## MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

The accompanying consolidated financial statements of the Seabird Island Indian Band are the responsibility of management and have been approved by the Council.

The consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board of the Canadian Institute of Chartered Accountants and as such include amounts that are the best estimates and judgements of management.

The Seabird Island Indian Band maintains systems of internal accounting and administrative controls of high quality, consistent with reasonable cost. Such systems are designed to provide reasonable assurance that the financial information is relevant, reliable, and accurate and the organization's assets are appropriately accounted for and adequately safeguarded.

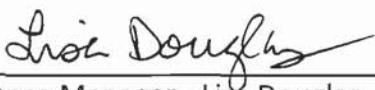

The Seabird Island Indian Band Council and Audit Committee is responsible for ensuring that management fulfills its responsibilities of financial reporting and are ultimately responsible for reviewing and approving the financial statements.

The Audit Committee reviews Seabird Island Indian Band's financial statements and recommends their approval to the Council. The Audit Committee meets periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review the financial statements and the external auditor's report. Management reports their findings to the Chief and Council for consideration when approving the financial statements for issuance to the members of the Seabird Island Indian Band.

The consolidated financial statements have been audited by L.J. Falys, CGA in accordance with Canadian generally accepted auditing standards on behalf of the members. L.J. Falys, CGA has full and free access to management with regard to audit requirements.

To the Members of Seabird Island Indian Band

**Independent Auditor's Report**

I have audited the accompanying consolidated financial statements of Seabird Island Indian Band, which comprise the consolidated statement of financial position as at March 31, 2014, and the consolidated statement of operations and accumulated surplus, statement of change in net financial assets and cash flows for the year then ended, and notes, comprising a summary of significant accounting policies and other explanatory information.

***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

***Auditor's Responsibility***

My responsibility is to express an opinion on these consolidated financial statements based on my audit. I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

***Unqualified Opinion***

In my opinion, these consolidated financial statements present fairly, in all material respects, the financial position of Seabird Island Indian Band as at March 31, 2014, and the results of its operations and changes in net assets and cash flows for the year then ended in accordance with Canadian public sector accounting standards.

**Seabird Island Indian Band**  
**Notes to the Consolidated Financial Statements**  
**March 31, 2014**

**1. Operations**

The Seabird Island Indian Band (the "Band") is located in the province of British Columbia, and provides various services to its members. Seabird Island Indian Band includes the Band's members, government and all related entities that are accountable to the Band and are either owned or controlled by the Band.

**2. Summary of Significant Accounting Policies**

The consolidated financial statements have been prepared in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board (PSAB) of the Canadian Institute of Chartered Accountants (CICA). Significant aspects of the accounting policies adopted by the Band are as follows:

**a) Reporting Entity**

The consolidated financial statements reflect the assets, liabilities, revenues, expenses and accumulated surplus of the reporting entity. The reporting entity is comprised of all organizations, committees and departments accountable for the administration of their financial affairs and resources to the Band and which are owned or controlled by the Band.

**b) Principles of Consolidation**

All controlled entities are fully consolidated on a line-by-line basis except for the commercial enterprises which meet the definition of government business enterprises, which are included in the consolidated financial statements on a modified equity basis. Inter-organizational balances and transactions are eliminated upon consolidation.

Under the modified equity method of accounting, only Seabird Island Indian Band's investment in the government business enterprises and the enterprise's net income and other changes in the equity are recorded. No adjustment is made for accounting policies of the enterprise that are different from those of Seabird Island Indian Band.

Organizations consolidated in Seabird Island Indian Band's financial statements include:

Seabird Education Society, Lalme; Iwesawtexw  
Seabird Island Indian Band Non-Profit Housing  
Seabird Island Indian Band Full Subsidy Housing  
Seabird Island Indian Band Housing Authority

Organizations accounted for on a modified equity basis include:

Seabird Island Forestry Corporation Ltd.  
Stqo:ya Construction Ltd.  
Stqo:ya Construction Limited Partnership

**Seabird Island Indian Band**  
**Notes to the Consolidated Financial Statements**  
**March 31, 2014**

**2. Summary of Significant Accounting Policies - cont'd**

**c) Cash and cash equivalents**

Cash and cash equivalents includes cash on hand and balances with banks net of bank overdrafts and term deposits having a maturity of three months or less at acquisition which are held for the purpose of meeting short-term cash commitments.

**d) Inventory for resale**

Inventory of supplies and goods available for resale are recorded at the lower of cost and net realizable value.

**e) Loans receivable**

Loans receivable are recorded at cost less any amount for valuation allowance. Valuation allowances are made when collection is in doubt as assessed by management. Loans are reviewed on an annual basis by Finance and Directors. Interest is not charged on employee loans but is charged on other loans receivable.

**f) Portfolio investments**

Long term investments are initially recorded at cost at the date of acquisition. Subsequently, investments in debt securities, such as treasury bills and government bonds, are recorded at amortized cost. Investments in publicly traded equity securities are recorded at fair value based on quoted market prices. Unrealized gains or losses are recognized in the statement of operations. Transaction costs, such as commissions, arising from investments in publicly traded equity securities are expensed when incurred.

**g) Tangible capital assets**

Tangible capital assets are recorded at cost which includes amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets, are amortized on a straight line basis. Where an estimate of fair value could not be made, the tangible capital asset was recognized at a nominal value. Infrastructure assets acquired prior to 1996 are the only assets where nominal values were assigned.

Certain assets which have historical or cultural value, including works of art, historical documents and historical and cultural artifacts, are not recognized as tangible capital assets. Assets under construction are not amortized until the asset is available for productive use.

Social housing assets acquired under Canada Mortgage and Housing Corporation (CMHC) sponsored programs are amortized over their estimated useful lives at a rate equivalent to the annual principal reduction in the related long-term debt.

Amortization is provided for on a straight-line basis, over the expected useful life of the assets as follows:

Automotive Equipment	10-25 Years
Other equipment	10 Years
Infrastructure	50 Years
Buildings	25-40 Years
Band Housing	35 Years

**Seabird Island Indian Band**  
**Notes to the Consolidated Financial Statements**  
March 31, 2014

**2. Summary of Significant Accounting Policies - cont'd**

**h) Inventories held for use**

Inventory of supplies held for consumption are recorded at the lower of cost and replacement costs.

**i) Revenue Recognition**

Revenues are recognized in the period in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.

Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operation as the stipulation liabilities are settled.

Investment and interest income earned are recognized in the period the income is earned.

Contracting and grant revenues are recognized as they become receivable under the terms of applicable agreements.

Business enterprises controlled by the Band; revenues from gas bar operations, store operations, dental operations and childcare operations are recognized when services are provided.

Revenues received which relate to a subsequent fiscal period are reflected as deferred revenue in the year of receipt and classified as such on the Statement of Financial Position.

**j) Use of Estimates**

The preparation of financial statements in conformity with Canadian general accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the year. These estimates and assumptions are reviewed periodically and, as adjustments become necessary they are reported in earnings in the period in which they become known.

**k) Asset Classification**

Assets are classified as either financial or non-financial. Financial assets are assets that could be used to discharge existing liabilities or finance future operations. Non-financial assets are acquired, constructed or developed assets that do not provide resources to discharge existing liabilities but are employed to deliver government services, may be consumed in normal operations and are not for resale. Non-financial assets include tangible capital assets, prepaid expenses and inventories of supplies.

**l) Net Financial Assets**

The Seabird Island Indian Band's financial statements are presented to highlight net financial assets as the measurement of financial position. The net financial assets of the Seabird Island Indian Band is determined by its financial assets less its liabilities. Accumulated surplus is comprised of two components, net financial asset and non-financial assets.
