Management's Responsibility

To the Members of Soowahlie Indian Band

The accompanying consolidated financial statements of Soowahlie Indian Band are the responsibility of management and have been approved by the Chief and Council.

Management is responsible for the preparation and presentation of the accompanying consolidated financial statements, including responsibility for significant accounting judgments and estimates in accordance with Canadian public sector accounting standards. This responsibility includes selecting appropriate accounting principles and methods, and making decisions affecting the measurement of transactions in which objective judgment is required.

In discharging its responsibilities for the integrity and fairness of the consolidated financial statements, management designs and maintains the necessary accounting systems and related internal controls to provide reasonable assurance that transactions are authorized, assets are safeguarded and financial records are properly maintained to provide reliable information for the preparation of consolidated financial statements.

The Soowahlie Indian Band Council is responsible for overseeing management in the performance of its financial reporting responsibilities, and for approving the consolidated financial statements. The Council fulfils these responsibilities by reviewing the financial information prepared by management and discussing relevant matters with management and external auditors. The Council is also responsible for recommending the appointment of the Band's external auditors.

MNP LLP is appointed by the Chief and Council to audit the consolidated financial statements and report directly to them; their report follows. The external auditors have full and free access to, and meet periodically and separately with, both the Council and management to discuss their audit findings.

Independent Auditors' Report

To the Members of Soowahlie Indian Band:

We have audited the accompanying consolidated financial statements of Soowahlie Indian Band, which comprise the consolidated statement of financial position as at March 31, 2014, and the consolidated statements of operations and accumulated surplus, changes in net financial assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of Soowahlie Indian Band as at March 31, 2014 and the results of its operations, changes in net financial assets and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Soowahlie Indian Band
Notes to the Consolidated Financial Statements
For the year ended March 31, 2014

1. Operations

The Soowahlie Indian Band (the "Band") is located in the province of British Columbia, and provides various services to its members. Soowahlie Indian Band includes the Band's government and all related entities that are accountable to the Band and are either owned or controlled by the Band.

2. Significant accounting policies

These consolidated financial statements are the representations of management, prepared in accordance with Canadian Public Sector Accounting Standards and including the following significant accounting policies:

Basis of presentation

Sources of revenue and expenses are recorded on the accrual basis of accounting. The accrual basis of accounting recognizes revenue as it becomes available and measurable; expenses are recognized as they are incurred and measurable as a result of the receipt of goods or services and the creation of a legal obligation to pay.

Net financial assets

The Band's financial statements are presented so as to highlight net financial assets as the measurement of financial position. The net financial assets of the Band is determined by its financial assets less its liabilities. Net financial assets combined with non-financial assets comprise a second indicator of financial position, accumulated surplus (deficit).

Asset classification

Assets are classified as either financial or non-financial. Financial assets are assets that could be used to discharge existing liabilities or finance future operations. Non-financial assets are acquired, constructed or developed assets that do not normally provide resources to discharge existing liabilities but are employed to deliver government services, may be consumed in normal operations and are not for resale in the normal course of operations. Non-financial assets include tangible capital assets.

Revenue recognition

Government Transfers

Soowahlie Indian Band recognizes a government transfer as revenue when the transfer is authorized and all eligibility criteria, if any, have been met. A government transfer with stipulations giving rise to an obligation that meets the definition of a liability is recognized as a liability. In such circumstances, the Band recognizes revenue as the liability is settled. Transfers of non-depreciable assets are recognized in revenue when received or receivable.

Externally restricted revenue

Soowahlie Indian Band recognizes externally restricted inflows as revenue in the period the resources are used for the purposes specified in accordance with an agreement or legislation. Until this time, the Band records externally restricted inflows in deferred revenue.

First held in Ottawa Trust

Due to measurement uncertainty, revenue related to the receipt of funds held in the Ottawa Trust Fund is recognized when it is received.

Other revenue

Other revenue is recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Investments

Soowahlie Indian Band uses the modified equity method to account for its investments in various business partnerships and corporations whereby the acquisition cost is increased by the Band's proportionate share of earnings.

Soowahlie Indian Band
Notes to the Consolidated Financial Statements
For the year ended March 31, 2014

2. Significant accounting policies *(Continued from previous page)*

Funds held in Ottawa Trust Fund

Funds held in trust on behalf of Soowahlie Indian Band members by the Government of Canada in the Ottawa Trust Fund are reported on the statement of financial position with an offsetting amount in accumulated surplus. Trust moneys consist of:

- Capital trust moneys derived from non-renewable resource transactions on the sale of land or other Band tangible capital assets; and
- Revenue trust moneys generated primarily through land leasing transactions or interest earned on deposits held in trust.

Tangible capital assets

Tangible capital assets are initially recorded at cost based on historical cost accounting records for all tangible capital assets. Contributed tangible assets are recorded at their fair value at the date of contribution.

Amortization

Tangible capital assets are amortized annually using the following method at rates intended to amortize the cost of the assets over their estimated useful lives:

	Method	Rate
Buildings	straight-line	40 years
Housing	straight-line	25 years
Computers	straight-line	5 years
Vehicles	straight-line	13 years
Equipment	straight-line	10 years
Bridges	straight-line	40 years
Water system infrastructure	straight-line	75 years
Water system buildings and reservoirs	straight-line	45 years
Roadway system	straight-line	60 years

Measurement uncertainty

The preparation of consolidated financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenue and expenses during the reporting period.

Accounts receivable, and amounts due from related parties, are stated after evaluation as to their collectibility and an appropriate allowance for doubtful accounts is provided where considered necessary. Amortization is based on the estimated useful lives of tangible capital assets.

Soowahlie Indian Band
Notes to the Consolidated Financial Statements
For the year ended March 31, 2014

2. Significant accounting policies *(Continued from previous page)*

Reporting entity

The financial statements consolidate the financial activities of all entities and departments comprising the Band reporting entity, except for Band business entities.

The Band has consolidated the assets, liabilities, revenues and expenses of the following entities and departments:

- Th'Ewali Forestry Ltd.
- Th'Ewali Fisheries Ltd.
- Th'Ewali Resources Ltd.
- Social Housing
- Health

All inter-entity balances have been eliminated on consolidation.

Soowahlie Indian Band business entities, owned or controlled by the Band's Council but not dependent on the Band for their continuing operations, are included in the financial statements using the modified equity method. Under the modified equity method, the equity method of accounting is modified only to the extent that the business entity accounting principles are not adjusted to conform to those of the Band. Thus, the Band's investment in these entities is recorded at acquisition cost and is increased for the proportionate share of post acquisition earnings and decreased by post acquisition losses and distributions received.

Segments

The Band conducts its business through a number of reportable segments as described in note 18. These operating segments are established by senior management to facilitate the achievement of the Band's long-term objectives, to aid in resource allocation decisions, and to assess operational performance.

For each reported segment, revenue and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis.

The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements.

Recent accounting pronouncements

Related party transactions

The Public Sector Accounting Board (PSAB) issued this Invitation to Comment (ITC) in October 2011 together with an Issues Paper, Related party transactions – Recognition and measurement, as part of its project to develop a new Public Sector Accounting (PSA) Handbook standard for related parties and related party transactions in the context of governments and government organizations. Comments on the ITC were required by November 14, 2011. The effective date of the new PSA Handbook standard has not yet been specified.

Liability for contaminated sites

In June 2010, the Public Sector Accounting Board (PSAB) issued PS 3260 *Liability for Contaminated Sites* to establish recognition, measurement and disclosure standards for liabilities associated with the remediation of contaminated sites. The new section defines activities included in a liability for remediation, establishes when to recognize and how to measure a liability for remediation, and provides the related financial statement presentation and disclosure requirements.

PS 3260 is effective for fiscal years beginning on or after April 1, 2014. The Band has not yet determined the effect of the new section in its consolidated financial statements.

Soowahlie Indian Band
Notes to the Consolidated Financial Statements
For the year ended March 31, 2014

2. Significant accounting policies *(Continued from previous page)*

Financial instruments

In June 2011, the Public Sector Accounting Board (PSAB) issued PS 3450 *Financial Instruments* to establish standards for recognition, measurement, presentation and disclosure of financial assets, financial liabilities and non-financial derivatives. As a result of issuance of PS 3450, there have been numerous consequential amendments made to other Sections. PS 3450 is effective for fiscal years beginning on or after April 1, 2015. Earlier adoption is permitted.

PS 3450 is applied prospectively in the fiscal year of initial adoption; therefore, financial statements of prior periods, including comparative information, are not restated. The Band has not yet determined the effect of these new standards on its consolidated financial statements.

3. Restricted cash

Restricted cash consists of the following:

	2014	2013
Replacement reserve	2,541	2,541

Under agreements with Canada Mortgage and Housing Corporation (CMHC) Soowahlie Indian Band established the following replacement reserve, funded by an annual allocation of \$23,428, to ensure replacement of buildings financed by CMHC. At March 31, 2014, \$2,541 (2013: \$2,541) has been set aside to fund this reserve. The unfunded portion at March 31, 2014 was \$318,137 (2013 - \$294,709).

In accordance with terms of the agreements, CMHC reserve moneys must be held or invested only in accounts or instruments guaranteed by the Canada Deposit Insurance Corporation, or as otherwise approved by CMHC. Reserve withdrawals are credited first to interest and then to principal.

4. Accounts receivable

Accounts receivable includes loans to Band members in the amount of \$1,050 (2013 - \$6,800).

Soowahlie Indian Band
Notes to the Consolidated Financial Statements
For the year ended March 31, 2014

5. Investments

Soowahlie Indian Band has investments in the following entities:

	%	2014	2013
Centre Creek Limited Partnership	1/9	123,392	124,931
Centre Creek Management Limited - share capital	1/9	10	10
Ch-ihl-kway-uhk Tribe Society	1/9	45,767	40,294

Amortization expense of \$156,658 (2013 - \$154,384) was recorded in the Capital Fund program.

12. Accumulated surplus

Accumulated surplus consists of the following:

	2014	2013
Equity in Ottawa Trust Funds	192,680	180,324
Equity in CMHC replacement reserve	320,678	297,250
Equity in tangible capital assets	2,125,733	2,181,716
Unrestricted surplus (deficit)	759,242	332,933
	3,398,333	2,992,223

13. Economic dependence

Soowahlie Indian Band receives a significant portion of its revenue from Aboriginal Affairs and Northern Development Canada (AANDC) as a result of funding agreements entered into with the Government of Canada. These funding agreements are administered by AANDC under the terms and conditions of the Indian Act. The ability of the Band to continue operations is dependent upon the Government of Canada's continued financial commitments as guaranteed by these funding agreements.

Soowahlie Indian Band
Notes to the Consolidated Financial Statements
For the year ended March 31, 2014

14. Transition to First Nations Health Authority

Health Canada has transferred its funding responsibilities to First Nations Health Authority (FNHA) in accordance with a Three Party Novation Agreement signed by Her Majesty the Queen in Right of Canada, First Nations Health Authority, and Soowahlie Indian Band.

The FNHA and Soowahlie Indian Band are deemed to have entered into a new agreement between themselves commencing on October 1, 2013, having terms that are identical to those of the previous agreement between Health Canada and Soowahlie Indian Band.

The new Health Funding Contribution Agreement has had no impact on the Band's financial position or operations. The allocation of funds received from Health Canada and FNHA, together with expenses associated with the contributions, are as follows:

	<i>Health Canada</i>	<i>FNHA</i>	<i>Total</i>
Revenue	186,738	186,717	373,455
Expenses	(181,950)	(206,266)	(388,216)
	4,788	(19,549)	(14,761)

15. Comparative figures

Certain comparative figures have been reclassified to conform with current year's presentation.

16. Financial instruments

The Soowahlie Indian Band's financial instruments consist of cash, receivables, advances to Band business entities, accounts payable, accrued liabilities and long-term debt. It is management's opinion that the Soowahlie Indian Band is not exposed to significant currency or credit risk arising from these financial instruments. The band may be exposed to some interest/price adjustment risk due to some mortgages due for renewal during the next fiscal year. The fair value of the instruments approximates their carrying values, unless otherwise noted.

Soowahlie Indian Band
Notes to the Consolidated Financial Statements
For the year ended March 31, 2014

17. Segments

Soowahlie Indian Band receives revenues and incurs expenses from many different projects and sources. For management and reporting purposes, the revenues, expenses and surplus or deficits are organized by segments. Schedules 2 - 8 disclose the Band's revenues and expenses in the following segments:

Administration

Includes general operations, support, and financial management of the Band.

Capital Projects

Includes revenue and expenditures related to capital projects.

Education and employment

Includes revenues and expenses related to various levels of education programs and growth and revenue producing projects for the members of the Band.

Health

Includes activities related to the provision of health services within the band.

Housing

Includes rent collection and maintenance related to the mortgaged and non-mortgaged homes owned by the Band.

Maintenance

Includes revenues and expenditures related to conservation and stewardship of the Nation's land and resources.

Ottawa Trust

Includes funds held in trust by the Government of Canada on behalf of the Band.
