MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

The accompanying consolidated financial statements of the Esquimalt Nation are the responsibility of Chief and Council and have been approved by Chief and Council.

The consolidated financial statements have been prepared in conformity with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board of the Canadian Institute of Chartered Professional Accountants and where appropriate, include certain amounts based on management's best estimates and judgments. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances, in order to ensure that the financial statements are presented fairly, in all material respects.

Esquimalt Nation's Chief and Council maintains systems of internal accounting and administrative controls, consistent with reasonable cost. Such systems are designed to provide reasonable assurance that the financial information is relevant, reliable and accurate and the Esquimalt Nation's assets are appropriately accounted for and adequately safeguarded.

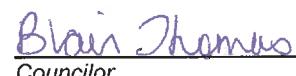

Esquimalt Nation's Chief and Council are responsible for ensuring that management fulfills its responsibilities for financial reporting and are ultimately responsible for reviewing and approving the financial statements.

Chief and Council reviewed Esquimalt Nation's financial statements and recommends their approval. The management meets periodically with the external auditors, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issued, to satisfy themselves that each party is properly discharging their responsibilities, and to review the annual report, the financial statements and the external auditor's report. Chief and Council also considers the engagement of the external auditors.

The financial information has been audited by Ribeyre Chang Haylock, Chartered Professional Accountants, in accordance with Canadian generally accepted auditing standards on behalf of the members. Ribeyre Chang Haylock has full and free access to management.

Chief

Councilor

INDEPENDENT AUDITOR'S REPORT

To: The Members of Esquimalt Nation

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the consolidated financial statements of Esquimalt Nation, which comprise the consolidated statement of financial position as at March 31, 2023 and March 31, 2022, and the consolidated statements of operations, net financial assets and cash flows for the years then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Esquimalt Nation as at March 31, 2023 and March 31, 2022, and its consolidated financial performance and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board of the Canadian Institute of Chartered Professional Accountants.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Matter

The financial statements of Esquimalt Nation for the year ended March 31, 2022, were audited by another auditor who expressed an unmodified opinion on those statements on November 9, 2022.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board of the Canadian Institute of Chartered Professional Accountants, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the financial statements. We are responsible for the direction, super-vision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

The engagement partner on the audit resulting in this independent auditor's report is Katrina Russell, CPA.

Esquimalt Nation

CONSOLIDATED FINANCIAL STATEMENTS

NOTES TO STATEMENTS

March 31, 2023

See Auditor's Report

The Esquimalt Nation (the "Nation") is an Indian Band as defined by the Indian Act. The First Nation is located in the province of British Columbia, and provides various services to its members. The Esquimalt Nation includes the Band's members, government and all related entities that are accountable to the Nation and are either owned or controlled by the Esquimalt Nation.

1. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES

These Consolidated Financial Statements have been prepared in accordance with Canadian public sector accounting standards for local government entities, as defined in the Canadian Institute of Chartered Professional Accountants Public Sector Accounting and Auditing Handbook, which encompasses the following principles.

a) Reporting entity

The Esquimalt First Nation reporting entity includes the Esquimalt First Nation and all related entities which are accountable to the Nation and are either owned or controlled by the Nation.

These financial statements consolidate the assets, liabilities, revenue and expenses of the following entities which are controlled by the First Nation:

- Nation government administration (Operating and Investment funds)
- Nation trust funds held in trust with Indigenous Services Canada (Trust fund)
- Kosapsum Development Corporation (100% interest)

Esquimalt Nation business entities, owned or controlled by the Esquimalt Nation's Council but not dependent on the Esquimalt Nation for their continuing operations, are included in the consolidated financial statements using the modified equity method. Under the modified equity method, the equity method of accounting is modified only to the extent that the business entity accounting principles are not adjusted to conform to those of the Esquimalt Nation. Thus, the Esquimalt Nation's investment in these entities is recorded at acquisition cost and is increased for the proportionate share of post acquisition earnings and decreased by post acquisition losses and distributions received. Entities accounted for by the modified equity basis include:

- 1161742 B.C. Ltd. (50.00% interest)
- Matullia Holdings Limited Partnership (50.00% interest)
- Matullia Holdings General Partner Corporation (50.00% interest)

Esquimalt Nation

CONSOLIDATED FINANCIAL STATEMENTS

NOTES TO STATEMENTS

March 31, 2023

See Auditor's Report

a) Reporting entity (continued)

- Skungeenes Holdings Limited Liability Partnership (50.00% interest)
- Xhamasung Holdings General Partner Corporation (50.00% interest)
- Xhamasung Holdings Limited Partnership (50.00% interest)

b) Basis of presentation

Sources of revenue and expenses are recorded using the accrual basis of accounting. The accrual basis of accounting recognizes revenue as it becomes available and measurable; expenses are recognized as they are incurred and measurable as a result of the receipt of goods or services and the creation of a legal obligation to pay.

c) Use of estimates

The preparation of schedules in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the schedules and reported amounts of revenues and expenditures during the reported period. Actual results could differ from the estimates.

d) Cash and cash equivalents

Cash and cash equivalents include cash on hand, balances with banks net of bank overdrafts and term deposits having a maturity of three months or less at acquisition which are held for the purpose of meeting short-term cash commitments.

e) Revenue recognition

Government funding

The Esquimalt Nation recognizes a government transfer as revenue when the transfer is authorized and all eligibility criteria have been met. A government transfer with stipulations giving rise to an obligation that meets the definition of a liability is recognized as a liability. In such circumstances, the Esquimalt Nation recognizes revenue as the liability is settled. Transfers of non-amortizable assets are recognized in revenue when received or receivable.

First Nations Capital and Revenue Trust Funds

The Esquimalt Nation recognizes revenues of the Capital and Revenue Trust Fund at the time funds are contributed from the accounts held in Ottawa. Interest revenue is recognized when earned.

Esquimalt Nation

CONSOLIDATED FINANCIAL STATEMENTS

NOTES TO STATEMENTS

March 31, 2023

See Auditor's Report

e) Revenue recognition (continued)

Canada Mortgage and Housing Corporation ("CMHC")

CMHC revenue is recognized as it becomes receivable under the terms of the applicable funding agreements. Funding received under funding arrangements that relate to a subsequent fiscal period are reflected as deferred revenue on the consolidated statement of financial position in the year of receipt.

Rental revenue

Rental revenue is recorded in the year it is earned. At the end of each year management evaluates whether rent revenue is collectible and records a bad debt expense and allowance for doubtful accounts for those amounts designated as unlikely to be collected.

Own source revenue

Revenues are recognized in the period in which the transaction or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.

Investment income

Investment income is recognized by the Esquimalt Nation when the investment income is earned.

Other

Contributions from other sources are deferred when restrictions are placed on their use by the contributor, and are recognized as revenue when used for the specific purpose.

Revenue related to fees or services received in advance of the fee being earned or the service is performed is deferred and recognized when the fee is earned or service performed.

f) Tangible capital assets

Tangible capital assets are recorded at cost, which includes amounts that are directly related to the acquisition, design, construction, development, improvement or betterment of the assets. Cost includes overhead directly attributable to construction and development, as well as interest costs that are directly attributable to the acquisition or construction of the assets.

Leases that transfer substantially all the benefits and risks of ownership to the lessee are recorded as capital leases. Accordingly, at the inception of the leases, the tangible capital assets and related lease obligations are recorded at an amount equal to the present value of future lease payments discounted at the lower of the interest rate inherent in the lease contracts and the First Nation's incremental cost of borrowing.

All intangibles, and items inherited by right of the Esquimalt Nation, such as reserve lands, forests, water and mineral resources, are not recognized in the Nation's consolidated financial statements.

Esquimalt Nation

CONSOLIDATED FINANCIAL STATEMENTS

NOTES TO STATEMENTS

March 31, 2023

See Auditor's Report

f) Tangible capital assets (continued)

Tangible capital assets are amortized annually using the following methods at rates intended to amortize the cost of the assets over their estimated useful lives. Land, assets under construction and not yet completed and assets not yet put into use are not amortized.

Buildings	declining balance	5 %
Deck, dock, roads, and subdivisions	declining balance	5 %
Equipment	declining balance	20 %
Movable equipment	declining balance	30 %
Vehicles	declining balance	30 %
Water and sewer systems	declining balance	5 %

The Nation performs impairment testing on long-lived assets held for use whenever events or changes in circumstances indicate that the carrying amount of an asset, or group of assets, may not be recoverable. The carrying amount of a long-lived asset is not recoverable if the carrying amount exceeds the sum of the undiscounted future cash flows from its use and disposal. Impairment is measured as the amount by which the asset's carrying amount exceeds its fair value. Fair value is measured using prices for similar items. Any impairment is included in operations for the year.

The Nation does not perform impairment testing on its long-lived assets that are held for public administration and situated on its reserve land as it is not possible to determine their fair market value.

Contributed tangible capital assets are recorded into revenues at their fair value on the date of donation, except in circumstances where fair value cannot be reasonably determined, in which case they are recognized at nominal value. Transfers of tangible capital assets from related parties are recorded at carrying value.

Certain assets which have historical or cultural value, including works of art, historical documents and historical and cultural artifacts, are not recognized as tangible capital assets. Assets under construction are not amortized until the asset is available to be put into service.

g) Financial instruments

Financial instruments are initially classified upon initial recognition as a fair value or an amortized cost instrument. The fair value category includes investments in equity instruments that are quoted in an active market, money held in trust, and any other items elected by the Nation to be recorded at fair value. All other financial instruments, including financial instruments with related parties for which fair value cannot be estimated, are recorded at amortized cost. Transaction costs directly attributable to the acquisition or issue of a financial instrument are added to the amortized cost or expensed if related to instruments recorded on a fair value basis. The effective interest rate method is used to measure interest for financial instruments recorded at amortized cost.

Esquimalt Nation
CONSOLIDATED FINANCIAL STATEMENTS
NOTES TO STATEMENTS

March 31, 2023

See Auditor's Report

g) Financial instruments (continued)

All financial assets are assessed for impairment on an annual basis.

The Nation's financial instruments consist of cash and cash equivalents, accounts receivable, funds held in trust, accounts payable and accrued liabilities, and long-term debt. Unless otherwise noted, it is management's opinion that the Nation is not exposed to significant interest, credit or currency risks arising from these financial instruments and the fair value of these financial instruments approximates their carrying values.

h) Asset classification

Assets are classified as either financial or non-financial. Financial assets are assets that could be used to discharge existing liabilities or finance future operations. Non-financial assets are acquired, constructed or developed assets that do not normally provide resources to discharge existing liabilities, but are employed to deliver government services, may be consumed in normal operations and are not for resale in the normal course of operations. Non-financial assets include tangible capital assets.

2. ECONOMIC DEPENDENCE

The Esquimalt Nation receives major portions of its revenue pursuant to funding arrangements with Indigenous Services Canada.

3. CASH

	2023	2022
	<i>Restated</i>	
Cash and cash equivalents	\$ 16,940,613	\$ 18,268,695
Restricted cash	1,136,713	3,728,289
	\$ 18,077,326	\$ 21,996,984

Restricted cash is comprised of four amounts:

An amount that was held in trust at the Nation's legal advisors exclusively for the purposes of land acquisition was used to acquire land in 2023 and is now a balance of nil (2022 - \$2,677,426).

An amount of \$829,942 (2022 - \$883,534) is held in a trust account at RBC for the payment of amounts due to minor members of the Nation (under the age of nineteen) from the Cadboro Bay Settlement agreement.

The Nation and one of its contractors jointly operate a bank account for payment of holdbacks. This account has a balance of \$12,550 (2022 - \$12,642).

Esquimalt Nation

NOTES TO STATEMENTS

March 31, 2023

See Auditor's Report

3. CASH (CONTINUED)

Under the terms of an agreement with Canada Mortgage and Housing Corporation, the First Nation must set aside funds annually for the repair, maintenance and replacement of worn out assets. These funds are to be held in a separate bank account and invested only in accounts or instruments insured by the Canada Deposit Insurance Corporation, or as otherwise approved by the Canada Mortgage and Housing Corporation, with any interest earned to be credited as revenue to the Operating and Replacement Reserve. The account balance is \$294,221 (2022 - \$154,687).

15. FINANCIAL INSTRUMENTS

Risk management policy

The Esquimalt Nation is exposed to various risks through its financial instruments. The following analysis provides a measure of the risks at March 31, 2023.

Credit risk

The carrying value of the Nation's main financial assets represents the maximum credit risk to which the Nation is exposed.

Liquidity risk

The Esquimalt Nation considers that it has sufficient credit facilities to ensure that funds are available to meet its current and long-term financial needs, at a reasonable cost.

Market risk

The Esquimalt Nation is exposed to interest rate risk on its fixed-interest and variable-interest financial instruments. Fixed-interest instruments subject the Nation to a fair value risk while the variable-interest instruments subject it to a cash flow risk.

The following table summarizes the contractual maturities of the financial liabilities as at March 31, 2023.

	Carrying Amount	Contractual cash flows	Within 1 year	2 to 5 years	Subsequent
Accounts payable and accrued expenses	\$ 407,456	\$ 407,456	\$ 407,456	\$ -	\$ -

17. PRIOR PERIOD ADJUSTMENT

Subsequent to the release of the 2022 audited Consolidated Financial Statements of the Esquimalt Nation, information became available that required adjustments to the figures presented.

Cash:

Include the cash balance of \$146,546 from Kosapsum Development Corporation to reflect the consolidated balance.

Record interest earned in trust accounts of \$14,822. \$10,440 of this was 2022 revenue.

Accounts receivable:

Record revenue receivable of \$132,796 from Canada Mortgage and Housing Corporation. \$130,000 was 2022 revenue.

Reverse \$103,391 of duplicated accounts receivables. None of this related to 2022 revenue.

Allow for \$291,233 of uncollectable receivables. \$187,241 was 2022 bad debt.

Investment in Nation business entities:

Remove the invalid investment and advance balances of \$44,704 for Kosapsum Development Corporation to reflect the consolidated balance.

Reduce the investment in Nation business entities balances by \$37,762 to reflect the correct balances under the modified equity and cost methods as appropriate.

Record investments of \$10 in BCFN GRS GP Ltd. and \$100 in BC First Nation Gaming Revenue Sharing Limited Partnership.

Accounts payable and accrued liabilities:

Record vacation payable of \$74,100.

Reclassify interest payable of \$1,344.

Deferred revenue:

Record deposits payable of \$5,900.

Record deferred funding of \$964,340. \$783,394 of this was funding received in 2022.

Long-term debt:

Reclassify interest payable of \$1,344.

Capital lease:

Record capital lease obligation of \$24,071.

Esquimalt Nation

CONSOLIDATED FINANCIAL STATEMENTS

NOTES TO STATEMENTS

March 31, 2023

See Auditor's Report

17. PRIOR PERIOD ADJUSTMENT (CONTINUED)

Tangible capital assets:

Record additional capital assets of \$80,412. \$16,900 of these were additions in 2022.

Reverse invalid capital assets of \$69,262.

Record additional accumulated amortization of \$72,169. \$19,918 of this was for 2022.

The total impact of these adjustments was a decrease of \$627,831 to the 2022 annual surplus and a decrease of \$667,316 to the 2022 opening accumulated surplus.

A summary of changes is as follows:
