Management's Responsibility for Financial Reporting

The accompanying consolidated financial statements of the Bonaparte First Nation are the responsibility of management and have been approved by the Chief and Council.

The consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting standards. Financial statements are not precise since they include certain amounts based on estimates and judgments. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances, in order to ensure that the financial statements are presented fairly, in all material respects.

The Bonaparte First Nation maintains systems of internal accounting and administrative controls of sufficient quality, consistent with reasonable cost. Such systems are designed to provide reasonable assurance that the financial information is relevant, reliable and accurate and the First Nation's assets are appropriately accounted for and adequately safeguarded.

The Bonaparte First Nation Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and is ultimately responsible for reviewing and approving the consolidated financial statements. Council carries out this responsibility principally through its Finance Committee.

The Chief and Council review the First Nation's consolidated financial statements and recommend their approval. The Chief and Council meet periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review the annual report, the consolidated financial statements and the external auditors' report. The Chief and Council takes this information into consideration when approving the consolidated financial statements for issuance to the Members. The Chief and Council also appoint the engagement of the external auditors.

The consolidated financial statements have been audited by BDO Canada LLP in accordance with Canadian generally accepted auditing standards on behalf of the members. BDO Canada LLP has full access to the Council.

Chief

Band Administrator

Independent Auditor's Report

To the Chief and Council of Bonaparte First Nation

Qualified Opinion

We have audited the consolidated financial statements of Bonaparte First Nation (the First Nation), which comprise the consolidated statement of financial position as at March 31, 2021, and the consolidated statement of operations, consolidated statement of changes in net financial assets and consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, except for the effects of the matters described in the Basis for Qualified Opinion paragraph, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of Bonaparte First Nation as at March 31, 2021, and its consolidated results of operations, its change in consolidated net financial assets, and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Qualified Opinion

As noted in the Summary of Significant Accounting Policies regarding tangible capital assets, the Social Housing tangible capital assets are required by Canada Mortgage and Housing Corporation to be amortized at a rate equivalent to the annual principal reduction of the related long term debt. This amortization policy is not in accordance with Canadian public sector accounting standards, which require that tangible capital assets be amortized over their estimated useful lives. The effect of this departure has not been determined on the net book value of tangible capital assets as at March 31, 2021 and 2020, the related amortization expense and annual surplus for the year ended March 31, 2021 and 2020 and equity in tangible capital assets as at April 1 and March 31 for both the 2021 and 2020 years. Our audit opinion on the financial statements for the year ended March 31, 2021 was also modified for the above matters.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the First Nation in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the First Nation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the First Nation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the First Nation's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the First Nation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the First Nation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the First Nation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the First Nation to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Bonaparte First Nation **Summary of Significant Accounting Policies**

March 31, 2021

Basis of Accounting	These consolidated financial statements have been prepared in accordance with Canadian public sector accounting standards for government entities, as issued by the Canadian Public Sector Accounting Board of the Chartered Professional Accountants of Canada.
Reporting Entity and Principles of Financial Reporting	<p>The Bonaparte First Nation reporting entity includes the Bonaparte First Nation government and all related entities which are accountable to the Bonaparte First Nation and are either owned or controlled by the Bonaparte First Nation.</p> <p>Inter-entity balances have been eliminated on consolidation.</p> <p>Incorporated business entities, which are owned or controlled by the Bonaparte First Nation and which are not dependent on the First Nation for their continuing operations, are included in the summary financial statements using the modified equity method. These include: 1049280 BC Ltd. and Bonaparte Sales Limited Partnership.</p>
Cash and Cash Equivalents	Cash and cash equivalents consist of cash on hand, bank balances with maturities of three months or less.
Revenue Recognition	<p>Revenue is recognized as it becomes receivable under the terms of applicable funding agreements. Funding received under the funding arrangements which relates to a subsequent fiscal period is reflected as deferred revenue in the year of receipt and classified as such on the summary balance sheet.</p> <p>Rental revenue is recognized when a tenant commences occupancy and rent is due. Bonaparte First Nation retains all benefits and risks of ownership of its property and, therefore, accounts for leases with its tenants as operating leases.</p>

Bonaparte First Nation Summary of Significant Accounting Policies

March 31, 2021

Tangible Capital Assets Tangible capital assets are stated at cost less accumulated amortization. Cost includes all costs directly attributable to acquisition or construction of the tangible capital assets including transportation costs, installation costs, design and engineering fees, legal fees and site preparation costs. Contributed tangible capital assets are recorded at fair value at the time of the donation, with a corresponding amount recorded at revenue.

Amortization is charged on assets with a corresponding reduction in equity in tangible capital assets (Note 10). Assets are amortized over their expected useful lives on the following bases:

Automotive equipment	30% - straight-line basis
Buildings	5% - straight-line basis
Equipment	30% - declining balance basis
Land improvements	5% - straight-line basis
Computers	33% - straight-line basis

Additions during the year have been amortized at one-half the above annual rates.

No amortization is taken on assets under construction until they have been fully developed.

Social Housing Fund assets acquired under CMHC subsidized housing programs are amortized at a rate equivalent to the annual principal reduction in related long-term debt, as required for CMHC reporting purposes.

Tangible capital assets are written down when conditions indicate that they no longer contribute to the First Nation's ability to provide goods and services, or when the value of future economic benefits associated with the tangible capital assets are less than their net book value. The net write-downs are accounted for as expenses in the statement of operations.

Bonaparte First Nation Summary of Significant Accounting Policies

March 31, 2021

Use of Estimates	The preparation of financial statements in accordance with Canadian public sector accounting standards requires management to make assumptions and estimates that have an effect on the reported amounts of assets and liabilities and disclosure at the date of the financial statements and the reported amounts of revenue and expenses during the period. Actual results could be different from those estimates. Significant estimates in these financial statements include valuation of accounts receivable, calculation of deferred revenue, and amortization of tangible capital assets.
Pension Plan	The Bonaparte First Nation contributes to a private defined contribution pension plan. Total contributions to the plan during the year-ended March 31, 2021 were \$52,780 (2020 - \$52,565).
Investments	<p>The First Nation accounts for its investments using the modified equity method. Under this method the cost of this investment are adjusted by earnings or losses of the entities from the date of acquisition.</p> <p>Inter-entity balances and transactions are not eliminated under the modified equity method.</p> <p>Other investments are recorded on the cost basis.</p>
Ottawa Trust Funds	Bonaparte First Nation uses the accrual method of accounting for Ottawa Trust Fund revenues earned in the Fund. Trust monies are recognized as revenue of the band upon authorized withdrawal from the Ottawa Trust Fund.
Government Transfers	Government transfers are recognized as revenue in the financial statements when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when the transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.
Deferred Revenue	Funds received for specific purposes which are externally restricted by legislation, regulation or agreement and are not available for general purposes are accounted for as deferred revenue on the statement of financial position. The revenue is recognized in the statement of operations in the year in which it is used for the specified purposes.
Non-Financial Assets	Non-financial assets are used to provide the Bonaparte First Nation's services in future periods. These assets do not normally provide resources to discharge the liabilities of the Bonaparte First Nation unless they are sold. The Bonaparte First Nation's non-financial assets include tangible capital assets and prepaid expenses.

Bonaparte First Nation Notes to Consolidated Financial Statements

March 31, 2021

1. Economic Dependence

The Bonaparte First Nation receives a major portion of its revenue pursuant to a funding arrangement with Indigenous Services Canada ("ISC").

2. Cash

	2021	2020
Operations	\$ 6,251,325	\$ 5,913,081
Social Housing	<u>22,073</u>	<u>34,968</u>
	<u>\$ 6,273,398</u>	<u>\$ 5,948,049</u>

3. Restricted Cash

	2021	2020
Ottawa Trust - Capital	\$ 260,879	\$ 260,879
Ottawa Trust - Revenue	<u>401,958</u>	<u>392,182</u>
Replacement Reserves - Social Housing	<u>229,805</u>	<u>163,941</u>
	<u>\$ 892,642</u>	<u>\$ 817,002</u>

The Ottawa trust accounts arise from monies derived from capital or revenue sources as outlined in Section 62 of the *Indian Act*. These funds are held in trust in the Consolidated Revenue Fund of the Government of Canada and are subject to audit by the Office of the Auditor General of Canada. These funds are restricted in their use. The First Nation is permitted to use its revenue for any purpose that will promote the general progress and welfare of the First Nation and First Nation members. The expenses of capital funds requires the consent of ISC and generally must be for projects of a capital nature. Withdrawals of revenue or capital funds are recorded as revenue in the applicable fund where the monies are expended.

Bonaparte First Nation Notes to Consolidated Financial Statements

March 31, 2021

3. Restricted Cash (continued)

The Housing restricted cash is derived under the terms of the agreement with Canada Mortgage and Housing Corporation ("CMHC"), the account is to be credited annually. These funds along with accumulated interest, must be held in a separate bank account and/or invested only in accounts or instruments insured by the Canada Deposit Insurance Corporation or as may otherwise be approved by CMHC from time to time.

4. Accounts Receivable

	2021	2020
Indigenous Services Canada receivable	\$ 105,880	\$ 285,569
Rents receivable	-	19,009

10 . Accumulated Surplus

	2021	2020
Unrestricted Surplus	\$ 1,516,461	\$ 2,065,114
Equity in Tangible capital assets	13,029,524	12,445,647
Equity in Ottawa Trust	662,837	653,060
Restricted Surplus	1,771,888	1,334,414
Contributed surplus	431,392	431,392
Equity in Replacement Reserve	<u>285,720</u>	<u>181,167</u>
	<u>\$ 17,697,822</u>	<u>\$ 17,110,794</u>

11. Comparative Figures

Certain comparative amounts presented in the financial statements have been restated to conform to current year's presentation.

12. Federal Assistance Payments

Bonaparte First Nation has received federal assistance through CMHC pursuant to Section 56-1 of the *National Housing Act* to reduce mortgage interest expense to 2% to enable the project to provide housing to low income individuals. The amount of the assistance received through March 31, 2021 was \$36,173 (2020 - \$74,681). This assistance will continue, providing the Band is not in default of the agreement. As at March 31, 2021, the First Nation was not in compliance with all agreements.

13. Replacement Reserve

Under the terms of the agreement with CMHC, the Replacement Reserve account is to be credited at March 31, 2021 in the amount of \$18,339 (2020 - \$17,000) annually. These funds along with accumulating interest are to be held in a separate bank account. The funds in this account may only be used as approved by CMHC. Withdrawals are credited to interest first and then principal. Supplemental funding was received during the year for \$86,214.

March 31, 2021

14. Commitments

Bonaparte First Nation has entered into lease agreements for photocopiers. Minimum annual lease payments due over the next five years and thereafter, until expiry, are approximately as follows:

2022	\$	28,668
2023		28,668
2024		<u>9,556</u>
	\$	<u>66,892</u>

15. Contingencies and Subsequent Events

Bonaparte First Nation is subject to various legal claims, however, the results are undeterminable as no accruals have been recorded.

During the summer of 2018, assets of the Bonaparte First Nation were damaged as a result of a natural disaster. No assessment has been made for repairs or any lost assets as it is unknown at this time.

16. Impacts on Bonaparte First Nation

As the impacts of COVID-19 continue, there could be further impact on the First Nation, its funders and its business entities. The First Nation has continued to deliver services during this pandemic through a variety of means, whether face-to-face or utilizing technology as the First Nation was deemed an essential service. Management is actively monitoring the effect on its financial condition, liquidity, operations and workforce. Given the daily evolution of the COVID-19 outbreak and the global responses to curb its spread, the First Nation is not able to fully estimate the effects of the COVID-19 outbreak on its results of operations, financial condition, or liquidity at this time.

18. Segment Disclosure

The Bonaparte First Nation is a diversified First Nations organization that provides a wide range of services to its members. Distinguishable functional segments have been separately disclosed in the segmented information. The nature of the segments and the activities they encompass are as follows:

Social Development

This service area provides services to help the Members by providing a variety of programs, community services and social assistance.

Administration

This item relates to the revenues and expenses that relate to the operations of the First Nation itself and cannot be directly attributed to specific segment.

Operations and Maintenance

This service area provides services relating to the development, maintenance and service of the First Nation's assets, infrastructure and common property.

Education

This service area provides educational services through the operations of an on-reserve school, post secondary education support and the operations of various other educational programs. The goal of this segment is to enhance the educational opportunities of the First Nation's Members.

Natural Resources and Economic Development

This service area provides for the development of economic opportunities to the Members, along with the exploration of the development of natural resource revenues.

Capital

This service area provides for the development of new capital projects and infrastructure programs on the reserve.

Social Housing

This service area provides for social housing to the Members.
