## Management's Responsibility for Financial Reporting

---

The accompanying consolidated financial statements of the Tk'emlűps te Secwépemc (the "Group") are the responsibility of management and have been approved by the Chief and another Band Councilor of the Band Council.

The consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting standards. Financial statements are not precise since they include certain amounts based on estimates and judgments. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances, in order to ensure that the consolidated financial statements are presented fairly, in all material respects.

The Tk'emlűps te Secwépemc maintains systems of internal accounting and administrative controls of high quality, consistent with reasonable cost. Such systems are designed to provide reasonable assurance that the financial information is relevant, reliable and accurate and the Group's assets are appropriately accounted for and adequately safeguarded.

The Chief and Council are responsible for ensuring that management fulfills its responsibilities for financial reporting and is ultimately responsible for reviewing and approving the consolidated financial statements. Council carries out this responsibility principally through its Finance review meetings.

The Chief and Council review the Group's consolidated financial statements and recommend their approval. The Chief and Council meet periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review the annual report, the consolidated financial statements and the external auditor's report. The Chief and Council take this information into consideration when approving the consolidated financial statements for issuance to the Members. The Chief and Council also appoint the engagement of the external auditors.

The consolidated financial statements have been audited by BDO Canada LLP in accordance with Canadian generally accepted auditing standards on behalf of the members. BDO Canada LLP has full access to the Band Council.

## Independent Auditor's Report

---

To the Chief and Council of  
Tk'emlúps te Secwépemc

### Qualified Opinion

We have audited the consolidated financial statements of Tk'emlúps te Secwépemc and its subsidiaries ("the Group"), which comprise the consolidated statement of financial position as at March 31, 2020, and the consolidated statements of changes in net financial assets, operations and cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, except for the effects of the matters described in the Basis for Qualified Opinion section of our report, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Group as at March 31, 2020 and the results of its operations, change in net financial assets and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

### Basis for Qualified Opinion

As noted in the Summary of Significant Accounting Policies regarding tangible capital assets, the Social Housing tangible capital assets are required by Canada Mortgage and Housing Corporation to be amortized at a rate equivalent to the annual principal reduction of the related long term debt. This amortization policy is not in accordance with Canadian public sector accounting standards, which require that tangible capital assets be amortized over their estimated useful lives. The effect of this departure has not been determined on the net book value of tangible capital assets as at March 31, 2020 and 2019, the related amortization expense and annual surplus for the year ended March 31, 2020 and 2019 and equity in tangible capital assets as at April 1 and March 31 for both the 2020 and 2019 years.

Certain Government Business Enterprises have been prepared using the alternative accounting framework of Accounting Standards for Private Enterprises (ASPE) rather than International Financial Reporting Standards (IFRS). Other Government Business Enterprises have not been prepared in accordance with an accounting framework. We have not been engaged to audit the differences that arise using the alternative accounting framework of ASPE versus IFRS. The effects of this departure have not been determined; therefore, we are unable to determine whether adjustments to the Investment in Government Business Enterprises are appropriate as at March 31, 2020 and 2019, revenue and annual surplus (deficit) for the year ended March 31, 2020 and 2019, and accumulated surplus as at April 1 and March 31 for both the 2020 and 2019 years.

Our audit opinion on the consolidated financial statements for the year ended March 31, 2020 was modified for the above matters.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

#### **Emphasis of Matter - Restated Comparative Information**

We draw attention to Note 20 to the consolidated financial statements, which explains that certain comparative information presented for the year ended March 31, 2019 has been restated. Our opinion is not modified in respect of this matter.

#### **Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements**

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Group's financial reporting process.

#### **Auditor's Responsibilities for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the Group's audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

### **Summary of Significant Accounting Policies**

**March 31, 2020**

---

#### **1. Basis of presentation and significant accounting policies**

##### **Description of Entity**

Tk'emlups te Secwepemc ("TteS") is a First Nations government operating out of Kamloops, British Columbia. TteS is a progressive community committed to attaining self-sufficiency and independence through education and economic development. TteS was established in 1862 and is responsible for the well-being of its community and the enactment of legal policies and programs in areas of capital, education, membership, health, and social and economic development.

##### **Basis of Accounting**

These consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting standards for government entities, as defined in the CPA Public Sector Accounting and Auditing Handbook, which encompass the following.

##### **Reporting Entity**

The reporting entity includes TteS and all entities that are controlled by the organization. All controlled entities in are consolidated in the TteS' financial statements according to the TteS' percentage ownership except for entities that meet the definition of a government business enterprise or a government business partnership, which are included in the financial statements on a modified equity basis. Accounting policies of consolidated and proportionately consolidated entities are conformed to those of the TteS and inter-organizational balances and transactions are eliminated upon consolidation.

The financial statements consolidate the assets, liabilities, and results of operations for the following entities:

- Tk'emlups te Secwepemc
- Tk'emlups te Secwepemc Social Housing Section 95 Phases 1-13
- Tk'emlups te Secwepemc Social Housing Section 95 Phases 14-20
- 1038547 B.C. Ltd.
- Big Horn Hops Inc.
- Spiyu7ullucw Ranch Corporation

##### **Non-Coterminous Fiscal Periods**

1038547 B.C. Ltd., Big Horn Hops Inc., and Spiyu7ullucw Ranch Corporation are included in the consolidated financial statements using financial information prepared as of January 31, 2020, covering the period April 1, 2019 to January 31, 2020.

**March 31, 2020**

---

### **1. Basis of presentation and significant accounting policies (continued)**

#### **Investment in Government Business Enterprises**

TteS' investment in the following government business enterprises are accounted for on a modified equity basis. Under the modified equity basis, these entities' accounting policies are not adjusted to conform with those of TteS and inter-organizational transactions and balances are not eliminated. TteS recognizes its equity interest in the annual income or loss of the entities in its consolidated statement of operations and accumulated surplus with a corresponding increase or decrease in its investment asset account. Any dividends that TteS may receive from these entities will be reflected as reductions in the investment asset account. Organizations accounted for on a modified equity basis include:

- Kamloops Indian Band Development Corporation;
- Kamloops Indian Band Utility Corporation;
- Mount Paul Centre Inc.;
- Kukpi7 Clexlixqen te Eyksem Holdings;
- Secwepemcetekwe Enterprises Ltd., which includes its pro-rated portion of its investment in the Secwepemcetekwe Limited Partnership; and
- Tk'emlupsemc Forestry Development Corporation, which includes its pro-rated portion of its investment in the Tk'emlupsemc Forestry Limited Partnership.

#### **Investment in Partnerships**

TteS' investment in the Tk'emlupsemc Forestry Limited Partnership, the Secwepemcetekwe Limited Partnership, and the Stk'emlupsemc Limited Partnership (the "partnerships") are accounted for on a modified equity basis.

Under the modified equity basis, the partnerships' accounting policies are not adjusted to conform with those of TteS and inter-organizational transactions and balances are not eliminated. TteS recognizes equity interest in the annual income or loss of the partnerships in its consolidated statement of operations and accumulated surplus, less cash advances or cash disbursements, with a corresponding increase or decrease in its investment asset account.

**March 31, 2020**

---

### **1. Basis of presentation and significant accounting policies (continued)**

#### **Cash and Cash Equivalents**

Cash and cash equivalents include cash on hand and short-term, highly liquid investments that are readily convertible to cash.

#### **Designated Cash**

Internally designated cash represents internally restricted amounts reserved by TTeS for a specific future purpose.

#### **Externally restricted cash**

Externally restricted cash represents amounts externally restricted in relation to external funding requirements or by statute.

#### **Temporary Investments**

Temporary investments are recorded at cost, unless the market value of temporary investments has declined below cost, in which case they are written down to market value.

#### **Deferred Revenue**

Deferred revenue represents grants and other fees which have been collected, but for which the related expenses or services have yet to be incurred or performed. These amounts will be recognized as revenues in the fiscal year in which the services are performed or related expenses are incurred.

Development cost charge levies are restricted by law in their use for providing funds to assist TteS in paying the capital cost of providing, constructing, altering or expanding sewer, water, stormwater, parks, and recreation land and transportation facilities and the revenue is deferred until the expenses are incurred. When development cost charge expenses are made, a corresponding amount is recorded in revenue.

#### **Non-Financial Assets**

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations.

### **Summary of Significant Accounting Policies**

**March 31, 2020**

---

#### **1. Basis of presentation and significant accounting policies (continued)**

##### **Liability for Contaminated Sites**

A contaminated site is a site at which substances occur in concentrations that exceed the maximum acceptable amounts under an environmental standard. Sites that are currently in productive use are only considered a contaminated site if an unexpected event results in contamination. A liability for remediation of contaminated sites is recognized when the Group is directly responsible or accepts responsibility; it is expected that future economic benefits will be given up; and a reasonable estimate of the amount can be made. The liability includes all costs directly attributable to remediation activities including post remediation operations, maintenance and monitoring. The liability is recorded net of any expected recoveries.

##### **Tangible Capital Assets**

Tangible capital assets are recorded at cost less accumulated amortization. Cost includes amounts that are directly attributable to acquisition, construction, development or betterment of the asset. Contributed tangible capital assets are recorded at fair value at the time of the donation with a corresponding amount recorded as revenue. Expenses for repairs and maintenance that do not materially add to the useful life or service potential of the asset are not capitalized, but expensed as incurred.

Tangible capital assets acquired on April 1, 1975 or later are recorded at cost. Tangible capital assets acquired prior to April 1, 1975 are recorded at net replacement values as appraised by Harker Appraisals Ltd. at August 15, 1977 and July 13, 1978, except land, which is recorded at a nominal value of \$1.

The cost, less residual value, of the tangible capital assets, excluding land, is amortized over their estimated useful lives as follows:

## Tk'emlŭps te Secwépemc Summary of Significant Accounting Policies

**March 31, 2020**

### 1. Basis of presentation and significant accounting policies (continued)

#### Tangible Capital Assets (continued)

Asset	Basis	Rate
Automotive	Declining balance	30%
Buildings	Declining balance	4%
Social housing buildings	Straight-line	40 years
Computer equipment	Declining balance	50%
Equipment	Declining balance	20%
Fencing and other land improvements	Declining balance	4%
Furniture and fixtures	Declining balance	20%
Social housing fixtures	Straight-line	10 years
Property and equipment, recorded at appraised values	Declining balance	2.5 - 10%
Roadways, sewer and water systems	Declining balance	4-8%

Assets under construction are not amortized until the asset is available for productive use. When a tangible capital asset no longer contributed to TteS' ability to provide services, its carrying amount is written down to its recoverable amount.

All intangibles and items inherited by right of TteS, such as land, forests, water, and mineral resources, that have not been purchased, are not recognized in these consolidated financial statements.

Contributed tangible capital assets are recognized at fair market value at the date of contribution. Where an estimate of fair value cannot be made, the tangible capital asset is recognized at a nominal value.

#### Works of Art and Cultural and Historic Assets

Works of art and cultural and historic assets, including artifacts, paintings and sculptures, are not recorded as assets in these consolidated financial statements.

#### Inventories

Inventories of supplies held for consumption are recorded at the lower of cost and replacement cost.

#### Inventories held for resale

Inventories of supplies and goods available for resale are recorded at the lower of cost and net realizable value.

#### **Revenue Recognition**

Revenue is recognized on the accrual basis as it is earned, or as services are provided, and is measurable and becomes receivable under the terms of the applicable funding agreements.

Government transfers are recognized as revenues in the period in which events giving rise to the transfers occur, providing the transfers are authorized, any eligibility criteria is met, and reasonable estimates of the amounts can be made. If the transfer contains stipulations that create a liability, the transfer is recognized as revenue in the period in which the liability is extinguished.

Contract revenues are recorded on an accrual basis and are recognized when the service has been provided.

Grants and donations are recognized as revenue when received or receivable if amounts can be reasonably estimated and collection is reasonably assured.

Interest and investment income is recorded as revenue in the period earned.

Lease and rental income is recorded on a straight-line basis over the term of the lease or agreement and is recognized when the tenant commences occupancy, the amounts to be received can be reasonably estimated and collection is reasonably assured.

Taxes are recorded at estimated amounts when they meet the definition of an asset, have been authorized and the taxable event occurs. For property taxes, the taxable event is the period for which the tax is levied. As taxes recorded are initially based on management's best estimate of the taxes that will be received, it is possible that changes in future conditions, such as reassessments due to audits, appeals and court decisions, could result in a change in the amount of tax revenue recognized. Taxes receivable are recognized net of an allowance for anticipated uncollectable amounts.

Sales tax, user fees, and other income are recognized when received or receivable if the amounts to be received can be reasonably estimated and collection is reasonably assured.

#### **1. Basis of presentation and significant accounting policies (continued)**

##### **Use of Estimates**

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenues and expenses during the period. The recoverable amounts of accounts receivable and property taxes receivable, and the recoverable amount and estimated useful lives of tangible capital assets are significant items subject to such estimates and assumptions. Actual results could differ from those estimates. These estimates are reviewed periodically and, as adjustments become necessary, they are adjusted prospectively.

##### **Budgets**

Budget information for individual programs has been included in the consolidated financial statements when the information is available and represents the 2019/2020 operating and capital budgets approved by Chief and Council.

##### **Funded Reserves**

In order to provide for replacement of major tangible capital assets, the terms of the agreement with Canada Mortgage and Housing Corporation ("CMHC") provide that a Replacement Reserve Fund be established by annual charges to operations in an amount prescribed by the agreement. Interest is to accrue on the cumulative reserve balance. In addition, under the terms of the agreement for the 2% Subsidy Program, TteS may retain, in a Subsidy Surplus Reserve, excess federal assistance payments up to a maximum of \$500 per unit plus interest, and under the terms of the agreement for the Full Subsidy Program, TteS may retain in an Operating Reserve all excess federal assistance, plus interest.

##### **Employee Future Benefits**

TteS contributes to a private defined contribution pension plan. Contributions are expensed as incurred.

##### **Segmented Disclosure**

A segment is defined as a distinguishable activity or group of activities of a government for which it is appropriate to separately report financial information to achieve the objectives of TteS. TteS identifies its segments based on specific projects and funding arrangements. Revenue and expenses are allocated to these segments according to methods of identification.

#### **Ottawa Trust Funds**

TteS uses the accrual method of accounting for Ottawa Trust Fund revenues earned in the Fund. Trust monies are recognized as revenue upon authorized withdrawal from the Ottawa Trust Fund.

#### **Leased Assets**

A lease that transfers substantially all of the benefits and risks of ownership to the lessee is recorded as a tangible capital asset and the incurrence of a lease obligation. At inception, a tangible capital asset and an obligation are recorded at an amount equal to the lesser of the present value of the minimum lease payments, excluding executory costs, and the leased property's fair value at the beginning of the lease. The discount rate used to determine the present value of the lease payments is the lower of the Group's rate for incremental borrowing or the interest rate implicit in the lease. Leased tangible capital assets are amortized in a manner consistent with the tangible capital assets owned by the Group, and the obligation, including interest thereon, is liquidated over the term of the lease. All other leases are accounted for as operating leases, and the rental costs are expensed as incurred.

### **2. COVID-19**

On January 30, 2020, the World Health Organization ("WHO") announced a global health emergency because of a new strain of coronavirus (the "COVID-19 outbreak") and the risks to the international community as the virus spreads globally beyond its point of origin. In March 2020, the WHO classified the COVID-19 outbreak as a pandemic based on the rapid increase in exposure globally.

As the impacts of COVID-19 continue, there could be further impact on the Group, its funders and its business entities. The Group has continued to deliver services during this pandemic through a variety of means, whether face-to-face or utilizing technology as the Group was deemed an essential service. Management is actively monitoring the effect on its financial condition, liquidity, operations and workforce. Given the daily evolution of the COVID-19 outbreak and the global responses to curb its spread, the Group is not able to fully estimate the effects of the COVID-19 outbreak on its result of operations, financial condition, or liquidity at this time.

#### 5. Ottawa Trust Funds

Indigenous Services Canada ("ISC") holds certain funds in trust for TteS. These funds are designated as revenue or capital funds as outlined in Section 62 of the Indian Act. These funds are held in trust in the Consolidated Revenue Fund of the Government of Canada and are subject to audit by the Office of the Auditor General of Canada. Subject to approval by the Minister of Indigenous Services Canada, TteS is permitted to expend its revenue funds for any purpose that will promote the general progress and welfare of TteS and TteS members. The expense of capital funds requires the consent of the Minister of Indigenous Services and such expense generally must be for projects of a capital nature. At March 31, 2020, the balance in revenue funds was \$67,606 (2019 - \$63,497).

### 16. Contingencies

#### Ministerial Guarantees

As at March 31, 2020, TteS is contingently liable for ministerial guarantees provided to individual TteS members for loans made by various financial institutions totaling \$2,516,582 (2019 - \$2,675,653) for purposes of acquiring on-reserve housing. In the event the TteS member default on their obligations under these loans, TteS would be required to pay the outstanding loan balance to the lenders. TteS' guarantee is secured by the related real properties. All loans are in good standing as at March 31, 2020.

#### Hazardous Materials

TteS has identified potential obligations relating to the removal and disposal of environmentally hazardous materials in certain facilities held by TteS. Such potential obligations would be incurred only upon major renovations or demolition of the site in the future. No liability has been recognized in these consolidated financial statements as there are currently no plans for such renovations or demolition; a settlement date is therefore indeterminate, and the fair value cannot be reasonably estimated at this time.

#### Ministry of Transportation Funds Held in Trust

TteS is disputing the amount of compensation receivable for use of land by the British Columbia Ministry of Transportation for the highway. Monies in the amount of \$202,521 (2019 - \$202,521) held in trust by a law firm on behalf of TteS are not recorded as an asset in the consolidated statement of financial position pending resolution of the dispute. The final compensation amount is not determinable.

#### Letters of Guarantee

TteS is contingently liable with respect to two individual \$50,000 letters of guarantee issued by RBC in favour of Her Majesty the Queen for a timber permit, and in favour of the City of Kamloops for November 12, 1996 Sanitary Sewer Effluent agreement.

#### 17. Commitments

The Group has entered into lease agreements for office equipment. The annual payments for the next five years is estimated as follows:

2021	\$ 126,010
2022	126,010
2023	126,010
2024	126,010
2025	60,120
	<hr/>
	\$ 564,160

---

#### 18. Employee Future Benefits

TteS matches employee contributions to a defined contribution multi-employer plan, which is administered by Manulife. The total pension expense, representing employer contributions to the plan, for the year ended March 31, 2020 is \$4,880 (2019 - \$4,704).

---

#### 19. Economic Dependence

TteS receives a major portion of its revenue pursuant to a funding arrangement with ISC. Any disruption in this funding could have a negative effect on TteS' operations.

---

#### 20. Prior Period Adjustments

During the year, it was determined that there was an understatement in the advances receivable from one of the related entities (Note 10) due to an error in the accounting for a past transaction. As a result, the comparative figures have been restated to record an additional \$1,383,004 in advances to related parties and opening accumulated surplus.

TteS also determined that a write down to investments in government business enterprises (Note 11) was insufficiently reported. As a result, the comparative figures have been restated to record an additional write down of \$463,994 in investments in government business enterprises and opening accumulated surplus.

The total adjustment to opening accumulated surplus amounted to \$919,010.

### 24. Change in status of government business enterprises

During the year, 1038547 BC Ltd., Spiyu7ullucw Ranch Corporation and Big Horn Hops Inc. ceased to meet criteria to be accounted for as government business enterprises as they can no longer maintain their operations and meet liabilities from revenues outside of the government reporting entity.

The restated carrying amount of the investments at March 31, 2019 was a (\$2,310,856) deficit. A prior period adjustment was posted to write-down prior year investment in GBE for 1038547 B.C Ltd (Note 20). Upon consolidation, this amount has been allocated to the underlying assets and liabilities effective April 1, 2019.

### 25. Segment Disclosure

Segment disclosure has been identified based upon lines of service provided by TteS. TteS services are provided by departments and their activities are reported by functional area in the consolidated statement of operations and accumulated surplus. Certain lines of service that have been separately disclosed are as follows:

#### **Administration**

Administration provides the functions of corporate administration, finance, human resources, and any other functions not categorized to a specific department.

#### **Land and Leases**

Land and leases administers the leasing of Tk'emlűps land through a business opportunity analysis, leasing application and/or development approval process.

#### **Planning and Engineering**

This service area provides services relating to the development, maintenance and service of the TteS assets, infrastructure and common property.

#### **Education**

This service area provides educational services through the operations of elementary, secondary and post secondary education support and the operations of various other educational programs. The goal of this segment is to enhance the educational opportunities of the TteS members.

#### **Property Tax**

Property tax is responsible for the levy and collection of tax and fees for designated lands and leasehold interest.

#### **Housing**

Housing provides construction, renovations and capital maintenance programs that service the needs of its members.

#### **Social Housing**

Social housing administers services to provide social housing to TteS members.

#### **Natural Resources**

This service area includes exploration of natural resources and development of natural resource revenues.

#### **Band Council**

Band council encompasses the costs and services provided by Chief and Council to TteS.

#### **Sk'elep School**

Sk'elep School is responsible for administering and operating an on-reserve school of elementary grades (full time kindergarten to grade seven), with a vision of combining tradition with the tactics of modern education in order to provide TteS members' children with an encompassing future.
