## **Management's Statement of Responsibility**

The financial statements of the Long Point First Nation as of March 31, 2020, are the responsibility of management and have been approved by the Chief and Council.

These financial statements have been prepared by management in accordance with the Financial Reporting Provisions in the Indigenous Services Canada Reporting Guide and, as such, include amounts that are the best estimates and judgments of management.

Management is responsible for the integrity and objectivity of these statements and for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

The Chief and Council are responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control and are ultimately responsible for reviewing and approving the financial statements.

The Chief and Council meet periodically with management, as well as the external auditor, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review the financial statements and the external auditor's report.

The external auditor, Deloitte LLP, conducts an independent examination, in accordance with Canadian auditing standards, and expresses their opinion on the financial statements. The external auditor has full and free access to financial management of Long Point First Nation and meets when required.

On behalf of Long Point First Nation:

## Independent Auditor's Report

To the Chief and Council of  
Long Point First Nation

### Opinion

We have audited the financial statements of Long Point First Nation (the "Organization"), which comprise the statement of financial position as at March 31, 2020, and the statements of operations, cumulative operating surplus, net investment in capital assets, changes in net financial assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization for the year ended March 31, 2020, and the results of its operations, cumulative operating surplus, net investment in capital assets, changes in net debt and cash flows for the year then ended in accordance with the Financial Reporting Provisions in the Indigenous Services Canada Reporting Guide.

### Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards ("Canadian GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Organization in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Emphasis of Matter – Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared to assist the Organization in complying with the *Financial Reporting Provisions in the Indigenous Services Canada Financial Reporting Guide*. As a result, the financial statements may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

### Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with *Financial Reporting Provisions in the Indigenous Services Canada Financial Reporting Guide*, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Organization's financial reporting process.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian GAAS will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

*Deloitte LLP*

See additional information presented in Note 11.

The accompanying notes and schedules are an integral part of the financial statements.

## **1. Description of the organization**

The First Nation is an unincorporated legal body as defined in the *Indian Act*. A band council is considered a form of local government consisting of a Chief and two or more councillors who are chosen by election or band custom to carry out the functions of government for the First Nation.

## **2. Summary of accounting policies**

The financial statements have been prepared in accordance with the Financial Reporting Provisions in the Indigenous Services Canada Reporting Guide.

The financial statements differ from Canadian public sector accounting standards by including a certain financial information not required by the Canadian public sector accounting standards. This information is presented in order to satisfy to Indigenous Services Canada (ISC) on pages 5, 7 and 25 to 197.

### *Cash and cash equivalents*

Cash and cash equivalents include cash, bank overdraft, bank loan and short-term investments with a term to maturity of three months or less at the date of acquisition.

### *Capital assets*

Capital assets are composed of all capital assets recorded at historical cost. The methods, the term and depreciation rates for the capital assets are as follows:

Private housing	Diminishing balance and straight-line	5% and 25 years
Community and residential buildings	Diminishing balance	2.5%
Equipment	Diminishing balance	20% to 30%
Motorized equipment	Diminishing balance	10% to 20%
Roadway system	Diminishing balance	2.5%
Water and sanitation systems	Diminishing balance	2.5%

### *Loans*

Loans with significant concessionary terms are presented at face value discounted by the amount of the grant portion.

### *Proceeds from the disposal of capital assets and the related revenues*

Proceeds from the disposal of capital assets and from assets held for sale are recorded in the net investment in capital assets.

### *Revenue recognition*

Revenues are recorded in the period specified in funding agreements entered into with government agencies and other organizations. Assistance received in advance of making the related expenses is deferred. Revenues are recognized when persuasive evidence of an arrangement exists, price is fixed or determinable and collection is reasonably assured.

## 2. Summary of accounting policies (continued)

### *Revenues and expenses related to the acquisition of capital assets*

Revenues and expenses related to the acquisition of capital assets are recorded in the net investment in capital assets when the related capital expenses are recorded, provided that the First Nation meets the eligibility criteria.

### *Use of estimates*

The preparation of financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reported period. Key components of the financial statements requiring management to make estimates include the provision for doubtful accounts in respect of receivables, the useful lives of long-lived assets, the deferred revenue, the unexpended funding and liabilities under legal contingencies. Actual results could differ from these estimates.

### *Pension plan*

The cost of the defined pension plan is equal to the pension plan expense.

The pension plan is a multiemployer defined benefit pension plan that is accounted for as a defined contribution plan.

## 3. Accounts receivable

**4. Restricted cash and deposits**

	<b>2020</b>	2019
	<b>\$</b>	<b>\$</b>
In-trust surplus	<b>95,567</b>	93,727
Reserved funds – Article 95*	<b>349,040</b>	485,272
	<b>444,607</b>	578,999

\* Under the agreement with CMHC, an annual amount for housing units must be invested for the replacement reserve in a separate bank account and/or invested only in accounts or instruments insured by the Canada Deposit Insurance Corporation or as may otherwise be approved by CMHC from time to time. The funds in the account may only be used as approved by CMHC. Withdrawals are credited to interest first and then capital. The First Nation underfunded the combined minimal amounts to be invested in the replacement reserve (\$242,270) and in the operating reserve (\$128,129) by \$21,359. In 2019, the First Nation overfunded the replacement reserve and the operating reserve by \$25,106.

**5. Capital assets**

	<b>Cost</b>	<b>Accumulated amortization</b>	<b>2020 Net book value</b>	2019 Net book value
	<b>\$</b>	<b>\$</b>	<b>\$</b>	<b>\$</b>

**9. Long-term debt (continued)**

	<b>2020</b>	2019
	<b>\$</b>	<b>\$</b>
Loan, 7.49%, guaranteed by a motorized equipment with a net book value of \$51,761, payable by monthly instalments of \$894, including interest, maturing in 2025	<b>40,029</b>	47,554
	<b>1,015,766</b>	1,123,522
Current portion	<b>130,549</b>	133,066
	<b>885,217</b>	990,456

Capital payments due within each of the next five years are as follows:

	\$
2021	130,549
2022	130,414
2023	117,231
2024	97,896
2025	85,389

\* Under this program, an agreement has been reached by Long Point First Nation and CMCH concerning the CMCH's contributions for the major repairs of houses located on the First Nation's territory.

Should all the conditions of the agreement be met by the First Nation, the amortization of these loans will be made by remission instalments based on a straight-line method of depreciation of five years. Should the conditions not be respected by the First Nation, the outstanding balance of these loans will be repaid by the First Nation as a usual mortgage (subject of interest charges).

**10. Replacement reserve fund – Article 95**

	<b>2020</b>	2019
	<b>\$</b>	<b>\$</b>
Balance at beginning of year	<b>338,358</b>	333,481
Add: Current year addition	<b>25,090</b>	25,090
Add: Interest earned	<b>1,746</b>	1,882
Less: Withdrawal from replacement reserve	<b>(122,924)</b>	(22,095)
Balance at end of year	<b>242,270</b>	338,358

Under the terms of the agreement with CMCH, the replacement reserve fund – Article 95 is to be credited of \$25,090 (\$25,090 in 2019) annually. These funds along with accumulated interest must be held in a separate bank account and/or invested only in accounts or instruments insured by CMCH from time to time. The funds in the account may only be used as approved by CMCH. Withdrawals are credited to interest first and then capital.

	<b>27,171,607</b>	24,427,921

**13. Pension plan**

The First Nation supports the contributory defined benefit pension plan for substantially all of its employees. It is a multiemployer plan that is administered by the Native Benefits Plan. The pension for native employees is from 6.25% to 8.5% of the gross salary and the employer contributes 1.82 times the employee's contribution. For the nonnative employees, it is 4.6% of the gross salary and the employer contributes 1.82 times the employee's contribution. The expense for the year is \$217,945 (\$220,185 in 2019).

**14. Financial instruments**

*Credit facility (bank loan)*

An authorized amount of \$450,000, bearing interest at prime rate (2.45% as at March 31, 2020) plus 2.25% is available. The line of credit is renewable in August 2021 and guaranteed by a first ranking hypothec of \$450,000 on all the borrower's present and future claims and is payable on demand and fluctuates regularly. The credit facility is not used as of March 31, 2020.

#### 14. Financial instruments (continued)

##### *Fair value of financial assets and liabilities*

The fair value of cash, accounts receivable, restricted cash and deposits, accounts payable and accrued liabilities, due to ISC – Contribution projects and due to ISC – Health Branch is approximately equal to their carrying value due to their short-term maturity date.

The fair value represents approximately the amounts of the financial instruments that would be exchanged between the consenting parties, according to the current market value of instruments which the risk, capital and duration are the same. Certain estimates and decisions were required to arrive at the fair value of financial instruments which was based upon actualization and other evaluation methods which depend largely on hypothesis of estimated cash flows and the actualization rate depending on different degrees of risk.

As at March 31, 2020, the net book value of all financial instruments corresponded approximately to their fair value with the exception of the following item:

	Net book value	Fair value
	\$	\$
Long-term debt	1 015 766	1 004 046

##### *Credit risk*

The First Nation provides credit to its tenants in the normal course of its operations. It carries out, on a continuing basis, credit checks on its clients and maintains provisions for potential credit losses.

##### *Interest rate risk*

The long-term debt mainly bears interest at fixed rates. Consequently, the cash flows exposure is not significant. However, the fair value of loans having fixed rates of interest could fluctuate with changes in market interest rates. The short-term loans represent a limited exposure to interest rate risk due to their short-term maturity.

**18. Unappropriated deficit**

The unappropriated deficit as at March 31, 2020, does not take into consideration possible modifications following the review and analysis of the present financial statements by ISC, ISC – Health Branch, FNEC, FNHRDCQ and CMHC. Any adjustment resulting from these analyses will be recorded in the current year as an adjustment of funds balance. Precision: ISC applies the control and monitoring measures of its Policy Transfer Payments. In general, this policy does not allow the posting of deferred revenue. In fact, funding granted in a fiscal year must be spent in the same fiscal year and this, for every type of mode of financing, especially for "Set Contribution". Accordingly, if deferred revenue is recorded in any type of mode of financing, ISC will decide, when considering projects, if they accept or not.

**19. Subsequent event**

After year end, the First Nation purchased motorized equipments for the amount of \$435,276 from Makwa Machinery inc.

**20. Comparative figures**

Certain comparative figures have been reclassified to conform with the presentation adopted in the current year.
