## **Management's Responsibility**

---

To the Members of Katzie First Nation:

The accompanying consolidated financial statements of Katzie First Nation are the responsibility of management and have been approved by the Chief and Council.

Management is responsible for the preparation and presentation of the accompanying consolidated financial statements, including responsibility for significant accounting judgments and estimates in accordance with Canadian public sector accounting standards. This responsibility includes selecting appropriate accounting principles and methods, and making decisions affecting the measurement of transactions in which objective judgment is required.

In discharging its responsibilities for the integrity and fairness of the consolidated financial statements, management designs and maintains the necessary accounting systems and related internal controls to provide reasonable assurance that transactions are authorized, assets are safeguarded and financial records are properly maintained to provide reliable information for the preparation of consolidated financial statements.

The Katzie First Nation Council is responsible for overseeing management in the performance of its financial reporting responsibilities, and for approving the consolidated financial statements. The Council fulfils these responsibilities by reviewing the financial information prepared by management and discussing relevant matters with management and external auditors. The Council is also responsible for recommending the appointment of the Nation's external auditors.

MNP LLP, an independent firm of Chartered Professional Accountants, is appointed by the Members to audit the consolidated financial statements and report directly to them; their report follows. The external auditors have full and free access to, and meet periodically and separately with, both the Council and management to discuss their audit findings.

July 26, 2017

Financial Manager

# Independent Auditors' Report

---

To the Members of Katzie First Nation:

We have audited the accompanying consolidated financial statements of Katzie First Nation, which comprise the consolidated statement of financial position as at March 31, 2017, and the consolidated statements of operations and accumulated surplus, changes in net financial assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

## *Management's Responsibility for the Consolidated Financial Statements*

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

## *Auditors' Responsibility*

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## *Opinion*

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of Katzie First Nation as at March 31, 2017 and the results of its operations, changes in net financial assets and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

**Katzie First Nation**  
**Notes to the Consolidated Financial Statements**  
*For the year ended March 31, 2017*

---

**1. Operations**

The Katzie First Nation (the "Nation") is located in the province of British Columbia, and provides various services to its members. Katzie First Nation includes the Nation's government and all related entities that are accountable to the Nation and are either owned or controlled by the Nation.

**2. Significant accounting policies**

These consolidated financial statements are the representations of management, prepared in accordance with Canadian public sector accounting standards and include the following significant accounting policies:

***Basis of presentation***

Sources of revenue and expenses are recorded on the accrual basis of accounting. The accrual basis of accounting recognizes revenue as it becomes available and measurable; expenses are recognized as they are incurred and measurable as a result of the receipt of goods or services and the creation of a legal obligation to pay.

***Asset classification***

Assets are classified as either financial or non-financial. Financial assets are assets that could be used to discharge existing liabilities or finance future operations. Non-financial assets are acquired, constructed or developed assets that do not normally provide resources to discharge existing liabilities but are employed to deliver government services, may be consumed in normal operations and are not for resale in the normal course of operations. Non-financial assets include tangible capital assets and prepaid expenses.

***Net financial assets***

The First Nation's financial statements are presented so as to highlight net financial assets as the measurement of financial position. The net financial assets of the First Nation is determined by its financial assets less its liabilities. Net financial assets combined with non-financial assets comprise a second indicator of financial position, accumulated surplus.

***Tangible capital assets***

Tangible capital assets are initially recorded at cost based on historical cost accounting records. Contributed tangible assets are recorded at their fair value at the date of contribution.

***Amortization***

Tangible capital assets are amortized annually using the straight-line method at rates intended to amortize the cost of the assets over their estimated useful lives:

	Rate
Infrastructure	50 years
Community/Health building	50 years
Bridges	40 years
Buildings	25 years
Fencing	25 years
Roads	20 years
Equipment	10 years
Vehicles	5 years

**Katzie First Nation**  
**Notes to the Consolidated Financial Statements**  
*For the year ended March 31, 2017*

---

**2. Significant accounting policies** *(Continued from previous page)*

***Funds held in Ottawa Trust Fund***

Funds held in trust on behalf of Nation members by the Government of Canada in the Ottawa Trust Fund are reported on the statement of financial position with an offsetting amount in accumulated surplus. Trust monies consist of:

- Capital trust monies derived from non-renewable resource transactions on the sale of land or other Nation tangible capital assets; and
- Revenue trust monies generated primarily through land leasing transactions or interest earned on deposits held in trust.

***Revenue recognition***

**Funding**

Revenue is recognized as it becomes receivable under the terms of applicable funding agreements. Funding received under funding arrangements that relate to a subsequent fiscal period are reflected as deferred revenue on the statement of financial position in the year of receipt.

**Other revenue**

Other revenue is recognized as revenue when received or receivable if the amount can be reasonably estimated and collection is reasonably assured.

**Government transfers**

Katzie First Nation recognizes a government transfer as revenue when the transfer is authorized and all eligibility criteria, if any, have been met. A government transfer with stipulations giving rise to an obligation that meets the definition of a liability is recognized as a liability. In such circumstances, the Nation recognizes revenue as the liability is settled. Transfers of non-depreciable assets are recognized in revenue when received or receivable.

**Housing rental income**

Rental revenue is recorded in the year it is earned. At the end of each year, management evaluates whether rent revenue is collectible and records a bad debt expense and allowance for doubtful accounts for those amounts designated as unlikely to be collected.

**First Nation capital and revenue trust funds**

Katzie First Nation recognizes revenues at the time funds are contributed from the accounts held in Ottawa. Interest revenue is recognized when earned.

**Income from investments**

Katzie First Nation uses the modified equity method to account for its investments in Katzie Development Corporation Ltd. and Katzie Development Limited Partnership as the entity is not dependent on the Nation for its continuing operations. Under the modified equity method, the equity method of accounting is modified only to the extent that the business entity accounting principles are not adjusted to conform to those of the Nation. Thus, the Nation's investment in this entity is recorded at acquisition cost and is increased for the proportionate share of post acquisition earnings and decreased by post acquisition losses and distributions received to the extent that retained earnings is above zero.

**Other investment income**

Interest and dividend income earned on portfolio investments are recognized as revenue when received.

**Katzie First Nation**  
**Notes to the Consolidated Financial Statements**  
*For the year ended March 31, 2017*

---

**2. Significant accounting policies** *(Continued from previous page)*

***Measurement uncertainty***

The preparation of consolidated financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenue and expenses during the reporting period.

Accounts receivable, and amounts due from related Nation entities and departments, are stated after evaluation as to their collectibility and an appropriate allowance for doubtful accounts is provided where considered necessary. Amortization is based on the estimated useful lives of tangible capital assets.

***Reporting entity***

The financial statements consolidate the financial activities of all entities and departments comprising the Nation reporting entity, except for those entities not dependent on the Nation for their continuing operations, which are included in the financial statements using the modified equity method.

The Nation has consolidated the assets, liabilities, revenue and expenses of the following entities and departments:

- Katzie First Nation Bus Corporation
- Smuq'wa Development Corporation
- Katzie Cultural Education Society

All inter-entity balances have been eliminated on consolidation; however, transactions between departments have not been eliminated in order to present the results of operations for each specific department.

The Nation has used the modified equity method to account for its investment in Katzie Development Corporation Ltd. and Katzie Development Limited Partnership.

***Long-lived assets and discontinued operations***

Long-lived assets consist of tangible capital assets. Long-lived assets held for use are measured and amortized as described in the applicable accounting policies.

When the Nation determines that a long-lived asset no longer has any long-term service potential to the organization, the excess of its net carrying amount over any residual value is recognized as an expense in the statement of operations. Write-downs are not reversed.

***Segments***

Katzie First Nation conducts its business through ten reportable segments: Administration, Capital Projects, Economic Development and Employment, Education, Health and Social Programs, Housing, Aboriginal Rights and Title, Maintenance, Other and First Nation Enterprises. These operating segments are established by senior management to facilitate the achievement of the Nation's long-term objectives, to aid in resource allocation decisions, and to assess operational performance.

For each reported segment, revenue and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis.

The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements.

**Katzie First Nation**  
**Notes to the Consolidated Financial Statements**  
*For the year ended March 31, 2017*

---

**2. Significant accounting policies** *(Continued from previous page)*

***Liability for contaminated site***

A liability for remediation of a contaminated site is recognized at the best estimate of the amount required to remediate the contaminated site when contamination exceeding an environmental standard exists, the First Nation is either directly responsible or accepts responsibility, it is expected that future economic benefits will be given up, and a reasonable estimate of the amount is determinable. The best estimate of the liability includes all costs directly attributable to remediation activities and is reduced by expected net recoveries based on information available at March 31, 2017.

At each financial reporting date, the First Nation reviews the carrying amount of the liability. Any revisions required to the amount previously recognized is accounted for in the period revisions are made. The First Nation continues to recognize the liability until it is settled or otherwise extinguished. Disbursements made to settle the liability are deducted from the reported liability when they are made. Management has determined that no liability exists as at March 31, 2017.

***Foreign currency translation***

Transaction amounts denominated in foreign currencies are translated into their Canadian dollar equivalents at exchange rates prevailing at the transaction dates. Carrying values of monetary assets and liabilities reflect the exchange rates at the statement of financial position date. Translation gains and losses are included in current year surplus.

***Future accounting policies***

**PS 2200 Related Party Disclosures**

This accounting pronouncement is effective for the 2018 fiscal year and defines related party and establishes disclosures required for related party transactions. Management is assessing the impact of the adoption of these standards, which is not known or can be reasonably estimated at this time.

**PS 3210 Assets**

This accounting pronouncement is effective for the 2018 fiscal year and provides guidance for applying the definitions of assets set out in PS 1000 Financial Statement Concepts and establishes general disclosure standards for assets. Management is assessing the impact of the adoption of these standards, which is not known or can be reasonably estimated at this time.

**PS 3320 Contingent Assets**

This accounting pronouncement is effective for the 2018 fiscal year and establishes disclosure standards on contingent assets. Management is assessing the impact of the adoption of these standards, which is not known or can be reasonably estimated at this time.

**PS 3380 Contractual Rights**

This accounting pronouncement is effective for the 2018 fiscal year and defines and establishes disclosure standards on contractual rights. Management is assessing the impact of the adoption of these standards, which is not known or can be reasonably estimated at this time.

**PS 3420 Inter-entity Transactions**

This accounting pronouncement is effective for the 2018 fiscal year and establishes standards on how to account for and report transactions between public sector entities that comprise a government's reporting entity from both a provider and a recipient's perspective. Management is assessing the impact of the adoption of these standards, which is not known or can be reasonably estimated at this time.

**PS 3450 Financial Instruments**

This accounting pronouncement establishes standards on how to account for and report all types of financial instruments including derivatives. Financial instruments include primary instruments and derivative instruments. It is effective for fiscal years beginning on or after April 1, 2019, with early adoption encouraged. Management is assessing the impact of the adoption of these standards, which is not known or can be reasonably estimated at this time.

---

**6. Operating reserve**

Under agreements with Canada Mortgage and Housing Corporation (CMHC), Katzie First Nation established the following:

An operating reserve resulting from annual surplus after the payment of all costs and expenses including allocation to the replacement reserve. These funds along with accumulated interest, must be held in a separate bank account and/or invested only in accounts or instruments insured by the Canada Deposit Insurance Corporation, or as otherwise mutually agreed to by Katzie First Nation and CMHC. These funds may only be used for the ongoing operating costs of the housing projects committed under the 1997 On-Reserve Program. Accordingly, future years' deficits may be recovered from the Operating Reserve fund. At March 31, 2017, \$61,535 (2016 - \$67,027) has been set aside to fund this reserve.

**7. Replacement reserve**

Under agreements with Canada Mortgage and Housing Corporation (CMHC) the Nation established a replacement reserve, established by an annual allocation of \$32,615 (2016 - \$32,401), to ensure replacement of buildings financed by CMHC. At March 31, 2017, \$47,855 (2016 - \$46,802) has been set aside to fund this reserve. The overfunded portion at March 31, 2017 was \$2,078 (2016 - \$11,800).

In accordance with terms of the agreements, CMHC reserve funds must be held or invested only in accounts or instruments guaranteed by the Canada Deposit Insurance Corporation, or as otherwise approved by CMHC. Reserve withdrawals are credited first to interest and then to principal.

**8. Deferred revenue**

Deferred revenue consists of unearned housing revenue and five forgivable CMHC On-Reserve Residential Rehabilitation Assistance Program loans. The loans will be forgiven over the next four years, provided the Nation continues to own and operate the properties and they remain occupied by band members with a total household income at or below the income threshold established by CMHC, for the term of the loan.

**Notes to the Consolidated Financial Statements**  
*For the year ended March 31, 2017*

---

**9. Long-term debt (Continued from previous page)**

Principal repayments of long-term debt in each of the next five years, assuming all term debt is subject to contractual terms of repayment and long-term debt subject to refinancing is renewed with similar terms, are estimated as follows:

2018	111,446
2019	104,984
2020	104,963
2021	78,955
2021	58,749

**10. Accumulated surplus**

	2017	2016
Equity in Ottawa Trust Funds (Note 5)	478,263	467,994
Equity in CMHC replacement reserve (Note 7)	47,855	46,802
Equity in CMHC operating reserve (Note 6)	61,535	67,027
Equity in tangible capital assets	7,611,609	7,383,988
Deficit of Nation Enterprises	(526,953)	(788,248)
Unrestricted surplus	<u>14,856,197</u>	<u>15,172,101</u>
	<b>22,528,506</b>	<b>22,349,664</b>

**11. Financial Instruments**

Katzie First Nation's financial instruments consist of cash, investments, accounts receivable, bank indebtedness, accounts payable and accruals, and long-term debt. It is management's opinion that the Nation is not exposed to significant currency or credit risk arising from these financial instruments. The fair value of the instruments approximates their carrying values, unless otherwise noted.

Interest rate risk is the risk that the value of a financial instrument might be adversely affected by a change in the interest rates. In seeking to minimize the risks from interest rate fluctuations, the Nation manages exposure through its normal operating and financing activities. The Nation is exposed to interest rate cash flow risk through its Royal Bank line of credit with a variable interest rate of prime plus 1%. The Nation is exposed to interest rate price risk on its mortgages with fixed interest rates and on its investment portfolio consisting partially of fixed income securities.

Foreign currency risk is that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Nation is exposed to foreign currency risk through its portfolio investments denominated in U.S. currency.

**12. Economic dependence**

Katzie First Nation receives substantially all of its revenue from various government agreements. The ability of the Nation to continue operations is dependent upon the continued financial commitments as guaranteed by these agreements.

**13. Contingent liabilities**

Katzie First Nation may be contingently liable for guaranteed housing mortgages, totaling \$83,854 (2016 - \$88,783).

**Katzie First Nation**  
**Notes to the Consolidated Financial Statements**  
*For the year ended March 31, 2017*

---

**14. Segments**

During 2017, the Nation had ten segments: Administration, Capital Projects, Economic Development and Employment, Education, Health and Social Programs, Housing, Aboriginal Rights and Title, Maintenance, Other, and First Nation Enterprises. These segments are differentiated by major activities, accountability and control relationships.

Administration - Includes general operation, support, and financial management of the Nation.

Capital Projects - Includes revenue and expenditures related to capital projects.

Economic Development and Employment - Includes activities related to the growth of revenue producing projects with the Nation, along with employment programs for the members of the Nation.

Education - Includes revenues and expenses related to primary, secondary and post secondary education of the members of the Nation.

Health and Social Programs - Includes activities related to the provision of health services and social programs within the Nation.

Housing - Includes activities related to the provision of housing to the members of the Nation.

Aboriginal Rights and Title - Includes revenue and expenditures related to the negotiation of treaty and specific claims.

Maintenance - Includes revenue and expenditures for maintenance projects associated with the Nation.

Other - Includes activities related to capital assets, replacement reserve, and Ottawa Trust.

First Nation Enterprises - Includes activities related to the Nation's business entities.

**15. Comparative figures**

Certain comparative figures have been reclassified to conform with current year's presentation.
