## Management's Responsibility for the Consolidated Financial Statements

---

The accompanying consolidated financial statements of Tahltan Indian Band are the responsibility of management and have been approved by the Chief and one additional Band Councilor on behalf of the Band Council.

These consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board. Management is responsible for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

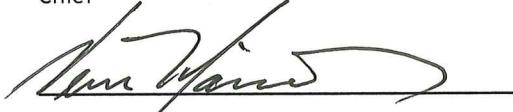

The Chief and Council of Tahltan Indian Band are responsible for ensuring that management fulfills its responsibilities for financial reporting and is ultimately responsible for reviewing and approving the consolidated financial statements.

The external auditors, BDO Canada LLP, conducted an audit in accordance with Canadian generally accepted auditing standards, and express their qualified opinion on the consolidated financial statements dated July 17, 2018. The external auditors were given complete access to financial management of Tahltan Indian Band and met with Council when required.

## Independent Auditor's Report

---

**To the Chief and Council of  
Tahltan Indian Band**

We have audited the accompanying consolidated financial statements of Tahltan Indian Band (the "Band"), which comprise the consolidated statement of financial position as at March 31, 2018, and the consolidated statements of operations, changes in net financial assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

**Management's Responsibility for the Consolidated Financial Statements**

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Band's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Band's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

**Basis for Qualified Opinion**

The Band should account for its long-term investments in Stikine River Song Cafe and General Store Ltd. and Tahltan Centre Ltd., as described in Note 4, on a consolidated basis because the entities are not financially self sufficient. The Band has recorded these entities as government business enterprises and accounted for them using the modified equity method. This constitutes a departure from Canadian public sector accounting standards. In addition, because the Band does not have audited financial information for these long-term investments, we were unable to determine the impact of this departure on the revenue, expenditures and annual surplus of the Band for the years ended March 31, 2018 and 2017, assets and liabilities as at March 31, 2018 and 2017, and accumulated surplus as at April 1 and March 31 for both the 2018 and 2017 years. Our audit opinion for the year ended March 31, 2017 was modified accordingly because of this departure from Canadian public sector accounting standards and this limitation of scope with respect to these investments.

---

## Independent Auditor's Report (continued)

---

The Band has a 33.3% ownership in the Tahltan Nation Development Limited Partnership. As a result, the modified equity method must be used to record the Band's interest in the partnership. The Band has not received updated financial information with respect to this investment for the year ended March 31, 2018. Accordingly, no income from the investment has been included in these consolidated financial statements for the year ended March 31, 2018. This constitutes a departure from Canadian public sector accounting standards. Because the Band does not have current financial information, we were unable to determine the impact of this departure on the revenue and annual surplus for the years ended March 31, 2018 and 2017, the investment in Tahltan Nation Development Limited Partnership as at March 31, 2018, and accumulated surplus as at March 31, 2018. In addition, due to the lack of access to the accounting records, we were unable to determine whether any adjustments may be necessary to the investment in the partnership as at March 31, 2017, revenue and annual surplus for the year ended March 31, 2017, and accumulated surplus as at March 31, 2017. Our audit opinion for the year ended March 31, 2017 was modified accordingly because of the possible effects of this limitation in scope.

The Band is a 33.3% beneficiary of the Tahltan Heritage Trust. The Trust assets arise from monies received from various resource developers that undertake commercial activities using natural resources in the Tahltan traditional territory. As a beneficiary of the Trust, the Band is required to record its share of income when allocated. Due to the lack of access to the accounting records of the Trust, we were unable to determine whether any adjustments may be necessary to the investment in the Trust as at March 31, 2018 and 2017, revenue and annual surplus for the years ended March 31, 2018 and 2017, and accumulated surplus as at April 1 and March 31 for both the 2018 and 2017 years. Our audit opinion for the year ended March 31, 2017 was modified accordingly because of the possible effects of this limitation in scope.

As disclosed in Note 4 to the consolidated financial statements, the Band has not recorded any amounts related to its former investment in Tahltan Nation Community Development Corporation. Due to the lack of access to the accounting records of Tahltan Nation Community Development Corporation at the time of dissolution, we were unable to determine whether any adjustments may be necessary resulting from the dissolution of the investment as at March 31, 2018 and 2017, revenue and annual surplus for the years ended March 31, 2018 and 2017, and accumulated surplus at April 1 and March 31 for both the 2018 and 2017 years.

The Band has commenced to prepare a tangible capital asset schedule in accordance with Canadian public sector accounting standards for governments. As the listing is incomplete, we were unable to determine whether any adjustments may be necessary to the net book value of the tangible capital assets, related amortization expenditure and annual surplus.

As noted in the summary of significant accounting policies regarding tangible capital assets and amortization, the Social Housing tangible capital assets are required by Canada Mortgage and Housing Corporation to be amortized at a rate equivalent to the annual principal reduction of the related long-term debt. This amortization policy is not in accordance with Canadian public sector accounting standards, which require that tangible capital assets be amortized over their estimated useful lives. The effect of this departure has not been determined on the net book value of the tangible capital assets, related amortization expenditure and annual surplus.

### Qualified Opinion

In our opinion, except for the effects of the matters described in the Basis for Qualified Opinion paragraphs, the consolidated financial statements present fairly, in all material respects, the financial position of Tahltan Indian Band as at March 31, 2018 and the results of its operations, changes in net financial assets, and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

## Notes to Consolidated Financial Statements

March 31, 2018

---

### 1. Summary of Significant Accounting Policies

#### Nature of Business

Tahltan Indian Band (the "Band") provides services such as government, public works, social development, community health, advanced education, economic development, land and resources, housing and community schooling.

The Band is exempt from income tax under Section 87 of the Indian Act.

#### Basis of Accounting

These consolidated financial statements ("financial statements") have been prepared in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada.

#### Reporting Entity

The Band's reporting entity includes Tahltan Indian Band government and all related entities that are owned by the Band, as well as the government components described below:

<u>Government Business Enterprises</u>	<u>% ownership</u>
- Stikine River Song Cafe and General Store Ltd.	100%
- Tahltan Centre Ltd.	100%
- Tahltan Touring Company (inactive)	100%

<u>Government Business Partnerships</u>	<u>% ownership</u>
- Tahltan Nation Development Corporation	33.3%
- Tahltan Nation Development Limited Partnership	33.3%

The government business enterprises and government business partnerships are accounted for using the modified equity method. Under this method of accounting, only the Band's investment in the government business enterprises and the Band's portion of the enterprises accumulated net income or loss and other changes in equity are recorded. Operating losses are recorded until the investment in the enterprise is reduced to nil. No adjustment is made for accounting policies of the enterprises that are different from those of the Band and inter-organizational balances and transactions are not eliminated.

#### Principles of Consolidation

All controlled entities are fully consolidated on a line-by-line basis except for the commercial enterprises and partnerships described above, which meet the definition of government business enterprises, which are included in the financial statements using the modified equity method. Inter-organizational balances and transactions are eliminated upon consolidation.

Canada Mortgage and Housing Corporation ("CMHC") Social Housing is consolidated in the Band's financial statements. This program is a government component.

Effective April 1, 2015, the Band was given control over Tahltan Health and Social Services Authority ("THSSA") and THSSA is consolidated in the Band's financial statements. This program is a government component.

Tahltan Band Development Corporation ("TBDC") is a government organization that is owned 100% by the Band. TBDC owns 100% of Tahltan Centre Ltd. and Stikine River Song Cafe and General Store Ltd., which were transferred from the Band during 2017.

### 1. Summary of Significant Accounting Policies (continued)

<b>Asset Classification</b>	Assets are classified as either financial or non-financial. Financial assets are assets that could be used to discharge existing liabilities or finance future operations. Non-financial assets are acquired, constructed or developed assets that do not provide resources to discharge existing liabilities but are employed to deliver government services, may be consumed in normal operations and are not for resale. Non-financial assets include tangible capital assets.
<b>Cash</b>	Cash includes cash on hand, balances with banks and bank indebtedness. Cash subject to restrictions held in segregated bank accounts that prevent its use for current purposes is included in restricted cash and temporary investments.
<b>Restricted Temporary Investments</b>	Restricted temporary investments include guaranteed investment certificates ("GICs") maturing November 2018 and December 2018. These investments are recorded at cost. Detail of the restrictions are described in Note 2.
<b>Long-term Investments</b>	Long-term investments are in corporate entities and limited partnerships owned, controlled or significantly influenced by the Band.
<b>Leases</b>	Leases entered into, that transfer substantially all the benefits and risks associated with ownership, are recorded as the acquisition of a tangible capital asset and the incurrence of an obligation. The asset is amortized in a manner consistent with tangible capital assets owned by the Band, and the obligation, including interest thereon, is liquidated over the term of the lease.
<b>Use of Estimates</b>	The preparation of financial statements in accordance with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenditures during the reporting period. Actual results could differ from management's best estimates as additional information becomes available in the future.
<b>Tangible Capital Assets</b>	Tangible capital assets are recorded at cost less accumulated amortization. Cost includes all costs directly attributable to acquisition or construction of the tangible capital assets including transportation costs, installation costs, design and engineering fees, legal fees and site preparation costs. Contributed tangible capital assets are recorded at fair value at the time of the donation, with a corresponding amount recorded as revenue. Amortization is recorded on a declining balance basis over the estimated useful life of the tangible capital asset, commencing once the asset is available for productive use as follows:
	Automotive equipment 30%
	Buildings 4%
	Furniture and fixtures 20%
	Computer equipment 45%-100%
	Infrastructure 5%
	Equipment under lease 30%

### 1. Summary of Significant Accounting Policies (continued)

#### **Tangible Capital**

**Assets (continued)** Leasehold improvements are amortized on a straight-line basis over 25 years.

In the year of acquisition, 50% of the annual amortization is expensed.

Amortization is provided on buildings purchased with loans insured by CMHC at a rate equal to the annual principal reduction of the mortgage.

Tangible capital assets under construction, development or that have been removed from service are not amortized until they are available to be put into service.

#### **Solid Waste Landfills**

The estimated costs to close and maintain the closed solid waste landfill sites are based on estimated future expenditures in current dollars, discounted, adjusted for estimated inflation, and are recognized and charged to expenditures as the landfill site's capacity is used.

The waste station is currently under construction and no capacity has been utilized in the current year.

#### **Government Transfers**

Government funding and transfers are recognized as revenue in the financial statements when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

#### **Budget Figures**

The budget figures are approved annually by the Chief and Council. They have been reallocated to conform to Canadian public sector accounting standards' financial statement presentation. Subsequent amendments have been made by the Chief and Council to reflect changes in the budget as required.

#### **Revenue Recognition**

Rental revenue is recognized on a straight line basis as it becomes receivable under the terms of the rental agreement.

All other revenue is recognized as it is earned and collection is reasonably assured.

#### **Segmented Disclosure**

The Band provides a range of services to its members. For each reporting segment, revenue and expenditures represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. The accounting policies used in these segments are consistent with those followed in the preparation of the financial statements.

#### **Trust Assets**

Trust assets represent amounts held by third-party's on behalf of the Band. Trust assets are recorded at market value and any investment income is recognized when earned.

CMHC Northern Savings - GIC	<u>71,155</u>	<u>70,380</u>
	<b>\$ 72,455</b>	<b>\$ 71,669</b>

Funds held in temporary investments represent those monies that the Band has committed for expenditures for future capital and economic development projects. The Royal Bank of Canada ("RBC") GIC is invested for a one year term at a rate of 0.9% per annum, maturing November 2018. The CMHC Northern Savings GIC is invested for a three year term at a rate of 2.4% per annum, maturing December 2018.

##### Restricted Cash

Under the terms of the agreements with CMHC, the replacement reserve is to be credited in the amount of \$4,000 annually plus interest. These funds along with accumulated interest must be held in separate bank accounts and/or invested only in accounts or instruments insured by the Canada Deposit Insurance Corporation or as may otherwise be approved by CMHC from time to time. The Band retains these CMHC reserve funds in a term deposit held at Northern Savings Credit Union. The funds in this account may only be used as approved by CMHC. Withdrawals are credited to interest first and then principal.

### 4. Long-term Investments

The Band has long-term investments in the following government business enterprises and government business partnerships which are accounted for using the modified equity method.

#### **Tahltan Nation Development Limited Partnership ("TNDLP")**

The limited partnership has entered into a number of joint venture agreements which has resulted in a wide range of support and construction services being provided to industry and government. The Band owns 33.3% of TNDLP.

#### **Tahltan Nation Development Corporation ("TNDC")**

Tahltan Nation Development Corporation is a general partner of Tahltan Nation Development Limited Partnership. The only asset the entity owns is its partnership equity in Tahltan Nation Development Limited Partnership.

#### **Tahltan Centre Ltd. ("TCL") - Subsidiary of TBDC**

Tahltan Centre Ltd. operates a grocery store and gas bar in Telegraph Creek, British Columbia and employs four to six members of the Tahltan First Nation on a regular basis. The Band owns 100% of TBDC, which owns 100% of TCL.

#### **Stikine River Song Cafe and General Store Ltd. ("Stikine") - Subsidiary of TBDC**

Stikine River Song Cafe and General Store Ltd. operates a seasonal motel and restaurant in Telegraph Creek, British Columbia and employs two to four members of the Band on a regular basis. The Band owns 100% of TBDC, which owns 100% of Stikine.

#### **Tahltan Nation Community Development Corporation ("TNCDC")**

The Band formerly had a 33.33% investment in Tahltan Nation Community Development Corporation. On January 18, 2016, TNCDC was dissolved. Management has not obtained any information related to the dissolution of TNCDC or determined if it has any impact on the amounts recorded in the consolidated financial statements, which at March 31, 2018 was \$nil (2017 - \$nil).

	<b>\$ 2,484,221</b>	<b>\$ 1,055,691</b>	<b>\$ -</b>	<b>\$ 3,539,912</b>

The Ottawa Trust Funds relate to capital or revenue sources outlined in Section 62 of the Indian Act. These funds are held in trust in the consolidated revenue fund of the Government of Canada and are subject to audit by the office of the Auditor General of Canada. The management of these funds is primarily governed by Sections 63 to 69 of the Indian Act. The revenue and capital trust funds are accessible by the Band for specified purposes.

The Band is a 33.3% beneficiary of the Tahltan Heritage Trust. The Tahltan Heritage Trust is comprised of monies received from resource developers that undertake commercial activities, primarily using natural resources, in the Tahltan Nation's traditional territory. The management of these funds are primarily governed by the Tahltan Nation leadership.

### 7. Bank Indebtedness

The Band has a \$100,000 line of credit from RBC approved under a Band Council Resolution. Interest is charged at prime plus 0.8% per annum and the terms stipulate that funds must be drawn and repaid in \$5,000 increments. As at year end, the line of credit was not in use (2017 - not in use).

## Tahltan Indian Band Notes to Consolidated Financial Statements

**March 31, 2018**

---

### **12. Other Non-financial Assets**

On December 15, 2015, the Band acquired ownership of the assets of a gas station that is located on the reserve at Dease Lake. There were no operations during the March 31, 2018 and 2017 years and extensive construction will be required before the gas station will be operational. In exchange for consideration of \$100,000, the Band received the rights to the land, a maintenance garage, a gas bar including self-contained fuel storage units, pumps and product dispensers, a retail complex and some minor equipment.

---

### **13. Economic Dependence**

The Band receives a major portion of its revenue from INAC and FNHA. The nature and extent of this revenue is of such significance that the Band is economically dependent on this source of revenue. During the year, the Band received 44% of its revenue from INAC (2017 - 40%) and 18% from FNHA (2017 - 27%).

---

### **14. Comparative Figures**

The comparative figures presented in the financial statements have been reclassified, where necessary, to conform to the current year's presentation.

---

### **15. Pension Plan**

The Band has a defined contribution pension plan for certain specific identified members of its staff. Members are required to contribute a minimum of 5% of their salary and the Band also contributes 5% of the member's salary, contributions are directed to the member's contribution account. The amount of retirement benefit to be received by the members will be the amount of retirement annuity that can be purchased based on the member's share of the pension plan at the time of the member's withdrawal from the plan. During the year, the Band contributed \$87,795 (2017 - \$93,884) for retirement benefits.

---

### **16. Financial Instruments**

#### Credit risk

Credit risk refers to the risk that a counterparty may default on its contractual obligations resulting in a financial loss. The Band has a history of dealing with its funding agencies and customer base and does not believe it is exposed to an unusual level of credit risk with respect to its account receivable. A portion of accounts receivable that is determined to be unlikely to be recovered has been recorded as an allowance for doubtful accounts (Note 3).

The Band maintains all of its cash and deposits with two federally regulated Canadian financial institutions and, thus, has not experienced any change in risk exposure.

#### Interest rate risk

Interest rate risk refers to the risk that the fair value or future cash flows of a financial instrument will fluctuate due to changes in market interest rates. The Band is exposed to interest rate risk on its fixed and floating interest rate financial instruments. Fixed-interest instruments subject the Band to a fair value risk while the floating rate instruments subject it to a cash flow risk. There have not been any changes in the risk from the prior year.

#### Liquidity risk

Liquidity risk is the risk that the Band will not be able to meet its financial obligations as they come due. The Band has a planning and budgeting process in place to help determine the funds required to support the normal operating requirements of the Band on an ongoing basis. The Band ensures that there are sufficient funds to meet its short-term requirements, taking into account its anticipated cash flows and its holdings of cash and cash equivalents.

### 17. Budget

Canadian public sector accounting standards require that the Band's budget be presented in the financial statements. A budget has been prepared by management and presented in these financial statements and the Chief and Council have formally approved it. The budget prepared by management only addressed operating items and therefore no budget has been presented on the consolidated statement of changes in net financial assets.

### 20. Segmented Information

The Band provides a wide range of services to its members including social, education, health, housing, public works and economic activities. For management reporting purposes, the Band's operations and activities are organized and reported by fund. Funds were created for the purpose of recording specific activities to attain certain objectives with special regulations, restrictions or limitations. Services are provided by programs and their activities are reported in these funds. Certain programs have been separately disclosed in the segmented information, along with the services they provide and are detailed in the Schedule of Segmented Financial Activities.

#### Health

This program covers the funding and expenditures of the Band related to funding received to operate the health program.

#### Economic Development

This program provides the Band with a range of different revenue streams and sources of employment including tourism, the post office, equipment operations and community economic development.

#### Education

This program provides services to eligible First Nation students enrolled in elementary/secondary education programs and eligible post-secondary education programs.

#### Government Development and Administration

This program covers the funding and expenditures of the Band related to administration, fisheries, employee benefits and emergency benefits.

### **20. Segmented Information (continued)**

The Department of Fisheries and Oceans Canada programs were moved to this segment in 2018. In 2017, these programs were reported in the Economic Development segment. Management has reviewed the programs and determined the programs are not related to development of revenue streams but relate to fulfilling environmental obligations and administration of the water resources in the Band's territory. The comparative information for 2017 has been amended to reflect this change.

#### **Stikine Wholistic Working Group ("SWWG")**

This program provides health programs and social services under an agreement with First Nations Health Authority.

#### **Housing**

This program provides on-reserve housing to eligible members under the CMHC housing programs for First Nations.

#### **Public Works Operations and Maintenance**

This program is responsible for the construction and maintenance of public spaces within the community.

#### **Social and Community Services**

This program provides for the delivery of social and community services related to special needs, adult care, national child benefits and prevention services among others.

#### **Capital Development**

This program provides for development of capital projects including the store renovation, the development of land and the ACRS project.

#### **Trusts**

This program contains the trust investments as described in Note 6.

#### **Emergency Shelter**

This program operates the Three Sisters Haven House emergency shelter.

This program was moved from the Social and Community Services segment in 2018. Management has determined that this should be a separate segment. The comparative information for 2017 has been amended to reflect this change.
