Management's Responsibility for Financial Reporting

The accompanying financial statements of the Haisla Nation Council are the responsibility of management and have been approved by the Chief and another Band Councilor of the Band Council.

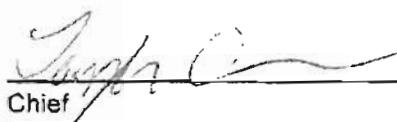

The financial statements have been prepared by management in accordance with Canadian public sector accounting standards. Financial statements are not precise since they include certain amounts based on estimates and judgments. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances, in order to ensure that the consolidated financial statements are presented fairly, in all material respects.

The Haisla Nation Council maintains systems of internal accounting and administrative controls of high quality, consistent with reasonable cost. Such systems are designed to provide reasonable assurance that the financial information is relevant, reliable and accurate and the Band's assets are appropriately accounted for and adequately safeguarded.

The Haisla Nation Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and is ultimately responsible for reviewing and approving the consolidated financial statements. Council carries out this responsibility principally through its Finance committee.

The Chief and Council review the Band's consolidated financial statements and recommend their approval. The Chief and Council meet periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review the annual report, the consolidated financial statements and the external auditors' report. The Chief and Council takes this information into consideration when approving the financial statements for issuance to the Members. The Chief and Council also appoint the engagement of the external auditors.

The consolidated financial statements have been audited by BDO Canada LLP in accordance with Canadian generally accepted auditing standards on behalf of the members. BDO Canada LLP has full access to the Band Council.

Councilor

Independent Auditor's Report

**To the Members of
Haisla Nation Council**

We have audited the accompanying consolidated financial statements of Haisla Nation Council, which comprise the consolidated statement of financial position as at March 31, 2016 and the consolidated statements of change in net financial assets, operations and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Opinion

As noted in the Summary of Significant Accounting Policies regarding tangible capital assets, the Social Housing tangible capital assets are required by Canada Mortgage and Housing Corporation to be amortized at a rate equivalent to the annual principal reduction of the related long term debt. This amortization policy is not in accordance with Canadian public sector accounting standards, which require that tangible capital assets be amortized over their estimated useful lives. The effect of this departure has not been determined on the net book value of tangible capital assets, the related amortization expense, annual surplus and equity in tangible capital assets.

Basis for Qualified Opinion (continued)

We are not able to provide an opinion on the Haisla Nation Council's Investments in Nation business entities as we were not able to obtain the scope of the information required to gain sufficient and appropriate audit evidence over the investments in Nation business entities. The scope limitation affects the investments in Nation business entities and the surplus in investments in Nation business entities.

Qualified Opinion

In our opinion, except for the possible effects of the matters described in the Basis for Qualified Opinion paragraph, the consolidated financial statements present fairly, in all material respects, the financial position of Haisla Nation Council as at March 31, 2016 and the results of its operations and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Other Matters

Haisla Nation Council has also prepared another set of consolidated financial statements for the year ended March 31, 2016 in accordance with Canadian public sector accounting standards. However, these consolidated financial statements include unaudited supplementary exhibits and schedules which present detailed program revenues and expenditures prepared to assist management of Haisla Nation Council to meet the reporting requirements of various funding agencies. In addition, these consolidated financial statements have expanded disclosures for Chief and Council. Our audit report on the other set of consolidated financial statements was issued to Chief and Council of Haisla Nation Council and was dated July 19, 2016.

Notes to Consolidated Financial Statements

March 31, 2016

1. Significant Accounting Policies

Basis of Presentation	These consolidated financial statements have been prepared in accordance with Canadian generally accepted accounting principles for government entities, as defined in the CPA Public Sector Accounting and Auditing Handbook, which encompasses the following.
Reporting Entity and Principles	<p>The Haisla Nation Council reporting entity includes the Haisla Nation Council government and all related entities which are accountable to the Haisla Nation Council and are either owned or controlled by the Haisla Nation Council.</p> <p>The financial statements consolidate the assets, liabilities and results of operations for the following entities:</p> <ul style="list-style-type: none">- Haisla Nation Council, and the following entities: Haisla Capacity Development Society, Haisla Trust Society, Haisla Business Development Corporation, Haisla (HL) Developments Ltd., Haisla Business Operations, Haisla Project GP Inc., HN Gas Export Corp, Haisla (BC) Development, and Cedar LNG Export Dev. Ltd.
	All inter-entity balances have been eliminated on consolidation, but in order to present the results of operations for each specific fund, transactions amongst funds have not been necessarily eliminated on the individual schedules.
	Incorporated business entities, which are owned or controlled by the Haisla Nation Council and which are not dependent on the band for their continuing operations, are included in the summary financial statements using the modified equity method. These include: Haisla Forestry Ltd. and the Kitimat Valley Institute Corporation.
Financial Instruments	Unless otherwise noted, it is management's opinion that the Band is not exposed to significant interest, currency or credit risks arising from its financial instruments.
Cash and Cash Equivalents	Cash and cash equivalents consist of cash on hand, bank balances and bank overdrafts with maturities of three months or less.

Use of Estimates

The preparation of financial statements in accordance with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from management's best estimates as additional information becomes available in the future. Significant estimates included in these consolidated financial statements include the valuation of accounts receivable, accuracy of accounts payable and accrued liabilities, and calculation of deferred revenue.

Temporary Investments

Temporary investments are recorded at cost. If there is a decline in the value of temporary investments that is other than temporary, the temporary investments are written down to fair value.

Tangible Capital Assets

Property, equipment and infrastructure expenses are valued at acquisition cost and recorded in the Capital Fund.

The acquisition costs of tangible capital assets and payments on capital debt, which are not funded from capital financing sources, are charged to operations and matched with the applicable revenue source in the year of expenditure. These expenses are also recorded as an addition to the assets of the Capital Fund with a corresponding increase in Equity in Capital Assets.

Tangible capital assets acquired as part of the Social Housing Fund are recorded in that fund.

Amortization

Tangible capital assets recorded are amortized annually with a corresponding reduction in Equity in Capital Assets. Assets are amortized over their expected useful lives on a declining balance basis at the following rates:

Automotive equipment	30%
Band owned houses	5%
Buildings	5%
Construction equipment	20%
Infrastructure	2%
Office and furniture equipment	20-30%

In the year of acquisition, 50% of the normal amortization is recorded.

Social Housing Fund assets acquired under CMHC subsidized housing programs are amortized at a rate equivalent to the annual principal reduction in related long-term debt, as required for CMHC reporting purposes.

Haisla Nation Council

Notes to Consolidated Financial Statements

Revenue Recognition

Revenue is recognized as it becomes receivable under the terms of applicable funding agreements. Funding received under the funding arrangements, which relates to a subsequent fiscal period, is reflected as deferred revenue in the year of receipt and classified as such on the consolidated statement of financial position.

Rental revenue is recognized when a tenant commences occupancy and rent is due. Haisla Nation Council retains all benefits and risks of ownership of its property and, therefore, accounts for leases with its tenants as operating leases.

All other revenue is recognized in the period in which the events that give rise to the revenue occurs.

Deferred Treaty Negotiation Costs

Deferred Treaty Negotiation costs consist of all costs incurred during treaty negotiations between Haisla Nation Council and the Governments of Canada and British Columbia less any grants and interest earned. Deferred Treaty Negotiation costs will be deferred until the earlier of signing of a treaty between the parties, the twelfth anniversary of the original loan, or the seventh anniversary after signing an agreement in principle.

Ottawa Trust Funds

Haisla Nation Council uses the accrual method of accounting for Ottawa Trust Fund revenues earned in the Fund. Trust monies are recognized as revenue of the band upon withdrawal from the Ottawa Trust Fund.

Rents Receivable

Canada Mortgage and Housing Corporation (CMHC) does not allow or recognize bad debts recorded in the financial statements of Social Housing and will not subsidize rental arrears.

Government Transfers

Government transfers, which include legislative grants, are recognized in the financial statements in the period in which events giving rise to the transfer occur, providing the transfers are authorized, any eligibility criteria have been met, and reasonable estimates of the amount can be made.

Deferred Revenue

Funds received for specific purposes which are externally restricted by legislation, regulation or agreement and are not available for general purposes are accounted for as deferred revenue on the statement of financial position. The revenue is recognized in the statement of operations in the year in which it is used for the specified purposes.

Haisla Nation Council

Notes to Consolidated Financial Statements

March 31, 2016

Impairment of Long-lived

Assets

In the event that facts and circumstances indicate that Haisla Nation Council's assets may be impaired, an evaluation of recoverability would be performed. Such an evaluation entails comparing the estimated future undiscounted cash flows associated with the asset to the asset's carrying amount to determine if a write-down to market value or discounted cash flow value is required.

Leased Assets

Leases entered into that transfer substantially all of the benefits and risks associated with ownership are recorded as the acquisition of a tangible capital asset and the incurrence of an obligation. The asset is amortized in a manner consistent with the tangible capital assets owned by the Band, and the obligation, including interest thereon, is liquidated over the term of the lease. All other leases are accounted for as operating leases, and the rental costs are expensed as incurred.

The Ottawa trust accounts arise from monies derived from capital or revenue sources as outlined in Section 62 of the *Indian Act*. These funds are held in trust in the Consolidated Revenue Fund of the Government of Canada and are subject to audit by the Office of the Auditor General of Canada. These funds are restricted in their use. The Band is permitted to use its revenue for any purpose that will promote the general progress and welfare of the Band and Band members. The expenditures of capital funds requires the consent of Aboriginal Affairs and Northern Development Canada and generally must be for projects of a capital nature. Withdrawals of revenue or capital funds are recorded as revenue in the applicable fund where the monies are expended.

In order to provide for replacement of major capital items, the terms of the operating agreements between Haisla Nation Council and CMHC provide that a replacement reserve fund be established by annual charges to operations in amount prescribed by the agreements. Under these agreements, Haisla Nation Council is required to segregate annual transfers to reserve funds and interest earned on these funds from other cash. As at March 31, 2016, the replacement reserve and subsidy surplus reserve was overfunded by \$59,656 (2015 - \$(273,247)).

15. Replacement Reserve

Under the terms of the agreement with Canada Mortgage and Housing Corporation, the Replacement Reserve account is to be credited annually. These funds along with accumulating interest are to be held in a separate bank account. The funds in this account may only be used as approved by Canada and Mortgage and Housing Corporation. Withdrawals are credited to interest first and then principal.

The Band is in compliance with the term of its agreement with CMHC requiring Replacement Reserve funds to be held in a separate bank account. As at March 31, 2016, the Replacement Reserve was overfunded by \$59,656 (2015 - underfunded by \$(273,246)).

16. Commitments and Contingent Liabilities

The council has guaranteed loans for Band members for the year ended March 31, 2016 in the amount of \$172,923 (2015 - \$204,987). These loans are in addition to the Canada Mortgage and Housing loans for Social Housing that are reflected as liabilities in these consolidated financial statements.

17. Employee Benefits

The Group has a defined contribution plan providing pension benefits to certain of its employees. The pension cost charge represents contributions payable by the Group to the plans and amount to \$184,691 (2015 - \$145,938).
