Management's Responsibility

To the Members of Tseshah First Nation:

The accompanying consolidated financial statements of Tseshah First Nation are the responsibility of management and have been approved by the Chief and Council.

Management is responsible for the preparation and presentation of the accompanying consolidated financial statements, including responsibility for significant accounting judgments and estimates in accordance with Canadian public sector accounting standards. This responsibility includes selecting appropriate accounting principles and methods, and making decisions affecting the measurement of transactions in which objective judgment is required.

In discharging its responsibilities for the integrity and fairness of the consolidated financial statements, management designs and maintains the necessary accounting systems and related internal controls to provide reasonable assurance that transactions are authorized, assets are safeguarded and financial records are properly maintained to provide reliable information for the preparation of consolidated financial statements.

The Tseshah First Nation Chief and Council are responsible for overseeing management in the performance of its financial reporting responsibilities, and for approving the consolidated financial statements. The Chief and Council fulfil these responsibilities by reviewing the financial information prepared by management and discussing relevant matters with management and external auditors. The Chief and Council is also responsible for recommending the appointment of the First Nation's external auditors.

MNP LLP is appointed by Chief and Council to audit the consolidated financial statements and report directly to them; their report follows. The external auditors have full and free access to, and meet periodically with, both the Chief and Council and management to discuss their audit findings.

July 28, 2017

Director of Finance

Independent Auditors' Report

To the Members of Tseshah First Nation:

We have audited the accompanying consolidated financial statements of Tseshah First Nation, which comprise the consolidated statement of financial position as at March 31, 2017, and the consolidated statements of operations and accumulated surplus, change in net debt and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of Tseshah First Nation as at March 31, 2017 and the results of its operations, change in net debt and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

The accompanying notes are an integral part of these financial statements

Tseshah First Nation
Notes to the Consolidated Financial Statements
For the year ended March 31, 2017

1. Operations

The Tseshah First Nation (the "First Nation") is located in the province of British Columbia, and provides various services to its members. Tseshah First Nation includes the First Nation's members, government and all related entities that are accountable to the First Nation and are either owned or controlled by the First Nation.

2. Significant accounting policies

These consolidated financial statements are the representations of management, prepared in accordance with Canadian public sector accounting standards and include the following significant accounting policies:

Reporting entity consolidated

The financial statements consolidate the financial activities of all entities and departments comprising the First Nation reporting entity, except for First Nation business entities and First Nation business partnerships. Trusts administered on behalf of third parties by Tseshah First Nation are excluded from the First Nation reporting entity.

The First Nation has consolidated the assets, liabilities, revenue and expenses of the following entities and departments:

- Tseshah Market (Wholly owned)
- Tseshah Somass Society (Wholly owned)
- Tseshah Development Society (Wholly owned)
- Social Housing

All inter-entity balances have been eliminated on consolidation; however, transactions between departments have not been eliminated in order to present the results of operations for each specific department.

Tseshah First Nation business enterprises, owned or controlled by the First Nation's Chief and Council but not dependent on the First Nation for their continuing operations, are included in the consolidated financial statements using the modified equity method.

First Nation business partnerships, jointly owned and controlled by the First Nation's Chief and Council are not dependent on the First Nation for their continuing operations, are included in the consolidated financial statements using the modified equity method.

Under the modified equity method, the equity method of accounting is modified only to the extent that the business entity accounting principles are not adjusted to conform to those of the First Nation. Thus, the First Nation's investment in these entities is recorded at acquisition cost and is increased for the proportionate share of post acquisition earnings and decreased by post acquisition losses and distributions received. Entities accounted for by the modified equity basis include:

- Tseshah Forestry Corporation (Wholly owned)
- Omoah Forestry LLP and its General Partner, Omoah Forestry Corporation (Wholly owned)
- Cisaa Forestry LLP, and its General Partner, Cisaa Forestry Corporation (Wholly owned)
- Ekoolthaht Marine LLP, and its General Partner, Ekoolthaht Marine Corporation (Wholly owned)
- Tseshah Fisheries Corporation (Wholly owned)
- Equis Forest Products Ltd. (51% ownership)
- Alberni Ice Limited Partnership and its General Partner, 1009678 B.C. Ltd. (50% ownership)
- Tseshah Economic Development Corporation (Wholly owned)

Cash and cash equivalents

Cash and cash equivalent include balances with banks and short-term investments with maturities of three months or less. Cash subject to restrictions that prevent its use for current purposes is included in restricted cash.

Tseshah First Nation
Notes to the Consolidated Financial Statements
For the year ended March 31, 2017

2. Significant accounting policies *(Continued from previous page)*

Tangible capital assets

Tangible capital assets exceeding \$1,000 are initially recorded at cost less accumulated amortization. Contributed tangible assets are recorded at their fair value at the date of contribution.

Amortization

Amortization for tangible capital assets is provided using the following methods at rates intended to amortize the cost of the assets over their estimated useful lives. In the year of acquisition, amortization is taken at one-half of the rates. See below for amortization rates of specific asset categories.

All intangible assets and items inherited by the right of the First Nation, such as reserve land, forests, water and mineral resources, are not recognized in the First Nation's consolidated financial statements. Thunderbird poles have an unlimited useful life, and are therefore no longer depreciated.

	Method	Years/Rate
Automotive equipment	straight-line	5 years
Boat	straight-line	10 years
Community buildings	straight-line	20 years
Computer equipment	straight-line	3 years
Dock and gazebo	straight-line	10 years
Housing	straight-line	20 years
Infrastructure	straight-line	20 years
Office equipment	straight-line	5 years
Other equipment	straight-line	5 years
Paving	straight-line	10 years
Shellfish licenses	straight-line	20 years
Social Housing	straight-line	30 years

Basis of presentation

Sources of revenue and expenses are recorded on the accrual basis of accounting. The accrual basis of accounting recognizes revenue as it becomes available and measurable; expenses are recognized as they are incurred and measurable as a result of the receipt of goods or services and the creation of a legal obligation to pay.

Long-lived assets

Long-lived assets consist of tangible capital assets with finite useful lives. Long-lived assets held for use are measured and amortized as described in the applicable accounting policies.

The First Nation performs impairment testing on long-lived assets held for use whenever events or changes in circumstances indicate that the carrying amount of an asset, or group of assets, may not be recoverable. The carrying amount of a long-lived asset is not recoverable if the carrying amount exceeds the sum of the undiscounted future cash flows from its use and disposal. Impairment is measured as the amount by which the asset's carrying amount exceeds its fair value. Fair value is measured using prices for similar items. Any impairment is included in operations for the year.

The First Nation does not perform impairment testing on its long-lived assets that are held for public administration and situated on its reserve land as it is not possible to determine their fair market value.

Tseshah First Nation
Notes to the Consolidated Financial Statements
For the year ended March 31, 2017

2. Significant accounting policies (Continued from previous page)

Asset classification

Assets are classified as either financial or non-financial. Financial assets are assets that could be used to discharge existing liabilities or finance future operations. Non-financial assets are acquired, constructed or developed assets that do not normally provide resources to discharge existing liabilities but are employed to deliver government services, may be consumed in normal operations and are not for resale in the normal course of operations. Non-financial assets include tangible capital assets and prepaid expenses.

Net debt

The First Nation's consolidated financial statements are presented so as to highlight net debt as the measurement of financial position. The net debt of the First Nation is determined by its financial assets less its liabilities. Net debt combined with non-financial assets comprise a second indicator of financial position, accumulated surplus.

Liability for contaminated site

A liability for remediation of a contaminated site is recognized at the best estimate of the amount required to remediate the contaminated site when contamination exceeding an environmental standard exists, the First Nation is either directly responsible or accepts responsibility, it is expected that future economic benefits will be given up, and a reasonable estimate of the amount is determinable. The best estimate of the liability includes all costs directly attributable to remediation activities and is reduced by expected net recoveries based on information available at March 31, 2017.

At each financial reporting date, the First Nation reviews the carrying amount of the liability. Any revisions required to the amount previously recognized are accounted for in the period revisions are made. The First Nation continues to recognize the liability until it is settled or otherwise extinguished. Disbursements made to settle the liability are deducted from the reported liability when they are made.

Funds held in trust

Funds held in trust on behalf of First Nation members by the Government of Canada in the Ottawa Trust Fund are reported on the consolidated statement of financial position with an offsetting amount in accumulated surplus. Trust moneys consist of:

- Capital trust moneys derived from non-renewable resource transactions on the sale of land or other First Nation capital assets; and
- Revenue trust moneys generated primarily through land leasing transactions or interest earned on deposits held in trust.

Revenue recognition

Non-government Funding

Revenue is recognized as it becomes receivable under the terms of applicable funding agreements. Funding received under funding arrangements that relate to a subsequent fiscal period are reflected as deferred revenue on the consolidated statement of financial position in the year of receipt.

Government Transfers

The First Nation recognizes a government transfer as revenue when the transfer is authorized and all eligibility criteria, if any, have been met. A government transfer with stipulations giving rise to an obligation that meets the definition of a liability is recognized as a liability. In such circumstances, the First Nation recognizes revenue as the liability is settled. Transfers of non-depreciable assets are recognized in revenue when received or receivable.

Funds held in trust

The First Nation recognizes revenue of the Capital and Revenue Trust Fund at the time funds are contributed from the accounts held in Ottawa. Interest revenue is recognized when earned.

Tseshah First Nation
Notes to the Consolidated Financial Statements
For the year ended March 31, 2017

2. Significant accounting policies *(Continued from previous page)*

Sales

Revenue from the sale of goods is recognized when the significant risks and rewards of ownership of the goods have been transferred to the buyer and collection is reasonably assured.

Other Revenue

Other revenue is recognized when it is probable that the economic benefits associated with a transaction will flow to the First Nation and when the amount of revenue can be reliably measured and collectibility is reasonably assured. Revenue is measured at the fair value of the consideration received or receivable.

Measurement uncertainty

The preparation of consolidated financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenue and expenses during the reporting period.

Accounts receivable are stated after evaluation as to their collectability and an appropriate allowance for doubtful accounts is provided where considered necessary. Amortization is based on the estimated useful lives of tangible capital assets.

Inventories are valued at lower of cost and net realizable value using the first in, first out costing method. Net realizable value is the estimated selling price in the ordinary course of business, less estimated selling costs.

Expenditures that relate to on-going environmental and remediation programs are charged against operations as incurred. A liability for a contaminated site reflects management's best estimate of the amount required to remediate the contaminated site. The best estimate of the liability is based upon assumptions and estimates related to the amount and timing of costs for future site remediation.

Changes to the underlying assumptions and estimates or legislative changes in the near term could have a material impact on the provision recognized.

These estimates are reviewed periodically and, as adjustments become necessary, they are reported in operations in the periods in which they become known.

Financial instruments

The First Nation's financial instruments consist of cash, accounts receivable, term investments, funds held in trust, accounts payable, portfolio investments, restricted cash, demand loan and long-term debt. Unless otherwise noted, it is management's opinion that the First Nation is not exposed to significant interest, credit or currency risks arising from these financial instruments.

Segments

The First Nation conducts its business through five reportable segments as described in Note 16. These operating segments are established by senior management to facilitate the achievement of the First Nation's long-term objectives to aid in resource allocation decisions, and to assess operational performance.

For each reported segment, revenue and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis.

The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements.

	2017	2016
Tseshah Market	177,960	137,978

Tseshah First Nation
Notes to the Consolidated Financial Statements
For the year ended March 31, 2017

6. Restricted cash

	2017	2016
Social Housing Replacement Reserve	379,799	315,053
Social Housing Operating Reserve	171,082	128,416
Trust cash	419,172	413,469
Trust investments	539,581	526,749
	1,509,634	1,383,687

Social Housing Reserves

Under the terms of the agreement with Canada Mortgage and Housing Corporation, the replacement reserve account is to be credited in the amount of \$62,888 (2016 - \$62,460) annually. These funds, along with accumulated interest, must be held in a separate bank account and/or invested only in accounts or instruments insured by the Canada Deposit Insurance Corporation or as may otherwise be approved by CMHC from time to time. The funds in the account may only be used as approved by CMHC. At year end, this reserve was adequately funded (2016 - underfunded by \$1,951).

Under the terms of the agreement with Canada Mortgage and Housing Corporation, excess revenues over expenditures for the Post 1996 phases may be retained in an operating reserve. These funds along with accumulated interest, must be held in a separate bank account and/or invested only in accounts or instruments insured by the Canada Deposit Insurance Corporation or as may otherwise be approved by CMHC from time to time. At year end, the operating reserve was adequately funded (2016 - underfunded by \$2,064).

Trust

The purpose of the Tseshah Trust is to hold and protect a past specific claim settlement intended for its beneficiary, the First Nation. As at March 31, 2017, the fair market value of the investments held in Trust is \$957,413 (2016 - \$933,373).

7. Funds held in trust

Capital and revenue trust funds are transferred to the First Nation on the authorization of the Minister of Indigenous and Northern Affairs Canada, with the consent of the First Nation's Council.

	2017	2016
Capital Trust		
Balance, beginning and end of year	78,605	78,605
Revenue Trust		
Balance, beginning of year	70,057	64,387
Interest	2,887	2,997
British Columbia special distribution	2,707	2,673
Balance, end of year	75,651	70,057
	154,256	148,662

The Ottawa Trust accounts arise from monies derived from capital or revenue sources as outlined in Section 62 of the Indian Act. These funds are held in trust in the Consolidated Revenue Fund of the Government of Canada and are subject to audit by the Office of the Auditor General of Canada. The management of these funds is primarily governed by Sections 63 to 69 of the *Indian Act*.

Tseshah First Nation
Notes to the Consolidated Financial Statements
For the year ended March 31, 2017

8. Long-term investments

The First Nation uses the investees year-end financial statements to account for its investment in these investees. Equis Forest Products Ltd. has an October 31, 2016 year-end and the remainder of the investees have a December 31, 2016 year-end.

There were no significant transactions between the year-end dates of the investees and March 31, 2017.

Tseshah First Nation
Notes to the Consolidated Financial Statements
For the year ended March 31, 2017

11. Long-term debt *(Continued from previous page)*

CMHC Phase 5 - All Nations Trust		
- Interest at 1.46% per annum		
- Monthly blended payments of \$2,604		
- Maturity date of March 2042; due March 2022		
- Secured by a guarantee of the First Nation and the Government of Canada	607,612	340,601
	11,938,444	12,472,818

Principal repayments on long-term debt in each of the next five years, assuming long-term debt subject to refinancing is renewed, are estimated as follows:

	Principal
2018	538,437
2019	539,831
2020	542,869
2021	535,227
2022	550,475

12. Treaty loan

The First Nation has received funds from Nuu-chah-nulth Tribal Council ("NTC") pursuant to an agreement the NTC had negotiated on its behalf with Indigenous and Northern Affairs Canada ("INAC") and the British Columbia Treaty Commission. Under the terms of that agreement, the NTC received both loaned and contributed funds, which it subsequently reloaned and contributed to the First Nation. The funds are to be used solely for the purpose of treaty negotiations. Repayment provisions for this loan are outlined in the First Nation Negotiation Support Agreement between INAC, NTC and the First Nation. The loan is non-interest bearing and repayment is to commence on September 2, 2021.

13. Contingencies

- (a) The First Nation has entered into an agreement to guarantee mortgages of Members' residences on reserve to a limit of \$3,000,000. The total amount of outstanding guarantees as at March 31, 2017 is \$1,413,972 (2016 - \$1,360,918). These loan guarantees are in addition to CMHC mortgages.
- (b) The First Nation has received funding from CMHC to provide major renovations to the homes of certain of its members. This funding becomes repayable in the event that the member does not remain in the house for a period of five years.
- (c) The First Nation is contingently liable for guarantees of mortgages of Members' residences situated on reserve. The total amount of such mortgages at March 31, 2017 is \$175,196 (2016 - \$243,661). These loan guarantees are in addition to CMHC On-Reserve Non-Profit Housing Program Mortgages.
- (d) The First Nation is liable for the costs of future removal of fuel storage tanks and site restoration at the Tseshah Market. These costs cannot be reasonably estimated at this time.

Tseshah First Nation
Notes to the Consolidated Financial Statements
For the year ended March 31, 2017

14. Accumulated surplus

Accumulated annual surplus is comprised of the following:

	2017	2016
Equity in Funds held in trust	1,113,009	1,088,906
Equity in Operating Fund - operations	2,753,587	1,971,426
Equity in Operating Fund - tangible capital assets	10,982,544	11,249,390
Equity in Social Housing Fund	550,881	443,469
Equity in Enterprise Fund	5,100,497	4,633,527
Deficit in Treaty Fund	(2,810,604)	(2,810,604)
	17,689,914	16,576,114

15. Related party transactions

During the year the First Nation charged management fees to the following business enterprises:

	2017	2016
Tseshah Forestry Corporation	19,849	20,251
Cisaa Forestry LLP	32,171	32,802
Cisaa Forestry Corporation	1,542	1,570
Omoah Forestry LLP	32,171	32,801
Omoah Forestry Corporation	1,542	1,570
Ekooltha Marine LLP	2,688	2,734
Ekooltha Marine Corporation	1,294	1,316
Equis Forest Products	16,085	16,399
	107,342	109,443

The above transactions were conducted in the normal course of operations and measured at the exchange amount, which is the amount of consideration established and agreed to by the Nation and the related parties.

16. Segments

The First Nation receives revenue and incurs expenses from many different projects and sources. For management and reporting purposes, the revenue, expenses and surplus or deficits are organized by the following segments:

Operating

Includes general operations, support and financial management of the First Nation. Additionally, it includes activities related to education, health and community infrastructure.

Trust

Includes activities related to funds held in trust and a specific claim trust.

Social Housing

Includes revenue and expenses relating to the social housing of the members of Tseshah First Nation.

Enterprise

Includes activities related to the growth of revenue producing projects with the First Nation.

Treaty

Includes activities related to the treaty negotiation with the Federal government.

Tseshah First Nation
Notes to the Consolidated Financial Statements
For the year ended March 31, 2017

17. Economic dependence

Tseshah First Nation receives a significant portion of its revenue from Indigenous and Northern Affairs Canada, ("INAC") via Nuu-chah-nulth Tribal Council ("NTC") as a result of funding agreements entered into with the Government of Canada. These funding agreements are administered by INAC under the terms and conditions of the *Indian Act*. The ability of the First Nation to continue operations is dependent upon the Government of Canada's continued financial commitments as guaranteed by these agreements.

18. Budget information

Budgets were not prepared for all segments and all departments in 2017. As such, the budget figures in the Consolidated Statement of Operations and Accumulated Surplus are not presented for the same scope of activities as the actual results.

The disclosed budget information has been approved by the Chief and Council of the Tseshah First Nation at the Tseshah Community Budget Meeting held on May 9, 2016.

Chief and Council has not budgeted for the follow segments:

- Trust
- Social Housing
- Enterprise
- Treaty

Budget figures in the Consolidated Statement of Operations and Accumulated Surplus are presented using the same basis of accounting as the actual results. A reconciliation of these amounts to the amounts budgeted is as follows:

Budgeted annual surplus, per the Statement of Operations and Accumulated Surplus	\$547,527
Adjusted for:	
Chief and Council approved transfers	(151,005)
Purchase of tangible capital assets	(440,912)
<hr/>	
Budgeted deficit approved by Chief and Council	\$ (44,390)

19. Comparative figures

Certain comparative figures have been reclassified to conform with current year's presentation.
