MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

The accompanying consolidated financial statements of Lhoosk'uz Dene Nation are the responsibility of management and have been approved by Chief and Council.

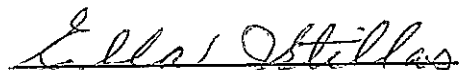

The consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board of the Chartered Professional Accountants Canada and as such include amounts that are the best estimates and judgments of management.

Management is responsible for the integrity and objectivity of these statements and for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

Chief and Council are responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control and is ultimately responsible for reviewing and approving the consolidated financial statements.

Chief and Council meet periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review the consolidated financial statements and the external auditor's report.

The external auditors, Ribeyre Chang Haylock, conduct an independent examination, in accordance with Canadian auditing standards, and express their opinion on the consolidated financial statements. The external auditors have full and free access to financial management of Lhoosk'uz Dene Nation and meet when required.

INDEPENDENT AUDITORS' REPORT

To: The Members of Lhoosk'uz Dene Nation

Lhoosk'uz Dene Nation

Report on the Financial Statements

We have audited the accompanying financial statements of Lhoosk'uz Dene Nation, which comprise the statement of financial position as at March 31, 2017, and the summary statement of operations, summary statement of change in net debt, summary statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of **Lhoosk'uz Dene Nation** as at March 31, 2017, and its financial performance and its cash flows for the year then ended in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board.

Lhoosk'uz Dene Nation

NOTES TO FINANCIAL STATEMENTS

March 31, 2017

See Auditor's Report

1. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES

The Lhoosk'uz Dene Nation (First Nation) is located in Kluskus, British Columbia, and provides various services to its members.

These Summary Financial Statements have been prepared in accordance with Canadian generally accepted accounting principles for local government entities, as defined in the CICPA Public Sector Accounting and Auditing Handbook, which encompasses the following principles.

a) Fund accounting

The Lhoosk'uz Dene Nation uses fund accounting procedures which result in a self-balancing set of accounts for each fund established by legal, contractual or voluntary actions. The various funds have been amalgamated for the purpose of presentation in the Summary Financial Statements. Details of the operations of each fund are set out in the supplementary schedules. The Lhoosk'uz Dene Nation maintains the following funds:

- The Operating Fund which reports the general activities of the First Nation
- The Trust Fund which reports on trust funds owned by the First Nation and held by a third party,
- The Investment Fund which reports the Band's investments in related entities.

b) Reporting entity and principles of financial reporting

The Lhoosk'uz Dene Nation reporting entity includes the Lhoosk'uz Dene Nation and all related entities which are accountable to the First Nation and are either owned or controlled by the First Nation.

These financial statements consolidate the assets, liabilities and results of operation for the following entities which use accounting principles which lend themselves to

- Lhoosk'uz Dene Nation Operating Fund,
- Lhoosk'uz Dene Nation Trust Fund,
- Lhoosk'uz Dene Nation Investment Fund.

All inter-fund balances have been eliminated on consolidation, but in order to present the results of operations for each specific fund, transactions amongst funds have not necessarily been eliminated on the individual schedules.

Dene Development Corp., a company Lhoosk'uz Dene Nation holds a 33.3% interest in, is included in the summary financial statements using the modified equity method.

Castle Mountain Hydro Ltd., a company Lhoosk'uz Dene Nation holds a 2.5% interest in, is included in the summary financial statements using the cost method.

Lhoosk'uz Dene Nation

NOTES TO FINANCIAL STATEMENTS

March 31, 2017

See Auditor's Report

1. Continued ...

b) Reporting entity and principles of financial reporting

0886366 B.C. Ltd., Kluskus Management Holdings Ltd., and Lhoosk'uz Management Ltd., companies Lhoosk'uz Dene Nation holds a 100% interest in, are included in the summary financial statements using the modified equity method.

c) Financial assets

Financial assets are assets that could be used to discharge existing liabilities or finance future operations and are not consumption in the normal course of operations. The indicator of net debt is determined by deducting the financial assets of the Lhoosk'uz Dene Nation from its liabilities. Financial assets are primarily measured at historical cost.

d) Non-financial assets

Fixed assets and other non-financial assets are accounted for as assets by the Lhoosk'uz Dene Nation because they can be used to provide services in future periods. These assets do not normally provide resources to discharge the liabilities of the Lhoosk'uz Dene Nation unless they are sold.

e) Tangible capital assets

Tangible capital assets are valued at either cost or estimated cost and recorded in the Operating Fund.

The acquisition costs of tangible capital assets and payments on capital debt, which are not funded from capital financing sources, are charged to operations and matched with the applicable revenue source in the year of expenditure. These expenditures are also recorded as an addition to assets of the Operating Fund with a corresponding increase in Operating Fund - unrestricted equity.

f) Depreciation

Tangible capital assets are recorded and depreciated with a corresponding reduction in Equity in Fixed Assets. Tangible capital assets are depreciated over their expected useful life using the declining balance method at the following rates:

Computer equipment	30%
Furniture and equipment	20%
Infrastructure	4%
Mobile equipment	30%
Signage	20%

Lhoosk'uz Dene Nation

NOTES TO FINANCIAL STATEMENTS

March 31, 2017

See Auditor's Report

1. Continued ...

g) Revenue recognition

Revenue is recognized as it becomes receivable under the terms of applicable funding agreements. Funding received under funding arrangements that relate to a subsequent fiscal period is reflected as deferred revenue in the year of receipt and classified as such on the Statement of Financial Position.

h) Cash equivalents

Cash equivalents include short-term highly liquid investments with a term to maturity of 90 days or less at acquisition.

i) Use of estimates

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and reported amounts of revenues and expenditures during the reported period. Actual results could differ from the estimates.

j) Comparative figures

Certain of the prior year's comparative amounts have been reclassified where necessary to conform to the current year's presentation.

2. ECONOMIC DEPENDENCE

The Lhoosk'uz Dene Nation receives a major portion of its revenue pursuant to a funding arrangement with Indigenous and Northern Affairs Canada.

6. TRUST MONEYS

The Ottawa Trust accounts arise from moneys derived from capital or revenue sources as outlined in Section 62 of the Indian Act. These funds are held in trust in the Consolidated Revenue Fund of the Government of Canada and are subject to audit by the Office of the Auditor General of Canada. The management of these funds is primarily governed by Sections 63 to 69 of the Indian Act.

10. BUDGET INFORMATION

The budget information disclosed has been approved by the Lhoosk'uz Dene Nation Chief and Council. Individual program operations not showing budget information does not mean budgets were not prepared but rather that their amounts were not readily determined.

11. FINANCIAL INSTRUMENTS AND RISK MANAGEMENT

Risk management policy

The Lhoosk'uz Dene Nation is exposed to various risks through its financial instruments. The following analysis provides a measure of the risks at March 31, 2017.

Credit risk

The carrying value of the Lhoosk'uz Dene Nation's main financial assets represents the maximum credit risk to which the band is exposed.

Lhoosk'uz Dene Nation

NOTES TO FINANCIAL STATEMENTS

March 31, 2017

See Auditor's Report

11. Continued ...

The Lhoosk'uz Dene Nation's credit risk is due mainly to its loans receivable. The balance sheet amounts are presented net of the allowance for impaired loans, which management estimates based on past experience and its assessment of current economic conditions. The Lhoosk'uz Dene Nation believes that its loans receivable credit risk is limited because the Lhoosk'uz Dene Nation recognizes a specific allowance for accounts receivable when the management considers the expected amount to be collected is lower than the actual amount receivable.

Liquidity risk

The Lhoosk'uz Dene Nation considers that it has sufficient credit facilities to ensure that funds are available to meet its current and long-term financial needs, at a reasonable cost.

Market risk

The Lhoosk'uz Dene Nation is exposed to interest rate risk on its fixed-interest and variable-interest financial instruments. Fixed-interest instruments subject the company to a fair value risk while the variable-interest instruments subject it to a cash flow risk.

The financial liabilities as at March 31, 2017 all have contractual maturities of one year or less.

Fair value

The carrying value of the Lhoosk'uz Dene Nation's main financial assets represents the maximum credit risk to which the company is exposed.

The fair value of a financial instrument corresponds to the amount of the consideration agreed upon by two willing parties in a non-arm's length transaction. Lhoosk'uz Dene Nation uses the following methods and assumptions to estimate the fair value of each category of financial instruments, the carrying amounts of which are included in the consolidated balance sheet as follows:

Cash, accounts receivables and trust moneys – The carrying amounts included in the balance sheet approximate fair values.

Accounts payable and accrued expenses – The carrying amount included in the balance sheet approximates fair value, given the short-term maturity of the instrument.
