### **MANAGEMENT'S RESPONSIBILITY FOR THE CONSOLIDATED FINANCIAL STATEMENTS**

The accompanying consolidated financial statements of the Ehattesaht/Chinehkint Tribe and all the information in this annual report are the responsibility of management and have been approved by the Chief and Council.

The consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board of the Canadian Institute of Chartered Accountants and as such include amounts that are the best estimates and judgments of management.

Management is responsible for the integrity and objectivity of these consolidated statements and for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

The Ehattesaht/Chinehkint Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control and is ultimately responsible for reviewing and approving the consolidated financial statements.

The Ehattesaht/Chinehkint Council meets periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review the consolidated financial statements and the external auditor's report.

The external auditors, Chan Nowosad Boates, Chartered Accountants, conduct an independent examination, in accordance with Canadian auditing standards, and express their opinion on the consolidated financial statements. The external auditors have full and free access to financial management of Ehattesaht/Chinehkint Tribe and meet when required.

On behalf of Ehattesaht/Chinehkint Tribe:

## INDEPENDENT AUDITORS' REPORT

To: The Members of the  
Ehattesaht/Chinehkint Tribe

We have audited the accompanying consolidated financial statements of Ehattesaht/Chinehkint Tribe which comprise the consolidated statement of financial position as at March 31, 2015, and the consolidated statements of operations and accumulated surplus, expenditures, changes in net financial assets, and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

### Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

### Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian audit standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.

An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Basis for Qualified Opinion

An audit has not been performed in all the Tribe's affiliated and consolidated entities. Accordingly, we were not able to determine any adjustments if necessary which might be required to the Investment in First Nation Affiliated Entities and the related Share of Earnings.

### Qualified Opinion

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion, the consolidated financial statements present fairly, in all material respects, the financial position of Ehattesaht/Chinehkint Tribe as at March 31, 2015, and its financial performance and cash flows for the year then ended in accordance with Canadian public sector accounting standards.

## Notes to Consolidated Financial Statements

March 31, 2015

### 1. Significant Accounting Policies:

#### a) Basis of Accounting:

These consolidated financial statements have been prepared in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board of the Canadian Institute of Chartered Accountants.

#### b) Basis of Consolidation:

The Ehattesaht/Chinehkint Tribe reporting entity includes the Ehattesaht/Chinehkint Tribe government and an organization that is controlled by the Band, Ehattesaht Fishing Corporation.

All controlled entities are consolidated on a line-by-line basis except for a commercial enterprise which meets the definition of a Government Business Enterprise, which are included in the consolidated financial statements on a modified equity basis. Inter-organizational balances and transactions are eliminated upon consolidation.

Investments in the following entities are accounted for by the modified equity method and, as such, the accounting policies of these entities are not adjusted to conform with those of the Nation:

Hayu Fishing Limited Partnership  
Hayu Fishing Ltd.  
Aat'uu Forestry Limited Partnership  
Aat'uu Forestry Ltd.  
0754140 BC Ltd.  
Bar Creek Ltd.  
0881643 BC Ltd.

#### c) Asset Classification

Assets are classified as either financial or non-financial. Financial assets are assets that could be used to discharge existing liabilities or finance future operations. Non-financial assets are acquired, constructed or developed assets that do not provide resources to discharge existing liabilities but are employed to deliver government services and may be consumed in normal operations. Non-financial assets include tangible capital assets, property under development, and prepaid expenses. Intangible assets, and items inherited by right of the First Nation, are not recognized in the consolidated financial statements.

#### d) Tangible Capital Assets:

Tangible capital assets are recorded at cost, which includes amounts that are directly related to the acquisition, design, construction, development, improvement or betterment of the assets.

Amortization is provided for using the following rates and methods:

Subdivision Costs	20yr	straight line
Infrastructure	10yr	straight line
Capital Housing	20yr	straight line
Equipment	5yr	straight line
Vehicles	30%	declining balance
Fishing Equipment	15%	declining balance
Social Housing Houses	25yr	straight line

Tangible capital assets are written down when conditions indicate that they no longer contribute to Ehattesaht/Chinehkint Tribe's ability to provide goods and services, or when the value of future economic benefits associated with the assets are less than their net book value. The net writedowns are accounted for as expenses in the consolidated statement of operations.

### 1. Significant Accounting Policies (continued):

**e) Other Assets:**

Other assets consist of fishing licences which are no longer being amortized as the licences are considered to have an unlimited useful life.

**f) Revenue Recognition:**

Revenues are recognized in the period in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.

Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to any obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled. Contributions from other sources are deferred when restrictions are placed on their use by the contributor, and are recognized as revenue when used for the specific purpose.

Revenue related to fees or services received in advance of the fee being earned or the service is performed is deferred and recognized when the fee is earned or service performed.

**g) Investment in Government Business Enterprise:**

The Band accounts for their investment in a controlled government business enterprise using the modified equity method.

Under the modified equity method of accounting, only the Band's investment in the business enterprise and the enterprise's net income and other changes in equity are recorded. No adjustment is made for accounting policies of the enterprise that are different from those of the Band, except that any other comprehensive income of the business enterprise is accounted for as an adjustment to the accumulated surplus or deficit. Inter-organizational transactions and balances are not eliminated.

**h) Measurement Uncertainty:**

In preparing the consolidated financial statements for the Ehattesaht/Chinehkint Tribe, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent liabilities, at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the period. Actual results could differ from these estimates.

### 2. Cash and Cash Equivalents:

Under the terms of an agreement with Canada Mortgage and Housing Corporation, Ehattesaht/Chinehkint Band Council must set aside funds annually for the repair, maintenance and replacement of worn out assets. These funds are to be held in a separate bank account and invested only in accounts or instruments insured by the Canada Deposit Insurance Corporation or as otherwise approved by the Canada Mortgage and Housing Corporation with any interest earned to be credited as revenue to the Replacement and Subsidy Fund.

The company shares are held in trust for the Tribe members by Trustees appointed by the Council. The units of Aat'uu Forestry Limited Partnership are held in trust for the Tribe by 0754140 BC Ltd. The units of Hayu Fishing Limited Partnership are owned directly by the Tribe.

The advances made are without interest or specific repayment terms.

During the fiscal year, it was determined that operations would cease in Ehattesaht Fishing Corporation and as such, it no longer met the definition of a Government Business Enterprise and was consolidated. Upon consolidation \$466,639 of deficit was recorded and \$484,470 of inter-company receivables were eliminated.

### 11. Long Term Debt (continued):

Interest expense on long term debt for the year ended March 31, 2015 is \$46,320 (2014 - \$18,420).

Scheduled principal repayments for the next five years is estimated as follows:

	\$
2016	102,970
2017	1,200,709
2018	31,130
2019	32,266
2020	33,387
Thereafter	850,513

### 12. Replacement Reserve:

Under the terms of agreement with Canada Mortgage and Housing Corporation, the Replacement Reserve account is to be credited in the amount of \$5,997 (2014 - \$5,380). These funds, along with accumulated interest, must be held in a separate bank account and invested only in accounts or instruments insured by the Canada Deposit Insurance Corporation or as may otherwise be approved by C.M.H.C. from time to time. The funds in the account may only be used for C.M.H.C. approved expenditures. During the year \$2,856 in expenditures were paid from the Replacement Reserve and consisted of payments for washing machines and new hot water heaters. Withdrawals are credited to interest first and then principal.
