TIMISKAMING FIRST NATION
Management's Statement of Responsibility
Year ended March 31, 2017

The consolidated financial statements of Timiskaming First Nation as at March 31, 2017 are the responsibility of management and have been approved by the Chief and Council.

These consolidated financial statements have been prepared in conformity with Canadian public sector accounting standards as defined by the CPA Canada Public Sector Accounting Handbook and, where appropriate, include amounts that are based on management's best estimates and judgements. Management has established internal control systems to ensure that the financial information is objective and reliable and that Band assets are safeguarded.

The consolidated financial statements have been audited by the independent auditors, Deloitte LLP whose report outlines the scope of their audit and their opinion on the financial statements.

The Chief and Council carries out its responsibility for the consolidated financial statements through the Office of Chief and Council, which is comprised of a quorum of councillors. The Chief and Council meets with the auditors to review the consolidated financial statements and Independent Auditor's Report.

The financial statements have been audited by Deloitte LLP in accordance with Canadian generally accepted auditing Standards. Deloitte LLP has full and free access to Council.

Independent Auditors' Report

To the Chief and Council of
Timiskaming First Nation

We have audited the accompanying consolidated financial statements of Timiskaming First Nation as at March 31, 2017, which comprise the statement of Financial Position as at March 31 2017, and the statements of Operations, Cumulative Operating Surplus (Deficit), Net Investment in Capital Assets, Changes in Net Debt and Cash Flows for the year then ended and a summary of significant accounting policies and other explanatory informations.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of Timiskaming First Nation as at March 31, 2017 and the results of its operations and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Observation

Without modifying our opinion, we draw attention to Note 2 of the consolidated financial statements, which states that the First Nation includes certain financial information that are not required by the Canadian public sector accounting standards. This information is presented on pages 26 to 163 in order to satisfy to Indigenous and Northern Affairs Canada (INAC) and are not audited.

Other matter

The financial statements of Timiskaming First Nation, as at March 31, 2016 and the year then ended, were audited by another auditor who expressed an unmodified opinion on those financial statements on July 19, 2016.

TIMISKAMING FIRST NATION
Notes to the consolidated financial statements
Year ended March 31, 2017

1. DESCRIPTION OF THE ORGANIZATION

The First Nation is an unincorporated legal body as defined in the Indian Act. A band council is considered a form of local government consisting of a Chief and two or more councillors who are chosen by election or band custom to carry out the functions of government for the First Nation.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The consolidated financial statements have been prepared in accordance with Canadian public sector accounting standards applicable to local governments issued by the CPA Canada Public Sector Accounting Handbook.

The principles of fund accounting have been used in the preparation of these consolidated financial statements in accordance with Canadian public sector accounting standards. Accounts are classified into funds in accordance with specified requirements, activities and objectives. The accrual method is followed for the recognition of revenues and expenses.

Cash and cash equivalents

Cash and cash equivalents include cash, bank overdraft, bank loan and short-term investments with a term to maturity of three months or less at the date of acquisition.

Capital assets

The capital assets is composed of all capital assets recorded at cost. The methods, the term and depreciation rates for the capital assets are as follows:

Community buildings	2.5%	diminishing balance
Private housing	25 years	straight line
Motorized equipment	10% & 20%	diminishing balance
Roadway system	2.5%	diminishing balance
Office and other equipment	20%	diminishing balance
Water and sanitation systems	2.5%	diminishing balance

Revenue recognition

Revenue is recorded in the period specified in funding agreements entered into with government agencies and other organizations. Assistance received in advance of making the related expenses is deferred. Revenues are recognized when persuasive evidence of an arrangement exists, and price or amount is fixed or determinable and collection is reasonably assured.

TIMISKAMING FIRST NATION
Notes to the consolidated financial statements
Year ended March 31, 2017

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Reimbursements of capital and interests

The reimbursement of capital and interests on the long-term debt are treated as expenses in the housing operations projects where as the rent charged by the First Nation to the tenants and the grant coming from CMHC are treated as revenues in these same projects.

Revenues and expenses related to the acquisition of capital assets

Revenues and expenses related to the acquisition of capital assets are primarily recorded in the Statement of Operations and then in the Net Investment in Capital Assets when the related capital expenses are recorded, provided that the First Nation meets the eligibility criteria.

Use of estimates

The preparation of consolidated financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingencies at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Key components of the consolidated financial statements requiring management to make estimates include the provision for doubtful accounts in respect of receivables, the useful lives of long-lived assets, the deferred revenues and liabilities under legal contingencies. Actual results could differ from these estimates.

Principle of consolidation

The consolidated financial statements include the accounts of the First Nation and the organization under its control Timiskaming First Nation Economic Development Corporation (TEDCO - company incorporated under the Canada Business Corporation Act). TFN controls 100 % of TEDCO which is fully responsible of Widjikiwe as general partner of this limited partnership. Transactions concluded between these organizations and reciprocal balances are eliminated. If so, the reciprocal balances have not been eliminated in the information of the annexes presented on pages 26 to 163 neither than in the segment disclosure (Note 15).

Pension plan

The cost of the defined pension plan is equal to the pension plan expenses.

The pension plan is a multiemployer defined benefit pension plan that is accounted for as a defined contribution plan.

TIMISKAMING FIRST NATION
Notes to the consolidated financial statements
Year ended March 31, 2017

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Loans

Loans with significant concessionary terms are presented at face value discounted by the amount of the grant portion.

Proceeds from disposal of capital assets and the related revenues

Proceeds from disposal of capital assets and from assets held for sale are recorded in the Net Investment in Capital Assets.

3. ACCOUNTS RECEIVABLE

Year ended March 31, 2017

12. RESERVES

These reserves are created from the cumulative operating surplus and when events for which they were created will occur, they shall be reversed against the cumulative operating deficit.

	<u>2017</u>	<u>2016</u>
	\$	\$
Reserve for health contingencies	20 074	20 074
Reserve for bus depreciation	453 000	305 500
Reserve for Widjikiwe	63 227	-
	<u>536 301</u>	<u>325 574</u>

13. ACCUMULATED SURPLUS

The accumulated surplus of Timiskaming First Nation is divided among several surpluses and reserves, as detailed below :

	<u>2017</u>	<u>2016</u>
	\$	\$
Reserves (Note 12)	536 301	325 574
In-trust fund	224 820	220 728
Operating reserve fund	49 802	47 412
Replacement reserve (Note 14)	433 212	427 209
Net Investment in Capital Assets	23 199 286	17 060 421
Cumulative operating Surplus (Deficit)	180 910	(365 174)
	<u>24 624 331</u>	<u>17 716 170</u>

TIMISKAMING FIRST NATION
Notes to the consolidated financial statements
Year ended March 31, 2017

14. REPLACEMENT RESERVE

	<u>2017</u>	<u>2016</u>
	\$	\$
Balance at beginning of the year	427 209	374 854
Add : Current year addition and interests	51 229	52 355
Adjustment from CMHC	1 080	-
Less : Reversal of a part of the replacement reserve to reflect the completion of certain commitments Pre-1997	(46 518)	-
Balance at end of the year	433 000	427 209

Under the terms of the agreement with CMHC, the replacement reserve account is to be credited annually. These funds along with accumulated interests must be held in a separate bank account and/or invested only in accounts or instruments insured by the Canada Deposit Insurance Corporation from time to time. The funds in the account may only be used as approved by CMHC. Withdrawals are credited to interests first and then capital.

TIMISKAMING FIRST NATION
Notes to the consolidated financial statements
Year ended March 31, 2017

18. UNAPPROPRIATED DEFICIT

The unappropriated deficit as at March 31, 2017 does not take in consideration possible modifications following the review and analysis of the present consolidated financial statements by the INAC, the CMHC, the FNEC and Health Canada. Any adjustment, included deferred revenue, resulting from this analysis will be recorded in the current year as an adjustment.

19. BUDGET

Budget figures are unaudited and are presented in each statement of Revenues and Expenses by project, when available.

20. PENSION PLAN

The First nation supports the contributory defined benefit pension plan for substantially all of its employees (except for the police department which is described below). It is a multiemployer plan that is administered by the Native Benefit Plan. The pension for native employees is 8.5 % of the gross salary and the employer contributes 1.82 time the employee contribution, for the non-native it is 6.8 % of the gross salary and the employer contributes of 1.82 time the employee contribution.

For the police department, the rate is 8.5 % of the gross salary for the native employees and 7.2 % for the non-native employees. The employer's contribution is 2 times the amount.

An expense of \$200,742 (\$184,718 in 2016) is included in salaries and fringe benefits of various departments.

21. FINANCIAL INSTRUMENTS

Fair value of financial assets and liabilities

The fair value of cash, accounts receivable, restricted cash and deposits, accounts payable and accrued liabilities, due to INAC and due to Health Canada is approximately equal to their carrying value due to their short-term maturity date.

The fair value represents approximately the amounts of the financial instruments that would be exchanged between the consenting parties, according to the current market value of instruments which the risk, capital and duration are the same. Certain estimates and decisions were required to arrive at the fair value of financial instruments which was based upon actualization and other evaluation methods which depend largely on hypothesis of estimated cash flows and the actualization rate depending on different degrees of risk.

As at March 31, 2017, the net book value of all financial instruments corresponded approximately to their fair value with the exception of the following item :

	<u>Net Book Value</u>	<u>Fair Value</u>
	\$	\$
Long-term debt	2 690 094	2 650 106

TIMISKAMING FIRST NATION
Notes to the consolidated financial statements
Year ended March 31, 2017

21. FINANCIAL INSTRUMENTS (continued)

Credit risk

The First Nation provides credit to its tenants in the normal course of its operations. It carries out, on a continuing basis, credit checks on its clients and maintains provisions for potential credit losses.

Interests rate risk

The long-term debt generally bears interests at fixed rates. Consequently, the cash flows exposure is not significant. However, the fair value of loans having fixed rates of interests could fluctuate because of changes in market interests rates. The short-term loans represent a limited exposure to interests rate risk due to their short-term maturity.

Credit facility

An authorized amount of \$600,000, bearing interests at prime (2.7 % as at March 31, 2017) plus 1.4 % is available. The credit facility is payable on demand and fluctuates regularly. No amount was used as at March 31, 2017.

22. CONTINGENCY

The Timiskaming First Nation entered into forgivable loans agreements with CMHC for the Residential Rehabilitation Assistance Program On-Reserve (RRAP). If the same person owns and occupies the house for the term of the loan, which could vary for periods from two to five years, ending different dates until 2018, the loan will be earned of the full amount. Failing which, the unearned portion of this forgivable loan plus interests will become due and payable. Timiskaming First Nation must notify CMHC if the property is sold, rented or transferred before the loan being fully earned. In that case, CMHC, at it's sole discretion, could approve an assignment of this forgivable loan if the property is sold to a Band member who is eligible and meets the RRAP program criteria. As at March 31, 2017, the amount that should be reimbursed if the conditions are not repected is \$142,614.
