## MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

The accompanying financial statements of the Lytton First Nation for the year ended March 31, 2015 and all the information in this annual report are the responsibility of management and have been approved by the Chief and Council.

The financial statements have been prepared by management in accordance with Canadian generally accepted accounting principles as prescribed by the Public Sector Accounting Board (PSAB). Financial statements are not precise since they include certain amounts based on estimates and judgments. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances, in order to ensure that the financial statements are presented fairly, in all material respects.

The Lytton First Nation maintains systems of internal accounting and administrative controls of high quality, consistent with reasonable cost. Such systems are designed to provide reasonable assurance that the financial information is relevant, reliable and accurate and the Lytton First Nation's assets are appropriately accounted for and adequately safeguarded.

The Lytton First Nation Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and is ultimately responsible for reviewing and approving the financial statements. The Council carries out this responsibility principally through its Finance Committee.

The Finance Committee, comprised of Council Members, reviews the First Nation's financial statements and recommends their approval to Council. The Finance Committee meets periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review, the financial statements and the external auditor's report. The Finance Committee reports its findings to the Council for consideration when approving the financial statements for issuance to the Members. The Finance Committee also considers, for review by Council and approval by the Members, the engagement of the external auditors.

The accompanying financial statements have been audited by Reid Hurst Nagy Inc., Chartered Professional Accountants, in accordance with Canadian generally accepted auditing standards on behalf of the Members. Reid Hurst Nagy Inc., Chartered Professional Accountants have full and free access to the books and records of the First Nation and to the Finance Committee.

## INDEPENDENT AUDITORS' REPORT

### LYTTON FIRST NATION

---

#### **Report on the financial statements**

We have audited the accompanying summary financial statements of Lytton First Nation, which comprise the summary statement of financial position as at March 31, 2015, the summary statements of operations, change in net financial assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

#### **Management's responsibility for the financial statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

#### **Auditors' responsibility**

Our responsibility is to express an opinion on these summary financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal controls relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal controls.

An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Opinion**

In our opinion, the summary financial statements present fairly, in all material respects, the financial position of Lytton First Nation as at March 31, 2015, and its financial performance and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

## NOTES TO THE FINANCIAL STATEMENTS

March 31, 2015

---

### 1: SIGNIFICANT ACCOUNTING POLICIES

These Summary Financial Statements have been prepared in accordance with Canadian generally accepted accounting principles for government entities, as defined in the CICA Public Sector Accounting and Auditing Handbook, which encompasses the following principles:

#### a) Fund Accounting

The Lytton First Nation uses fund accounting procedures which result in a self-balancing set of accounts for each fund established by legal, contractual or voluntary actions. The various funds have been amalgamated for the purpose of presentation in the Summary Financial Statements. Details of the operations of each fund are set out in the supplementary schedules Lytton First Nation maintains the following funds:

- The Operating Fund which reports the general activities of the First Nation Administration.
- The Capital Fund which reports the capital assets of the First Nation, together with their related financing.
- The Social Housing Fund which reports the social housing assets of the First Nation, together with related activities.
- The Trust Fund which reports on trust funds owned by the First Nation and held by third parties.
- The Enterprise Fund which reports the First Nation's investments in related entities.

#### b) Reporting Entity and Principles of Financial Reporting

The Lytton First Nation reporting entity includes the Lytton First Nation government and all related entities which are accountable to the First Nation and are either owned or controlled by the First Nation.

These financial statements combine the assets, liabilities and results of operations for the following entities which use accounting principles which lend themselves to consolidation:

- Lytton First Nation Operating Fund
- Lytton First Nation Social Housing Fund
- Lytton First Nation Capital Fund
- Lytton First Nation Trust Fund
- Lytton First Nation Enterprise Fund

All inter-entity balances have been eliminated on consolidation, but in order to present the results of operations for each specified fund, transactions amongst funds have not necessarily been eliminated on the individual schedules.

Incorporated business entities, which are owned or controlled by the Lytton First Nation Council and which are not dependent on the First Nation for their continuing operations, are included in the Summary Financial Statements using the modified equity method. These include:

- Kumcheen Enterprises Ltd.
- Lytton Development Corp.
- Stein Valley Nlakapamux School Society

#### c) Asset Classification

Assets are classified as either financial or non-financial. Financial assets are assets that could be used to discharge existing liabilities or finance future operations. Non-financial assets are acquired, constructed or developed and do not provide resources to discharge existing operations and are not for resale. Non-financial assets include capital assets, prepaid expenses and inventories of supplies.

### 1: SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### d) Tangible Capital Assets

Tangible capital assets include acquired, built, developed and improved tangible capital assets, whose useful life extends beyond one year and which are intended to be used on an ongoing basis for the production of goods and delivering of services. Tangible capital assets are presented at net book value.

The acquisition costs of tangible capital assets and payments on capital debt, which are not funded from capital financing sources, are charged to operations and matched with the applicable revenue source in the year of expenditure. These expenditures are also recorded as additions to assets of the Capital Fund with a corresponding increase in Equity and Tangible Capital Assets.

Tangible capital assets acquired as part of the Social Housing Fund and Enterprise Fund are recorded as assets of those funds.

#### e) Amortization

Tangible capital assets are recorded and amortized annually with a corresponding reduction to Equity in Tangible Capital Assets. Assets are amortized over their expected useful life using the straight-line method at the following rates:

Automobile	4 years straight-line
Buildings and improvements	40 years straight-line
General equipment	5 years straight-line
Roads and bridge	over the estimated useful life
Water and sewer systems	over the estimated useful life

Social Housing assets acquired under CMHC sponsored housing programs are not being depreciated.

#### f) Inventory

Inventory is recorded at the lower of cost and net realizable value and recorded on the first-in, first-out basis.

#### g) Revenue Recognition

Revenue is recognized as it becomes receivable under the terms of applicable funding agreements. Funding received under the funding arrangements that relates to a subsequent fiscal period is reflected as deferred revenue in the year of receipt and classified as such on the Summary Statement of Financial Position.

#### h) Economic Dependence

The Lytton First Nation receives a major portion of its revenue from Aboriginal Affairs and Northern Development Canada and First Nations Health Authority. The nature and extent of this revenue is of such significance that the First Nation is economically dependent on this source of revenue.

#### i) Net Assets

The First Nation's financial statements are presented so as to highlight net assets as the measurement of financial position. The net assets of the First Nation is determined by its financial assets less its liabilities. Net assets is comprised of two components, non-financial assets and accumulated surplus.

The Ottawa Trust accounts arise from monies derived from capital or revenue sources as outlined in Section 62 of the Indian Act. These funds are held in trust in the Consolidated Revenue Fund of the Government of Canada and are subject to audit by the Office of the Auditor General of Canada. The management of these funds is primarily governed by Sections 63 to 69 of the Indian Act.

### 5: BANK INDEBTEDNESS

The First Nation has a \$500,000 operating line of credit with The Bank of Nova Scotia with interest at prime plus 0.5% per annum. The line of credit is to fully revolve to zero annually, upon receipt of funds from AANDC on April 1st. Renewal of the line of credit is at the Bank's discretion. The line of credit is secured by a Band Council resolution pledging \$350,000 in student trust fund term deposits as security for the line of credit.

### 6: MINISTERIAL GUARANTEES

A Government of Canada Ministerial Guarantee has been obtained for the following loans. If these loans default, the Minister may recover the outstanding amounts from the Lytton First Nation.

## NOTES TO THE FINANCIAL STATEMENTS

March 31, 2015

---

### 10: REPLACEMENT RESERVE FUND

Under the terms of the agreement with Canada Mortgage & Housing Corporation (CMHC), the Replacement Reserve account is to be credited in the amount of \$45,050 annually in Schedule "B" of the Operating Agreement. These funds, along with accumulated interest, must be held in a separate bank account and/or invested only in accounts or instruments insured by the Canada Deposit Insurance Corporation or as may otherwise be approved by CMHC from time to time.

As at the Summary Statement of Financial Position date, the Fund is underfunded by \$72,939 (2014 - \$134,334).

### 11: SUBSIDY SURPLUS FUND

Under the terms of the agreement with CMHC, excess federal assistance payments received may be retained in a subsidy surplus reserve up to a maximum of \$500 per unit plus interest. The reserve is to be comprised of monies deposited in a separate bank account and/or invested only in accounts or instruments insured by the Canada Deposit Insurance Corporation or as may otherwise be approved by CMHC from time to time. The funds in this account may only be used to meet future subsidy requirements of income-tested occupants over and above the maximum federal assistance. Withdrawals are credited to interest first and then principal.

As at the Summary Statement of Financial Position date, the Fund has a balance of zero.

### 12: OPERATING RESERVE FUND

Under the terms of the agreement with Canada Mortgage & Housing Corporation (CMHC), any annual operating surplus may be retained in an operating reserve account, to be drawn against in the event of any future deficits. The reserve is to be comprised of monies deposited in a separate bank account and/or invested only in accounts or instruments insured by the Canada Deposit Insurance Corporation or as may otherwise be approved by CMHC from time to time.

As at the Summary Statement of Financial Position date, the Fund is underfunded by \$309,943 (2014 - \$273,087).

### 13: CHANGE IN ACCOUNTING POLICIES

#### Liability for Contaminated Site

Effective April 1, 2014 the First Nation adopted new Public Sector Accounting Handbook Standard PS 3260, Liability for Contaminated Sites. The standard requires the recognition of a liability for the remediation of contamination sites in the financial statements when the recognition criteria outlined in the standard is met. This change is accounting policy has been applied prospectively. There was no impact on adoption of this standard to the financial statements of the First Nation as no sites meeting the criteria were recognized by the First Nation.

### 14: COMPARATIVE FIGURES

Prior year's comparative amounts have been reclassified where necessary to conform with the current year's presentation.
