Management's Responsibility for Financial Reporting

The accompanying consolidated financial statements of the Upper Similkameen Indian Band are the responsibility of management and have been approved by the Chief and another Band Councilor of the Band Council.

The consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting standards. Financial statements are not precise since they include certain amounts based on estimates and judgments. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances, in order to ensure that the consolidated financial statements are presented fairly, in all material respects.

The Upper Similkameen Indian Band maintains systems of internal accounting and administrative controls, consistent with reasonable cost. Such systems are designed to provide reasonable assurance that the financial information is relevant, reliable and accurate and the Band's assets are appropriately accounted for and adequately safeguarded.

The Upper Similkameen Indian Band Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and is ultimately responsible for reviewing and approving the consolidated financial statements. Council carries out this responsibility principally through the Chief and Council.

The Chief and Council review the Band's consolidated financial statements and recommend their approval. The Chief and Council meet periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review the annual report, the consolidated financial statements and the external auditor's report. The Chief and Council takes this information into consideration when approving the consolidated financial statements for issuance to the Members. The Chief and Council also appoint the external auditors.

The consolidated financial statements have been audited by BDO Canada LLP in accordance with Canadian generally accepted auditing standards on behalf of the members. BDO Canada LLP has full access to the Band Council.

Chief

Councilor

Independent Auditor's Report

**To the Cheif and Council
Upper Similkameen Indian Band**

We have audited the accompanying consolidated financial statements of Upper Similkameen Indian Band, which comprise the statement of financial position as at March 31 2017, and the consolidated statements of change in net assets, operations and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis for Qualified Opinion

As noted in the Summary of Significant Accounting Policies regarding tangible capital assets, the Upper Similkameen Indian Band tangible capital assets are required by Canada Mortgage and Housing Corporation to be amortized at a rate equivalent to the annual principal reduction of the related long term debt. This amortization policy is not in accordance with Canadian public sector accounting standards, which require that tangible capital assets be amortized over their estimated useful lives. The effect of this departure has not been determined on the net book value of tangible capital assets, the related amortization expense, annual surplus and equity in tangible capital assets.

Qualified Opinion

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion paragraph, the consolidated financial statements present fairly, in all material respects, the financial position of Upper Similkameen Indian Band as at March 31, 2017, and the results of its operations, changes in net asset and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Upper Similkameen Indian Band

Notes to Consolidated Financial Statements

March 31, 2017

1. Summary of Significant Accounting Policies

Basis of Accounting

These financial statements have been prepared in accordance with Canadian public sector accounting standards.

Reporting Entity and Principles of Financial Reporting

The Upper Similkameen Indian Band (the "Band") reporting entity includes the Upper Similkameen Indian Band government and all related entities which are accountable to the Upper Similkameen Indian Band and are either owned or controlled by the Upper Similkameen Indian Band.

All controlled entities are fully consolidated on a line-by-line basis except for the commercial enterprises which meet the definition of a government business enterprise, or government business partnership, which are included in the consolidated financial statements on a modified equity basis. Accounting policies of consolidated and proportionately consolidated entities are conformed to those of the Band and inter organizational balances and transactions are eliminated upon consolidation.

Under the modified equity method of accounting, only Upper Similkameen Indian Band's investment in the government business enterprise and the enterprises net income and other changes in equity are recorded. No adjustment is made for accounting policies of the enterprise that are different from those of Upper Similkameen Indian Band.

Organizations accounted for on a modified equity basis include:

1. StuWix Resources Joint Venture (12.5% interest)
2. StuWix Resources Ltd. (12.5% interest)
3. Vermilion Forks Community Forest Corporation (33.33% interest)
4. First Nation Management Solutions Limited Partnership (50% interest)
5. Chuchuwahya Forestry Limited Partnership (99.99% interest)

Upper Similkameen Indian Band

Notes to Consolidated Financial Statements

March 31, 2017

1. Summary of Significant Accounting Policies (continued)

Revenue Recognition

Revenues are recognized in the period in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.

Government grants and transfers, which include Federal funding agreements are recognized in the financial statements in the period in which events giving rise to the transfers occur, providing the transfers are authorized, any eligibility criteria have been met and reasonable estimates of the amount can be made. When the eligibility criteria is not met, transfers received are reflected as deferred revenue in the year of receipt and classified as such on the consolidated statement of financial position.

Contributions from other sources are deferred when restrictions are placed on their use by the contributor, and are recognized as revenue when used for this specific purpose.

Revenue related to fees or services received in advance of the fee being earned or the service is performed is deferred and recognized when the fee is earned or service performed.

Segments

The Upper Similkameen Indian Band conducts its business through reportable segments. These operating segments are established by senior management to facilitate the achievement of the Upper Similkameen Indian Band's long-term objectives, aid in resource allocation decisions, and to assess operational performance. For each reported segment, revenues and expenses represent both amounts that are directly attributed to the segment and amounts that are allocated on a reasonable basis. Therefore, certain allocation methodologies are employed in the preparation of segmented financial information.

Cash and Cash Equivalents

Cash and cash equivalents include cash and cash equivalents and short-term investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, net of bank overdrafts.

Upper Similkameen Indian Band

Notes to Consolidated Financial Statements

March 31, 2017

1. Summary of Significant Accounting Policies (continued)

Tangible Capital Assets

Tangible capital assets are recorded at cost less accumulated amortization, which includes amounts that are directly related to the acquisition, design, construction, development, improvement or betterment of the assets. Cost includes overhead directly attributable to construction and development, as well as interest costs that are directly attributable to the acquisition or construction of the asset.

Amortization is provided for on a straight-line basis over their estimated useful lives as follows:

Buildings and rental housing	20 years straight line
Automotive	7 years straight line
Equipment	7 years straight line
Office equipment and furniture	7 years straight line

Social Housing assets acquired under C.H.M.C sponsored housing programs are being depreciated at a rate equal to the principal reduction on the mortgage of the assets.

Tangible capital assets are written down when conditions indicate that they no longer contribute to Upper Similkameen Indian Band's ability to provide goods and services, or when the value of future economic benefits associated with the tangible capital assets are less than their net book value. The net write-downs are accounted for as expenses in the consolidated statement of operations.

Leases that transfer substantially all of the benefits and risks of ownership to the lessee are recorded as capital leases. Accordingly, at the inception of the leases, the tangible capital asset and related lease obligations are recorded at an amount equal to the present value of future lease payments discounted at the lower of the interest rate inherent in the lease contracts and Upper Similkameen Indian Band's incremental cost of borrowing.

Contributed capital assets are recorded into revenues at their fair value on the date of donation, except in circumstances where fair value cannot be reasonably determined, in which case they are recognized at nominal value. Transfer of capital assets from related parties are recorded at carrying value.

Certain assets which have historical or cultural value, including works of art, historical documents and historical and cultural artifacts, are not recognized as tangible capital assets. Assets under construction are not amortized until the asset is available to be put into service.

Replacement Reserves

The Replacement Reserve is funded by an annual charge against earnings as opposed to an appropriation of surplus.

Upper Similkameen Indian Band

Notes to Consolidated Financial Statements

March 31, 2017

1. Summary of Significant Accounting Policies (continued)

Internal charges and transfers

The central administration office provides services to other program areas. To recognize the cost of these services a corresponding revenue and expense is recorded and referred to as "Administration fee".

2. Restricted Cash

	2017	2016
Operating reserve fund	\$ 106,260	\$ 120,508
Replacement reserve fund	<u>198,432</u>	<u>215,071</u>
	304,692	335,579
Ottawa Trust Funds	<u>348,492</u>	<u>342,450</u>
	<u><u>\$ 653,184</u></u>	<u><u>\$ 678,029</u></u>

The Ottawa Trust accounts arise from monies derived from capital or revenue sources as outlined in Section 62 of the *Indian Act*. These funds are held in trust in the Revenue Fund of the Government of Canada and are subject to audit by the Office of the Auditor General of Canada. These funds are restricted in their use. The Nation is permitted to use its revenue for any purpose that will promote the general progress and welfare of the Nation and its members. The expenditures of capital funds requires the consent of Indigenous and Northern Affairs Canada and generally must be for projects of a capital nature. Withdrawals of revenue or capital funds are recorded as revenue in the applicable fund where the monies are expended.

The Operating and Replacements reserves, are required to be maintained under the terms of the agreement with Canada Mortgage and Housing Corporation ("CMHC") for Social Housing, the accounts are to be funded annually through operations. These funds along with accumulated interest, must be held in a separate bank account and/or invested only in accounts or instruments insured by the Canada Deposit Insurance Corporation.

Notes to Consolidated Financial Statements

March 31, 2017

3. Accounts Receivable

Accounts receivable by program area is summarized as follows:

	2017	2016
Trade accounts receivable	\$ 630,820	\$ 523,118
Rents receivable	194,775	191,194
Allowance for doubtful accounts	(337,755)	(142,731)
	<u>\$ 487,840</u>	<u>\$ 571,581</u>

4. Due to (from) Related Parties

	2017	2016
First Nation Management Solutions	\$ -	\$ 85,000
Upper Similkameen Economic Development Ltd.	(19,913)	(19,913)
Chuchuwayha Forestry Limited Partnership	(53,387)	(53,887)
	<u>\$ (73,300)</u>	<u>\$ 11,200</u>

Advances to related parties are unsecured, bear no interest and are repayable on demand. The entities are related parties of the Band due to the following relationships; Chuchuwayha Forestry Limited Partnership, and the Upper Similkameen Economic Development Ltd. are wholly owned subsidiaries of the Upper Similkameen Indian Band, through a trust. The First Nation Management Solution is owned by the previous Band Manager and the Upper Similkameen Indian Band owns a 50% interest in the organization.

9. Segment Disclosure

The Band is a diversified organization that provides a wide range of services to its members. Distinguishable functional segments have been separately disclosed in the segmented information. As previously discussed in Note 1 the nature of the segments and the activities they encompass are as follows:

Social Services

This service area provides services to help the members by providing a variety of programs, community services and social assistance.

Administration

This item relates to the revenues and expenses that relate to the operations of the Band itself and cannot be directly attributed to a specific segment.

Operations and Maintenance

This service area provides services relating to the development, maintenance and service of the Band's assets, infrastructure and common property.

Education

This service area provides educational services through post secondary education support and the operations of various other educational programs. The goal of this segment is to enhance the educational opportunities of the Band's members.

Economic Development

This service area provides for the development of economic opportunities to the members.

Capital

This service area provides for the development of new capital projects and infrastructure programs on the reserve.

Social Housing

This service area provides for social housing to the members.

Upper Similkameen Indian Band

Notes to Consolidated Financial Statements

March 31, 2017

10. Contingent Liabilities

Under the terms of the contribution agreements with Indigenous Services Canada and other government departments, certain surpluses may be repayable to the government and certain deficits may be reimbursable to the band. Such repayments will be recorded in the year of recovery.

11. Fiscal Plan

Canadian public sector accounting standards requires that the Band's budget be presented in the consolidated financial statements. As the Band currently does not prepare a budget, no budgeted figures have been presented as otherwise required.

12. Comparative Figures

Certain amounts of the comparative figures have been reclassified to conform with the presentation adopted in the current year.

13. Prior Period Adjustment

During the year, the Band discovered a capital acquisition previously gifted by the Province of BC that had not been recorded accurately in the 2016 fiscal period. The amount has been adjusted, retrospectively, in the 2016 fiscal period as follows:

- Increase in tangible capital assets of \$24,300
- Increase in equity in capital assets of \$24,300

During the year it was discovered that revenue and a corresponding receivable had not been recorded in the 2016 fiscal period. The amount has been adjusted, retrospectively, in the 2016 fiscal period as follows:

- Increase in revenue of \$47,122
- Increase in accounts receivable of \$47,122
