MALAHAT NATION

MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING MARCH 31, 2020

The accompanying consolidated financial statements of Malahat First Nation and all for the year ended March 31, 2020 are the responsibility of management and have been approved by the Chief and Council.

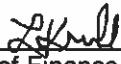

The consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting standards. Financial statements are not precise since they include certain amounts based on estimates and judgement. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances, in order to ensure that the consolidated financial statements are presented fairly, in all material respects.

The Malahat First Nation maintains systems of internal accounting and administrative controls of high quality, consistent with reasonable cost. Such systems are designed to provide reasonable assurance that the financial information is relevant, reliable and accurate and the Nation's assets are appropriately accounted for and adequately safeguarded.

The Chief and Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and is ultimately responsible for reviewing and approving the consolidated financial statements.

The Chief and Council review the Nation's financial statements and recommend their approval. The Chief and Council meet periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues to satisfy themselves that each party is properly discharging their responsibilities, and to review the financial statements and the external auditor's report. (The Chief and Council take this information into consideration when approving the financial statements for issuance to the Members. The Chief and Council also consider the engagement of the external auditors.)

The consolidated financial statements have been audited by Reid Hurst Nagy Inc. in accordance with Canadian generally accepted auditing standards on behalf of their members. Reid Hurst Nagy Inc. has full access to Chief and Council. Reid Hurst Nagy Inc. have full and free access to the management for information purposes.

Independent Auditor's Report

To the Members of
Malahat Nation

Qualified Opinion

We have audited the consolidated financial statements of Malahat Nation, which comprise the consolidated statement of financial position as at March 31, 2020, and the consolidated statements of revenue, expenses and accumulated surplus, change in net debt and cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the First Nation as at March 31, 2020, and the results of its consolidated operations, its changes in its consolidated net debt, and its consolidated cash flows for the year then ended in accordance with PSAS.

Basis for Qualified Opinion

The financial information for certain government business enterprises and partnerships are not available and have not been accounted for in the consolidated financial statements for the current year and prior years. In this respect, the financial statements are not in accordance with Canadian public sector accounting standards. We were not able to determine the adjustments that might have been necessary to investment in government business enterprises, liability in government enterprises, investment in government business partnerships, liability in government business partnerships, income (loss) from the government business enterprises, income (loss) from the government business partnerships, due to and from government business enterprises, due to and from government business partnerships, and the enterprises fund balance. Our basis for qualification is consistent with the qualified opinion issued on the Independent Auditor's Report dated January 23, 2020 for the March 31, 2019 consolidated financial statements.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the First Nation in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the First Nation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the First Nation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the First Nation's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- ◆ Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ◆ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the First Nation's internal control.
- ◆ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- ◆ Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the First Nation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the First Nation to cease to continue as a going concern.
- ◆ Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- ◆ Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

MALAHAT NATION

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS **MARCH 31, 2020**

1.i NATURE OF OPERATIONS

Malahat Nation (the “First Nation”) is an Indian Band as defined by the Indian Act. The First Nation manages various programs offered by Indigenous Services Canada (ISC) (formerly Indigenous and Northern Affairs Canada) and other funding agents to benefit its members. The First Nation also represents its members in the negotiation of treaty settlements and specific land claims.

1.ii BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES

These financial statements are prepared in accordance with Canadian public sector accounting standards for governments as recommended by the Public Sector Accounting Board of CPA Canada.

The First Nation reporting entity includes the Malahat Nation government and all related entities that are controlled by the First Nation.

(a) Principles of Consolidation

The consolidated financial statements reflect the assets, liabilities, revenues, and expenses of entities which are controlled by the First Nation. Controlled entities are consolidated, except for government business enterprises and government business partnerships, which are accounted for by the modified equity method. All inter-fund and inter-organization transactions and balances have been eliminated on consolidation.

The First Nation records its investments in government business enterprises (GBE) and government business partnerships (GBP) on a modified equity basis. Under the modified equity basis, the GBE's and GBP's accounting policies are not adjusted to conform with those of the First Nation and inter-entity transactions and balances are not eliminated. The First Nation recognizes its equity interest in the annual earnings or loss of the GBE's and GBP's in its consolidated statement of operations with a corresponding increase or decrease in its investment asset account. Any dividends or other cash distributions that the First Nation may receive from the GBE's and GBP's will be reflected as deductions in the investment asset account.

Entities consolidated in Malahat Nation's financial statements include:

1. Kwunew Kwasun Cultural Society

Entities accounted for on a modified equity basis include:

2. Malahat Aquaculture Ltd. - 100% interest
3. Malahat Construction Ltd. - 100% interest
4. MNQM Contracting Ltd. - 51% interest
5. Yos Economic Development Ltd. - 100% interest
6. Malahat Forestry (2012) Ltd. - 100% interest
7. Malahat Investment Corporation - 100% interest
8. Malahat Nation Land Corporation - 100% interest
9. Malahat Tenure Holding Ltd. - 100% interest
10. Malahat Hazelwood Construction Ltd. - 51% interest
11. Salish Strait Seafoods Ltd. - 20% interest
12. Malahat Aquaculture Limited Partnership - 99.99% interest
13. Malahat Construction Limited Partnership - 99.99% interest
14. Malahat Forestry (2012) Limited Partnership - 99.99% interest
15. Malahat Land Development Limited Partnership - 99.99% interest
16. Malahat Tenure Holding Limited Partnership - 99.99% interest
17. Yos Economic Development LP - 100% interest

MALAHAT NATION

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS MARCH 31, 2020

BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES (continued)

(b) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, balances with banks net of bank overdrafts and term deposits having a maturity of three months or less at acquisition which are held for the purpose of meeting short-term cash commitments.

(c) Note Receivable

Note receivable is recorded at cost less any amount for valuation allowance. Valuation allowances are made when collection is in doubt as assessed by management. Loans are reviewed on an annual basis by management. Interest income is accrued on loans receivable to the extent it is deemed collectable.

(d) Trust Funds

Trust funds are included as revenue in these statements only to the extent they have been received from the First Nation's trust funds. The trust funds arise from monies derived from capital or revenue sources as outlined in Section 62 of the Indian Act.

Federal trust funds are held in trust in the Consolidated Revenue Fund of the Government of Canada and are subject to audit by the Office of the Auditor General of Canada. The management of these funds is primarily governed by Sections 63 to 69 of the Indian Act.

Other trust fund consist of debt reserves and prepaid loan payments held by the First Nation Finance Authority in relations to repayment of promissory notes outstanding in the year.

(e) Deferred Revenue

Under the terms of the contribution agreement between the First Nation, ISC and certain other agencies, the First Nation may be liable to repay any contributed funds either not expended or not expended in accordance with the agreement. On the other hand, any deficit, supported by claims eligible for reimbursement under the terms and conditions of the funding agreements, may be reimbursed by the contributor subject to the program's terms and conditions. The First Nation has recorded all known unexpended contribution funds as deferred revenue and/or accounts payable.

(f) Long-term Debt

Loan proceeds related to the financing of tangible capital assets are recorded as revenue in the appropriate fund. The loan amount is also recorded as a liability on the Statement of Financial Position and as a reduction in the Tangible Capital Asset Fund.

Debt payments, including principal and interest, are charged to the fund to which they relate. Principal reductions are reflected as a reduction in the liability with an offsetting increase in the Tangible Capital Assets Fund.

MALAHAT NATION

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS MARCH 31, 2020

BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES (continued)

(g) Tangible Capital Assets

Tangible capital assets are recorded at cost, which includes amounts that are directly related to the acquisition, design, construction, development, improvement or betterment of the assets. Cost includes overhead directly attributable to construction and development, as well as interest costs that are directly attributable to the acquisition or construction of the asset.

Leases that transfer substantially all the benefits and risks of ownership to the lessee are recorded as capital leases. Accordingly, at the inception of the leases, the tangible capital asset and related lease obligations are recorded at an amount equal to the present value of future lease payments discounted at the lower of the interest rate inherent in the lease contracts and Malahat Nation's incremental cost of borrowing.

Amortization is recorded as a reduction to the Tangible Capital Assets Fund and is provided for using the following methods at rates designed to amortize over the estimated useful life of the assets as follows:

Buildings	20 years	Straight line
Automotive equipment	5 years	Straight line
Equipment	5 years	Straight line
Canoes	15 %	Declining balance
Infrastructure	20 years	Straight line
Marineside development	20 years	Straight line
Culture Centre	20 years	Straight line
Boat	5 years	Straight line

Tangible capital assets are written down when conditions indicate that they no longer contribute to the First Nation's ability to provide goods and services, or when the value of future economic benefits associated with the tangible capital assets are less than their net book value. The net write-downs are accounted for as expenses in the statement of operations.

Contributed tangible capital assets are recorded into revenues at their fair value on the date of donation, except in circumstances where fair value cannot be reasonably determined, in which case they are recognized at nominal value. Transfers of tangible capital assets from related parties are recorded at carrying value.

Certain assets which have historical or cultural value, including works of art, historical documents and historical and cultural artifacts, are not recognized as tangible capital assets. Assets under construction are not amortized until the asset is available to be put into service.

MALAHAT NATION

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS MARCH 31, 2020

BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES (continued)

(h) Revenue Recognition

Government Funding

The First Nation recognizes a government transfer as revenue when the transfer is authorized and all eligibility criteria, if any, have been met. A government transfer with stipulations giving rise to an obligation that meets the definition of a liability is recognized as a liability. In such circumstances, the First Nation recognizes revenue as the liability is settled. Transfers of non-depreciable assets are recognized in revenue when received or receivable.

First Nation Capital Revenue Trust Funds

The First Nation recognizes revenues of the Capital and Revenue Trust Fund at the time funds are contributed from the accounts held in Ottawa. Interest revenue is recognized when earned.

Other Trust Funds

The First Nation recognized interest revenue when earned from debt reserves associated with outstanding promissory notes.

Housing Rental Income

Rental revenue is recorded in the year it is earned. At the end of each year management evaluates whether rent revenue is collectible and records a bad debt expense and allowance for doubtful accounts for those amounts designated as unlikely to be collected.

Own Source Revenue

Revenues are recognized in the period in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.

Contributions from other sources are deferred when restrictions are placed on their use by the contributor, and are recognized as revenue when used for the specific purpose.

Revenue related to fees or services received in advance of the fee being earned or the service is performed is deferred and recognized when the fee is earned or service performed.

(i) Asset classification

Assets are classified as either financial or non-financial. Financial assets are assets that could be used to discharge existing liabilities or to finance future operations. Non-financial assets are acquired, constructed or developed assets that do not provide resources to discharge existing liabilities but are employed to deliver government services, may be consumed in normal operations and are not for resale. Non-financial assets include tangible assets and prepaid expenses.

(j) Measurement Uncertainty

In preparing the consolidated financial statements for the First Nation, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities, at the date of the consolidated financial statements and the reported amounts of revenue and expenses during the period. Items requiring the use of significant estimates include allowance for doubtful accounts and amortization. Actual results could differ from these estimates.

MALAHAT NATION

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS **MARCH 31, 2020**

BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES (continued)

(k) Segments

The First Nation conducts its business through a number of operating segments. These operating segments are established by senior management to facilitate the achievement of the First Nation's long-term objectives, to aid in resource allocation decisions, and to assess operational performance. For each reported segment, revenue and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements.

(l) Liability for contaminated sites

A liability for contaminated sites is recognized when a site is not in productive use and the following criteria are met:

- (i) an environmental standard exists;
- (ii) contamination exceeds the environmental standard;
- (iii) Malahat Nation is directly responsible or accepts responsibility
- (iv) it is expected that future economic benefits will be given up; and
- (v) a reasonable estimate of the amount can be made.

The liability is recognized as management's estimate of the cost of post-remediation including operation, maintenance and monitoring that are an integral part of the remediation strategy for a contaminated site.

As at March 31, 2019 and 2020, no liability for contaminated sites has been recorded.

MALAHAT NATION

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS MARCH 31, 2020

2. CASH AND CASH EQUIVALENTS

	2020	2019
	\$	\$
Externally restricted:		
Operating reserve	100,981	26,949
Replacement reserve	42,441	173
Endowment fund	18,327	5,295
	<hr/> 161,749	<hr/> 32,417
Unrestricted:		
Cash and cash equivalents	57,425	-
Bank indebtedness	-	(643,196)
	<hr/> 57,425	<hr/> (643,196)
Total Cash and Cash Equivalents (Bank Indebtedness)	219,174	(610,779)

Externally restricted - Operating Reserve

Under the terms of the agreements with CMHC, excess revenues over expenditures for the Post 1996 phases may be retained in an Operating Reserve. These funds, along with accumulated interest, must be held in a separate bank account and/or invested only in accounts or instruments insured by the Canada Deposit Insurance Corporation or as may otherwise be approved by CMHC from time to time. The funds may be used to offset future deficits. Withdrawals are credited to interest first and then principal. At the year end, the reserve was over funded by \$26,683 (2019: under funded by \$45,172).

Externally restricted - Replacement Reserve

Under the terms of the agreement with Canada Mortgage and Housing Corporation, the replacement reserve account is to be credited in the amount of \$20,940 (2019: \$12,390) annually. These funds, along with accumulated interest, must be held in a separate bank account and/or invested only in accounts or instruments insured by the Canada Deposit Insurance Corporation or as may otherwise be approved by CMHC from time to time. The funds in the account may only be used as approved by CMHC. At year end, the reserve was under funded by \$36,893 (2019: under funded by \$58,709).

	<hr/>	<hr/>
	5,309,220	5,034,097
	<hr/>	<hr/>

Funds held in trust are established by the First Nations Finance Authority (FNFA) in the First Nation. Secured Revenues Trust Account, as prescribed in the First Nations Fiscal Management Act and regulations as adapted by the Financing Secured by Other Revenues Regulations, are deposited and used to finance the FNFA Promissory note outstanding in the year (note 16). Interest accrued on deposit for 2020 is \$64,331 (2019: \$88,300).

FNFA holds on to 5% of the promissory note in the Debt Reserve Fund. This amount is invested to the credit of the First Nation and will be returned on the maturity of the promissory note. Interest accrued on the deposit for 2020 is \$83,869 (2019: \$66,601).

11. BANK DEMAND LOAN

The Nation has drawn from their Royal Bank of Canada line of credit in the prior year. The loan was interest bearing at prime plus 2% per annum. The loan was fully repaid in the year.

12. ACCOUNTS PAYABLE AND ACCRUED LIABILITIES

	2020	2019
	\$	\$
Accounts payable and accrued liabilities	1,248,748	835,234

	1,309,259	879,653
	<hr/>	<hr/>

The vacation is comprised of the vacation that employees are deferring to future years. Employees have either earned the benefits or are entitled to these benefits within the next budgetary year.

The First Nation provides a defined contribution plan for eligible members of its staff. Members are required to contribute 5% of their salary and the First Nation is required to match their contribution of 5%. The amount of the retirement benefit to be received by the employees will be the amount of the retirement annuity that could be purchased based on the member's share of the pension plan at the time of the member's withdrawal from the plan. The First Nation contributed during the year \$72,692 (2019: \$45,291) for retirement benefits. The First Nation does not have any other obligations with regards to the pension plan as at March 31, 2020.

23. RELATED PARTY TRANSACTIONS

During the year, the Malahat Nation charged Malahat Investment Corporation \$187,625 (2019: \$238,377) in management and accounting services provided and \$5,366 (2019: \$1,092,713) in interest on an intercompany loan. Malahat Investment Corporation donated \$25,000 to the Gala event, and provided \$33,400 for distribution to members of the Nation. These transactions are in the normal course of operations and are measured at the exchange value which approximates the arm's length equivalent value for services rendered.

24. ECONOMIC DEPENDENCE

The Malahat Nation receives a significant portion of its revenue pursuant to a funding agreement with ISC. The nature and extent of this revenue is of such significance that the Malahat Nation is economically dependent on this source of revenue.

MALAHAT NATION

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS **MARCH 31, 2020**

25. CONTINGENCIES

The following contingencies existed as at March 31, 2020:

- a) ISC provides Ministerial Guarantees for loans to the Malahat Nation in the amount of \$3,413,139 with an outstanding balance of \$2,326,069.
- b) Royal Bank of Canada credit facilities to qualified members of the Malahat First Nation with total advances not to exceed \$750,000. Funding under this program is restricted to the purchase, construction or improvement of housing on the Reserve or to refinance loans advanced by another financial institution for that purpose. The Malahat First Nation is required to provide a separate guarantee for each qualified borrower. As at the date of the Independent Auditor's Report, the Malahat Nation had provided a guarantee for one loan with a balance of \$192,138.
- c) The Nation is the named Plaintiff in two cases of litigation. As the outcome of both cases cannot be reasonably estimated at the date of these financial statements, no adjustment has been reflected in these statements.

26. SUBSEQUENT EVENTS

On March 11, 2020, the World Health Organization categorized COVID-19 as a pandemic. The potential economic effects within the First Nation's environment and in the global markets due to the possible disruption in supply chains, and measures being introduced at various levels of government to curtail the spread of the virus (such as travel restrictions, closures of non-essential municipal and private operations, impositions of quarantines and social distancing) could have a material impact on the First Nation's operations.

The extent of the impact of this outbreak and related containment measures on the First Nation's operations cannot be reliably estimated at this time.

MALAHAT NATION

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS MARCH 31, 2020

27. SEGMENTED INFORMATION

The Malahat Nation provides a wide variety of services to its members. For segment disclosure, these services are grouped and reported under service areas that are responsible for providing such services.

For each reported segment, revenue and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis.

The accounting policies used in these segments are consistent with those in the preparation of the consolidated financial statements as follows:
