MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

The financial statements of Adams Lake Indian Band have been prepared in accordance with Canadian public sector accounting standards. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances. These statements include certain amounts based on management's estimates and judgements. Management has determined such amounts based on a reasonable basis in order to ensure that the financial statements are presented fairly in all material respects.

The Band maintains systems of internal accounting and administrative controls of high quality, consistent with reasonable cost. Such systems are designed to provide reasonable assurance that the financial information is relevant, reliable and accurate and the Band's assets are appropriately accounted for and adequately safeguarded.

The Band Council is responsible for ensuring that management fulfils its responsibility for financial reporting and is ultimately responsible for reviewing and approving the financial statements. The Council carries out this responsibility periodically through its Finance Committee. The Finance Committee is appointed by the Council and meets periodically with management and the members' auditors to review significant accounting, reporting and internal control matters. Following its review of the financial statements and discussions with the auditors, the Finance Committee reports to Council prior to its approval of the financial statements. The Committee also considers, for review by the Council and approval by the members, the engagement or re-appointment of the external auditors.

The financial statements have been audited on behalf of the members by Daley & Company CPA LLP in accordance with Canadian generally accepted auditing standards.

INDEPENDENT AUDITORS' REPORT

To the Members,
ADAMS LAKE INDIAN BAND

EXHIBIT A1

Report on the Financial Statements

We have audited the accompanying financial statements of ADAMS LAKE INDIAN BAND, which comprise the consolidated statement of financial position as at March 31, 2018, and the consolidated statement of accumulated surplus, consolidated statement of operations, consolidated statement of changes in net financial assets and consolidated statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatements, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of ADAMS LAKE INDIAN BAND as at March 31, 2018, and its financial performance and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Other Matters

Our audit was conducted for the purpose of forming an opinion on the financial statements taken as a whole. The current year's supplementary information included in Exhibits B1 to B3, C1 to C2, D1 to D2 and schedules 1 to 54 are presented for the purposes of additional analysis and are not a required part of the financial statements. Such supplementary information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

These consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting standards. The significant accounting policies are summarized as follows:

a) Fund Accounting:

The Adams Lake Indian Band uses fund accounting procedures which result in a self-balancing set of accounts for each fund established by legal, contractual or voluntary actions. - The Capital Fund which reports the property and equipment of the First Nation, together with their related
- The Social Housing Funds Pre-1997 and Post-1996 which reports the social housing assets of the First Nation, together with related activities.

b) Reporting Entity and Principles of Financial Reporting:

The Adams Lake Indian Band reporting entity includes the Adams Lake Indian Band government and all related entities which are accountable to the First Nation and are either owned or controlled by the First Nation.

These financial statements consolidate the assets, liabilities and results of operations for the following entities which use accounting principles which lend themselves to consolidation:

- Adams Lake Indian Band Operating Fund
- Adams Lake Indian Band Trust Fund
- Adams Lake Indian Band Capital Fund
- Adams Lake Indian Band Social Housing Fund - Pre-1997 Program

Incorporated business entities, which are owned or controlled by the Adams Lake Indian Band and which are dependent on the First Nation for their continuing operations, are consolidated in the consolidated financial statements. These include:

- Adams Lake Development Corporation

ADAMS LAKE BAND
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
March 31, 2018

NOTE A1. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES (continued):

Non-financial Assets:

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations. The change in non-financial assets during the year, together with the excess of revenues over expenses, provides the Change in Net Financial Assets for the year.

a) Tangible Capital Assets:

Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets are amortized on a straight-line basis over their estimated useful lives as follows:

Major Asset Category:

Buildings	20 to 70 years
Water systems	50 to 80 years
Roads	10 to 75 years
Automotive equipment	10 years
Computer equipment	5 years
Sewer systems	80 years
Furniture and equipment	5 years

Assets under construction are not amortized until the asset is available for productive use.

The Band reviews the useful lives and the carrying values of its tangible capital assets at least annually or more frequently if events or changes in circumstances indicate that the assets might be impaired, by reference to the assets' contribution to the Band's ability to provide services. When assets no longer have any long-term service potential to the Band, the assets are considered to be impaired. An impairment loss is measured at the amount by which the carrying amount of the assets exceeds their fair value, which is estimated as the expected service potential of the assets.

The Band's policies regarding the thresholds for capitalization of assets are as follows:

- buildings and infrastructure that exceed \$10,000,
- vehicles, equipment and furniture and fixtures that exceed \$3,000 and,
- computers and other data processing equipment that exceed \$2,000.

These policies are applied on an individual item basis.

The Band's interest in reserve lands is not reflected in these financial statements, as no consideration was paid by the Band to acquire these lands.

b) Contributions of Tangible Capital Assets:

Tangible capital assets received as contributions are recorded at their fair value at the date of receipt.

c) Leases:

Leases are classified as capital or operating leases. Leases which transfer substantially all of the benefits and risks incidental to ownership of property are accounted for as capital leases. All other leases are accounted for as operating leases and the related lease payments are charged to expenses as incurred.

d) Marketable Securities:

Marketable securities are recorded at the lower of cost and fair market value.

ADAMS LAKE BAND
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
March 31, 2018

NOTE A1. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES (continued):

e) Property Held for Resale:

Property held for resale includes developed homes and lease lots available for sale and/or lease and are recorded at the lower of cost and net realizable value. Cost consists of all costs of purchase, costs of conversion and other costs incurred in bringing the property held for resale to its present location and condition.

f) Investments:

Investments in non-controlled entities and not subject to significant influence are recorded at cost.

g) Accrual Method:

The Band utilizes accrual accounting.

h) Deferred Revenue:

Revenue is recorded in the period to which it relates.

i) Deferred Lease Costs:

Deferred lease costs represent the portion of leased property development costs directly related to property transferred under prepaid and monthly leases. Deferred costs are expensed proportionately over the term of the lease.

j) Revenue Recognition:

The Adams Lake Indian Band derives revenues from a number of sources. Amounts received from Indigenous and Northern Affairs Canada (INAC) are reported in accordance with the terms of the funding arrangement. Amounts specified as set contributions are reported as revenue as program terms and conditions are met and delivered. Any resulting surpluses are repayable to INAC and any deficits incurred are refundable by INAC. Amounts specified as fixed contributions are recognized as revenue as program terms and conditions are met and delivered. Any resulting surpluses may be retained by the Band provided delivery of the program is complete at March 31. Any resulting deficits are the responsibility of the Band. Amounts specified as flexible are reported as revenue as program terms and conditions are met and delivered and project expenditures have been made. Any unspent funds at the end of the project are repayable to INAC. Grants received from INAC are unconditional and are reported as revenue when received or receivable and collection is reasonably assured. Amounts received under block funding arrangements are reported as revenue when received or receivable and collection is reasonably assured.

Amounts received from other government departments, both federal and provincial, are reported as revenue in accordance with the terms of the contract or agreement.

Own source revenues derived from such sources as housing rents, resource based revenues, interest income, property taxes and leases etc. are reported when received or receivable and collection is reasonably assured.

Home sales revenue is recognized when title passes to the purchaser.

Prepaid sublease revenue is recognized when title passes to the purchaser. Deferred sublease revenue is recognized in accordance with the terms of the sublease. The payment schedule is noted in Note A19.

Timber processing revenue is recognized on a completed-project basis.

k) Silviculture Liability:

Silviculture liability is charged to earnings on the basis of the volume of timber cut. The estimate is based on various judgements and assumptions. Both the provision and reliability of such estimates are subject to uncertainties and, as additional information becomes known, these estimates are subject to change. Actual silviculture expenditures are recorded as a reduction of silviculture liability in the year they are paid.

l) Replacement Reserve:

The Replacement Reserve is funded by an annual charge against earnings as opposed to an appropriation of surplus.

ADAMS LAKE BAND
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
March 31, 2018

NOTE A1. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES (continued):

m) Operating Reserve:

The Operating Reserve account is funded by an allocation of the excess or shortfall of annual minimum revenue contribution and CMHC subsidies over current eligible expenditures.

n) Uses of Estimates:

The preparation of financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amount of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting periods. By their nature, these estimates are subject to measurement uncertainty and the effect on the financial statements of changes in such estimates in future periods could be significant.

NOTE A2. FINANCIAL INSTRUMENTS:

Fair Value of Financial Assets and Financial Liabilities:

The carrying values of cash (including internally and externally restricted amounts), marketable securities, grants and accounts receivable, accounts payable and accrued liabilities and demand loans approximate their fair value due to the relatively short periods to maturity of these items or because they are receivable or payable on demand.

The carrying value of mortgages payable approximates its fair value as the terms and conditions of the borrowing arrangements are comparable to current market terms and conditions for similar items.

It is not practicable to determine the fair value of investments due to the limited amount of comparable market information available.

Credit Risk:

The Band is exposed to a credit risk by its customers. However, because the majority of revenues is from government agencies, credit risk concentration is reduced to the minimum.

Interest Rate Risk:

Demand loans have both fixed and variable interest rates based on the bank's prime rate, therefore the interest expense will vary with changes in the bank's prime rate. Mortgages payable has fixed rates; therefore interest expense will decrease with principal repayment of the mortgage and interest risk is reduced to the minimum.
