### **Management's Responsibility**

To the Members of Canim Lake Band:

The accompanying consolidated financial statements of Canim Lake Band are the responsibility of management and have been approved by the Chief and Council.

Management is responsible for the preparation and presentation of the accompanying consolidated financial statements, including responsibility for significant accounting judgments and estimates in accordance with Canadian public sector accounting standards. This responsibility includes selecting appropriate accounting principles and methods, and making decisions affecting the measurement of transactions in which objective judgment is required.

In discharging its responsibilities for the integrity and fairness of the consolidated financial statements, management designs and maintains the necessary accounting systems and related internal controls to provide reasonable assurance that transactions are authorized, assets are safeguarded and financial records are properly maintained to provide reliable information for the preparation of consolidated financial statements.

The Canim Lake Band Council is responsible for overseeing management in the performance of its financial reporting responsibilities, and for approving the consolidated financial statements. The Council fulfills these responsibilities by reviewing the financial information prepared by management and discussing relevant matters with management and external auditors. The Council is also responsible for recommending the appointment of the Band's external auditors.

MNP LLP is appointed by the Members to audit the consolidated financial statements and report directly to them; their report follows. The external auditors have full and free access to, and meet periodically and separately with, both the Council and management to discuss their audit findings.

## Independent Auditors' Report

---

To the Members of Canim Lake Band:

We have audited the accompanying consolidated financial statements of Canim Lake Band, which comprise the consolidated statement of financial position as at March 31, 2017, and the consolidated statements of operations and accumulated surplus, change in net financial assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

*Management's Responsibility for the Consolidated Financial Statements*

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

*Auditors' Responsibility*

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

*Opinion*

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of Canim Lake Band as at March 31, 2017 and the results of its operations, change in net financial assets and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

**Notes to the Consolidated Financial Statements**  
*For the year ended March 31, 2017*

---

**1. Operations**

The Canim Lake Band (the "Band") is located in the Province of British Columbia, and provides various services to its members. Canim Lake Band includes the Band's members, government and all related entities that are accountable to the Band and are either owned or controlled by the Band.

**2. Significant accounting policies**

These consolidated financial statements are the representations of management, prepared in accordance with Canadian public sector accounting standards and include the following significant accounting policies:

***Reporting entity***

The financial statements consolidate the financial activities of all entities and departments comprising the Band reporting entity, except for Band business entities. Trusts administered on behalf of third parties by Canim Lake Band are excluded from the Band reporting entity.

The Band has consolidated the assets, liabilities, revenue and expenses of the following entities and departments:

- Canim Lake Band CMHC Social Housing Program
- Three Feathers Construction
- Canim Lake Treaty and Self-Government
- Teniye Logging Ltd.
- CLB Development Corp.

All inter-entity balances have been eliminated on consolidation; however, transactions between departments have not been eliminated in order to present the results of operations for each specific department in the accompanying schedules.

Canim Lake Band business entities, owned or controlled by the Band's Council but not dependent on the Band for their continuing operations, are included in the consolidated financial statements using the modified equity method. Under the modified equity method, the equity method of accounting is modified only to the extent that the business entity accounting principles are not adjusted to conform to those of the Band. Thus, the Band's investment in these entities is recorded at acquisition cost and is increased for the proportionate share of post acquisition earnings and decreased by post acquisition losses and distributions received. Entities accounted for by the modified equity basis include:

- Kenkek nem Forest Tenures Ltd.

***Basis of presentation***

Sources of revenue and expenses are recorded on the accrual basis of accounting. The accrual basis of accounting recognizes revenue as it becomes available and measurable; expenses are recognized as they are incurred and measurable as a result of the receipt of goods or services and the creation of a legal obligation to pay.

***Cash resources***

Cash resources include balances with banks and short-term investments with maturities of three months or less. Cash subject to restrictions that prevent its use for current purposes is included in restricted cash.

**Canim Lake Band**  
**Notes to the Consolidated Financial Statements**  
*For the year ended March 31, 2017*

---

**2. Significant accounting policies** *(Continued from previous page)*

***Tangible capital assets***

Tangible capital assets are initially recorded at cost. Contributed tangible assets are recorded at their fair value at the date of contribution.

All intangible assets and items inherited by the rights of the Band, such as reserve land, forests, water and mineral resources are not recognized in the Band's consolidated financial statements.

Tangible capital assets are amortized over their expected useful life of the assets using the straight-line method. In the year of acquisition amortization is taken at one-half the rates. See below for amortization rates of specific assets categories.

Buildings	40 years
Infrastructure	10-40 years
Bridges and dams	40 years
Street lighting	40 years
Water system	40 years
Equipment	1-20 years
Social housing	25 years
Assets under capital lease	declining balance
	2-5 years

***Funds held in Ottawa Trust Fund***

Funds held in trust on behalf of Band members by the Government of Canada in the Ottawa Trust Fund are reported on the consolidated statement of financial position. Trust moneys consist of:

- Capital trust moneys derived from non-renewable resource transactions on the sale of land or other Band tangible capital assets; and
- Revenue trust moneys generated primarily through land leasing transactions or interest earned on deposits held in trust.

***Net financial assets***

The Band's consolidated financial statements are presented so as to highlight net financial assets as the measurement of consolidated financial position. The net financial assets of the Band is determined by its financial assets less its liabilities. Net financial assets is comprised of two components, non-financial assets and accumulated surplus.

***Asset classification***

Assets are classified as either financial or non-financial. Financial assets are assets that could be used to discharge existing liabilities or finance future operations. Non-financial assets are acquired, constructed or developed assets that do not normally provide resources to discharge existing liabilities but are employed to deliver government services, may be consumed in normal operations and are not for resale in the normal course of operations. Non-financial assets include tangible capital assets and prepaids expenses.

**2. Significant accounting policies** *(Continued from previous page)*

***Revenue recognition***

i) Government Funding

The Band recognizes a government transfer as revenue when the transfer is authorized and all eligibility criteria, if any, have been met. A government transfer with stipulations giving rise to an obligation that meets the definition of a liability is recognized as a liability. In such circumstances, the Band recognizes revenue as the liability is settled. Transfer of non-depreciable assets are recognized in revenue when received or receivable.

ii) First Nation Capital and Revenue Trust Funds

The Band recognizes revenue of the Capital and Revenue trusts when earned.

iii) Canada Mortgage and Housing Corporation ("CMHC") and First Nation Health Authority ("FNHA")

CMHC and FNHA revenue is recognized as it become receivable under the terms of the applicable funding agreements. Funding received under funding arrangements that relate to a subsequent fiscal period are reflected as deferred revenue on the consolidated statement of financial position in the year of receipt.

iv) Housing rental income

Rental revenue is recorded in the year it is earned. At the end of each year, management evaluates whether rent revenue is collectible and records a bad debt expense and allowance for doubtful accounts for those amounts designated as unlikely to be collected.

vi) Other revenue

Revenue such as administration fee, contract revenue and other revenue is recognized when performance is achieved, amounts are reasonably estimated and collection is reasonably assured.

***Measurement uncertainty (use of estimates)***

The preparation of consolidated financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenue and expenses during the reporting period. Accounts receivable are stated after evaluation as to their collectability and an appropriate allowance for doubtful accounts is provided where considered necessary. Amortization is based on the estimated useful lives of tangible capital assets. Liabilities for contaminated sites are estimated based on the best information available regarding potentially contaminated sites that the Band is responsible for. These estimates are reviewed periodically and, as adjustments become necessary, they are reported in operations of the periods in which they become known.

***Long-lived assets***

Long-lived assets consist of tangible capital assets. Long-lived assets held for use are measured and amortized as described in the applicable accounting policies.

The Band performs impairment testing on long-lived assets held for use whenever events or changes in circumstances indicate that the carrying amount of an asset, or group of assets, may not be recoverable. Impairment losses are recognized when an asset's service potential is reduced. Impairment is measured as the amount by which the asset's carrying amount exceeds its fair value. Any impairment is included in operations for the year. Prices for similar items are used to measure fair value of long-lived assets.

The Band does not perform impairment testing on its long-lived assets that are held for public administration and situated on its reserve land as it is not possible to determine their fair market value.

**Notes to the Consolidated Financial Statements**  
*For the year ended March 31, 2017*

---

**2. Significant accounting policies** *(Continued from previous page)*

**Segments**

The Band conducts its business through a number of reportable segments as described in Note 17. These operating segments are established by senior management to facilitate the achievement of the Band's long-term objectives to aid in resource allocation decisions, and to assess operational performance.

For each reported segment, revenue and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis.

The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements.

***Liability for contaminated site***

A liability for remediation of a contaminated site is recognized at the best estimate of the amount required to remediate the contaminated site when contamination exceeding an environmental standard exists, the Band is either directly responsible or accepts responsibility, it is expected that future economic benefits will be given up, and a reasonable estimate of the amount is determinable. The best estimate of the liability includes all costs directly attributable to remediation activities and is reduced by expected net recoveries based on information available at March 31, 2017.

At each financial reporting date, the Band reviews the carrying amount of the liability. Any revisions required to the amount previously recognized is accounted for in the period revisions are made. The Band continues to recognize the liability until it is settled or otherwise extinguished. Disbursements made to settle the liability are deducted from the reported liability when they are made. As at March 31, 2017, no liability for contaminated site exists.

Ottawa Trust Funds

The Ottawa Trust accounts arise from monies derived from capital or revenue sources as outlined in Section 62 of the *Indian Act*. These funds are held in trust in the Consolidated Revenue Fund of the Government of Canada and are subject to audit by the Office of the Auditor General of Canada. The management of these funds is primarily governed by Section 63 to 69 of the *Indian Act*.

**6. Restricted cash**

Under the terms of the agreement with Canada Mortgage and Housing Corporation ("CMHC"), the replacement reserve account is to be credited in the amount of \$34,643 (2016 - \$35,793) annually. These funds, along with accumulated interest, must be held in a separate bank account and/or invested only in accounts or instruments insured by the Canada Deposit Insurance Corporation or as may otherwise be approved by CMHC from time to time. The funds in the account may only be used as approved by CMHC. At year end, these reserves were under-funded by \$409,738 (2016 - underfunded by \$375,094).

Under the terms of the agreement with Canada Mortgage and Housing Corporation ("CMHC"), excess revenues over expenditures for the Post 1996 phases may be retained in an operating reserve. These funds, along with accumulated interest, must be held in a separate bank account and/or invested only in accounts or instruments insured by the Canada Deposit Insurance Corporation or as may otherwise be approved by CMHC from time to time. At year end, the operating reserve was under-funded by \$5,553 (2016 - underfunded by \$3,590).

**13. Contingencies**

- a) The Band may be contingently liable with respect to Ministerial guarantees for "On Reserve Housing Loans" to various financial institutions in the amount of \$880,769 (2016 - \$1,023,936). These guarantees are in addition to CMHC mortgages.
- b) Canim Lake Band is a member of the Northern Shuswap Treaty Society. The Northern Shuswap Treaty Society has entered into Negotiations Support Agreements on behalf of its members and carried out treaty negotiations with Canada and British Columbia. Under the terms of the agreements, the Northern Shuswap Treaty Society is indebted to Canada. If Canim Lake Band is liable under the Negotiation Support Agreement, the amount is subject to redetermination and consequently indeterminable; and accordingly excluded from these consolidated financial statements. Subject to any treaty or further extension, the indebtedness to Canada is due on demand.
- c) The financial results of the CMHC Social Housing program are subject to review by CMHC. It is possible that adjustments could be made based on the results of their review.
