TS'KW'AYLAXW FIRST NATION

MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

March 31, 2021

The accompanying financial statements of Ts'kw'aylaxw First Nation are the responsibility of management and have been approved by Council.

The financial statements have been prepared by management in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada and as such include amounts that are the best estimates and judgments of management.

Management is responsible for the integrity and objectivity of these statements and for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

The Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control and is ultimately responsible for reviewing and approving the financial statements.

The Council meets periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review the financial statements and the external auditor's report.

The external auditors, Reid Hurst Nagy Inc., conduct an independent examination, in accordance with Canadian auditing standards, and express their opinion on the financial statements. The external auditors have full and free access to financial management of Ts'kw'aylaxw First Nation and meet when required.

On behalf of Ts'kw'aylaxw First Nation:

Chief

Administrator

Independent Auditors' Report

To the Members of
Ts'kw'aylaxw First Nation

Opinion

We have audited the financial statements of Ts'kw'aylaxw First Nation, which comprise the statement of financial position as at March 31, 2021, and the statements of operations and accumulated surplus, change in net debt and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the First Nation as at March 31, 2021, and the results of its operations, its changes in its net debt, and its cash flows for the year then ended in accordance with Canadian public sector accounting standards ("PSAS").

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the First Nation in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with PSAS, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the First Nation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the First Nation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the First Nation's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- ◆ Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ◆ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the First Nation's internal control.
- ◆ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- ◆ Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the First Nation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the First Nation to cease to continue as a going concern.
- ◆ Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The accompanying notes are an integral part of the financial statements

TS'KW'AYLAXW FIRST NATION

NOTES TO FINANCIAL STATEMENTS

March 31, 2021

1. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES

These financial statements are prepared in accordance with Canadian public sector accounting standards for governments as recommended by the Public Sector Accounting Board of CPA Canada.

a) Reporting Entity

The Ts'kw'aylaxw First Nation reporting entity includes the Ts'kw'aylaxw First Nation government and all related entities that are controlled by the First Nation.

b) Principles of Consolidation

All controlled entities are fully consolidated on a line-by-line basis except for the commercial enterprises which meet the definition government business enterprise and are included in the Consolidated Statements on a modified equity basis. Inter-organizational balances and transactions are eliminated upon consolidation.

Under the modified equity method of accounting, only Ts'kw'aylaxw First Nation's investment in the government business enterprise and the enterprise's net income and other changes in equity are recorded. No adjustment is made for accounting policies of the enterprise that are different from those of Ts'kw'aylaxw First Nation.

Organizations consolidated in Ts'kw'aylaxw First Nation's financial statements include:

1. Ts'kw'aylaxw First Nation Operating Fund
2. Ts'kw'aylaxw First Nation Social Housing Fund
3. Ts'kw'aylaxw First Nation Capital Fund
4. Ts'kw'aylaxw First Nation Ottawa Trust Fund
5. Ts'kw'aylaxw First Nation Enterprise Fund
 - 0436158 B.C. Ltd.
 - Ts'kw'aylaxw Forest Co. Ltd
 - Marble Canyon Forestry Ltd.

c) Fund Accounting

The Ts'kw'aylaxw First Nation maintains the following funds and reserves as part of its operations:

- The Operating Fund which reports the general activities of the First Nation administration.
- The Capital Fund which reports the capital assets of the First Nation not included in other funds, together with their related activities.
- The Trust Fund which reports on the trust funds of the First Nation and held by third parties.
- The Social Housing Fund which reports on the social housing assets of the First Nation together with their related activities.
- The Enterprise Fund which reports the First Nation's investment in self-supporting commercial entities.

d) Revenue Recognition

Revenues are recognized in the period in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.

Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

Contributions from other sources are deferred when restrictions are placed on their use by the contributor, and are recognized as revenue when used for the specific purpose.

Revenue related to fees or services received in advance of the fee being earned or the service performed is deferred and recognized when the fee is earned or service performed.

TS'KW'AYLAXW FIRST NATION

NOTES TO FINANCIAL STATEMENTS

March 31, 2021

e) Segments

The First Nation conducts its business through reportable segments. These operating segments are established by senior management to facilitate the achievement of the First Nation's long-term objectives, aid in resource allocation decisions, and to assess operational performance. For each reported segment, revenues and expenses represent both amounts that are directly attributed to the segment and amounts that are allocated on a reasonable basis. Therefore, certain allocation methodologies are employed in the preparation of segmented financial information.

f) Cash

Cash and cash equivalents include cash on hand and short-term investments that are readily convertible to known amounts of cash and are subject to an insignificant risk of changes in value, net of bank overdrafts.

g) Investments

Portfolio investments consist of entities that are not owned, controlled or influenced by the First Nation reporting entity and are accounted for using the cost method. They are recorded at cost, less any provision for other than temporary impairment.

h) Long-term Debt

Proceeds from long-term debt are recorded as program revenue. Payments of principal and interest are treated as program expenditures. Long-term debt is recorded as a liability on the balance sheet. Reductions of long-term debt are offset with an increase to Equity in Capital Assets.

i) Tangible Capital Assets

Tangible capital assets are recorded at cost including amounts directly related to the acquisition, design, construction, development, improvement, or betterment of the assets. Cost includes overhead directly attributable to construction and development, as well as interest costs directly attributable to the acquisition or construction of the asset.

Leases that transfer substantially all the benefits and risks of ownership to the lessee are recorded as capital leases. Accordingly, at the inception of the leases, the tangible capital asset and related lease obligations are recorded at an amount equal to the present value of future lease payments discounted at the lower of the interest rate inherent in the lease contracts and the First Nation's incremental cost of borrowing.

Amortization is provided for on a declining basis over their estimated useful lives as follows:

Buildings	5 %
Automotive equipment	30 %
TV satellite system	50 %
Furniture and equipment	20 %
Machinery and equipment	30 %
Playground equipment	20 %
Irrigation equipment	20 %
Boats	5 %

Tangible capital assets are written down when conditions indicate they no longer contribute to Ts'kw'aylaxw First Nation's ability to provide goods and services or when the value of future economic benefits associated with the tangible capital assets are less than their book value. The net write-downs are accounted for as expenses in the consolidated statement of operations.

Contributed capital assets are recorded as revenues at their fair value on the date of donation, except in circumstances where fair value cannot be reasonably determined, in which case they are recognized at nominal value. Transfers of capital assets from related parties are recorded at carrying value.

TS'KW'AYLAXW FIRST NATION

NOTES TO FINANCIAL STATEMENTS

March 31, 2021

Certain assets which have historical or cultural value, including works of art, historical documents, and historical and cultural artifacts, are not recognized as tangible capital assets. Assets under construction are not amortized until the asset is available to be put into service. Land is not amortized.

j) Replacement Reserve

The Replacement Reserve is funded by an annual charge against earnings as opposed to an appropriation of surplus.

k) Budget

Budgeted figures have been provided for comparison purposes and have been derived from the estimates approved by Council.

l) Surplus Recoveries and Deficit Funding

Under the terms of funding arrangements, remaining surpluses of certain programs may be recovered by the funding agency, and remaining deficits may be funded by the funding agent.

m) Internal Charges and Transfers

The central administration office provides services to other program areas. To recognize the cost of these services a corresponding revenue and expense is recorded and referred to as "Administration fees".

n) Asset classification

Assets are classified as either financial or non-financial. Financial assets are assets that could be used to discharge existing liabilities or to finance future operations. Non-financial assets are acquired, constructed or developed assets that do not provide resources to discharge existing liabilities but are employed to deliver government services, may be consumed in normal operations and are not for resale. Non-financial assets include tangible assets, prepaid expenses and inventory of supplies.

TS'KW'AYLAXW FIRST NATION

NOTES TO FINANCIAL STATEMENTS

March 31, 2021

o) Use of Estimates

The preparation of consolidated financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

2. RESTRICTED CASH

Replacement Reserve Fund:

In accordance with the terms and conditions of the "Operating Agreement" with Canada Mortgage & Housing Corporation, the Housing Program must set aside funds annually for the non-annual expenditures of the Program for the repair, maintenance and replacement of worn out assets. These funds are to be held in a separate bank account with any interest earned to be credited as revenue to the Replacement Reserve Fund.

As at the year end date, the Fund is overfunded by \$5,195 (2020 - overfunded \$4,999).

Operating Reserve Fund:

In accordance with the terms and conditions of the "Operating Agreement" with Canada Mortgage & Housing Corporation, the Program is to set aside any surplus revenue to an operating reserve for the purpose of meeting future requirements of income listed occupants over and above the maximum federal assistance. The Fund may be replenished to its original limit from subsequent operating surpluses.

As at year end date, the Fund is underfunded by \$705 (2020 - underfunded \$21,253).

Ottawa Trust Funds:

The trust funds arise from monies derived from capital or revenue sources as outlined in Section 62 of the Indian Act. These funds are held in trust in the Consolidated Revenue Fund of the Government of Canada. The management of these funds is primarily governed by Sections 63 to 69 of the Indian Act.

Members' Trust Funds:

Ts'kw'aylaxw First Nation administers their own revenue trust account known as the Members' Trust for land management activities. Withdrawals of the Members' Trust are recorded as revenue in the applicable fund where the monies are expended.

	2021	2020

	\$ 13,798,127	\$ 13,340,344

14. CONTINGENT LIABILITIES

a) Indigenous Services Canada

Under the terms of the contribution agreements with Indigenous Services Canada and other governmental departments, certain surpluses may be repayable to the government and certain deficits may be reimbursable to the Band.

b) Legal action

One legal action was ongoing with the Nation as of March 31, 2021, however, the amount of settlement if any is undeterminable at the date of the auditor's report. As such, no provision for loss has been accrued on these financial statements.

c) Loan Guarantee

A Government of Canada Ministerial Guarantee has been obtained for a loan to a band member. If these loans default, the Minister may recover the outstanding amounts from the Ts'kw'aylaxw First Nation.

The band has a guaranteed loan totalling \$10,474.

15. ECONOMIC DEPENDENCE

Ts'kw'aylaxw First Nation receives a significant portion of its revenue pursuant to a funding agreement with Indigenous Services Canada and First Nations Health Authority.

16. LEASES

The nature of Ts'kw'aylaxw First Nation's activities has resulted in some multi-year leases whereby they will be obligated to make future payments. Lease payments required under contract over the next 4 years are as follows:

2022	\$25,296
2023	\$25,296
2024	\$25,296
2025	\$16,864

TS'KW'AYLAXW FIRST NATION

NOTES TO FINANCIAL STATEMENTS

March 31, 2021

17. CONTAMINATED SITES

A liability for remediation of a contaminated site is recognized at the best estimate of the amount required to remediate the contaminated site when contamination exceeding an environmental standard exists, the Band is either directly responsible or accepts responsibility, it is expected that future economic benefits will be given up, and a reasonable estimate of the amount is determinable. The best estimate of the liability includes all costs directly attributable to remediation activities and is reduced by expected net recoveries based on information available at March 31, 2021..

At each financial reporting date, the Band reviews the carrying amount of the liability. Any revisions required to the amount previously recognized is accounted for in the period revisions are made. The Band continues to recognize the liability until it is settled or otherwise extinguished. Disbursements made to settle the liability are deducted from the reported liability when they are made.

As of March 31, 2021 the band does not recognize any liability for contaminated sites.

18. SEGMENTED INFORMATION

As previously discussed in note 2 (h) the First Nation conducts its business through reportable segments as follows:

The Administration Programs department is responsible for administering projects the Band is involved in annually and on an on-going basis relating to the overall objectives of the First Nation and the development of stable, legitimate and accountable community governments. It also provides overall support of the First Nation including advisory services relating to financial management, band government, economic development, community services and technical services.

The Operations and Maintenance Programs department provides services relating to the development, maintenance and service of the First Nation's assets, infrastructure and common property.

The Economic Development Programs department provides for the development of economic opportunities to the Members.

The Natural Resource Management includes exploration of natural resources and development of natural resource revenues.

The Health department oversees the delivery of health programs and initiatives for the betterment of the lives of the members of the First Nation.

The Education supports the members in expressing, preserving, developing and promoting its cultural heritage through the establishment and operation of First Nation education centres and programs, it also provides services for students at the elementary/secondary and post secondary level, including; instructional services both on and off reserve as well as support services such as transportation, accommodation, guidance and counselling.

The Social Development provides assistance to community members unable to provide for themselves and their dependents. The services provided by this department include, but are not limited to, income assistance, child and family services, assisted living and early childhood development.

The Social Housing is responsible for the administration and management of Social Housing units.

Other operations include Capital Fund, Ottawa Trust Fund, and Enterprise Fund transactions.

The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements as disclosed in Note 1.

NOTES TO FINANCIAL STATEMENTS

March 31, 2021

19. COMPARATIVE AMOUNTS

Certain of the comparative amounts have been reclassified to conform with the presentation adopted in the current period.

20. SUBSEQUENT EVENTS

On March 11, 2020, the World Health Organization categorized COVID-19 as a pandemic. The potential effects on the First Nation due to the possible disruption in supply chains, and measures being introduced at various levels of government to curtail the spread of the virus (such as closures of non-essential municipal and private operations, imposition of quarantines and social distancing) could have a material impact on the First Nation's operations.

The extent of the impact of this outbreak and related containment measures on the First Nation's operations cannot be reliably estimated at this time.
