Management's Responsibility for Financial Reporting

The accompanying financial statements of the Nooaitch Indian Band are the responsibility of management and have been approved by the Chief and another Band Councilor of the Band Council.

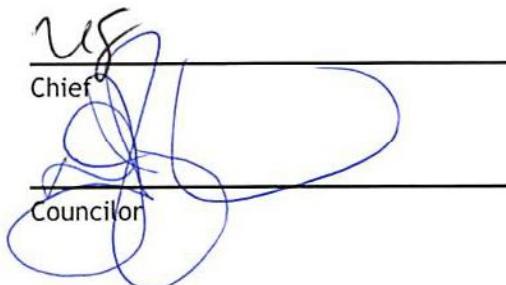

The financial statements have been prepared by management in accordance with Canadian public sector accounting standards. Financial statements are not precise since they include certain amounts based on estimates and judgments. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances, in order to ensure that the financial statements are presented fairly, in all material respects.

The Nooaitch Indian Band maintains systems of internal accounting and administrative controls of high quality, consistent with reasonable cost. Such systems are designed to provide reasonable assurance that the financial information is relevant, reliable and accurate and the Band's assets are appropriately accounted for and adequately safeguarded.

The Nooaitch Indian Band Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and is ultimately responsible for reviewing and approving the financial statements. Council carries out this responsibility principally through the Chief and Council.

The Chief and Council review the Band's financial statements and recommend their approval. The Chief and Council meet periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review the annual report, the financial statements and the external auditor's report. The Chief and Council takes this information into consideration when approving the financial statements for issuance to the Members. The Chief and Council also appoint the external auditors.

The financial statements have been audited by BDO Canada LLP in accordance with Canadian generally accepted auditing standards on behalf of the members. BDO Canada LLP has full access to the Band Council.

Independent Auditors Report

To the Chief and Council of Nooaitch Indian Band

We have audited the accompanying financial statements of Nooaitch Indian Band, which comprise the statement of financial position as at March 31, 2017 and the statements of change in net debt, operations and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Opinion

As described in Note 1 - Summary of Significant Accounting Policies regarding tangible capital assets, the Social Housing tangible capital assets are required by Canada Mortgage and Housing Corporation to be amortized at a rate equivalent to the annual principal reduction of the related long-term debt. This amortization policy is not in accordance with Canadian public sector accounting standards, which require that tangible capital assets be amortized over their estimated useful lives. The effect of this departure has not been determined on the net book value of tangible capital assets, the related amortization expense, annual surplus and equity in tangible capital assets.

Nooaitch Indian Band operates rental housing and has balances receivable for outstanding rents of \$135,129 (2016 - \$141,246), the collectibility of which is not susceptible to satisfactory audit verification. Accordingly, the verification of rents receivable was limited to the amounts recorded in the records of the Band and we were not able to determine whether any adjustment might be necessary to those rents receivable, annual surplus, and accumulated surplus.

Qualified Opinion

In our opinion, except for the possible effects of the matters described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of Nooaitch Indian Band as at March 31, 2017 and the results of its operations and cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Nooaitch Indian Band Notes to Financial Statements

March 31, 2017

1. Summary of Significant Accounting Policies

Basis of Presentation

These financial statements have been prepared, in all material respects, in accordance with Canadian public sector accounting standards for government entities as defined by CPA Public Sector Accounting Handbook, which encompasses the following policies.

Reporting Entity and Principles of Financial Reporting

The Band reporting entity includes the Nooaitch Indian Band government and all related entities which are accountable to Nooaitch Indian Band and are either owned or controlled by the Band. Business entities, which are owned or controlled by Nooaitch Indian Band and which are not dependant on the Band for their continuing operations, are included in the summary financial statements using the modified equity method. These include:

- Stuwix Resources Joint Venture
- 0538053 BC Ltd.

In order to present the results of operations for each specific fund, transactions amongst funds have not necessarily been eliminated on the individual schedules.

Revenue Recognition

Government grants and transfers, which include Federal funding agreements are recognized in the financial statements in the period in which events giving rise to the transfers occur, providing the transfers are authorized, any eligibility criteria have been met and reasonable estimates of the amount can be made. When the eligibility criteria is not met, transfers received are reflected as deferred revenue in the year of receipt and classified as such on the Statement of Financial Position.

Rental revenue is recognized as it becomes receivable under the terms of the rental agreement. Periodic revenue is recognized on an accrual basis commencing at the beginning of the month.

Ottawa Trust Funds

The Band uses the accrual method of accounting for Ottawa Trust Fund revenues earned in the Fund. Trust monies are recognized in revenue of the Band upon withdrawal from the Ottawa Trust Fund.

Rents Receivable

Canada Mortgages and Housing Corporation (CMHC) does not allow or recognize bad debts recorded in the financial statements of Social Housing and will not subsidize rental arrears.

Deferred Revenue

Funds received for specific purposes which are externally restricted by legislation, regulation or agreement and are not available for general purposes are accounted for as deferred revenue on the statement of financial position. The revenue is recognized in the statement of financial activity in the year in which it is used for the specified purpose.

Loans

Loans issued and repaid under the fund accounting method are recorded as expenditures and revenue respectively. Loans which become uncollectible are removed from equity in the year they are first considered doubtful.

1. Summary of Significant Accounting Policies (continued)

Investments

The Band accounts for its equity investments for which market value is not readily available at cost.

Tangible Capital Assets

Tangible capital assets are stated at cost less accumulated amortization and are recorded in the Capital Fund. The acquisition costs of tangible capital assets and payments on capital debt, which are not funded from capital financing sources, are charged to operations through interfund transfers and matched with the applicable revenue source in the year of expenditure. Tangible capital asset acquisitions are also recorded as an addition to assets of the Capital Fund with a corresponding increase in equity in tangible capital assets.

Amortization is charged against tangible capital assets and equity in tangible capital assets on a straight-line basis at the following rates:

Automotive equipment	5 years
Buildings and improvements	25 years
Furniture and equipment	5 years
Infrastructure	50 years

Social housing assets acquired under Canada Mortgage and Housing Corporation sponsored housing programs are amortized at a rate equivalent to the annual principal reduction in the related long-term debt, as required for Canada Mortgage and Housing Corporation reporting purposes.

Impairment of Long-lived Assets

In the event that fact and circumstances indicate that the Band's long-lived assets may be impaired, an evaluation of recoverability would be performed. Such an evaluation entails comparing the estimated future undiscounted cash flows associated with the asset to the asset's carrying amount to determine if a write-down to market value or discounted cash flow value is required. The Band considers that no circumstances exist that would require such an evaluation.

Leased Assets

Leases entered into, that transfer substantially all of the benefits and risks associated with ownership, are recorded as the acquisition of a tangible capital asset and the incurrence of an obligation. The asset is amortized in a manner consistent with tangible capital assets owned by the Band, and the obligation, including interest thereon, is liquidated over the term of the lease. All other leases are accounted for as operating leases, and the rental costs are expensed as incurred.

1. Summary of Significant Accounting Policies (continued)

Use of Estimates

The preparation of financial statements in accordance with Canadian public sector accounting standards requires management to make assumptions and estimates that have an effect on the reported amounts of assets and liabilities and disclosure of assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the year. Actual results could be different from those estimates.

Financial Instruments

The Band recognizes and measures financial assets and financial liabilities on the statement of financial position when it becomes a party to the contractual provisions of a financial instrument. All transactions related to financial instruments are recorded on a trade date or settlement date basis. All financial instruments are measured at fair value on initial recognition. Financial instruments are subsequently measured at amortized cost as the Band has not entered into any derivative contracts and it does not hold any investments in equity instruments quoted on the active market. Since no financial instruments are measured at fair value after initial recognition, a statement of remeasurement gains and losses has not been presented in these financial statements.

2. Economic Dependence

The Band receives a significant portion of its revenue pursuant to a funding arrangement with Indigenous and Northern Affairs Canada ("INAC").

3. Cash

Operations	\$ 384,805	\$ 2,395
Social Housing	<u>96,682</u>	<u>43,244</u>
	<u>\$ 481,487</u>	<u>\$ 45,639</u>

The Band has a Royal Bank of Canada business operating line of credit that is secured by a general security agreement. The authorized credit limit is \$50,000, at a rate of prime plus 1.0%. As of March 31, 2017, the Band had not drawn on this facility.

	<hr/>	<hr/>
	\$ 15,902	\$ 81,715

The Ottawa trust accounts arise from monies derived from capital or revenue sources as outlined in Section 62 of the *Indian Act*. These funds are held in trust in the Revenue Fund of the Government of Canada and are subject to audit by the Office of the Auditor General of Canada. These funds are restricted in their use. The Band is permitted to use its revenue for any purpose that will promote the general progress and welfare of the Band and Band members. The expenditures of capital funds requires the consent of Indigenous and Northern Affairs Canada and generally must be for projects of a capital nature. Withdrawals of revenue or capital funds are recorded as revenue in the applicable fund where the monies are expended.

The Housing restricted cash is derived under the terms of the agreement with Canada Mortgage and Housing Corporation ("CMHC"), the account is to be credited annually. These funds along with accumulated interest, must be held in a separate bank account and/or invested only in accounts or instruments insured by the Canada Deposit Insurance Corporation.
