MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

The accompanying summary financial statements of Lhoosk'uz Dene Nation are the responsibility of management and have been approved by Chief and Council.

The summary financial statements have been prepared by management in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board of the Chartered Professional Accountants Canada and as such include amounts that are the best estimates and judgments of management.

Management is responsible for the integrity and objectivity of these statements and for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

Chief and Council are responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control and is ultimately responsible for reviewing and approving the summary financial statements.

Chief and Council meet periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review the summary financial statements and the external auditor's report.

The external auditors, Ribeyre Chang Haylock, conduct an independent examination, in accordance with Canadian auditing standards, and express their opinion on the summary financial statements. The external auditors have full and free access to financial management of Lhoosk'uz Dene Nation and meet when required.

J. Diane Sguinas

INDEPENDENT AUDITOR'S REPORT

To: The Members of Lhoosk'uz Dene Nation

Report on the Audit of the Summary Financial Statements

Opinion

We have audited the summary financial statements of Lhoosk'uz Dene Nation, which comprise the summary statement of financial position as at March 31, 2020 and March 31, 2019, and the summary statements of income, changes in equity and cash flows for the years then ended, and notes to the summary financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Lhoosk'uz Dene Nation as at March 31, 2020 and March 31, 2019, and its financial performance and its cash flows for the year then ended in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board of the Canadian Institute of Chartered Professional Accountants.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Summary Financial Statements section of our report. We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Summary Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board of the Canadian Institute of Chartered Professional Accountants, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Summary Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the financial statements. We are responsible for the direction, super-vision and performance of the group audit. We remain solely responsible for our audit opinion.

- We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

The engagement partner on the audit resulting in this independent auditor's report is Jason Haylock, CPA, CA.

Lhoosk'uz Dene Nation

NOTES TO FINANCIAL STATEMENTS

March 31, 2020

See Auditor's Report

1. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES

The Lhoosk'uz Dene Nation (First Nation) is located in Kluskus, British Columbia, and provides various services to its members.

These Summary Financial Statements have been prepared in accordance with Canadian generally accepted accounting principles for local government entities, as defined in the CICPA Public Sector Accounting and Auditing Handbook, which encompasses the following principles.

a) Fund accounting

The Lhoosk'uz Dene Nation uses fund accounting procedures which result in a self-balancing set of accounts for each fund established by legal, contractual or voluntary actions. The various funds have been amalgamated for the purpose of presentation in the Summary Financial Statements. Details of the operations of each fund are set out in the supplementary schedules. The Lhoosk'uz Dene Nation maintains the following funds:

- The Operating Fund which reports the general activities of the First Nation administration,
- The Trust Fund which reports on trust funds owned by the First Nation and held by a third party,
- The Investment Fund which reports the Band's investments in related entities.

b) Reporting entity and principles of financial reporting

The Lhoosk'uz Dene Nation reporting entity includes the Lhoosk'uz Dene Nation and all related entities which are accountable to the First Nation and are either owned or controlled by the First Nation.

These financial statements consolidate the assets, liabilities and results of operations for the following entities which use accounting principles which lend themselves to consolidation:

- Lhoosk'uz Dene Nation Operating Fund,
- Lhoosk'uz Dene Nation Trust Fund,
- Lhoosk'uz Dene Nation Investment Fund.

All inter-fund balances have been eliminated on consolidation, but in order to present the results of operations for each specific fund, transactions amongst funds have not necessarily been eliminated on the individual schedules.

Investments in incorporated business entities and unincorporated business partnerships where the Lhoosk'uz Dene Nation does not significant influence or control are included in the summary financial statements using the cost method. These include:

- BCFN GRS GP Ltd. (nominal interest)
- BC First Nations Gaming Revenue Sharing Limited Partnership (nominal interest)

Lhoosk'uz Dene Nation

NOTES TO FINANCIAL STATEMENTS

March 31, 2020

See Auditor's Report

1. Continued ...

b) Reporting entity and principles of financial reporting

Investments in incorporated business entities and unincorporated business partnerships where the Lhoosk'uz Dene Nation has significant influence or control are included in the summary financial statements using the modified equity method. These include:

- Dene Development Corp. (33.3% interest)
- Lhoosk'uz Ulkatcho Holdings Limited Partnership (50% interest)
- Lhoosk'uz Development Group Limited Partnership (100% interest)
- Lhoosk'uz Management Ltd. (100% interest)
- 0886366 B.C. Ltd. (100% interest)
- Kluskus Management Holdings Ltd. (100% interest)

c) Financial assets

Financial assets are assets that could be used to discharge existing liabilities or finance future operations and are not consumption in the normal course of operations. The indicator of net debt is determined by deducting the financial assets of the Lhoosk'uz Dene Nation from its liabilities. Financial assets are primarily measured at historical cost, with the exception of marketable securities, which are measured at fair value.

d) Non-financial assets

Fixed assets and other non-financial assets are accounted for as assets by the Lhoosk'uz Dene Nation because they can be used to provide services in future periods. These assets do not normally provide resources to discharge the liabilities of the Lhoosk'uz Dene Nation unless they are sold.

e) Tangible capital assets

Tangible capital assets are valued at either cost or estimated cost and recorded in the Operating Fund.

The acquisition costs of tangible capital assets and payments on capital debt, which are not funded from capital financing sources, are charged to operations and matched with the applicable revenue source in the year of expenditure. These expenditures are also recorded as an addition to assets of the Operating Fund with a corresponding increase in Operating Fund - unrestricted equity.

Lhoosk'uz Dene Nation

NOTES TO FINANCIAL STATEMENTS

March 31, 2020

See Auditor's Report

1. Continued ...

f) Depreciation

Tangible capital assets are recorded and depreciated with a corresponding reduction in Equity in Fixed Assets. Tangible capital assets are depreciated over their expected useful life using the declining balance method at the following rates:

Computer equipment	30%
Furniture and equipment	20%
Infrastructure	4%
Mobile equipment	30%
Signage	20%

g) Revenue recognition

Revenue is recognized as it becomes receivable under the terms of applicable funding agreements. Funding received under funding arrangements that relate to a subsequent fiscal period is reflected as deferred revenue in the year of receipt and classified as such on the Statement of Financial Position.

h) Cash equivalents

Cash equivalents include short-term highly liquid investments that are cashable or have a term to maturity of 90 days or less at acquisition.

i) Use of estimates

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and reported amounts of revenues and expenditures during the reported period. Actual results could differ from the estimates.

j) Comparative figures

Certain of the prior year's comparative amounts have been reclassified where necessary to conform to the current year's presentation.

2. ECONOMIC DEPENDENCE

The Lhoosk'uz Dene Nation receives a major portion of its revenue pursuant to a funding arrangement with Indigenous Services Canada.

6. TRUST MONEYS

The Ottawa Trust accounts arise from moneys derived from capital or revenue sources as outlined in Section 62 of the Indian Act. These funds are held in trust in the Consolidated Revenue Fund of the Government of Canada and are subject to audit by the Office of the Auditor General of Canada. The management of these funds is primarily governed by Sections 63 to 69 of the Indian Act.

11. CONTINGENT LIABILITIES

During the year, the First Nation entered into three forgivable loan agreements with Canada Mortgage and Housing Corporation (CMHC) under the Residential Rehabilitation Assistance Program, totalling \$125,000, for renovations to housing units owned by the First Nation. The forgivable loans are earned out over a 4 year period, with the conditions that the First Nation continues to own the housing units and that they are occupied by band members with a total household income at or below the income threshold set by CMHC during the 4 years. If the First Nation sells, transfers, or ceases to operate the properties before the maturity dates, the unearned forgivable loans plus interest will immediately become due and payable.

No liability has been recorded related to these forgivable loans, as the First Nation has continued to own and operate these housing units under the terms of their agreement with CMHC.

The details of the forgivable loans are as follows:

\$43,235 forgivable loan at an interest rate of 3.375%, with an interest adjustment date of January 1, 2019, earned out at a rate of \$901 per month, maturing January 1, 2023.

\$36,930 forgivable loan at an interest rate of 3.875%, with an interest adjustment date of January 1, 2019, earned out at a rate of \$769 per month, maturing January 1, 2023.

\$44,835 forgivable loan at an interest rate of 3.875%, with an interest adjustment date of February 1, 2019, earned out at a rate of \$934 per month, maturing February 1, 2023.

12. BUDGET INFORMATION

The budget information disclosed has been approved by the Lhoosk'uz Dene Nation Chief and Council. Individual program operations not showing budget information does not mean budgets were not prepared but rather that their amounts were not readily determined.

Budgeted figures are unaudited and have been derived from the estimates approved by Chief and Council for comparison purposes.

15. FINANCIAL INSTRUMENTS AND RISK MANAGEMENT

Risk management policy

The Lhoosk'uz Dene Nation is exposed to various risks through its financial instruments. The following analysis provides a measure of the risks at March 31, 2020.

Credit risk

The carrying value of the Lhoosk'uz Dene Nation's main financial assets represents the maximum credit risk to which the band is exposed.

The Lhoosk'uz Dene Nation's credit risk is due mainly to its loans receivable. The balance sheet amounts are presented net of the allowance for impaired loans, which management estimates based on past experience and its assessment of current economic conditions. The Lhoosk'uz Dene Nation believes that its loans receivable credit risk is limited because the Lhoosk'uz Dene Nation recognizes a specific allowance for accounts receivable when the management considers the expected amount to be collected is lower than the actual amount receivable.

Liquidity risk

The Lhoosk'uz Dene Nation considers that it has sufficient credit facilities to ensure that funds are available to meet its current and long-term financial needs, at a reasonable cost.

Market risk

The Lhoosk'uz Dene Nation is exposed to interest rate risk on its fixed-interest and variable-interest financial instruments. Fixed-interest instruments subject the company to a fair value risk while the variable-interest instruments subject it to a cash flow risk.

The financial liabilities as at March 31, 2020 all have contractual maturities of one year or less.

Fair value

The carrying value of the Lhoosk'uz Dene Nation's main financial assets represents the maximum credit risk to which the company is exposed.

The fair value of a financial instrument corresponds to the amount of the consideration agreed upon by two willing parties in a non-arm's length transaction. Lhoosk'uz Dene Nation uses the following methods and assumptions to estimate the fair value of each category of financial instruments, the carrying amounts of which are included in the consolidated balance sheet as follows:

Cash, accounts receivables and trust moneys – The carrying amounts included in the balance sheet approximate fair values.

Accounts payable and accrued expenses – The carrying amount included in the balance sheet approximates fair value, given the short-term maturity of the instrument.
