**Snuneymuxw First Nation**  
**MARCH 31, 2021**

**MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING**

The accompanying financial statements of the Snuneymuxw First Nation and all the information in this annual report are the responsibility of Chief and Council and have been approved by the Chief and Council.

The financial statements have been prepared in conformity with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board of the Canadian Institute of Chartered Professional Accountants and where appropriate, includes certain amounts based on management's best estimates and judgments. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances, in order to ensure that the financial statements are presented fairly, in all material respects.

The Snuneymuxw First Nation's Chief and Council maintains systems of internal accounting and administrative controls, consistent with reasonable cost. Such systems are designed to provide reasonable assurance that the financial information is relevant, reliable and accurate and the Snuneymuxw First Nation's assets are appropriately accounted for and adequately safeguarded.

The Snuneymuxw First Nation's Chief and Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and is ultimately responsible for reviewing and approving the financial statements.

The Chief and Council reviewed the Snuneymuxw First Nation's financial statements and recommends their approval. The management meets periodically with the external auditors, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issued, to satisfy themselves that each party is properly discharging their responsibilities, and to review the annual report, the financial statements and the external auditor's report. The Chief and Council also considers the engagement of the external auditors.

The financial information has been audited by Ribeyre Chang Haylock, Chartered Professional Accountants, in accordance with Canadian generally accepted auditing standards on behalf of the members. Ribeyre Chang Haylock has full and free access to Management.

  
Chief

  
Councilor

## **INDEPENDENT AUDITOR'S REPORT**

To: The Members of Snuneymuxw First Nation

### **Report on the Audit of the Summary Financial Statements**

We have audited the summary financial statements of Snuneymuxw First Nation, which comprise the summary statement of financial position as at March 31, 2021 and March 31, 2020, and the summary statement of operations, net financial assets and cash flows for the years then ended, and notes to the summary financial statements, including a summary of significant accounting policies.

### **Qualified Opinion**

Except as noted in the below paragraphs, in our opinion, the summary financial statements present fairly, in all material respects, the financial position of Snuneymuxw First Nation as at March 31, 2021 and March 31, 2020, and its financial performance and cash flows for the year then ended in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board of the Canadian Institute of Chartered Professional Accountants.

### **Basis for Qualified Opinion**

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Summary Financial Statements section of our report. We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Snuneymuxw First Nation holds investments in Government Business Enterprises and Government Business Partnerships. The financial results of Petroglyph Development Group Limited Partnership have been recorded in the summary financial statements using the modified equity method in accordance with Canadian public sector accounting standards.

We were unable to satisfy ourselves as to the investment carrying value for the Government Business Enterprise known as Tuytaxun General Store Ltd. and the Government Business Partnership known as Salpac Fisheries Limited Partnership because they were not audited. Also, the financial information for Salpac Fisheries Limited Partnership was not available for the year ending March 31, 2021. Consequently, we were not able to determine whether any adjustments might be necessary to the investment, due to (from) or net income (loss) of these Government Business Enterprises and Government Business Partnerships.

In addition, Canadian public sector accounting standards requires disclosure of the condensed supplementary financial information of these entities; however, Chief and Council chose not to disclose this information outside of Snuneymuxw membership as this public disclosure may impact their competitive edge in conducting the business affairs of these entities.

### **Responsibilities of Management and Those Charged with Governance for the Summary Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board of the Canadian Institute of Chartered Professional Accountants, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

---

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Summary Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
  - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
  - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
-

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

The engagement partner on the audit resulting in this independent auditor's report is Aaron Keetley, CPA, CA, CMA.

# **Snuneymuxw First Nation**

## **SUMMARY FINANCIAL STATEMENTS**

### **NOTES TO STATEMENTS**

---

**March 31, 2021**

**See Auditor's Report**

The Snuneymuxw First Nation (the "First Nation") is an Indian Band as defined by the Indian Act. The First Nation manages various programs offered by Indigenous Services Canada (ISC) and other funding agents to benefit its members. The First Nation also represents its members in the negotiation of treaty settlements and specific land claims.

#### **1. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES**

These Summary Financial Statements have been prepared in accordance with Canadian generally accepted accounting principles for local government entities, as defined in the CICPA Public Sector Accounting and Auditing Handbook, which encompasses the following principles.

##### **a) Reporting entity**

The Snuneymuxw First Nation reporting entity includes the Snuneymuxw First Nation and all related entities which are accountable to the First Nation and are either owned or controlled by the First Nation.

##### **b) Use of estimates**

The preparation of schedules in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the schedules and reported amounts of revenues and expenditures during the reported period. Actual results could differ from the estimates.

##### **c) Principles of consolidation**

The Summary Financial Statements reflect the assets, liabilities, revenues, and expenses of entities which are controlled by the First Nation. Controlled entities are consolidated, except for government business enterprises and government business partnerships, which are accounted for via the modified equity method. All inter-fund and inter-organization transactions and balances have been eliminated on consolidation.

The First Nation records its investments in government business enterprises (GBE's) and government business partnerships (GBP's) on a modified equity basis. Under the modified equity basis, the GBE's and GBP's accounting policies are not adjusted to conform with those of the First Nation and inter-entity transactions and balances are not eliminated. The First Nation recognizes its equity interest in the annual earnings or loss of the GBE's and GBP's in its Summary Statement of Operations with a corresponding increase or decrease in its investment asset account. Any dividends or other cash distributions that the First Nation may receive from the GBE's and GBP's will be reflected as deductions in the investment asset account.

Organizations accounted for on a modified equity basis include:

1. Tuytaxun General Store Ltd. - 100%
2. Salpac Fisheries Limited Partnership - 49.90%
3. Petroglyph Development Group Ltd. - 100%
4. Petroglyph Development Group Limited Partnership - 99%

---

# Snuneymuxw First Nation

## SUMMARY FINANCIAL STATEMENTS

### NOTES TO STATEMENTS

---

March 31, 2021

See Auditor's Report

#### 1. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES (continued)

##### d) Cash and cash equivalents

Cash and cash equivalents include cash on hand, balances with banks net of bank overdrafts and term deposits having a maturity of three months or less at acquisition which are held for the purpose of meeting short-term cash commitments.

##### e) Revenue recognition

###### *Government Funding*

The First Nation recognizes a government transfer as revenue when the transfer is authorized and all eligibility criteria have been met. A government transfer with stipulations giving rise to an obligation that meets the definition of a liability is recognized as a liability. In such circumstances, the First Nation recognizes revenue as the liability is settled. Transfers of non-depreciable assets are recognized in revenue when received or receivable.

###### *First Nation Capital and Revenue Trust Funds*

The First Nation recognizes revenues of the Capital and Revenue Trust Fund at the time funds are contributed from the accounts held in Ottawa. Interest revenue is recognized when earned.

###### *Rental Income*

Rental revenue is recorded in the year it is earned. At the end of each year management evaluates whether rent revenue is collectible and records a bad debt expense and allowance for doubtful accounts for those amounts designated as unlikely to be collected.

###### *Own Source Revenue*

Revenues are recognized in the period in which the transaction or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.

###### *Other*

Contributions from other sources are deferred when restrictions are placed on their use by the contributor, and are recognized as revenue when used for the specific purpose.

Revenue related to fees or services received in advance of the fee being earned or the service being performed are deferred and recognized when the fee is earned or service is performed.

##### f) Investment in treaty and specific land claims

The First Nation is in negotiations with the Government of Canada to settle outstanding claims and negotiate a treaty. Both funding and interest free loans are received from the federal government to assist in the process. Expenses pertaining to the negotiation are capitalized to reflect the amount of investment the First Nation has made in the treaty process. The loan will be repaid as outlined in Note 17.

---

# Snuneymuxw First Nation

## SUMMARY FINANCIAL STATEMENTS

### NOTES TO STATEMENTS

---

March 31, 2021

See Auditor's Report

#### 1. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES (continued)

##### g) Tangible capital assets

Tangible capital assets are recorded at cost, which includes amounts that are directly related to the acquisition, design, construction, development, improvement or betterment of the assets. Cost includes overhead directly attributable to construction and development, as well as interest costs that are directly attributable to the acquisition or construction of the assets.

Leases that transfer substantially all the benefits and risks of ownership to the lessee are recorded as capital leases. Accordingly, at the inception of the leases, the tangible capital assets and related lease obligations are recorded at an amount equal to the present value of future lease payments discounted at the lower of the interest rate inherent in the lease contracts and the First Nation's incremental cost of borrowing.

The First Nation's capitalization policy consists of a \$500 threshold. This threshold can be raised or lowered by management if they determine the item's purpose is of a nature that it shouldn't be capitalized despite costing more or should be capitalized despite costing less if it significantly improves the value of a larger asset.

Tangible capital assets are depreciated over their expected useful lives as follows:

Buildings and renovations	5% Declining balance
Automotive equipment	30% Declining balance
Furniture and equipment	20% Declining balance
Boats	20% Declining balance
Infrastructure	5% Declining balance

Depreciation is pro-rated in the year of acquisition. Tangible capital assets are written down when conditions indicate that they no longer contribute to the First Nation's ability to provide goods and services, or when the value of future economic benefits associated with the tangible capital assets are less than their net book value. The net write-downs are accounted for as expenses in the statement of operations.

Contributed tangible capital assets are recorded into revenues at their fair value on the date of donation, except in circumstances where fair value cannot be reasonably determined, in which case they are recognized at nominal value. Transfers of tangible capital assets from related parties are recorded at carrying value.

Certain assets which have historical or cultural value, including works of art, historical documents and historical and cultural artifacts, are not recognized as tangible capital assets. Assets under construction are not depreciated until the asset is available to be put into service.

---

# **Snuneymuxw First Nation**

## **SUMMARY FINANCIAL STATEMENTS**

### **NOTES TO STATEMENTS**

---

**March 31, 2021**

**See Auditor's Report**

#### **1. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES (continued)**

##### **h) Financial instruments**

Financial instruments are initially classified upon initial recognition at fair value or as an amortized cost instrument. The fair value category includes investments in equity instruments that are quoted in an active market, and any other items elected by the First Nation to be recorded at fair value. All other financial instruments, including financial instruments with related parties for which fair value cannot be estimated, are recorded at amortized cost. Transaction costs directly attributable to the acquisition or issue of a financial instrument are added to the amortized cost or expensed if related to instruments recorded on a fair value basis. The effective interest rate method is used to measure interest for financial instruments recorded at amortized cost.

All financial assets are assessed for impairment on an annual basis.

The First Nation's financial instruments consist of cash and cash equivalents, accounts receivable, due from and to related entities, accounts payable and accrued liabilities, and long-term debt. Unless otherwise noted, it is management's opinion that the First Nation is not exposed to significant interest, credit or currency risks arising from these financial instruments and the fair value of these financial instruments approximates their carrying values.

#### **2. ECONOMIC DEPENDENCE**

Snuneymuxw First Nation receives major portions of its revenue pursuant to funding arrangements with Indigenous Services Canada and First Nations Health Authority.

## SUMMARY FINANCIAL STATEMENTS

### NOTES TO STATEMENTS

March 31, 2021

See Auditor's Report

#### 5. DUE FROM RELATED ENTITIES

	2021	2020
Petroglyph Development Group Limited Partnership	\$ 122,158	\$ 137,050
Salpac Fisheries Limited Partnership	11,814	4,995
Snuneymuxw Market Ltd.	-	940,327
Tuytaxun General Store Ltd.	268,775	228,524
	<b>\$ 402,747</b>	<b>\$ 1,310,896</b>

Advances due from related entities are unsecured and without interest or any fixed terms of repayment.

On April 23, 2020, the loan to Snuneymuxw Market Ltd. was converted to a capital contribution to Petroglyph Development Group Limited partnership and the interest was forgiven.

#### 6. INVESTMENT IN GOVERNMENT BUSINESS ENTERPRISES

The First Nation's investment in government business enterprises consist of the following:

	2021	2020
Tuytaxun General Store Ltd. - 100%	\$ 135,998	\$ 178,984
Petroglyph Development Group Ltd. - 100%	(35,673)	(30,845)
	<b>\$ 100,325</b>	<b>\$ 148,139</b>

The financial information for Petroglyph Development Group Ltd. and Tuytaxun General Store Ltd. are not audited. The financial results of these entities have been recorded in the Summary Financial Statements using the modified equity method in accordance with Canadian public sector accounting standards. In addition, Canadian public sector accounting standards require disclosure of the condensed supplementary financial information of these entities; however, Chief and Council chose not to disclose this information outside of Snuneymuxw membership as this public disclosure may impact their competitive edge in conducting the business affairs of these entities.

Please refer to the independent auditor's report for the basis of qualified opinion.

**19. PREPAID EXPENSES**

Included in prepaid expenses is \$904,405 held by the City of Nanaimo in trust to be applied against the cost of new connections on IR4 that become due to the City under the provisions of the Water Servicing Agreement and the Sewer Use Agreement. Interest is earned on this balance commensurate with the amount of interest earned by the City from its bank.

**20. ACCUMULATED SURPLUS**

Accumulated surplus is comprised of the following:

	2021	2020
		<i>Restated</i>
Restricted		
Ottawa Trust Fund	\$ 117,163	\$ 173,538
Enterprise Fund	22,331,053	21,717,565
Housing Reserve	425,759	398,942
Unrestricted		
Operations	1,317,830	(2,670,962)
Invested in tangible capital assets	31,502,851	32,142,246
	<b>\$ 55,694,656</b>	<b>\$ 51,761,329</b>

---

---

**21. CONTINGENT LIABILITIES**

Snuneymuxw First Nation has entered into contribution agreements with various federal government departments. Funding received under these contribution agreements are subject to repayment if the First Nation fails to comply with the terms and conditions of the agreements.

In addition, in the normal course of its operations, the First Nation becomes involved in legal actions. Some of these potential liabilities may become actual liabilities when one or more future events occur or fail to occur. To the extent that the future event is likely to occur, and a reasonable estimate of the loss can be made, an estimated liability is accrued and an expense recorded on the First Nation's financial statements.

As at March 31, 2021, the total ministerial housing loan guarantees provided to financial institutions for loans to individual members are in the amount of \$2,597,420 and the outstanding balances for these loans are \$322,083.

---

# **Snuneymuxw First Nation**

---

**March 31, 2021**

**See Auditor's Report**

#### **22. BUDGET INFORMATION**

Budgeted figures are unaudited and have been derived from the estimates approved by the Chief and Council for comparison purposes. Individual program operations not showing budget information does not mean budgets were not prepared but rather that their amounts were not readily determinable.

#### **23. RELATED PARTY TRANSACTIONS**

During the year ended March 31, 2021, the First Nation entered into transactions with related parties as follows:

1. The First Nation charged \$24,000 (2020: \$3,125) for rent to Tuytaxun General Store Ltd. The First Nation also purchased \$464 (2020: nil) in supplies from Tuytaxun General Store Ltd.
2. The First Nation charged \$83,481 for rent (2020: \$40,000) and \$40,000 (2020: \$535 for miscellaneous services) for waste removal services to Petroglyph Development Group Limited Partnership.
3. The First Nation paid \$1,694 for fuel purchases (2020: nil) to Snuneymuxw Market Ltd., a subsidiary of Petroglyph Development Group Limited Partnership.

These transactions are in the normal course of operations and are measured at the exchange value, which is the amount of consideration established and agreed to by the related parties.

#### **24. COMPARATIVE AMOUNTS**

Certain comparative amounts have been reclassified to conform with the current year's presentation.

---

## SUMMARY FINANCIAL STATEMENTS

### NOTES TO STATEMENTS

March 31, 2021

See Auditor's Report

#### 25. FINANCIAL INSTRUMENTS

##### *Risk management policy*

Snuneymuxw First Nation is exposed to various risks through its financial instruments. The following analysis provides a measure of the risks at March 31, 2021.

##### *Credit risk*

The carrying value of the First Nation's main financial assets represents the maximum credit risk to which the band is exposed.

##### *Liquidity risk*

Snuneymuxw First Nation considers that it has sufficient credit facilities to ensure that funds are available to meet its current and long-term financial needs, at a reasonable cost.

##### *Market risk*

Snuneymuxw First Nation is exposed to interest rate risk on its fixed-interest and variable-interest financial instruments. Fixed-interest instruments subject the band to fair value risk while the variable-interest instruments subject it to cash flow risk.

The following table summarizes the contractual maturities of the financial liabilities as at March 31, 2021.

	Carrying Amount	Contractual cash flows	Within 1 year	2 to 5 years	Subsequent
Accounts payable and accrued expenses	\$ 1,766,466	\$ 1,766,466	\$ 1,766,466	\$ -	\$ -

<b>Net financial assets at end of year</b>	\$ 12,530,100	\$ 156,728	\$ 12,686,828

**28. SUBSEQUENT EVENTS**

Subsequent to year-end, the global outbreak of the COVID-19 virus continued, which has had a significant impact on businesses and organizations through the restrictions put in place by the Canadian, provincial and municipal governments regarding travel, operations and isolation/quarantine orders. At this time, it is unknown the extent of the impact the COVID-19 outbreak may have on the First Nation, as this will depend on future developments that are highly uncertain and that cannot be predicted with confidence. These uncertainties arise from the inability to predict the ultimate geographic spread of the disease, and the duration of the outbreak, including the duration of travel restrictions, business closures or disruptions, and quarantine/isolation measures that are currently, or may be put, in place in Canada to fight the virus.
