accounting standards.

**N'QUATQUA FIRST NATION**  
**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS**  
**MARCH 31, 2015**

**1. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES**

**a) Basis of presentation**

The financial statements of the N'Quatqua First Nation are prepared in accordance with Canadian generally accepted accounting principles for government entities, as defined in the CICA Public Sector Accounting and Auditing Handbook.

**b) Fund Accounting**

The N'Quatqua First Nation uses fund accounting procedures which result in a self balancing set of accounts for each fund established by legal, contractual or voluntary actions. The various funds have been amalgamated for the purpose of presentation in the Financial Statements.

**c) Reporting Entity and Principles of Financial Reporting**

The N'Quatqua First Nation reporting entity includes the Band government and all related entities which are accountable to the Band and are either owned or controlled by the Band. The N'Quatqua First Nation has three wholly-owned incorporated subsidiaries:

- N'Quatqua Logging Co. Ltd.
- N'Quatqua Fisheries Inc.
- NEEDCO N'Quatqua Employment & Economic Development Corporation

These financial statements consolidate the assets, liabilities and results of operations of these corporations.

All inter-entity balances have been eliminated on consolidation.

These corporations do not meet the definition of "government business enterprises" as defined in the CPA Public Sector Accounting and Auditing Handbook.

**d) Asset Classification**

Assets are classified as either financial or non-financial. Financial assets are assets that could be used to discharge existing liabilities or finance future operations. Non-financial assets are acquired, constructed or developed assets that do not provide resources to discharge existing liabilities but are employed to deliver government services, may be consumed in normal operations and are not for resale. Non-financial assets include tangible capital assets and prepaid expenses.

**e) Cash and Cash Equivalents**

Cash includes cash on hand and balances with banks net of bank overdraft.

**N'QUATQUA FIRST NATION**  
**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS**  
**MARCH 31, 2015**

**1. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES (CONT'D):**

**f) Inventory**

Inventory, which consists of convenience store products and gasoline, is recorded at the lower of cost or net realizable value. Cost is calculated on a first-in first out basis.

**g) Tangible Capital Assets**

Tangible capital assets are recorded at cost, which includes amounts that are directly related to the acquisition, design, construction, development, improvement or betterment of the assets. Cost includes overhead directly attributable to construction and development, as well as interest costs that are directly attributable to the acquisition or construction of the asset.

Housing assets acquired under C.M.H.C. sponsored housing programs are amortized at a rate equivalent to the annual principal reduction in related long-term debt, as required for C.M.H.C. reporting purposes. Amortization for other capital assets is provided annually at rates calculated to write off the assets over their estimated useful lives as follows, except in the year of acquisition when one-half of the rate is used.

Non CMHC-sponsored tangible capital assets are amortized at the following rates:

Buildings	4%	straight-line
Fire truck	20%	straight-line
Office furniture and equipment	20%	straight-line
Machinery and equipment	10%	straight-line
Vehicles	20%	straight-line
Sawmill	10%	straight-line
Logging machinery	20%	straight-line
Fencing	10%	straight-line

Tangible capital assets are written down when conditions indicate that they no longer contribute to N'Quatqua First Nation's ability to provide goods and services, or when the value of future economic benefits associated with the tangible capital assets are less than their net book value. The net write-downs are accounted for as expenses in the consolidated statement of operations.

Contributed tangible capital assets are recorded into revenues at their fair value on the date of donation, except in circumstances where fair value cannot be reasonably determined, in which case they are recognized at nominal value.

Certain assets which have historical or cultural value, including works of art, historical documents and historical and cultural artifacts, are not recognized as tangible capital assets. Assets under construction are not amortized until the asset is available to be put into service.

**N'QUATQUA FIRST NATION**  
**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS**  
**MARCH 31, 2015**

**1. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES (CONT'D):**

**h) Net Debt**

The First Nation's financial statements are presented so as to highlight net debt as the measurement of financial position. The net debt of the First Nation is determined by its liabilities less its financial assets. Net debt is comprised of two components, non-financial assets and accumulated surplus.

**i) Revenue Recognition**

All revenue is recorded on the accrual basis whereby amounts received or recorded as receivable but not earned by the end of the fiscal year are recorded as deferred revenue. Funding received under the terms of contribution agreements with the federal and provincial governments is recognized as revenue once eligibility criteria have been met. Funding is recorded as deferred revenue if it has been restricted by the government for a stated purpose, such as a specific program or the purchase of tangible capital assets. Deferred revenue is recognized in revenue over time as the recognition criteria are met.

Revenue derived from business activities is recognized when services or products are delivered and amounts are determinable and collectible.

**j) Replacement Reserve**

The Replacement Reserve account is funded by an annual charge against earnings as opposed to an appropriation of surplus. Interest earnings and approved expenditures are charged against the Reserve.

**k) Houses Held for Sale to Band Members**

The non-CMHC houses held for sale to band members are recorded on the Statement of Financial Position at a total amount equivalent to the principal payments to be made by Band members in order to acquire title to the assets.

CMHC Matured housing units are recorded on the Statement of Financial Position at \$1 per unit pending transfer to Band members when rental arrears are fully paid.

**l) Measurement Uncertainty**

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Significant areas requiring the use of management estimates relate to the impairment of assets, amortization rates, and allowance for doubtful accounts receivable. Actual results could differ from those reported.

**12. REPLACEMENT AND OPERATING RESERVE FUNDS**

In accordance with the terms and conditions of the Operating Agreement with CMHC, the Social Housing Program must set aside funds annually for the non-annual expenditures of the Program for the repair and replacement of certain assets.

These funds are to be held in a separate interest-bearing bank account or term deposit with the interest earned to be credited as revenue to the Replacement Reserve Fund. As at the Audit Report date, the following amounts have not been deposited to a separate interest bearing account.

Replacement Reserve Fund:	<u>2015</u>	<u>2014</u>
Social Housing I	\$ 52,340	\$ 44,453
Social Housing II	<u>151,362</u>	<u>133,570</u>

**N'QUATQUA FIRST NATION**  
**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS**  
**MARCH 31, 2015**

**14. SUBSIDY SURPLUS FUND AND OPERATING RESERVE FUND**

In accordance with the terms and conditions of the Operating Agreements entered into with CMHC prior to 1997, the Social Housing Program is permitted to set aside an amount of up to \$500 per housing unit for the purpose of meeting future requirements of income-tested occupants over and above the maximum federal assistance. This Subsidy Surplus Fund may be replenished to its original limit from subsequent operating surpluses. Any surpluses in excess of \$500 per unit is recoverable by CMHC.

In the case of Operating Agreements entered into in 1997 and beyond, a Subsidy Surplus Fund is not a condition of the Agreement. Any surplus revenue will be retained by the First Nation within an Operating Reserve Fund which may only be used for the ongoing operating costs of the housing projects committed under 1997 On-Reserve Housing Program.

**17. ST'AT'IMC (PC) 2011 TRUST**

The St'at'imc Authority reached a comprehensive settlement with the Province of British Columbia and BC Hydro on May 10, 2011. The Settlement Agreement provides compensation for impacts to St'at'imc lands and people in respect of past, present and future hydro development in the St'at'imc territory; as a result, the St'at'imc (PC) 2011 Trust was established to receive the settlement funds.

N'Quatqua is a beneficiary of the Trust and in accordance with the Settlement Agreement and Trust Indenture, the Nation is entitled to receive certain sums of monies from the Trust each year to be used for specific purposes as outlined in a Band Council Resolution.

Available Trust Revenues shall consist of funding received in a fiscal year and unused funding received in previous fiscal years. Expenditures shall consist only of expenses incurred for the purposes stated in the Band Council Resolution which shall be consistent with the purposes specified in the Indenture. The Nation is permitted to expend Trust monies on a basis other than as specified in the Band Council Resolution provided that the expenditures are consistent with the purposes specified in the Indenture.

During the year, the Nation neither requested nor received any funds.

**18. COMPARATIVE FIGURES**

Certain comparative figures have been reclassified to conform with the current year's presentation.

**19. FAIR VALUE ESTIMATION**

The Band's financial instruments consists of cash, accounts receivable, accounts payable and accrued liabilities, amounts due to government agencies, mortgages and loans payable. It is management's opinion that the Band is not exposed to significant interest risk arising from these financial instruments. Exposure to credit risk is also not significant with the exception of Rents Receivable which have a higher credit risk due to the nature of the social housing program. The fair value of these financial instruments approximate their carrying values, unless otherwise noted.
