MANAGEMENT'S REPORT

Management's Responsibility for the Financial Statements

These consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting standards, and the integrity and objectivity of these statements are management's responsibility. Management is also responsible for all of the notes to the financial statements, and for ensuring that this information is consistent, where appropriate, with the information contained in the financial statements. A summary of the significant accounting policies are described in Note 1 to the financial statements. The preparation of financial statements necessarily involves the use of estimates based on management's judgment, particularly when transactions affecting the current accounting period cannot be finalized with certainty until future periods.

Management is responsible for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced. The internal controls are designed to provide reasonable assurance that the assets are safeguarded, transactions are properly authorized and recorded in compliance with legislative and regulatory requirements, and reliable financial information is available on a timely basis for preparation of the financial statements.

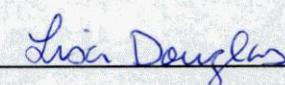

The Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control, and exercises these responsibilities through the Council. The Council reviews internal financial statements on a monthly basis and external audited financial statements yearly. The Council also discusses any significant financial reporting or internal control matters prior to its approval of the financial statements.

The external auditors, Manning Elliott Accountants and Business Advisors, conduct an independent examination, in accordance with Canadian generally accepted auditing standards, and express their opinion on the financial statements. The external auditors have full and free access to the financial management of the Seabird Island Indian Band and we meet when required. The accompanying Independent Auditors' Report re-iterates management's responsibility for the financial statements, outlines the auditors' responsibilities, the scope of their examination and their opinion on the financial statements.

On behalf of the Seabird Island Indian Band:

INDEPENDENT AUDITORS' REPORT

To the Members of:
Seabird Island Indian Band

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of Seabird Island Indian Band which comprise the consolidated statement of financial position as at March 31, 2016, and the consolidated statements of operations and accumulated surplus (deficit), net financial assets and cash flows for the year then ended, and the related notes comprising a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained in our audit is sufficient and appropriate to provide a basis for our audit opinion.

INDEPENDENT AUDITORS' REPORT

Opinion

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of Seabird Island Indian Band as at March 31, 2016, and the results of its operations and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

SEABIRD ISLAND INDIAN BAND
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED MARCH 31, 2016

NATURE OF OPERATIONS

The Seabird Island Indian Band (the "Band") is located in the Province of British Columbia, and provides various services to its members. The Band includes the Band members, government and all related entities that are accountable to the Band and are either owned or controlled by the Band.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

These consolidated financial statements have been prepared in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board of the Canadian Chartered Professional Accountants. Significant aspects of the accounting policies adopted by the Band are as follows:

a) Reporting entity

The consolidated financial statements reflect the assets, liabilities, revenue, expenses and accumulated surplus of the reporting entity. The reporting entity is comprised of all organizations, committees and departments accountable for the administration of their financial affairs and resources to the Band and which are owned or controlled by the Band.

b) Principles of consolidation

All controlled entities are fully consolidated on a line-by-line basis except for the commercial enterprises which meet the definition of government business enterprise, which are included in the consolidated financial statements on a modified equity basis. Inter-organizational balances and transactions are eliminated upon consolidation.

Under the modified equity method of accounting, only the Band's investment in the government business enterprise and the enterprise's net income and other changes in equity are recorded. No adjustment is made for accounting policies of the enterprise that are different from those of the Band.

Organizations consolidated in the Band's financial statements include:

- Seabird Education Society, Lalme; Iwesawtexw
- Seabird Island Indian Band Non-Profit Housing
- Seabird Island Indian Band Full Subsidy Housing
- Seabird Island Indian Band Housing Authority

Organizations accounted for on a modified equity basis include:

- Seabird Island Forestry Corporation Ltd.
- Stqo:ya Construction Ltd.
- Stqo:ya Construction Limited Partnership
- Sqewqel Development LLP
- Sqewqel Gas Bar LLP
- Sqewqel Development Corporation

c) Cash and cash equivalents

Cash and cash equivalents include cash on hand, bank account balance net of overdrafts and term deposits having a maturity of three months or less at acquisition which are held for the purpose of meeting short-term cash commitments.

SEABIRD ISLAND INDIAN BAND
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED MARCH 31, 2016

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

d) Inventories for resale

Inventories of supplies and goods available for resale are recorded at the lower of cost and net realizable value.

e) Loans receivable

Loans receivable are recorded at cost less any amount for valuation allowance. Valuation allowances are made when collection is in doubt as assessed by management. Loans are reviewed on an annual basis by Finance and Directors. Interest is not charged on employee loans but is charged on other loans receivable to the extent it is deemed collectable.

f) Portfolio investments

Portfolio investments, held long-term, are recorded at cost at the date of acquisition. Subsequently, investments in debt securities, such as treasury bills and government bonds, are recorded at amortized cost. Investments in publicly traded equity securities are recorded at fair value based on quoted market prices. Unrealized gains or losses are recognized in the statement of operations. Transaction costs, such as commissions, arising from investments in publicly traded equity securities are expensed when incurred.

g) Tangible capital assets

Tangible capital assets are recorded at cost, which includes amounts that are directly related to the acquisition, design, construction, development, improvement or betterment of the assets. Cost includes overhead directly attributable to construction and development, as well as interest costs that are directly attributable to the acquisition or construction of the asset. The cost, less residual value, of the tangible capital asset was recognized at a nominal value. Infrastructure assets acquired prior to 1996 are the only assets where nominal values were assigned.

Certain assets which have historical or cultural values, including works of art, historical documents and historical and cultural artifacts, are not recognized as tangible capital assets. Assets under construction are not amortized until the asset is available for productive use.

Social housing assets acquired under Canada Mortgage and Housing Corporation (C.M.H.C.) sponsored programs are amortized over their estimated useful lives at a rate equivalent to the annual principal reduction in the related long-term debt.

Amortization is provided for on a straight-line basis over their estimated useful lives as follows:

Automobile equipment	10-25 years
Other equipment	5-10 years
Infrastructure	20 years
Buildings	25-45 years
Band housing	30 years

h) Inventories held for use

Inventories of supplies held for consumption are recorded at the lower of cost and replacement cost.

SEABIRD ISLAND INDIAN BAND
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED MARCH 31, 2016

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

i) Revenue recognition

Revenues are recognized in the period in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.

Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability, at which point they are recognized as deferred revenues. The revenue is recognized in the statement of operations as the liabilities are settled.

Investment and interest income earned are recognized in the period and the income is earned.

Contracting and grant revenues are recognized as they become receivable under the terms of applicable agreements.

Business enterprises controlled by the Band - revenues from dental operations and childcare operations - are recognized when services are provided.

Revenues received which relate to a subsequent fiscal period are reflected as deferred revenue in the year of receipt and classified as such in the statement of financial position.

j) Use of estimates

In preparing the consolidated financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts, and disclosure of contingent assets and liabilities, at the date of the consolidated financial statements and the reported amounts of revenue and expenses during the year. These estimates and assumptions are reviewed periodically and, as adjustments become necessary they are reported in earnings in the period in which they become known.

k) Asset classification

Assets are classified as either financial or non-financial. Financial assets are assets that could be used to discharge existing liabilities or financial future operations. Non-financial assets are acquired, constructed or developed assets that do not provide resources to discharge existing liabilities but are employed to deliver government services, may be consumed in normal operations and are not for resale. Non-financial assets include tangible capital assets, prepaid expenses and inventories of supplies.

l) Net financial assets

The Band's financial statements are presented to highlight net financial assets as the measurement of financial position. The net financial assets of the Band is determined by its financial assets less its liabilities. Accumulated surplus is comprised of two components, net financial assets and non-financial assets.

SEABIRD ISLAND INDIAN BAND
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED MARCH 31, 2016

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

m) Recent accounting pronouncements

Financial instruments

In June 2011, the Public Sector Accounting Board (PSAB) issued PS 3450 *Financial instruments* to establish standards for recognition, measurement, presentation and disclosure of financial assets, financial liabilities and non-financial derivatives. As a result of issuance of PS 3450, there have been numerous consequential amendments made to other Sections. PS 3450 is effective for fiscal years beginning on or after April 1, 2016 though early adoption is permitted.

PS 3450 is applied prospectively in the fiscal year of initial adoption, therefore, financial statements of prior periods, including comparative information, are not restated.

Related party transactions

In March 2015, the Public Sector Accounting Board (PSAB) issued PS 2200 *Related party disclosures* to define a related party and establish the disclosure required for a related party transaction. Disclosure of information about related party transactions and their relationship underlying them is required when they have occurred at a value different from that which would have been arrived at if the parties were unrelated, and they have, or could have, a material financial effect on the financial statements. PS 2200 is effective for fiscal years beginning on or after April 1, 2017 though early adoption is permitted.

Assets

In June 2015, the Public Sector Accounting Board (PSAB) issued PS 3210 *Assets* which provides guidance for applying the definition of assets and establishes general disclosure standards for assets. Disclosure of major categories of assets that are not recognized is required. When an asset is not recognized because a reasonable estimate of the amount involved cannot be made, the reason for this should be disclosed. As a result of the issuance of PS 3210, there have been numerous consequential amendments made to other Sections. PS 3210 is effective for fiscal years beginning on or after April 1, 2017 though early adoption is permitted.

The Band has not yet determined the effect of these new standards on its financial statements.

2. CASH AND CASH EQUIVALENTS

11. EMPLOYEE BENEFIT OBLIGATIONS

	2016	2015
Vacation	\$ 249,580	\$ 217,554

Vacation

The vacation liability is comprised of the vacation that employees are deferring to future years. Employees have either earned the benefits or are entitled to these benefits within the next budgetary year.

Pension Plan

The Band provides a defined contribution plan for eligible members of its staff. Staff are required to contribute a percentage of their salary which is matched by the Band and contributions are directed to a contribution account. The amount of the retirement benefit to be received by the employees will be the amount of retirement annuity that could be purchased based on the staff's share of the pension plan at the time of the staff's withdrawal from the plan. The Band contributed \$327,378 (2015 - \$279,907) during the year for retirement benefits. The Band does not have any other obligations with regards to the pension plan as at March 31, 2016.

20. SEGMENT REPORTING

Seabird Island Indian Band receives revenue and incurs expenses from various projects and sources. For management and reporting purposes, the revenue, expenses and surplus or deficits are organized by segments. Schedules disclose the Band's revenue and expenses in the following segments.

Administration

Includes general operations, IT support and financial management of the Band along with an arm related to Band discretionary revenues, property taxation and governance actives.

Administration

Capital Projects

Includes revenues and expenditures related to capital projects and capital project flow through funding administered on behalf of AANDC.

Economic Development

Includes activities related to the growth of the revenue producing projects with the Band, land management along with an arm of Rights and Resource Management.

Education

Includes revenues and expenses related to primary, secondary, and post secondary education of the members of the Band and operations relating to band operated school and Seabird College.

Health, Social Development, Early Childhood and Family

Includes revenues and expenses relating to the activities related to a wide range of health services including dental, doctor, family, and children services within the Band and social assistance programs.

Housing

Includes Property Management related to the mortgaged homes owned by the Band, administration of social housing programs.

Public Works

Includes revenue and expenditures related to ongoing community maintenance.

Reserve and Other

Includes revenue and expenses related to the tangible capital assets and restricted reserves and other activities not related to another segment.
