## STATEMENT OF MANAGEMENT RESPONSIBILITY FOR FINANCIAL REPORTING

The accompanying financial statements of Cheam Indian Band are the responsibility of management and have been approved by the Chief and Council.

The financial statements have been prepared by management in accordance with generally accepted accounting principles. Financial statements are not precise since they include certain amounts based on estimates and judgements. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances, in order to ensure that the financial statements are presented fairly, in all material respects.

The Cheam Indian Band maintains systems of internal accounting and administrative controls of high quality, consistent with reasonable cost. Such systems are designed to provide reasonable assurance that the financial information is relevant, reliable and accurate and the band's assets are appropriately accounted for and adequately safeguarded.

The Cheam Indian Band Council is responsible for ensuring that management fulfills its responsibilities of financial reporting and is ultimately responsible for reviewing and approving the financial statements.

Council meets periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review the financial statements and the external auditor's report.

The financial statements have been audited by Enns & Company in accordance with generally accepted auditing standards on behalf of the members. Enns & Company has full and free access to the Chief and Council with regard to audit requirements.

## INDEPENDENT AUDITOR'S REPORT

To the Members of:  
Cheam Indian Band

We have audited the accompanying financial statements of the Cheam Indian Band which comprise the consolidated statement of financial position as at March 31, 2014, the consolidated statement of changes in accumulated surplus, consolidated statement of revenues and expenditures, consolidated statement of changes in net financial assets and consolidated statement of cash flows for the year then ended and a summary of significant accounting policies and other explanatory information.

### Management Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian Accounting Standards for first nations organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.

An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

### Opinion

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Cheam Indian Band as at March 31, 2014 and its financial performance and its cash flows for the year then ended in accordance with Canadian accounting standards for first nations organizations.

**CHEAM INDIAN BAND  
NOTES TO FINANCIAL STATEMENTS  
MARCH 31, 2014**

**1. OPERATIONS**

---

Cheam Indian Band is an unincorporated band empowered entity within the meaning of the Income Tax Act (Canada) and is exempt from income taxes.

**2. SIGNIFICANT ACCOUNTING POLICIES**

---

**Basis of presentation**

Cheam Indian Band's policy is to follow accounting policies generally accepted for First Nations in Canada. The financial statements have been prepared using guidelines issued by the Public Sector Accounting and Auditing Board of the Canadian Institute of Chartered Accountants.

**Fund accounting**

Cheam Indian Band follows the restricted fund method of accounting for contributions.

The Operations Fund accounts for the band's program delivery and administrative activities. This fund reports unrestricted resources and restricted operating grants.

The Capital Asset Fund reports the assets and liabilities related to the band's capital assets.

**Revenue recognition**

Revenues received, pursuant to annual funding agreements with the Minister of Aboriginal Affairs and Northern Development Canada ("AANDC") are recognised as they become receivable under the terms of the funding agreements.

Other funding revenues are recognised as they become receivable under the terms of the funding agreements.

Rental revenue is recognized monthly as it becomes receivable under the terms of the applicable rental agreements.

**Non-financial assets**

Tangible capital and other non-financial assets are accounted for as assets by Cheam Indian Band because they can be used to provide services in future periods. These assets do not normally provide resources to discharge the liabilities of the Band until they are sold.

**Expenses**

Expenses are accounted for on the accrual basis

**CHEAM INDIAN BAND  
NOTES TO FINANCIAL STATEMENTS  
MARCH 31, 2014**

**2. SIGNIFICANT ACCOUNTING POLICIES (continued)**

---

**Tangible capital assets and amortization**

Capital assets are recorded at cost as an addition to capital assets with a corresponding increase in equity in capital assets. These additions which are not funded through capital financing are also charged as an expense to operations and matched with the applicable revenue source in the year of expenditure.

Effective April 1, 2009, the band retroactively adopted the new Public Sector Accounting Board (PSAB) of the Canadian Institute of Chartered Accountants (CICA) recommendation on tangible capital assets (PS3150) which requires that all capital assets be recorded at cost and amortized at rates calculated to write off the costs over their estimated useful lives as follows:

Office furniture and equipment	20% reducing balance
Computer equipment	30% reducing balance
Farm equipment	10% reducing balance
Machinery and equipment	10% reducing balance
Vehicles	20% reducing balance
Buildings	4% straight-line basis
Tennis court	5% straight-line basis
Roads and paving	5% straight-line basis
Waterworks and sewers	2.5% straight-line basis
Dykes	2% straight-line basis

**Financial instruments**

Short term investments are stated at cost plus accrued interest.

Equity instruments, if any that are quoted in an active market are stated at fair value.

Financial assets are assessed for impairment on an annual basis at the end of the fiscal year if there are indicators of impairment. If there is an indicator of impairment, the society determines if there is a significant adverse change in the expected amount or timing of future cash flows from the financial asset. If there is a significant adverse change in the expected cash flows, the carrying value of the financial asset is reduced to the recoverable amount that could be realized from selling the financial asset or the amount that the society expects to realize by exercising its right to any collateral. If events and circumstances reverse in a future period, an impairment loss will be reversed to the extent of the improvement, not exceeding the initial carrying value.

**Use of estimates**

The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from management's best estimates as additional information becomes available in the future.

**CHEAM INDIAN BAND  
NOTES TO FINANCIAL STATEMENTS  
MARCH 31, 2014**

**2. SIGNIFICANT ACCOUNTING POLICIES (continued)**

**Government Business Enterprises**

The band as a First Nation, accounts for its share in the operations of Government Business Enterprises under the modified equity method as outlined in the CICA Public Sector Accounting Handbook.

**3. OTTAWA TRUST FUND**

Funds on deposit with the Department of Aboriginal Affairs and Northern Development Canada are held in trust in the Consolidated Revenue Fund of the Government of Canada and are managed by the department under Sections 63 to 69 of the Indian Act. The amounts on the financial statements have been provided by the Government of Canada.

**4. PORTFOLIO INVESTMENT AT COST**

The investment represents a 100% ownership in the Pilalt Historical Society that was incorporated on January 29, 1996 under the Society Act of the Province of British Columbia. The main objective of the Society is to protect, preserve and promote the archaeological culture and spiritual heritage of the people of the Cheam Indian Band. At the balance sheet date, the investment in Pilalt Historical Society and the results and financial position of the subsidiary, based on audited financial statements were as follows:

**5. INVESTMENT IN GOVERNMENT BUSINESS ENTERPRISES**

**(i) Cheam Landfill**

The investment represents a 100% ownership in Cheam Landfill that operates a landfill site. As the organization meets the criteria of a Government Business Enterprise, the investment has been accounted for under the modified equity method. At the balance sheet date, the investment in Cheam Landfill and the results and financial position of the subsidiary, based on audited financial statements were as follows:

	2014	2013
<b><u>Net investment</u></b>		
Investment	\$ -	\$ 8,979,484

**CHEAM INDIAN BAND  
NOTES TO FINANCIAL STATEMENTS  
MARCH 31, 2014**

**11. BANK FACILITIES**

The bank overdraft is secured by a general security agreement covering all the assets of the band including the Cheam Landfill's assets and bank accounts and by a collateral mortgage in the amount of \$300,000 constituting a first fixed charge on the land owned by Pilalt Historical Society.

**12. CONTINGENCIES**

**Disputed invoice**

Cheam is currently in dispute with one of its contractors regarding some reclamation work for \$100,000 that was performed a few years ago by that contractor and which apparently, may not have been approved and agreed by Cheam. It is currently reviewing all past agreements made between that contractor and the previous Chief & Council to determine whether both the work and compensation were approved at that time. As the outcome of this case is still uncertain, no provision has been made in the accounts in that respect.

**13. FINANCIAL RISKS**

The band, as part of its operations, carries a number of financial instruments. It is management's opinion that the band is not exposed to any significant risk as a result of these financial instruments.

**Credit risk**

The band is exposed to credit risk in the event of non-performance by counterparties in connection with its accounts receivable. The society does not obtain collateral to support the accounts receivable subject to credit risk but mitigates this risk by dealing only with what management believes to be financially sound counterparties and accordingly, does not anticipate significant loss for non-performance.

**Currency risk**

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The band is not exposed to such currency risk as all its transactions are conducted in Canadian dollar.

**Interest rate risk**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in interest rate. The band is not exposed to material interest risk on its fixed income securities as such investment is either not significant or the investment is held by the Ottawa Trust Fund that is controlled by the Government of Canada.

**13. FINANCIAL RISKS (continued)**

---

Liquidity risk

Liquidity risk is the risk that the society will be unable to fulfill its obligations on a timely basis. The society manages its liquidity risk by monitoring its operating requirements and by preparation of a budget to ensure that it has sufficient funds to fulfill its obligations.

**14. COMPARATIVES**
