### **MANAGEMENT'S RESPONSIBILITY FOR THE CONSOLIDATED FINANCIAL STATEMENTS**

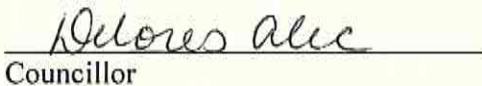

The accompanying consolidated financial statements of Nazko First Nation (Nation) are the responsibility of management and have been prepared in accordance with Canadian public sector accounting standards. A summary of the significant accounting policies are described in Note 1 to the consolidated financial statements. The preparation of consolidated financial statements necessarily involves the use of estimates based on management's judgment, particularly when transactions affecting the current accounting period cannot be finalized with certainty until future periods.

The Nation's management maintains a system of internal controls designed to provide reasonable assurance that assets are safeguarded, transactions are properly authorized and recorded in compliance with legislative and regulatory requirements, and reliable financial information is available on a timely basis for preparation of the consolidated financial statements. These systems are monitored and evaluated by management.

Chief and Council meet with management and the external auditors to review the consolidated financial statements and discuss any significant financial reporting or internal control matters prior to their approval of the consolidated financial statements.

The consolidated financial statements have been audited by Brent Bursey & Company Inc., independent external auditors appointed by the Nation. The accompanying Independent Auditor's Report outlines their responsibilities, the scope of their examination and their opinion on the Nation's consolidated financial statements.

  
Chief

## **INDEPENDENT AUDITOR'S REPORT**

To Members of Nazko First Nation:

### **Opinion**

We have audited the consolidated financial statements of Nazko First Nation (Nation), which comprise the consolidated statement of financial position as at March 31, 2023, and the consolidated statement of operations, consolidated statement of changes in net financial assets and consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Nation as at March 31, 2023, and the consolidated results of operations, changes in consolidated net financial assets and consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

### **Basis for Opinion**

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our auditor's report. We are independent of the Nation in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements**

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Nation's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Nation's financial reporting process.

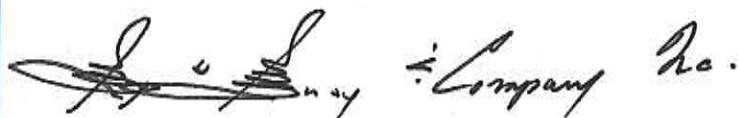

## Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Nation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Nation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Nation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Nation to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**NAZKO FIRST NATION**  
**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS**  
**YEAR ENDED MARCH 31, 2023**

---

**NATURE OF OPERATIONS**

---

Nazko First Nation (Nation) provides local government, education and training, health services and social development services to its members and was established under the Indian Act (Canada).

**1. SIGNIFICANT ACCOUNTING POLICIES**

---

These consolidated financial statements have been prepared in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada.

Reporting Entity and Principles of Financial Reporting

The reporting entity, Nazko First Nation, includes Nazko First Nation Government and all owned or controlled related entities.

All controlled entities are fully consolidated on a line-by-line basis. All inter-entity balances have been eliminated on consolidation; however, transactions between departments have not been eliminated in order to present the results of operations for each specific department.

No adjustments are made for accounting policies of the entity that are different from those of Nazko First Nation.

The Nation has consolidated the following entities and departments at 100% of assets, liabilities, revenue and expenses:

- Besikoh Fuel Limited Partnership
- Nazko First Nation CMHC Social Housing Program
- Nazko Economic Development Corp.
- Nazko Logging Limited Partnership
- Nazko Silviculture LLP
- Ndazkhot'en Forest Management Ltd.
- Ndazkhot'en Holdings Ltd.
- Ndazkhot'en Properties Ltd.
- Three Nations Store and Lodge Limited Liability Partnership

The Nation has consolidated the following entities at 51% of assets, and liabilities:

- Nazbec Limited Partnership
- Nazbec Wood Processing Ltd.

**NAZKO FIRST NATION**  
**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS**  
**YEAR ENDED MARCH 31, 2023**

---

**1. SIGNIFICANT ACCOUNTING POLICIES, continued**

---

Asset Classification

The Nation classifies assets as either financial or non-financial. Financial assets consist of assets that could be used to pay existing liabilities or finance future operations. Non-financial assets are acquired, constructed or developed assets that do not normally provide resources to pay existing liabilities but are employed to deliver government services, may be consumed in normal operations and are not for resale in the normal course of operations. Non-financial assets include tangible capital assets and prepaid expenditures.

Funds Held in Trust

Funds held in trust on behalf of the Nation members by the Government of Canada in the Ottawa Trust Fund are reported on the statement of financial position with an offsetting amount in accumulated surplus. Trust monies consist of:

- Capital trust monies derived from non-renewable resource transactions on the sale of land or other Nation tangible capital assets; and
- Revenue trust monies generated primarily through land leasing transactions or interest earned on deposits held in trust.

Cash and Bank Indebtedness

Cash and bank indebtedness include cash on hand, cash on deposit net of cheques issued and outstanding at the reporting date, and short-term deposits with maturity dates of less than 90 days.

Inventory

Inventory consists of goods available for sale and is valued at the lower of cost and net realizable value using the average cost method.

Net Financial Assets

The Nation's consolidated financial statements are presented to highlight net financial assets as the measurement of financial position. The net financial assets are determined by the Nation's financial assets less its liabilities.

Tangible Capital Assets

Tangible capital assets are recorded at cost, which includes amounts that are directly related to the acquisition, design, construction, development, improvement or betterment of the assets. Cost includes overhead directly attributable to construction and development, as well as interest costs that are directly attributable to the acquisition or construction of the asset. Transfers of tangible capital assets from related parties are recorded at carrying value.

**NAZKO FIRST NATION**  
**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS**  
**YEAR ENDED MARCH 31, 2023**

---

**1. SIGNIFICANT ACCOUNTING POLICIES, continued**

---

Tangible Capital Assets, continued

Leases that transfer substantially all the benefits and risks of ownership to the lessee are recorded as capital leases. Accordingly, at the inception of the leases, the tangible capital asset and related lease obligations are recorded at an amount equal to the present value of future lease payments discounted at the lower of the interest rate inherent in the lease contracts and the Nation's incremental cost of borrowing.

Tangible capital assets are amortized using the declining balance method at rates calculated to amortize the cost less salvage value as follows:

Computer equipment	30%
Infrastructure	4-20%
Logging equipment	30%
Mobile and construction equipment	30%
Mobile homes	4-10%
Office equipment	20%
Recreational infrastructure	10%
Site improvements	20%

Social housing assets acquired under Canada Mortgage and Housing Corporation (CMHC) sponsored housing programs are amortized at a rate equivalent to the annual principal reduction in related long-term debt.

Assets under construction are not amortized until the asset is available to be put into service.

Certain assets which have historical or cultural value, including works of art, historical documents and historical and cultural artifacts, are not recognized as tangible capital assets.

Tangible capital assets are written down when conditions indicate that they no longer contribute to the Nation's ability to provide goods and services, or when the value of future economic benefits associated with the tangible capital assets are less than their net book value. Net write-downs are accounted for in the consolidated statement of operations and consolidated statement of changes in net assets when they occur.

All intangible assets and items inherited by the right of the Nation, such as reserve land, forests, water, and mineral reserves, are not recognized in the consolidated financial statements.

Revenue and Expenditure

Revenue and expenditure are recorded using the accrual basis of accounting. Revenue is recognized in the period in which the transactions or events occurred that gave rise to the revenue. Gains are recognized when realized. Items not practically measurable until cash is received are accounted for at that time.

**NAZKO FIRST NATION**  
**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS**  
**YEAR ENDED MARCH 31, 2023**

---

**1. SIGNIFICANT ACCOUNTING POLICIES, continued**

---

Revenue and Expenditure, continued

Government transfers are recognized as revenue when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability and recognized in the statement of operations as the stipulation liabilities are settled.

Contributions from other sources are deferred when restrictions are placed on their use by the contributor and are recognized as revenue when used for the specific purpose.

Capital and revenue from trust funds is recognized at the time funds are contributed from the accounts held in Ottawa. Interest revenue is recognized when earned.

Investment income is recognized when the investment income is earned.

Logging revenue is earned on timber sale licenses and is recognized when wood fibre is delivered and the customer takes ownership and assumes the risk of loss, persuasive evidence of an arrangement exists, and collection is reasonably assured.

Silviculture revenue is earned on the provision of silviculture services and is recognized when the service is provided, and collection is reasonably assured.

Revenue earned from the sale of lumber, fuel, tobacco and confectionary items is recognized when the goods are delivered to the customer, persuasive evidence of an arrangement exists, and collection is reasonably assured.

Interest income, rental income and other revenue are recognized when earned and/or when the service is provided, and collection is reasonably assured.

Funding Recoveries and Reimbursements

Funding received from federal government sources in the form of conditional transfer payments are subject to recovery, by the Crown, of unexpended balances or unallowable expenses. The Crown may reimburse over expenditures upon determining adherence to the terms and conditions of payments for a specified purpose. Recoveries and reimbursements are accounted for when they are paid or payable or received or receivable.

**NAZKO FIRST NATION**  
**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS**  
**YEAR ENDED MARCH 31, 2023**

---

**1. SIGNIFICANT ACCOUNTING POLICIES, continued**

---

Measurement Uncertainty

The preparation of consolidated financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenue and expenditure during the reporting period.

Accounts receivable and amounts due from related entities and department are stated, after evaluation, as to their collectability and an appropriate allowance for doubtful accounts is provided where considered necessary. Provisions are made for slow moving and obsolete inventory. Amortization is based on the estimated useful lives of tangible capital assets. Liabilities for contaminated sites are based on the best information available regarding potentially contaminated sites that the Nation is responsible for. Silviculture liabilities are based on the best information available regarding the potential liability that the Nation is responsible for.

Actual results could differ from these estimates. These estimates and assumptions are reviewed periodically and, as adjustments become necessary, are reported in income in the years in which they become known.

Liability for Contaminated Site

A liability for remediation of a contaminated site is recognized at the best estimate of the amount required to remediate the contaminated site when contamination exceeding an environmental standard exists, the Nation is either directly responsible or accepts responsibility, it is expected that future economic benefits will be given up, and a reasonable estimate of the amount is determinable. The best estimate of the liability includes all costs directly attributable to remediation activities and is reduced by expected net recoveries based on information available at March 31, 2023.

The Nation reviews the carrying amount of the liability annually. Any revisions required previously recognized amounts are accounted for in the period revisions are made. The Nation continues to recognize the liability until it is settled or otherwise extinguished. Disbursements made to settle the liability are deducted from the reported liability when they are made. No liability for contaminated site exists as at March 31, 2023.

**NAZKO FIRST NATION**

	3,425,798	973,170
Less: allowance for doubtful accounts	<u>(115,193)</u>	<u>(109,532)</u>
	<u>\$ 3,310,605</u>	<u>\$ 863,638</u>

**3. RESTRICTED CASH**

	2023	2022
Restricted cash consists of:		
Replacement Reserve	\$ 94,008	\$ 94,065
Operations Reserve	42,533	66,984
Treaty Negotiations	1,309	1,345
Ministry of Forests	<u>331,602</u>	<u>327,491</u>
	<u>\$ 469,452</u>	<u>\$ 489,885</u>

Replacement Reserve

Under the terms of the agreement with CMHC the Replacement Reserve account is to be credited \$6,000 (2022 - \$6,000) for Phase II and \$2,000 (2022 - \$2,000) for Phase III. The funds in the account may only be used as approved by CMHC. Withdrawals are credited to interest first and then principal. These funds, along with accumulated interest, must be held in a separate bank account and/or invested only in accounts or instruments insured by the Canada Deposit Insurance Corporation, or as may otherwise be approved by CMHC. At year end, the Replacement Reserve has unfunded reserves of \$7,975 (2022 - \$8,032) and is in technical default with the CMHC agreement.

**NAZKO FIRST NATION**  
**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS**  
**YEAR ENDED MARCH 31, 2023**

**3. RESTRICTED CASH, continued**

Operations Reserve

Under the terms of the agreement with CMHC, subsequent to the payment of all costs and expenditures, including the allocation to the Replacement Reserve, any surplus revenue from Phase II and/or Phase III will be retained by the Program within an Operations Reserve. The Program's Operations Reserve may only be used for the on-going operating costs of Phase II and Phase III as committed under the Post 1996 On-Reserve Program. Accordingly, future years' deficits may be recovered from the Operations Reserve. These funds, along with accumulated interest, must be held in a separate bank account and/or invested only in accounts or instruments insured by the Canada Deposit Insurance Corporation, or as may otherwise be mutually agreed to by the Nation and CMHC. At year end, the Operations Reserve has unfunded reserves of \$18,818 (2022 - \$20,067) and is in technical default with the CMHC agreement.

Treaty Negotiations

Treaty Negotiations cash is restricted for expenditures as related to the Nation Negotiations Support Agreement for carrying out treaty negotiations with Canada and British Columbia.

Ministry of Forests

Restricted cash consists of amounts in safekeeping agreements held jointly between Ndazkhot'en Forest Management Ltd. and the Ministry of Forests for security on future silviculture costs.

The Ottawa Trust Accounts arise from monies from capital or revenue sources outlined in Section 62 of the Indian Act. These funds are held in trust in the Consolidated Revenue Fund of the Government of Canada and are subject to audit by the office of the Auditor General of Canada. The management of these funds is primarily governed by Sections 63 to 69 of the Indian Act.

**7. BANK INDEBTEDNESS**

	2023	2022
Bank of Montreal		
Nazko Economic Development Corp	<u>\$ 3,138,050</u>	<u>\$ 3,430,029</u>

The Nation's credit facility includes a revolving line of credit authorized to \$300,000, bearing interest at prime plus 0.5% (March 31, 2023 - 7.2%), secured by an assignment of fire insurance and a general security agreement.

Nazko Economic Development Corp. credit facility includes an operating line of credit available to a maximum of \$3,929,000 bearing interest at prime plus 1.25% (March 31, 2023 - 7.95%), secured by a general security agreement, registered mortgage over property and guarantees from the Nation and Nation-owned entities.

**NAZKO FIRST NATION**  
**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS**  
**YEAR ENDED MARCH 31, 2023**

---

**13. CONTINGENT LIABILITIES**

---

The Nation has entered into contribution agreements with various government agencies. Funding received under these contribution agreements is subject to repayment if the Nation fails to comply with the terms and conditions of the agreements.

The Nation may have future silviculture commitments on government business entity owned forest licences if future costs exceed current estimates. The amount of the liability, if any, is not determinable at this time.

The Nation has guaranteed an operating line of credit advanced to Nazko Economic Development Corp.

In addition, in the normal course of operations, the Nation may become involved in legal actions. Some of these potential liabilities may become actual liabilities when one or more future events occur or fail to occur. To the extent that the future event is likely to occur, and a reasonable estimate of the loss can be made, an estimated liability is accrued, and an expense recorded in the consolidated financial statements.

**14. RECONCILIATION OF ISC FUNDING AGREEMENT REVENUE**

---

Pursuant to the Indigenous Services Canada ("ISC") Financial Reporting Requirements for the fiscal period 2022 - 2023, the following reconciliation has been prepared:

Recipient total, as per 2022/2023 ISC funding confirmation	\$ 3,763,845
Variance	<u>-</u>
ISC revenue, as per consolidated statement of operations	<u>\$ 3,763,845</u>

**NAZKO FIRST NATION**  
**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS**  
**YEAR ENDED MARCH 31, 2023**

**15. GOVERNMENT TRANSFERS**

**16. RELATED PARTY TRANSACTIONS**

In the normal course of operations, the Nation participated in transactions with related parties measured at the exchange amount as determined and agreed between the related parties.

The Nation received snow removal services of \$22,167 (2022 - \$10,434) from Nazko Logging Limited Partnership in the normal course of operations. The amount is measured at the exchange amount which is determined and agreed between the related party.

The Nation received contract services of \$146,704 (2022 - \$174,206) from Nazko Silviculture Limited Liability Partnership in the normal course of operations. The amount is measured at the exchange amount which is determined and agreed between the related party.

The Nation paid rent of \$68,736 (2022 - \$57,480) to Ndazkhot'en Holdings Ltd. in the normal course of operations. The amount is measured at the exchange amount which is determined and agreed between the related party.

The Nation accommodation services and supplies of \$480 (2022 - \$41,205) from Three Nations Store and Lodge Limited Liability Partnership in the normal course of operations. The amount is measured at the exchange amount which is determined and agreed between the related party.

**NAZKO FIRST NATION**  
**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS**  
**YEAR ENDED MARCH 31, 2023**

---

**17. ECONOMIC DEPENDENCE**

---

The Nation receives a major portion of its revenue pursuant to funding arrangements with Indigenous Services Canada and First Nations Health Authority. Any disruption in this funding would have a negative effect on the Nation's operations.

**18. RISK MANAGEMENT**

---

The Nation has a comprehensive risk management framework to monitor, evaluate and manage the principal risks assumed with financial instruments. The risks that arise from transacting financial instruments include the following:

Credit Risk

Credit risk refers to the risk that a counterparty may default on its contractual obligations resulting in a financial loss. The Nation has a history of dealing with its funding agencies and customer base and does not believe it is exposed to an unusual level of credit risk with respect to its accounts receivable.

The Nation maintains its cash and deposits with a federally regulated Canadian financial institution and a Credit Union, and thus has not experienced any change in risk exposure.

Interest Rate Risk

Interest rate risk refers to the risk that the fair value or future cash flows of a financial instrument will fluctuate due to changes in market interest rates. The majority of the Nation's long-term debt is at fixed rates of interest, therefore, a change in market interest rates has no impact to cash flows required to service this debt. The Nation has two mortgages and maintains an operating line of credit subject to floating rates of interest, a change in the variable rate can impact cash flow to service these debts when such debts are outstanding. There has been no change to the risk exposure from 2022 and there is expected to be no substantive change in the next fiscal period.

**19. SEGMENT DISCLOSURE**

---

The Nation provides a range of services to its members. For management reporting purposes, operations and activities are organized and reported by function and department. For each segment separately reported, the segment revenue and expenditure represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. The presentation by segment is based on the same accounting policies as described in the summary of significant accounting policies in Note 1. The segments and services provided are as follows:

**NAZKO FIRST NATION**  
**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS**  
**YEAR ENDED MARCH 31, 2023**

---

**19. SEGMENT DISCLOSURE, continued**

---

Economic Development - manages the development of economic opportunities from the land and natural resources for the Nation and its entities;

Education - provides elementary and secondary education instructional services and provides financial support to post secondary students;

Employment and Training - provides training and work opportunities for Nation members to improve their job skills and participate effectively in the labour market;

Government Development and Administration - provides governance initiatives and training through the activities of Chief and Council and administration of other activities relating to program delivery, membership and finance;

Health Services - provides a variety of health care programs, services and support to Nation members;

Housing - provides housing and services to Nation members;

Public Works Operations and Maintenance - manages community and facilities operations and maintenance including capital projects, municipal services, water and waste water operations, roads, fire protection, and maintenance of community buildings;

Lands and Resource Management - manages the development of economic opportunities from the land and natural resources for the Nation and its entities;

Social and Community Services - provides programs and services for the social benefit and welfare of Nation members;

Treaty Claims and Negotiations - manages the land claim and negotiation process with Canada and the Province of British Columbia;

Other - Ottawa trust funds and government business entities provide programs and services for the social, economic and capital needs of Nation members;

Tangible Capital Assets - provides for capital infrastructure development for Nation members.

**NAZKO FIRST NATION**  
**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS**  
**YEAR ENDED MARCH 31, 2023**

---

**20. BUDGETED FIGURES**

---

Budgets were not prepared for all segments and all departments in 2023. As such, the budget figures in the consolidated statement of operations are not presented for the same scope of activities as the actual results. The disclosed budget information has been approved by Chief and Council of the Nation.

**21. COMPARATIVE FIGURES**

---

Certain of the prior year's figures have been reclassified to conform to the current year's presentation.
