Management's Responsibility for the Financial Statements

The accompanying financial statements of Akisqnuuk First Nation are the responsibility of management and have been approved by the Chief and Council and Senior Financial Officer.

The financial statements have been prepared by management in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board of the CPA Canada and as such include amounts that are the best estimates and judgments of management.

Management is responsible for the integrity and objectivity of these statements and for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

The Chief and Council are responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control and are ultimately responsible for reviewing and approving the financial statements.

The Chief and Council meets periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review the financial statements and the external auditor's report.

The external auditors, BDO Canada LLP, Chartered Professional Accountants, conduct an independent examination, in accordance with Canadian auditing standards, and express their opinion on the financial statements. The external auditors have full and free access to financial management of Akisqnuuk First Nation and meet when required.

Independent Auditor's Report

To the Members of Akisqnuuk First Nation

We have audited the accompanying financial statements of the Akisqnuuk First Nation, which comprise the statement of financial position as at March 31, 2016, and the statements of financial activities, change in net financial assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of the Akisqnuuk First Nation as at March 31, 2016 and its financial activities, change in net financial assets and cash flows for the year then ended in accordance with Canadian public sector accounting standards.

AKISQNUK FIRST NATION
SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
FOR YEAR ENDED MARCH 31ST 2016

These financial statements are prepared in accordance with Canadian Public sector accounting standards. The significant policies are detailed as follows:

(a) Basis of Presentation

These financial statements have been prepared in accordance with Canadian generally accepted accounting principles for government entities, as defined by the *Public Sector Accounting Board of CPA Canada*. As such these financial statements are in accordance with the Year End Reporting Handbook for Department of Aboriginal Affairs and Northern Development Canada Funding Arrangements.

(b) Principles of Financial Reporting/Reporting Entity

The financial statements reflect the assets, liabilities, revenues and expenses, changes in net financial assets and cash flows of the reporting entity. The reporting entity is comprised of all of the organizations that are owned or controlled by Akisqnuk First Nation and are, therefore, accountable to the Band for the administration of their financial affairs and resources.

First Nation business partnership and enterprises, which are owned or controlled either directly or indirectly by the First Nation, are included in the financial statements using the modified equity method. These include:

Eva Joseph Learning and Cultural Society
Akisqnuk Natural Resources Corporation
0910003 B.C. Ltd.
Ktunaxa Holdings Limited Partnership

(c) Government Business Partnership and Enterprises

Long term investments in entities in which the Akisqnuk First Nation holds a significant influence are recorded using the modified equity method, meaning the Band would record its share of the government business entity's net income each year on the Band's statement of operations. Long term investments in entities in which the Akisqnuk First Nation does not hold a significant influence are recorded at cost. If there has been permanent decline in the value of these investments, it is written down to its net realizable value.

(d) Tangible Capital Assets

Purchased or constructed tangible capital assets are recorded at cost less accumulated amortization. The cost of a tangible capital asset includes the purchase price and other

AKISQNUK FIRST NATION
SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
FOR YEAR ENDED MARCH 31ST 2016

acquisition costs such as installation costs, design and engineering fees, legal fees, survey costs, site preparation costs, freight chargers, transportation, insurance costs and duties. Tangible capital assets donated are recorded at fair value at the date of the contribution with a corresponding amount recorded in revenue. Gains or losses relating to the disposal of capital assets are recorded in operations.

(e) Amortization

Tangible capital assets are amortized annually over their expected useful life on a straight line basis at the following rates:

Infrastructure	4%
Buildings	4%
Equipment	20%
Automobiles	30%
Computer Equipment and Hardware	55%

(f) Revenue Recognition

Government funding and grant revenue is recognized as it becomes receivable under the terms of the applicable funding agreements and is recorded in the period in which the resources are used for the purpose specified in the agreement. Restricted funding received which relates to a subsequent fiscal period is reported as deferred revenue until the resources are used for the purpose or purposes specified and classified as such on the statement of financial position.

Rental revenue is recognized on a straight line basis as it becomes receivable under the terms of the rental agreement.

Taxation revenues are accrued and recorded during the period that the related taxes apply. Sale of services and user fee revenues are recognized when the service or product is provided.

Sales of goods and other revenue from services provided is recognized based on performance relative to established targets.

AKISQNUK FIRST NATION
SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
FOR YEAR ENDED MARCH 31ST 2016

(g) Budget Figures

The budget figures are from the financial plan by-law adopted by Chief and Council each year. Subsequent amendments have been made by Chief and Council to reflect changes in the budget as required.

(h) Financial Instruments

The Akisqnuk First Nation recognizes and measures financial assets and financial liabilities on the statement of financial position when it becomes a party to the contractual provisions of a financial instrument. All transactions related to financial instruments are recorded on a trade date or settlement date basis. All financial instruments are measured at fair value on initial recognition. Financial instruments are subsequently measured at amortized cost as the Akisqnuk First Nation has not entered into any derivative contracts.

(i) Government Transfers

Government transfers, which include legislative grants, are recognized in the financial statements in the period in which events giving rise to the transfer occur, providing the transfers are authorized, any eligibility criteria have been met, and reasonable estimates of the amount can be made.

(j) Use of Estimates

The preparation of financial statements in accordance with Canadian Generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from management's best estimates as additional information becomes available in the future.

10) Restricted Equity

Trust Funds on deposit with Aboriginal Affairs and Northern Development Canada ("AANDC") consist of the following:

Beginning balance	Contribution	Interest expenditures	Approved expenditures	Ending balance
Capital \$34,544	-	-	-	\$34,544
Revenue 4,301,398	407,902	91,117	-	4,800,417
\$4,335,942	\$407,902	\$91,117	-	\$4,834,961

The Trust accounts arise from monies derived from capital or revenue sources as outlined in Section 62 of the Indian Act. These funds are held in trust in the Consolidated Revenue Fund of the Government of Canada. These funds are restricted in their use, of which the First Nation is generally permitted to use for a purpose that will promote the general progress and welfare of the First Nation and its members. The management of these funds is primarily governed by the sections of the Indian Act.

17) Segmented Information

Akisqnuuk First Nation is a First Nation community located in the Windermere Valley of British Columbia. Akisqnuuk First Nation provides a variety of services to community members and receives funding from various federal and provincial government agencies to support the delivery of these services. Segmented reporting by program is used to account for the scope and significance of each service.

Administration, Governance and Finance

- a) Administration is responsible for overall governance and delivery of core operations, such as daily office procedures, as well as for advisory services and professional and institutional development.
- b) The Akisqnuuk First Nation is controlled by a five-member council. The Chief and Council provide the structure through which the First Nation sets and pursues their objectives, while reflecting the environment and interests of their community.
- c) As a governing authority Akisqnuuk First Nation imposes a property tax on their reserve land. There are four broad types of property to which they charge taxes: land, improvements to land, personal property, and intangible property. The revenue earned is used to support the land and individuals living on it.
- d) Through learning resources and events the Akisqnuuk First Nation works to celebrate, raise awareness of, and preserve Aboriginal arts, culture and heritage.
- e) Indian Registry and Estates is responsible for the maintenance of Akisqnuuk First Nation's Band List and issuance of status cards.
- f) Through the lands program the First Nation provides a variety of program support, service and advice to Akisqnuuk members with respect to a range of lands-related matters.
- g) The funds received through forestry on reserve land are unrestricted funds for the Akisqnuuk First Nation that can be used to capitalize on economic opportunities for the community.
- h) Community Facilities and Maintenance is responsible for the construction, acquisition, operations and maintenance of community infrastructure on reserves. This includes water supply, wastewater treatment and community buildings.
- i) FNGST is a tax on the consumption that occurs within reserve lands. The CRA administers the FNGST on behalf of the Akisqnuuk First Nation and acts as the agent of the Akisqnuuk First Nation for collecting and administering the tax and for enforcing the FNGST law. A portion of these remittances of FNGST is subject to a revenue sharing between the five Ktunaxa Bands.

17) Segmented Information (continued)

Community, Health and Education

- a) Akisqnuk First Nation supports five social programs. With the goal of assisting members to become more self-sufficient; protect individuals and families at risk of violence; provide prevention supports that allow individuals and families to better care for their children; and support greater participation in the labour market.

- b) The Akisqnuk First Nation's Education department assists students with receiving secondary and post-secondary quality education that provides them with the opportunity to acquire the skills needed to enter the labour market and be full participants in a strong Canadian economy.

- c) Akisqnuk First Nation works with other partners to help Akisqnuk members to improve their health and social well-being. Akisqnuk First Nation is responsible for safe water supplies on reserve and providing a range of Health programs including education, early childhood development, elder care, nutrition, diabetes, drug and alcohol support, and help for persons with disabilities.

- d) Akisqnuk First Nation is working to increase the supply of safe and affordable housing through repairs of current homes and the development of new housing on reserve.

Economic Development

- a) Economic development is a policy intervention endeavor with aims of economic and social well-being of people. Increasing the Band's participation in the economy through environmental grants is one way the First Nation is working to improve the well-being and quality of life of the Akisqnuk First Nation members.
- b) Lakeshore Resort offers 68 overnight sites and 65 seasonal RV leases. The campground provides employment opportunities and unrestricted revenue for the Akisqnuk First Nation.
- c) Through the business department the Akisqnuk First Nation is able to apply for and take on separate projects and business endeavors in various economic fields.
- d) Deals with the business of St. Eugene Mission.
