Management's Responsibility for Financial Reporting

The accompanying financial statements of the Little Shuswap Lake Indian Band are the responsibility of management and have been approved by the Chief and another Band Councilor of the Band Council.

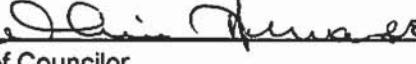

The financial statements have been prepared by management in accordance with Canadian public sector accounting standards. Financial statements are not precise since they include certain amounts based on estimates and judgments. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances, in order to ensure that the financial statements are presented fairly, in all material respects.

The Little Shuswap Lake Indian Band maintains systems of internal accounting and administrative controls of high quality, consistent with reasonable cost. Such systems are designed to provide reasonable assurance that the financial information is relevant, reliable and accurate and the Band's assets are appropriately accounted for and adequately safeguarded.

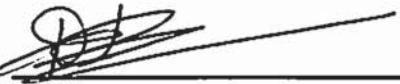

The Little Shuswap Lake Indian Band is responsible for ensuring that management fulfills its responsibilities for financial reporting and is ultimately responsible for reviewing and approving the financial statements. Council carries out this responsibility principally through its Finance review meetings.

The Chief and Council review the Band's financial statements and recommend their approval. The Chief and Council meet periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review the annual report, the financial statements and the external auditor's report. The Chief and Council takes this information into consideration when approving the financial statements for issuance to the Members. The Chief and Council also appoint the engagement of the external auditors.

The financial statements have been audited by BDO Canada LLP in accordance with Canadian generally accepted auditing standards on behalf of the members. BDO Canada LLP has full access to the Band Council.

Little Shuswap Lake Indian Band

We have audited the accompanying consolidated financial statements of Little Shuswap Lake Indian Band, which comprise the consolidated statement of financial position as at March 31, 2017 and the consolidated statements of change in net assets, operations and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Opinion

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of Little Shuswap Lake Indian Band as at March 31, 2017 and the results of its operations and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

All amounts that have been consolidated are as of the December 31, 2016 year end date.</p> <p>All inter-entity balances have been eliminated on consolidation, but in order to present the results of operations for each specific fund, transactions amongst funds have not been necessarily eliminated on the individual schedules.</p>

Little Shuswap Lake Indian Band Summary of Significant Accounting Policies

March 31, 2017

Tangible Capital Assets

Tangible capital assets are stated at cost less accumulated amortization and are recorded in the Capital Fund. The acquisition costs of tangible capital assets and payments on capital debt, which are not funded from capital financing sources, are charged to operations through interfund transfers and matched with the applicable revenue source in the year of expenditure. Tangible capital asset acquisitions are also recorded as an addition to assets of the Capital Fund with a corresponding increase in equity in tangible capital assets.

Amortization is charged against tangible capital assets and equity in tangible capital assets on a straight-line basis at the following rates:

Automotive equipment	5 years
Buildings	20 to 50 years
Computer Software	3 years
Furniture and equipment	5 years
Water systems	15 to 25 years
Water wells	20 years

Revenue Recognition

Government grants and transfers, which include Federal funding agreements are recognized in the financial statements in the period in which events giving rise to the transfers occur, providing the transfers are authorized, any eligibility criteria have been met and reasonable estimates of the amount can be made. When the eligibility criteria is not met, transfers received are reflected as deferred revenue in the year of receipt and classified as such on the Consolidated Statement of Financial Position.

Rental revenue is recognized when a tenant commences occupancy and rent is due. For annual lease agreements the Little Shuswap Lake Indian Band retains all benefits and risks of ownership of its property and, therefore, accounts for leases with its tenants as operating leases.

The Little Shuswap Lake Indian Band, also has "sales type leases" where prepaid leases of 75 years were initiated. As the value of these leases approximates the fair value of a land purchases these prepaid amounts are recognized upon the signing and prepayment of the lease.

Ottawa Trust Funds

The Band uses the accrual method of accounting for Ottawa Trust Fund revenues earned in the Fund. Trust monies are recognized in revenue of the Band upon withdrawal from the Ottawa Trust Fund.
