**KWIAKAH INDIAN BAND**  
**MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING**  
**MARCH 31, 2016**

The accompanying financial statements of Kwiakah Indian Band are the responsibility of management and have been approved by the Council.

The financial statements have been prepared by management in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board of CPA Canada and as such include amounts that are the best estimates and judgments of management.

Management is responsible for the integrity and objectivity of these statements and for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

The Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control and is ultimately responsible for reviewing and approving the financial statements.

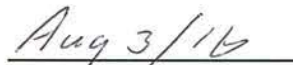

The Council meets periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review the financial statements and the external auditor's report.

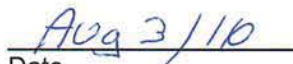

The external auditors, Moeller Matthews, conduct an independent examination, in accordance with Canadian auditing standards, and express their opinion on the financial statements. The external auditors have full and free access to financial management of Kwiakah Indian Band and meet when required.

On behalf of Kwiakah Indian Band:

  
Chief Councillor

  
Councillor

### **Independent Auditors' Report**

To the Members of Kwiakah Indian Band

We have audited the accompanying financial statements of Kwiakah Indian Band, which comprise the statement of financial position as at March 31, 2016, and the statements of revenue, expenditures and accumulated surplus, change in net financial assets, cash flows and the related schedules for the year then ended, and a summary of significant accounting policies and other explanatory information.

#### *Management's Responsibility for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

#### *Auditor's Responsibility*

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the First Nation's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the First Nation's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### *Opinion*

In our opinion, the financial statements present fairly, in all material respects, the financial position of Kwiakah Indian Band as at March 31, 2016, and the results of its operations, the changes in its net financial assets and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Campbell River, British Columbia

The accompanying notes are an integral part of these financial statements.

**KWIAKAH INDIAN BAND**  
**NOTES TO FINANCIAL STATEMENTS**  
**MARCH 31, 2016**

**1. Basis of Presentation and Significant Accounting Policies**

These financial statements are prepared in accordance with Canadian public sector accounting standards for governments as recommended by the Public Sector Accounting Board of CPA Canada.

**(a) Principles of consolidation**

The Kwiakah Indian Band reporting entity includes the Kwiakah Indian Band government and all related entities that are controlled by the First Nation. The Kwiakah Indian Band has made investments in entities that are included in the financial statements using the modified equity basis of accounting.

Under the modified equity method of accounting, only Kwiakah Indian Band's investment in the entity and the entity's net income and other changes in equity are recorded. No adjustment is made for accounting policies of the entity that are different from those of Kwiakah Indian Band.

Government business enterprises and partnerships accounted for using the modified equity basis include:

1. Saaiyouck Development Corporation (100% ownership)
2. A-Tlegay Fisheries Limited Partnership (12.99% ownership)

Organizations accounted for on a modified equity basis include:

**(b) Tangible capital assets**

Tangible capital assets are recorded at cost, which includes amounts that are directly related to the acquisition, design, construction, development, improvement or betterment of the assets.

Amortization is provided for on a declining balance over their estimated useful lives as follows:

Buildings	4% Declining balance
Automotive equipment	30% Declining balance
Equipment	20% Declining balance

Tangible capital assets are written down when conditions indicate that they no longer contribute to Kwiakah Indian Band's ability to provide goods and services, or when the value of future economic benefits associated with the tangible capital assets are less than their net book value. The net write-downs are accounted for as expenses in the statement of operations.

Contributed capital assets are recorded into revenues at their fair value on the date of donation, except in circumstances where fair value cannot be reasonably determined, in which case they are recognized at nominal value. Transfers of capital assets from related parties are recorded at carrying value.

Certain assets which have historical or cultural value, including works of art, historical documents and historical and cultural artifacts, are not recognized as tangible capital assets. Assets under construction are not amortized until the asset is available to be put into service.

**KWIAKAH INDIAN BAND**  
**NOTES TO FINANCIAL STATEMENTS**  
**MARCH 31, 2016**

**1. Basis of Presentation and Significant Accounting Policies (continued)**

**(c) Loans receivable**

Loans receivable are recorded at cost less any amount for valuation allowance. Valuation allowances are made when collection is in doubt as assessed by management. Loans are reviewed on an annual basis by management. Interest income is accrued on loans receivable to the extent it is deemed collectable.

**(d) Revenue recognition**

Revenues are recognized in the period in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.

Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

Contributions from other sources are deferred when restrictions are placed on their use by the contributor, and are recognized as revenue when used for the specific purpose.

Revenue related to fees or services received in advance of the fee being earned or the service is performed is deferred and recognized when the fee is earned or service performed.

**(e) Measurement uncertainty**

In preparing the financial statements for the First Nation, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities, at the date of the financial statements and the reported amounts of revenue and expenses during the period. Items requiring the use of significant estimates include amortization and allowance for doubtful accounts. Actual results could differ from these estimates.

	<b>22,812</b>	<b>26,717</b>

**10. Contingent Liabilities**

Kwiakah Indian Band has entered into contribution agreements with various federal government departments. Funding received under these contribution agreements is subject to repayment if the First Nation fails to comply with the terms and conditions of the agreements.

In addition, the Kwiakah Indian Band is contingently liable for \$4,054,378 in loans from Aboriginal Affairs and Northern Development Canada for treaty negotiations. This amount represents the Band's portion of the total loan obligation and is repayable only when a treaty settlement is finalized.

**11. Budgeted Figures**

Unaudited budgeted figures have been provided for comparison purposes and have been derived from the estimates approved by the Band Council.

**12. Economic Dependence**

Kwiakah Indian Band receives a significant portion of its revenue pursuant to a funding agreement with Aboriginal Affairs and Northern Development Canada. The nature and extent of this revenue is of such significance that the First Nation is economically dependant on this source of revenue.

**13. Comparative Amounts**

Certain of the comparative amounts have been reclassified to conform with the presentation adopted in the current period.
