CONSOLIDATED FINANCIAL STATEMENTS  
FOR THE YEAR ENDED MARCH 31, 2021**

## MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

---

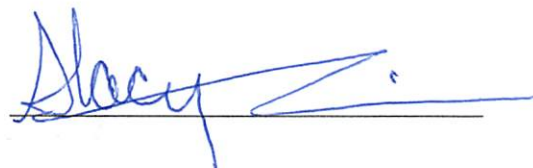

These consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting standards, and the integrity and objectivity of these statements are management's responsibility. Management is also responsible for all of the notes to the financial statements, and for ensuring that this information is consistent, where appropriate, with the information contained in the financial statements. A summary of the significant accounting policies are described in Note 1 to the financial statements. The preparation of financial statements necessarily involves the use of estimates based on management's judgment, particularly when transactions affecting the current accounting period cannot be finalized with certainty until future periods.

Management is also responsible for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced. The internal controls are designed to provide reasonable assurance that assets are safeguarded, transactions are properly authorized and recorded in compliance with legislative and regulatory requirements, and reliable financial information is available on a timely basis for preparation of the financial statements.

The Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control, and exercises these responsibilities through the Council. The Council reviews internal financial statements on a monthly basis and external audited financial statements yearly. The Council also discusses any significant financial reporting or internal control matters prior to its approval of the financial statements.

The external auditors, Manning Elliott LLP, conduct an independent examination, in accordance with Canadian generally accepted auditing standards, and express their opinion on the financial statements. The external auditors have full and free access to the financial management of the Skowkale First Nation and we meet when required. The accompanying Independent Auditors' Report re-iterates management's responsibility for the financial statements, outlines the auditors' responsibilities, the scope of their examination and their opinion on the financial statements.

## INDEPENDENT AUDITORS' REPORT

---

To the Members of Skowkale First Nation

### *Opinion*

We have audited the consolidated financial statements of Skowkale First Nation (the "First Nation"), which comprise the consolidated statement of financial position as at March 31, 2021, and the consolidated statements of operations and accumulated surplus, changes in net financial assets and cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the First Nation as at March 31, 2021, and the results of its operations and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

### *Basis for Opinion*

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the First Nation in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with those requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### *Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements*

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the First Nation's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the First Nation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the First Nation's financial reporting process.

### *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements*

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

---

## INDEPENDENT AUDITORS' REPORT

---

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the First Nation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the First Nation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the First Nation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**NATURE OF OPERATIONS**

The Skowkale First Nation (the "First Nation") is a band government of the Stó:lo people located in the Fraser Valley region near the City of Chilliwack in the Province of British Columbia. The First Nation is a member government of the Stó:lo Nation. The First Nation provides various services to its members including the First Nation's members, government and all related entities that are accountable to the First Nation and are either owned or controlled by the First Nation.

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

These consolidated financial statements have been prepared in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board of the Canadian Chartered Professional Accountants. Significant aspects of the accounting policies adopted by the First Nation are as follows:

**(a) Reporting entity**

The consolidated financial statements reflect the assets, liabilities, revenue, expenses and accumulated surplus of the reporting entity. The reporting entity is comprised of all organizations, committees and departments accountable for the administration of their financial affairs and resources to the First Nation and which are owned or controlled by the First Nation.

**(b) Principles of consolidation**

All controlled entities are fully consolidated on a line-by-line basis except for the commercial enterprises which meet the definition of government business enterprise, which are included in the consolidated financial statements on a modified equity basis. Inter-organizational balances and transactions are eliminated upon consolidation.

Under the modified equity method of accounting, only the First Nation's investment in the government business enterprise and the enterprise's net income and other changes in equity are recorded. No adjustment is made for accounting policies of the enterprise that are different from those of the First Nation.

Organizations consolidated in the First Nations's financial statements include:

- Skowkale Taxation Centre

Organizations accounted for on a modified equity basis include:

- Ch-Ihl-Kway-Uhk Tribe Society
- Ch-Ihl-Kway-Uhk Forestry Limited Partnership
- Ch-Ihl-Kway-Uhk Forest Ltd.
- Centre Creek Limited Partnership
- Centre Creek Management Ltd.
- Seven Generations Environmental Services Ltd.
- Ts'elxweyeqw Tribe Management Ltd.
- Ts'elxweyeqw Tribe Limited Partnership

**(c) Cash and cash equivalents**

Cash and cash equivalents include cash on hand, balances with banks net of bank overdrafts and term deposits having a maturity of three months or less at acquisition which are held for the purpose of meeting short-term cash commitments.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (*continued*)

(d) Tangible capital assets

Tangible capital assets are initially recorded at cost, which includes amounts that are directly related to the acquisition, design, construction, development, improvement or betterment of the assets. Cost includes overhead directly attributable to construction and development, as well as interest costs that are directly attributable to the acquisition or construction of the asset. The cost, less residual value, of the tangible capital assets are recognized at a nominal value. Infrastructure assets acquired prior to 1996 are the only assets where nominal values were assigned.

Certain assets which have historical or cultural values, including works of art, historical documents and historical and cultural artifacts, are not recognized as tangible capital assets. Assets under construction are not amortized until the asset is available for productive use.

Social housing assets acquired under Canada Mortgage and Housing Corporation (C.M.H.C.) sponsored programs are amortized over their estimated useful lives at a rate equivalent to the annual principal reduction in the related long-term debt. Annual amortization is charged in the year of disposal.

For all other assets, pro-rated amortization is charged in the year of acquisition based on when the assets are put into use. No amortization is taken in the year of disposal.

Amortization is provided for on a straight-line basis over their estimated useful lives as follows:

Buildings	25 years
Equipment and furnishings	10 years
Computer equipment	5 years
Maintenance equipment	5 years
Underground networks	50 years

(e) Revenue recognition

Revenues are recognized in the period in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.

Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

Investment and interest income earned are recognized in the period the income is earned.

Contracting and grant revenues are recognized as they become receivable under the terms of applicable agreements.

Property tax revenues are recognized as earned over the property taxation year.

Revenues received which relate to a subsequent fiscal period are reflected as deferred revenue in the year of receipt and classified as such in the statement of financial position.

**FOR THE YEAR ENDED MARCH 31, 2021**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (*continued*)

(f) Use of estimates

In preparing the consolidated financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts, and disclosure of contingent assets and liabilities, at the date of the consolidated financial statements and the reported amounts of revenue and expenses during the year. These estimates and assumptions are reviewed periodically and, as adjustments become necessary they are reported in earnings in the period in which they become known.

(g) Asset classification

Assets are classified as either financial or non-financial. Financial assets are assets that could be used to discharge existing liabilities or financial future operations. Non-financial assets are acquired, constructed or developed assets that do not provide resources to discharge existing liabilities but are employed to deliver government services, may be consumed in normal operations and are not for resale. Non-financial assets include tangible capital assets and prepaid expenses.

(h) Net financial assets

The First Nation's financial statements are presented to highlight net financial assets as the measurement of financial position. The net financial assets of the First Nation is determined by its financial assets less its liabilities. Net financial assets are comprised of two components, non-financial assets and accumulated surplus.

2. CASH AND CASH EQUIVALENTS

**10. TANGIBLE CAPITAL ASSETS**

The First Nation is currently constructing a building ("SAY Lands building") that will be used jointly with two other First Nations, Aitchelitz and Yakweakwioose First Nations. The three First Nations have formed a joint relationship to manage administration and lands, and the SAY Lands building will house the operations. It is anticipated that the building, along with the accumulated surplus associated with the building project, will be transferred subsequent to year end to this newly formed cooperative.

Construction costs to date are \$7,194,745 and the accumulated surplus is \$5,902,725.

**12. CONTINGENT LIABILITIES**

The First Nation has entered into the First Nations On Reserve Loan Program with the Royal Bank of Canada. The total amount available under the program to qualified members of the First Nation is \$2,000,000. The maximum individual amount under the program to qualified members of the First Nation is \$250,000. At March 31, 2021, the amount guaranteed under this program was \$622,223 (2020 - \$1,064,742).

The First Nation is also contingently liable for guaranteed housing mortgages from various financial institutions registered with the National Housing Authority. As at March 31, 2021, the liability totaled \$213,750 (2020 - \$213,750).

**13. SETTLEMENT TRUST FUNDS**

During 2015, the First Nation reached a settlement with the Federal Government related to lands in Chilliwack under claim by Skowkale and two other First Nations. The settlement required the Federal Government to provide joint lands to the three First Nations as well as a cash settlement, which is intended to cover the legal costs incurred as well as compensation.

During the prior fiscal year, the First Nation sold land for proceeds of \$491,663 (2020 - \$2,840,414). These funds have been internally restricted for the First Nation's tangible capital asset replacement reserve.

**14. BUDGETED FIGURES**

The unaudited budgets for the year April 1, 2020 to March 31, 2021 were approved by the Chief and Council. The operating budget is based on projected operating expenses to be incurred during the year on a program-by-program basis.

16. COVID RISK

The COVID-19 pandemic is causing significant financial and social dislocation. The situation is dynamic with various cities and countries around the world responding in different ways to address the outbreak. The First Nation continues to monitor and assess the impact COVID-19 will have on its business activities. As at March 31, 2021, the First Nation's financial position has not been significantly affected by the pandemic.

17. SEGMENTED INFORMATION

The Skowkale First Nation is a government institution that provides a range of programs and services to its members, including community operations, government business enterprises, capital projects, and tangible capital assets. For management reporting purposes, the First Nation's operations and activities are organized and reported by fund. Funds were created for the purpose of recording specific activities to attain certain objectives in accordance with special regulations, restrictions or limitations.

First Nation services are provided for departments and their activities are reported in these funds. Certain departments have been separately disclosed in the segmented information.
