MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

The accompanying financial statements of the Nooaitch Indian Band for the year ended March 31, 2014 and all the information in this annual report are the responsibility of management and have been approved by the Chief and Council.

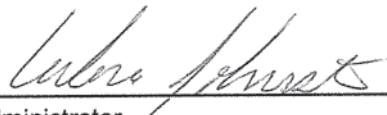

The financial statements have been prepared by management in accordance with Canadian generally accepted accounting principles as prescribed by the Public Sector Accounting Board (PSAB). Financial statements are not precise since they include certain amounts based on estimates and judgments. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances, in order to ensure that the financial statements are presented fairly, in all material respects.

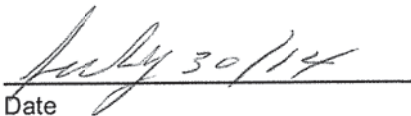

The Nooaitch Indian Band maintains systems of internal accounting and administrative controls of high quality, consistent with reasonable cost. Such systems are designed to provide reasonable assurance that the financial information is relevant, reliable and accurate and the Nooaitch Indian Band's assets are appropriately accounted for and adequately safeguarded.

The Nooaitch Indian Band Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and is ultimately responsible for reviewing and approving the financial statements.

The Council reviews the First Nation's financial statements. The Council meets periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review the financial statements and the external auditor's report. The Council approves the financial statements for issuance to the Members. The Council also considers, for review and approval by the Members, the engagement of the external auditors.

The accompanying financial statements have been audited by Reid Hurst Nagy Inc., Certified General Accountants, in accordance with Canadian generally accepted auditing standards on behalf of the Members. Reid Hurst Nagy Inc., Certified General Accountants have full and free access to the books and records of the First Nation.

INDEPENDENT AUDITORS' REPORT

NOOAITCH INDIAN BAND

Report on the financial statements

We have audited the accompanying summary financial statements of Nooaitch Indian Band, which comprise the summary statement of financial position as at March 31, 2014, the summary statements of operations, change in net financial assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal controls relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal controls.

An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

INDEPENDENT AUDITORS' REPORT (Continued)

Opinion

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of Nooaitch Indian Band as at March 31, 2014, and its financial performance and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

NOOAITCH INDIAN BAND

NOTES TO THE FINANCIAL STATEMENTS

March 31, 2014

NOTE 1: OPERATIONS

The Nooaitch Indian Band is located in the Province of British Columbia, and provides various services to its members. Nooaitch Indian Band includes the Nation's members, government and all related entities that are accountable to the First Nation and are either owned or controlled by the First Nation.

NOTE 2: SIGNIFICANT ACCOUNTING POLICIES

These Summary Financial Statements have been prepared in accordance with generally accepted accounting principles for governments entities, as defined in the CICA Public Sector Accounting Handbook, which encompasses the following principles:

a) Fund Accounting

The Nooaitch Indian Band uses fund accounting procedures which result in a self-balancing set of accounts for each fund established by legal, contractual or voluntary actions. The various funds have been amalgamated for the purpose of presentation in the Summary Financial Statements. Details of the operations of each fund are set out in the supplementary schedules. The Nooaitch Indian Band maintains the followings funds:

- The Operating Fund which reports the general activities of the First Nation Administration.
- The Capital Fund which reports the capital assets of the First Nation, together with their related financing.
- The Social Housing Fund which reports the social housing assets of the First Nation, together with related activities.
- The Trust Fund which reports on trust funds owned by the First Nation and held by third parties
- The Enterprise Fund which reports the First Nation's investments in related entities.

b) Reporting Entity and Principles of Financial Reporting

The Nooaitch Indian Band reporting entity includes the Nooaitch Indian Band government and all related entities which are accountable to the First Nation and are either owned or controlled by the First Nation, except for First Nation business entities.

These financial statements consolidate the assets, liabilities and results of operations for the following entities which use accounting principles which lend themselves to consolidation:

- Nooaitch Indian Band Social Housing Operations

All inter-entity balances have been eliminated on consolidation, but in order to present the results of operations for each specified fund, transactions amongst funds have not necessarily been eliminated on the individual schedules.

NOOAITCH INDIAN BAND

NOTES TO THE FINANCIAL STATEMENTS

March 31, 2014

NOTE 2: SIGNIFICANT ACCOUNTING POLICIES (Continued)

b) Reporting Entity and Principles of Financial Reporting (continued)

The First Nation's business entities, owned or controlled by the First Nation's Council but not dependent on the First Nation for their continuing operations, are included in the financial statements using the modified equity method. Under the modified equity method, the equity method of accounting is modified only to extend that the business entity accounting principles are not adjusted to conform to those of the First Nation. Thus, the First Nation's investment in these entities is recorded at acquisition cost and is increased for the proportionate share of the post acquisition earnings and decreased by post acquisition losses and distributions received. Entities accounted for by the modified equity basis include:

535058 BC Ltd.
9110 Investments Ltd.
Stuwix Resources Ltd.
Stuwix Resources Joint Venture

c) Tangible Capital Assets

Tangible capital asset include acquired, built, developed and improved tangible capital assets, whose useful life extends beyond one year and which are intended to be used on an ongoing basis for producing goods and delivering services. Tangible capital assets are recorded at cost.

The acquisition costs of capital assets and payments on capital debt, which are not funded from capital financing sources, are charged to operations and matched with the applicable revenue source in the year of expenditure. These expenditures are also recorded as an addition to assets of the Capital Fund with a corresponding increase in Equity and Tangible Capital Assets.

Tangible capital assets acquired as part of the Social Housing Fund and Enterprise Fund are recorded as assets of those funds.

d) Amortization

Tangible capital assets are recorded and amortized annually with a corresponding reduction in Equity in Tangible Capital Assets. Assets are depreciated over their expected useful lives using the straight line method at the following rates:

Buildings	20 to 70 years straight-line
Office equipment	5 years straight-line
General equipment	20 years straight-line
Computer equipment under capital lease	3 years straight-line
Watermains	80 years straight-line
Sewer / Drainage	10 to 40 years straight-line
Roads	10 to 75 years straight-line
Water system	50 years straight-line
Vehicles	5 years straight-line

Social Housing assets acquired under CMHC sponsored housing programs are being depreciated in an amount equal to the principal reduction of the mortgages.

NOOAITCH INDIAN BAND

NOTES TO THE FINANCIAL STATEMENTS

March 31, 2014

NOTE 2: SIGNIFICANT ACCOUNTING POLICIES (Continued)

e) Revenue Recognition

Revenue is recognized as it becomes receivable under the terms of applicable funding agreements. Funding received under the funding arrangements which relates to a subsequent fiscal period is reflected as deferred revenue in the year of receipt and classified as such on the Statement of Financial Position.

g) Budget Figures

Budget amounts have been derived from the official budget adopted by Council at the beginning of the current year. The budget figures have not been subject to any audit verification.

h) Asset Classification

Assets are classified as either financial or non-financial. Financial assets are assets that could be used to discharge existing liabilities or finance future operations. Non-financial assets are acquired, constructed or developed assets that do not provide resources to discharge existing operations and are not for resale. Non-financial assets include capital assets, prepaid expenses and inventories of supplies.

i) Net Financial Assets (Debt)

The First Nation's financial statements are presented so as to highlight net financial assets (debt) as the measurement of financial position. The net financial assets (debt) of the First Nation is determined by its liabilities less its financial assets. Net financial assets (debt) are comprised of two components, non-financial assets and accumulated surplus.

j) Use of Estimates

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting periods. By their nature, these estimates are subject to measurement uncertainty and the effect on the financial statements of changes in such estimates in future periods could be significant.

k) Economic Dependence

The Nooaitch Indian Band receives a major portion of its revenue from Aboriginal Affairs and Northern Development Canada. The nature and extent of this revenue is of such significance that the First Nation is economically dependent on this source of revenue.

NOTE 9: LINE OF CREDIT TERMS AND CONDITIONS

Under a line of credit arrangement with the Royal Bank of Canada, the Band may borrow up to \$50,000 on such terms as the Band and the bank may mutually agree upon. This arrangement does not have a termination date and the can be withdrawn at the bank's option.

NOTE 10: TRUST FUNDS

The Ottawa Trust accounts arise from monies derived from capital or revenue sources as outlined in Section 62 of the Indian Act. These funds are held in trust in the Consolidated Revenue Fund of the Government of Canada and are subject to audit by the Office of the Auditor General of Canada. The management of these funds is primarily governed by Sections 63 to 69 of the Indian Act.

NOOAITCH INDIAN BAND

NOTES TO THE FINANCIAL STATEMENTS

March 31, 2014

NOTE 11: SEGMENTED INFORMATION

The Nooaitch Indian Band is a First Nations government institution that provides a range of programs and services to its members, including band revenue, administration, social development, education, community development, capital works, language and culture and social housing.. For management reporting purposes the First Nation's operations and activities are organized and reported by fund. Funds were created for the purpose of recording specific activities to attain certain objectives in accordance with special regulations, restrictions or limitations.

First Nation services are provided by departments and their activities are reported in these funds. Certain departments that have been separately disclosed in the segmented information, along with the services they provide, are as follows:

The Band Revenue department is responsible for administering projects the Band is involved in annually and on an on-going basis relating to the overall objectives of the First Nation.

Band Support supports the development of stable, legitimate and accountable community governments. It also provides overall support of the First Nation including advisory services relating to financial management, band government, economic development, community services and technical services.

Social Services provides assistance to community members unable to provide for themselves and their dependents. The services provided by this department include, but are not limited to, income assistance, child and family services, assisted living and early childhood development.

Education supports the members in expressing, preserving, developing and promoting its cultural heritage through the establishment and operation of First Nation education centres and programs, it also provides services for students at the elementary/secondary and post secondary level, including; instructional services both on and off reserve as well as support services such as transportation, accommodation, guidance and counselling.

Community Facilities supports the construction, operation and basic maintenance of community facilities and services such as water and sewage, roads, electrification, schools and fire protection. It is also responsible for ensuring that the facilities and community services meet recognized standards and are comparable to the services provided to nearby communities by provincial and municipal governments.

Capital Projects manages capital projects within the community undertaken to support the growth and/or maintenance of the First Nation's infrastructure.

Language and Culture is responsible for creating an opportunity for the First Nation's families, elders, youth and children to be interested in their language and cultures through activities that facilitate the transmission of traditional knowledge, values and nurture the relationship between youth, elders and the land.

Housing is responsible for the administration and management of Social Housing units.

Other operations include Capital Fund and Enterprise Fund transactions.

The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements as disclosed in Note 1.

TOTAL EQUITY	4,459,419	4,060,148

NOTE 15: REPLACEMENT RESERVE FUND

In accordance with the terms and conditions of the "Operating Agreement" with Canada Mortgage & Housing Corporation, the Housing Program must set aside funds annually for the non-annual expenditures of the Program for the repair, maintenance and replacement of worn out assets.

These funds are to be held in a separate interest-bearing bank account or term deposit with the interest earned to be credited as revenue to the Replacement Reserve Fund. As at the Statement of Financial Position date the fund is fully funded (2013 - \$NIL).

NOTE 16: OPERATING RESERVE FUND

In accordance with the terms and conditions of the "Operating Agreement" with Canada Mortgage & Housing Corporation, the Program is to set aside any surplus revenue to an operating reserve fund for the purpose of meeting future requirements of income listed occupants over and above the maximum federal assistance. The Fund may be replenished to its original limit from subsequent operating surpluses.

As at the Statement of Operation date the fund is fully funded (2013 - \$97,589).

NOTE 17: COMMITMENTS

The First Nation leases office equipment under a long-term lease which expires February 2015.

The future minimum lease payments are as follows:

2015	\$ 12,795
------	-----------

NOOAITCH INDIAN BAND

NOTES TO THE FINANCIAL STATEMENTS

March 31, 2014

NOTE 18: FINANCIAL INSTRUMENTS

Fair Value of Financial Assets and Financial Liabilities:

The carrying values of cash (restricted and unrestricted), term deposits, accounts receivable, advances to related parties, accounts payable and accruals and demand loans approximate their fair value due to the relatively short periods to maturity of these items or because they are receivable or payable on demand,

The carrying values of mortgages payable approximate their fair value as the terms and conditions of the borrowing arrangements are comparable to current market terms and conditions for similar items.

Credit Risk:

The Band is exposed to a credit risk by its funding agencies, customers and suppliers. However, because the majority of funding is from government agencies and there are a large number of different suppliers, credit risk concentration is reduced to the minimum.

Interest Risk:

Mortgages payable have fixed interest rates on all mortgages. Therefore interest expense will decrease with the principal repayment of the mortgage and interest risk is reduced to the minimum.
