MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING
MARCH 31, 2018

The accompanying consolidated financial statements of Lower Nicola Indian Band and all the information in this annual report for the year ended March 31, 2018 are the responsibility of management and have been approved by the Chief and Council.

The consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting standards. Financial statements are not precise since they include certain amounts based on estimates and judgement. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances, in order to ensure that the consolidated financial statements are presented fairly, in all material respects.

The Lower Nicola Indian Band maintains systems of internal accounting and administrative controls of high quality, consistent with reasonable cost. Such systems are designed to provide reasonable assurance that the financial information is relevant, reliable and accurate and assets are appropriately accounted for and adequately safeguarded.

The Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and is ultimately responsible for reviewing and approving the consolidated financial statements.

The Council reviews the financial statements and recommends their approval. The Council meets periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues to satisfy themselves that each party is properly discharging their responsibilities, and to review the annual report, the consolidated financial statements and the external auditor's report. The Council approves the financial statements for issuance to the Members. The Council also considers, for review and approval by the Members, the engagement of the external auditors.

The consolidated financial statements have been audited by Reid Hurst Nagy Inc., Chartered Professional Accountants in accordance with Canadian generally accepted auditing standards on behalf of the Members. Reid Hurst Nagy Inc. has full access to the books and records of the Nation. Reid Hurst Nagy Inc. has full and free access to the Council for information purposes.

Independent Auditor's Report

To the Members of
Lower Nicola Indian Band

We have audited the accompanying consolidated financial statements of Lower Nicola Indian Band, which comprise the consolidated statement of financial position as at March 31, 2018, and the consolidated statements of operations and accumulated surplus, change in net financial assets, cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the First Nation's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the First Nation's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of Lower Nicola Indian Band as at March 31, 2018, and the results of its operations, the changes in its net financial assets and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS MARCH 31, 2018

1. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES

These financial statements are prepared in accordance with Canadian public sector accounting standards for governments as recommended by the Public Sector Accounting Board of CPA Canada.

(a) Reporting Entity

The Lower Nicola Indian Band reporting entity includes the Lower Nicola Indian Band government and all related entities that are controlled by the First Nation.

(b) Principles of Consolidation

All controlled entities are fully consolidated on a line-by-line basis except for the commercial enterprises which meet the definition of government business enterprise, which are included in the Consolidated Statements on a modified equity basis. Inter-organizational balances and transactions are eliminated upon consolidation.

Under the modified equity method of accounting, only Lower Nicola Indian Band's investment in the government business enterprise and the enterprise's net income and other changes in equity are recorded. No adjustment is made for accounting policies of the enterprise that are different from those of Lower Nicola Indian Band.

Organizations consolidated in Lower Nicola Indian Band's financial statements include:

1. Lower Nicola Indian Band Operating Fund
2. Lower Nicola Indian Band Social Housing Fund
3. Lower Nicola Indian Band Capital Fund
4. Lower Nicola Indian Band Trust Fund
5. Lower Nicola Indian Band Enterprise Fund

Organizations accounted for on a modified equity basis include:

6. Lower Nicola Indian Band Development Corporation (100% owned by the Lower Nicola Indian Band)
7. Naik Development Limited Partnership (99.999% owned by the Lower Nicola Indian Band as the limited partner and 0.001% owned by Naik Development Corporation as the general partner)
8. LNIB Aggregates Limited Partnership (99.9% owned by the Lower Nicola Indian Band as the limited partner)

(c) Fund Accounting

The Lower Nicola Indian Band maintains the following funds and reserves as part of its operations:

- The Operating Fund which reports the general activities of the First Nation administration.
- The Capital Fund which reports the capital assets of the First Nation not included in other funds, together with their related activities.
- The Trust Fund which reports on the trust funds of the First Nation and held by third parties.
- The Social Housing Fund which reports on the social housing assets of the First Nation together with their related activities.
- The Enterprise Fund which reports the First Nation's investment in self-supporting commercial entities.

LOWER NICOLA INDIAN BAND

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS MARCH 31, 2018

1. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES (continued)

(d) Revenue Recognition

Revenues are recognized in the period in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.

Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

Contributions from other sources are deferred when restrictions are placed on their use by the contributor, and are recognized as revenue when used for the specific purpose.

Revenue related to fees or services received in advance of the fee being earned or the service is performed is deferred and recognized when the fee is earned or service performed.

(e) Segments

The First Nation conducts its business through reportable segments. These operating segments are established by senior management to facilitate the achievement of the First Nation's long-term objectives, aid in resource allocation decisions, and to assess operational performance. For each reported segment, revenues and expenses represent both amounts that are directly attributed to the segment and amounts that are allocated on a reasonable basis. Therefore, certain allocation methodologies are employed in the preparation of segmented financial information.

(f) Cash

Cash and cash equivalents include cash on hand and short-term investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, net of bank overdrafts.

(g) Loans Receivable

Loans receivable are recorded at cost less any amount for valuation allowance. Valuation allowances are made when collection is in doubt as assessed by management. Loans are reviewed on an annual basis by management. Interest income is accrued on loans receivable to the extent it is deemed collectable.

(h) Long-term Debt

Proceeds from long-term debt are recorded as program revenue. Payments of principal and interest are treated as program expenditures. Long-term debt is recorded as a liability on the balance sheet. Reductions of long-term debt are offset with an increase to Equity in Capital Assets.

LOWER NICOLA INDIAN BAND

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS MARCH 31, 2018

1. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES (continued)

(i) Tangible Capital Assets

Tangible capital assets are recorded at cost, which includes amounts that are directly related to the acquisition, design, construction, development, improvement or betterment of the assets. Cost includes overhead directly attributable to construction and development, as well as interest costs that are directly attributable to the acquisition or construction of the asset.

Leases that transfer substantially all the benefits and risks of ownership to the lessee are recorded as capital leases. Accordingly, at the inception of the leases, the tangible capital asset and related lease obligations are recorded at an amount equal to the present value of future lease payments discounted at the lower of the interest rate inherent in the lease contracts and Lower Nicola Indian Band's incremental cost of borrowing.

Amortization is provided for on a straight-line basis over their estimated useful lives as follows:

Buildings*	25 years Straight line
Automotive equipment	5 years Straight line
Computer equipment	5 years Straight line
Equipment	5 years Straight line
Fire Truck	10 years Straight line
Logging equipment	5 years Straight line
Infrastructure	25 years Straight line

*Social Housing assets acquired under C.M.H.C. sponsored housing programs are being depreciated at a rate equal to the principal reduction on the mortgage of the assets.

Tangible capital assets are written down when conditions indicate that they no longer contribute to Lower Nicola Indian Band's ability to provide goods and services, or when the value of future economic benefits associated with the tangible capital assets are less than their net book value. The net write-downs are accounted for as expenses in the consolidated statement of operations.

Contributed capital assets are recorded into revenues at their fair value on the date of donation, except in circumstances where fair value cannot be reasonably determined, in which case they are recognized at nominal value. Transfers of capital assets from related parties are recorded at carrying value.

Certain assets which have historical or cultural value, including works of art, historical documents and historical and cultural artifacts, are not recognized as tangible capital assets. Assets under construction are not amortized until the asset is available to be put into service.

(j) Replacement Reserve

The Replacement Reserve is funded by an annual charge against earnings as opposed to an appropriation of surplus.

(k) Budget

The budget reported in the financial statements was provided by management and is unaudited.

(l) Surplus Recoveries and Deficit Funding

Under the terms of funding arrangements, remaining surpluses of certain programs may be recovered by the funding agency, and remaining deficits may be funded by the funding agency.

(m) Internal charges and transfers

The central administration office provides services to other program areas. To recognize the cost of these services a corresponding revenue and expense is recorded and referred to as "Administration fees."

LOWER NICOLA INDIAN BAND

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS MARCH 31, 2018

2. ECONOMIC DEPENDENCE

Lower Nicola Indian Band receives a significant portion of its revenue pursuant to an agreement referred to as "The Comprehensive Funding Arrangement". This agreement has been entered into by the Lower Nicola Indian Band and Indigenous Services Canada. It is expected that the agreement will be renewed on an annual basis.

The Band also receives major funding pursuant to an arrangement with the First Nations Health Authority and under which certain surpluses and deficits may be offset, but with the net balance repayable or refundable as the case may be.

3. RESTRICTED CASH

Replacement Reserve Fund:

In accordance with the terms and conditions of the "Operating Agreement" with Canada Mortgage & Housing Corporation, the Housing Program must set aside funds annually for the non-annual expenditures of the Program for the repair, maintenance and replacement of worn out assets. These funds are to be held in a separate bank account with any interest earned to be credited as revenue to the Replacement Reserve Fund.

Operating Reserve Fund:

In accordance with the terms and conditions of the "Operating Agreement" with Canada Mortgage & Housing Corporation, the Program is to set aside any surplus revenue to an operating reserve for the purpose of meeting future requirements of income listed occupants over and above the maximum federal assistance. The Fund may be replenished to its original limit from subsequent operating surpluses.

Ottawa Trust Funds:

The trust funds arise from monies derived from capital or revenue sources as outlined in Section 62 of the Indian Act. These funds are held in trust in the Consolidated Revenue Fund of the Government of Canada. The management of these funds is primarily governed by Sections 63 to 69 of the Indian Act.

13. SEGMENTED INFORMATION

As previously discussed in note 1 (e) the First Nation conducts its business through reportable segments as follows:

The Band Programs department is responsible for administering projects the Band is involved in annually and on an on-going basis relating to the overall objectives of the First Nation and the development of stable, legitimate and accountable community governments. It also provides overall support of the First Nation including advisory services relating to financial management, band government, economic development, community services and technical services.

Education supports the members in expressing, preserving, developing and promoting its cultural heritage through the establishment and operation of First Nation education centres and programs, it also provides services for students at the elementary/secondary and post secondary level, including; instructional services both on and off reserve as well as support services such as transportation, accommodation, guidance and counselling.

Social Development provides assistance to community members unable to provide for themselves and their dependents. The services provided by this department include, but are not limited to, income assistance, child and family services, assisted living and early childhood development.

The Health department oversees the delivery of health programs and initiatives for the betterment of the lives of the members of the First Nation.

Job Creation supports the development of employment opportunities for members of the First Nation.

Capital Projects manages capital projects within the community undertaken to support the growth and/or maintenance of the First Nation's infrastructure.

Social Housing is responsible for the administration and management of Social Housing units.

Other operations include Capital Fund, Ottawa Trust Fund and Enterprise Fund transactions.

The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements as disclosed in Note 1.
