**MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING**

The financial statements of Skeetchestn Indian Band have been prepared in accordance with Canadian public sector accounting standards. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances. These statements include certain amounts based on management's estimates and judgements. Management has determined such amounts based on a reasonable basis in order to ensure that the financial statements are presented fairly in all material respects.

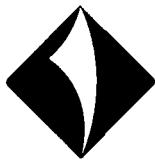

The Band maintains systems of internal accounting and administrative controls of high quality, consistent with reasonable cost. Such systems are designed to provide reasonable assurance that the financial information is relevant, reliable and accurate and the Band's assets are appropriately accounted for and adequately safeguarded.

The Band Council is responsible for ensuring that management fulfils its responsibility for financial reporting and is ultimately responsible for reviewing and approving the financial statements. The Council carries out this responsibility periodically through its Finance Committee. The Finance Committee is appointed by the Council and meets periodically with management and the members' auditors to review significant accounting, reporting and internal control matters. Following its review of the financial statements and discussions with the auditors, the Finance Committee reports to Council prior to its approval of the financial statements. The Committee also considers, for review by the Council and approval by the members, the engagement or re-appointment of the external auditors.

The financial statements have been audited on behalf of the members by Daley & Company CPA LLP in accordance with Canadian generally accepted auditing standards.

Two handwritten signatures are present. The top signature is a stylized, cursive name, likely Daley. The bottom signature is a stylized, cursive name, likely a member of the Band Council. Both signatures are placed over a horizontal line, which is itself positioned above a larger, more elaborate signature that spans both lines.

## INDEPENDENT AUDITORS' REPORT

To the members of,  
SKEETCHESTN INDIAN BAND

EXHIBIT A1

### *Report on the Financial Statements*

We have audited the accompanying financial statements of SKEETCHESTN INDIAN BAND, which comprise the summary statement of financial position as at March 31, 2016, and the summary statement of accumulated surplus, summary statement of operations, summary statement of remeasurement gains and losses, summary statement of change in net financial assets and summary statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

### *Management's Responsibility for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatements, whether due to fraud or error.

### *Auditors' Responsibility*

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### *Opinion*

In our opinion, the summary financial statements present fairly, in all material respects, the financial position of SKEETCHESTN INDIAN BAND as at March 31, 2016, and its financial performance and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

### *Other Matter*

Our audit was conducted for the purpose of forming an opinion on the financial statements taken as a whole. The current year's supplementary information included in Exhibits B1 to B3, C1 to C2, D1 to D2 and schedules 1 to 58 are presented for the purposes of additional analysis and are not a required part of the financial statements. Such supplementary information has been subjected to the auditing procedures applied in the audit of the summary financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

**SKEETCHESTN INDIAN BAND**  
**NOTES TO SUMMARY FINANCIAL STATEMENTS**  
**March 31, 2016**

---

**NOTE A1. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES:**

These summary financial statements have been prepared by management in accordance with Canadian public sector accounting standards. The significant accounting policies are summarized as follows:

**a) Fund Accounting:**

The Skeetchestn Indian Band uses fund accounting procedures which result in a self-balancing set of accounts for each fund established by legal, contractual or voluntary actions. The various funds have been amalgamated for the purpose of presentation in the summary financial statements. Details of the operations of each fund are set out in the supplementary schedules. The Skeetchestn Band maintains the following funds:

- The Band Operating Fund which reports the general activities of the First Nation Administration.
- The Trust Fund which reports on trust funds owned by the First Nation and held by third parties.
- The Capital Fund which reports the property and equipment of the First Nation, together with their related financing.
- The Social Housing Fund Phase 3 - 5 and Phase 6 - 9 which report the Social Housing assets of the First Nation, together with related activities.

**b) Reporting Entity and Principles of Financial Reporting:**

The Skeetchestn Indian Band reporting entity includes the Skeetchestn Band government and all related entities which are accountable to the First Nation and are either owned or controlled by the First Nation.

These financial statements consolidate the assets, liabilities and results of operations for the following entities which use accounting principles which lend themselves to consolidation:

- Skeetchestn Band Operating Fund
- Skeetchestn Band Trust Fund
- Skeetchestn Band Capital Fund
- Skeetchestn Band Social Housing Phase 3 - 5 Fund
- Skeetchestn Band Social Housing Phase 6 - 9 Fund

All inter-entity balances have been eliminated on consolidation, but in order to present the results of operations for each specific fund, transactions amongst funds have not necessarily been eliminated on the individual schedules.

Incorporated business entities, which are owned or controlled by the Skeetchestn Indian Band and which are not dependent on the First Nation for their continuing operations, are included in the summary financial statements using the modified equity method. These include:

- Knucwentwecw Development Corporation
- Big Sky Station Ltd.
- Skeetchestn Holdings Limited Liability Partnership
- Painted Rock Aggregates & Contracting LLP
- Skeetchestn Natural Resources LLP
- Skeetchestn Natural Resources Corporation

Investments in non-controlled entities and subject to significant influence are included in the summary financial statements using the modified equity method. These include:

- Stk'emlupsemc te Secwepemc Nation
- Stk'emlupsemc Enterprises Inc.
- Stk'emlupsemc Limited Partnership
- Secwepemc Reconciliation Framework Agreement

Long-term investments in non-controlled entities and not subject to significant influence and marketable securities are recorded at the lower of cost or net realizable value.

Accounts in foreign currencies have been translated into Canadian dollars using the temporal method. Under this method, monetary assets and liabilities have been translated at the year end exchange rate. Revenues and expenses have been translated at the average rates of exchange during the year.

Foreign exchange gains and losses on monetary assets and liabilities are included in the determination of earnings.

**SKEETCHESTN INDIAN BAND**  
**NOTES TO SUMMARY FINANCIAL STATEMENTS**  
**March 31, 2016**

---

**NOTE A1. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES (continued):**

**c) Non-financial Assets:**

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations. The change in non-financial assets during the year, together with the excess of revenues over expenses, provides the Change in Net Financial Assets for the year.

**i) Tangible Capital Assets:**

Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets are amortized on a straight-line basis over their estimated useful lives as follows:

**Major Asset Category**

Buildings	25 years
Bridges and cattle guards	25 years
Water system	25 years
Automotive equipment	7 years
Office equipment	7 years
Equipment	7 years
Farm irrigation equipment	7 years
Property and equipment recorded at appraised value	10 to 25 years
Roads	10 years

Assets under construction are not amortized until the asset is available for productive use.

The Band reviews the useful lives and the carrying values of its tangible capital assets at least annually or more frequently if events or changes in circumstances indicate that the assets might be impaired, by reference to the assets' contribution to the Band's ability to provide services. When assets no longer have any long-term service potential to the Band, the assets are considered to be impaired. An impairment loss is measured at the amount by which the carrying amount of the assets exceeds their fair value, which is estimated as the expected service potential of the assets.

**ii) Contributions of Tangible Capital Assets:**

Tangible capital assets received as contributions are recorded at their fair value at the date of receipt.

**iii) Leases:**

Leases are classified as capital or operating leases. Leases which transfer substantially all of the benefits and risks incidental to ownership of property are accounted for as capital leases. All other leases are accounted for as operating leases and the related lease payments are charged to expenses as incurred.

The Band's interest in reserve lands is not reflected in these financial statements, as no consideration was paid by the Band to acquire these lands.

**d) Revenue Recognition:**

The Skeetchestn Indian Band derives revenues from a number of sources.

Amounts received from Indigenous and Northern Affairs Canada (INAC) are reported in accordance with the terms of the funding arrangement. Amounts specified as set contributions are reported as revenue as program terms and conditions are met and delivered. Any resulting surpluses are repayable to INAC and any deficits incurred are refundable by INAC. Amounts specified as fixed contributions are recognized as revenue as program terms and conditions are met and delivered. Any resulting surpluses may be retained by the Band provided delivery of the program is complete at March 31. Any resulting deficits are the responsibility of the Band. Grants received from INAC are unconditional and are reported as revenue when received or receivable and collection is reasonably assured.

**SKEETCHESTN INDIAN BAND  
NOTES TO SUMMARY FINANCIAL STATEMENTS  
March 31, 2016**

---

**NOTE A1. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES (continued):**

- d) Revenue Recognition (continued):  
Amounts received from other government departments, both federal and provincial, are reported as revenue in accordance with the terms of the contract or agreement.  
  
Own source revenues derived from such sources as housing rents, resource based revenues, interest income, etc. are reported when received or receivable and collection is reasonably assured.
- e) Replacement Reserve:  
The Replacement Reserve is funded by an annual charge against earnings as opposed to an appropriation of surplus.
- f) Operating Reserve:  
The Operating Reserve account is funded by an allocation of the excess or shortfall of annual minimum revenue contribution and CMHC subsidies over current eligible expenses.
- g) Subsidy Surplus Reserve:  
The Subsidy Surplus Reserve account is funded by an allocation of the excess or shortfall of revenues over expenses to a maximum of \$500 per unit.
- h) Accrual Method:  
The accrual method is used in accounting for all funds.
- i) Deferred Revenue:  
Revenue is recorded in the period to which it relates.
- j) Reforestation:  
As part of the Band's forest licence agreement, the Band is required to perform reforestation on areas logged under conditions set out in the acts governing forestry operations. The Band estimates the costs of reforestation through to the free-to-grow stage and records the present value obligation of these costs as timber is harvested.
- k) Use of Estimates:  
The preparation of financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amount of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting periods. By their nature, these estimates are subject to measurement uncertainty and the effect on the financial statements of changes in such estimates in future periods could be significant.

**NOTE A2. ADOPTION OF NEW ACCOUNTING POLICY:**

On April 1, 2014, the Band adopted PS 3260 Liability for Contaminated Sites. The Standard was applied on a retroactive basis to April 1, 2014 and did not result in any adjustments to financial liabilities, tangible capital assets or accumulated surplus of the Band.

**NOTE A3. FINANCIAL INSTRUMENTS:**

**Fair Value of Financial Assets and Financial Liabilities:**

The carrying values of cash, grants and accounts receivable, CMHC subsidy accrual, restricted cash, funds held in trust, accounts payable and accrued liabilities and demand loans approximate their fair value due to the relatively short periods to maturity of these items or because they are receivable or payable on demand.

The carrying value of long-term debt approximates its fair value as the terms and conditions of the borrowing arrangements are comparable to current market terms and conditions for similar items.

It is not practicable to determine the fair value of long-term investments and advances to subsidiaries due to the limited amount of comparable market information available.

**Credit Risk:**

The Band is exposed to a credit risk by its customers. However, because the majority of revenues is from government agencies, credit risk concentration is reduced to the minimum.

**Interest Rate Risk:**

Demand loans have variable interest rates based on the bank's prime rate, therefore the interest expense will vary with changes in the bank's prime rate. Long-term debt has fixed rates; therefore interest expense will decrease with principal repayment of the mortgage and interest risk is reduced to the minimum.

These funds are held in trust in the Consolidated Revenue Fund of the Government of Canada and are subject to audit by the Office of the Auditor General of Canada. The management of these funds is primarily governed by Sections 63 to 69 of the Indian Act.

**b) Replacement Reserve:**

Under the terms of the agreement with Canada Mortgage and Housing Corporation, the Replacement Reserve account is to be credited in the amount of \$33,024 (2015 - \$48,048) annually plus interest.
