Management's Responsibility

To the Members of Tzeachten First Nation:

The accompanying consolidated financial statements of Tzeachten First Nation are the responsibility of management and have been approved by the Chief and Council.

Management is responsible for the preparation and presentation of the accompanying consolidated financial statements, including responsibility for significant accounting judgments and estimates in accordance with Canadian public sector accounting standards. This responsibility includes selecting appropriate accounting principles and methods, and making decisions affecting the measurement of transactions in which objective judgment is required.

In discharging its responsibilities for the integrity and fairness of the consolidated financial statements, management designs and maintains the necessary accounting systems and related internal controls to provide reasonable assurance that transactions are authorized, assets are safeguarded and financial records are properly maintained to provide reliable information for the preparation of consolidated financial statements.

The Tzeachten First Nation Council is responsible for overseeing management in the performance of its financial reporting responsibilities, and for approving the consolidated financial statements. The Council fulfils these responsibilities by reviewing the financial information prepared by management and discussing relevant matters with management and external auditors. The Council is also responsible for recommending the appointment of the Nation's external auditors.

MNP LLP is appointed by the Members to audit the consolidated financial statements and report directly to them; their report follows. The external auditors have full and free access to, and meet periodically and separately with, both the Council and management to discuss their audit findings.

Independent Auditors' Report

To the Members of Tzeachten First Nation:

We have audited the accompanying consolidated financial statements of Tzeachten First Nation, which comprise the consolidated statement of financial position as at March 31, 2014, and the consolidated statements of operations and accumulated surplus, changes in net financial assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of Tzeachten First Nation as at March 31, 2014 and the results of its operations, changes in net financial assets and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Tzeachten First Nation
Notes to the Consolidated Financial Statements
For the year ended March 31, 2014

1. Operations

Tzeachten First Nation ("TzFN") is located in the province of British Columbia, and provides various services to its members. Tzeachten First Nation includes the TzFN's government and all related entities that are accountable to TzFN and are either owned or controlled by TzFN.

2. Significant accounting policies

These consolidated financial statements are the representations of management, prepared in accordance with Canadian public sector accounting standards and including the following significant accounting policies:

Basis of presentation

Sources of revenue and expenses are recorded on the accrual basis of accounting. The accrual basis of accounting recognizes revenue as it becomes available and measurable; expenses are recognized as they are incurred and measurable as a result of the receipt of goods or services and the creation of a legal obligation to pay.

Asset classification

Assets are classified as either financial or non-financial. Financial assets are assets that could be used to discharge existing liabilities or finance future operations. Non-financial assets are acquired, constructed or developed assets that do not normally provide resources to discharge existing liabilities but are employed to deliver government services, may be consumed in normal operations and are not for resale in the normal course of operations. Non-financial assets include tangible capital assets.

Net financial assets

Tzeachten First Nation's financial statements are presented so as to highlight net financial assets as the measurement of financial position. The net financial assets of TzFN is determined by its financial assets less its liabilities. Net financial assets is comprised of two components, non-financial assets and accumulated surplus.

Tangible capital assets

Tangible capital assets are initially recorded at cost based on historical cost accounting records for all tangible capital assets. Contributed tangible capital assets are recorded at their fair value at the date of contribution.

Amortization

Amortization for tangible capital assets is provided using the following methods at rates intended to amortize the cost of the assets over their estimated useful lives:

	Method	Rate
Buildings	straight-line	40 years
Building and leasehold improvements	straight-line	10 years
Computers	straight-line	4 years
Equipment and furniture	straight-line	10 years
Roads	straight-line	20 years
Signs	straight-line	10 years
Vehicles	straight-line	5 years
Water and sewer networks	straight-line	50 years

Tzeachten First Nation
Notes to the Consolidated Financial Statements
For the year ended March 31, 2014

2. Significant accounting policies (Continued from previous page)

Funds held in Ottawa Trust Fund

Funds held in trust on behalf of TzFN members by the Government of Canada in the Ottawa Trust Fund are reported on the statement of financial position with an offsetting amount in accumulated surplus. Trust moneys consist of:

- Capital trust moneys derived from non-renewable resource transactions on the sale of land or other tangible capital assets; and
- Revenue trust moneys generated primarily through land leasing transactions or interest earned on deposits held in trust.

Revenue recognition

Government Funding

Tzeachten First Nation recognizes a government transfer as revenue when the transfer is authorized and all eligibility criteria, if any, have been met. A government transfer with stipulations giving rise to an obligation that meets the definition of a liability is recognized as a liability. In such circumstances, the TzFN recognizes revenue as the liability is settled. Transfers of non-depreciable assets are recognized in revenue when received or receivable.

Externally restricted revenue

Tzeachten First Nation recognizes externally restricted inflows as revenue in the period the resources are used for the purposes specified in accordance with an agreement or legislation. Until this time, TzFN records externally restricted inflows in deferred revenue.

Funds held in Ottawa Trust Fund

Due to measurement uncertainty, revenue related to the receipt of funds held in the Ottawa Trust Fund is recognized when it is received.

Tax revenue

Tzeachten First Nation recognizes taxes as assets and revenue when they meet the definition of an asset; are authorized by a legislature, council, or legislative convention; and the taxable event has occurred.

Tax revenue is initially measured at management's best estimate of the amount resulting from the original taxable event in accordance with tax legislation. The related tax receivable is initially recognized at its realizable value at the date of acquisition. At each financial statement date, TzFN evaluates the tax receivable for collectibility and records a valuation allowance to reflect the tax receivable at its net recoverable amount, if necessary.

Other revenue

Other revenue is recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Investments

Tzeachten First Nation uses the modified equity method to account for its investments in various business partnerships and corporations whereby the acquisition cost is increased by the TzFN's proportionate share of earnings.

Tzeachten First Nation
Notes to the Consolidated Financial Statements
For the year ended March 31, 2014

2. Significant accounting policies (Continued from previous page)

Measurement uncertainty

The preparation of consolidated financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenue and expenses during the reporting period.

Accounts receivable, and amounts due from related First Nation entities and departments, are stated after evaluation as to their collectibility and an appropriate allowance for doubtful accounts is provided where considered necessary. Amortization is based on the estimated useful lives of tangible capital assets.

Long-lived assets and discontinued operations

Long-lived assets consist of tangible capital assets. Long-lived assets held for use are measured and amortized as described in the applicable accounting policies.

When TzFN determines that a long-lived asset no longer has any long-term service potential to TzFN, the excess of its net carrying amount over any residual value is recognized as an expense in the statement of operations. Write-downs are not reversed.

Segments

Tzeachten First Nation conducts its business through nine reportable segments as described in Note 12. These operating segments are established by senior management to facilitate the achievement of the TzFN's long-term objectives to aid in resource allocation decisions, and to assess operational performance.

For each reported segment, revenue and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis.

The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements.

Recent accounting pronouncements

Related party transactions

The Public Sector Accounting Board (PSAB) issued this Invitation to Comment (ITC) in October 2011 together with an Issues Paper, Related party transactions – Recognition and measurement, as part of its project to develop a new Public Sector Accounting (PSA) Handbook standard for related parties and related party transactions in the context of governments and government organizations. Comments on the ITC were required by November 14, 2011. The effective date of the new PSA Handbook standard has not yet been specified

Financial instruments

In June 2011, the Public Sector Accounting Board (PSAB) issued PS 3450 *Financial Instruments* to establish standards for recognition, measurement, presentation and disclosure of financial assets, financial liabilities and non-financial derivatives. As a result of issuance of PS 3450, there have been numerous consequential amendments made to other Sections. PS 3450 is effective for fiscal years beginning on or after April 1, 2015. Earlier adoption is permitted.

PS 3450 is applied prospectively in the fiscal year of initial adoption; therefore, financial statements of prior periods, including comparative information, are not restated. The First Nation does not expect the adoption of these new standards to have a material impact on its financial statements.

Tzeachten First Nation
Notes to the Consolidated Financial Statements
For the year ended March 31, 2014

9. Long-term debt

	2014	2013
All Nations Trust Company mortgage, payments of \$598 per month including interest at 2.35% per annum; renewal and maturity July 2018	29,522	35,858
All Nations Trust Company mortgage, payments of \$1,703 per month including interest at 2.40% per annum; renewal on October 1, 2015; maturity June 2020	118,568	135,952
All Nations Trust Company mortgage, payments of \$2,234 per month including interest at 2.11% per annum; renewal and maturity October 2018	117,005	140,695
First Nation Finance Authority, bearing interest at 2.6%, with monthly payments of interest only	5,489,053	4,421,053
	5,754,148	4,733,558

Principal repayments on long-term debt in each of the next five years, assuming long-term debt subject to refinancing is renewed at similar rates and terms, are estimated as follows:

2015	48,908
2016	50,019
2017	51,155
2018	52,317
2019	37,508

All Nations Trust Company debt is secured by Ministerial guarantees of the Minister of Aboriginal Affairs and Northern Development Canada. First Nation Finance Authority debt is secured by income distributions received from Shxw Kwimel Cha Limited Partnership investment.

10. Replacement reserve

Under agreements with Canada Mortgage and Housing Corporation (CMHC) TzFN established a replacement reserve, funded by an annual allocation of \$16,167 (2013 - \$18,032) to ensure maintenance and replacement of buildings financed by CMHC. At March 31, 2014, \$89,104 (2013 - \$87,328) has been set aside to fund this reserve. The overfunded portion at March 31, 2014 was \$53,053 (2013 - \$28,809).

In accordance with terms of the agreements, CMHC reserve moneys must be held or invested only in accounts or instruments guaranteed by the Canada Deposit Insurance Corporation, or as otherwise approved by CMHC. Reserve withdrawals are credited first to interest and then to principal.

11. Contingent liabilities

Tzeachten First Nation may be contingently liable for guaranteed housing mortgages, totaling \$635,883 (2013 - \$577,385), as per details provided by the Minister of Aboriginal Affairs and Northern Development Canada.

Tzeachten First Nation
Notes to the Consolidated Financial Statements
For the year ended March 31, 2014

12. Segments

Tzeachten First Nation receives revenues and incurs expenses from many different projects and sources. For management and reporting purposes, the revenues, expenses and surplus or deficits are organized by segments. Schedules 2 - 10 disclose TzFN's revenues and expenses in the following segments:

Administration

Includes general operations, support, and financial management of TzFN.

Economic development and employment

Includes activities related to the growth and revenue producing projects with TzFN.

Community Maintenance and Improvements

Includes revenues and expenditures related to maintenance of community infrastructure.

Education and awareness

Includes revenues and expenses related to education and awareness through prevention programs and after school programs for the members of TzFN.

Lands Management

Includes revenues and expenditures related to conservation and stewardship of TzFN's land and resources.

Housing

Includes rent collection and maintenance related to the mortgaged and non-mortgaged homes owned by TzFN.

Taxation

Includes revenues and expenditures related to property taxation.

Capital Fund

Includes revenue and expenditures related to capital projects.

Ottawa Trust Fund

Includes funds held in trust by the Government of Canada on behalf of TzFN.

13. Accumulated surplus

Accumulated surplus consists of the following:

	2014	2013
Equity in Ottawa Trust Funds	1,171	49,338
Equity in tangible capital assets	4,827,983	3,743,212
Equity in replacement reserve	36,051	36,671
<u>Unrestricted surplus</u>	<u>15,387,070</u>	<u>16,382,130</u>
	<hr/> <u>20,252,275</u>	<hr/> <u>20,211,351</u>

14. Comparative figures

Certain comparative figures have been reclassified to conform with current year's presentation.
