**Management's Responsibility for Financial Reporting**

To the Members  
Tulita Dene Band

The accompanying financial statements have been prepared by management, which is responsible for the reliability, integrity and objectivity of the information provided. They have been prepared in accordance with Canadian generally accepted accounting principles. Where necessary the statements include amounts that are based on informed judgments and estimates by management, giving appropriate consideration to reasonable limits of materiality.

In discharging its responsibility for the integrity and fairness of the financial statements and for the accounting systems from which they are derived, management maintains the necessary system of internal controls designed to provide assurance that transactions are authorized, assets are safeguarded and proper records are maintained. These controls include quality standards in hiring and training employees, written policies and procedures manuals, and accountability for performance within appropriate and well-defined areas of responsibility. The Band's management recognizes its responsibility for conducting the Band's affairs in accordance with the requirements of applicable laws and sound business principles, and for maintaining standards of conduct that are appropriate to a First Nation.

The auditor annually provides an independent, objective audit for the purpose of expressing an opinion on the financial statements in accordance with Canadian generally accepted auditing standards.

## Independent Auditor's Report

To the Members of  
Tulita Dene Band

I have audited the consolidated statement of financial position of The Tulita Dene Band as at March 31, 2014 and the consolidated statement of operations, the consolidated statement of changes in net financial assets the consolidated statement of changes in debt and the consolidated statement of cash flows for the year then ended and a summary of significant accounting policies and other explanatory notes.

### Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with generally accepted accounting principles. This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies, and making accounting estimates that are reasonable in the circumstances.

### Auditor's responsibility

My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian Public Sector Accounting Standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. I am also required to comply with applicable ethical requirements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparations and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, the auditor expresses no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

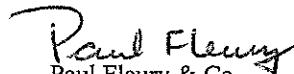

In common with many non-profit organizations, the Band derives revenue from donations and fundraising, the completeness of which is not susceptible to satisfactory audit verification,

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

### Opinion

In my opinion except for any adjustments, if any which I might have determined to be necessary had I been able to satisfy myself concerning the completeness of donation and fundraising revenue referred to in the preceding paragraphs these financial statements present fairly, in all material respects, the financial position of the Band as at March 31, 2013 and the results of its operations ,changes in net financial assets, changes in net debt and its cash flows for the year then ended in accordance with Canadian Public Sector Accounting Standards.

Tulita Dene Band  
Consolidated Financial Statements  
Notes to the Financial Statements

---

March 31, 2014

---

1. Nature of Operations

The Tulita Band Council (“Band”) is an aboriginal organization that is registered under the *Indian Act*. Its purpose is to administer the affairs of the Tulita Dene Band.

2. Accounting Policies

The following is a summary of the significant accounting policies used by management in the preparation of these financial statements.

(a) **Basis of presentation**

The Band follows reporting guidelines for First Nations as set out by Indian and Northern Affairs Canada. These financial statements are prepared in accordance with Canadian generally accepted accounting principles. These financial statements reflect the operations of the Band.

(b) **Measurement uncertainty**

The preparation of financial statements in accordance with Public Sector Accounting Standards requires the Band to make estimates and assumptions that affect the amounts of assets, liabilities, revenues and expenses reported in the financial statements. By their nature, these estimates are subject to measurement uncertainty. At the time of the preparation of these statements, Tulita Dene Band believes the estimates and assumptions to be reasonable. Some of the more significant management estimates relate to amortization, non-monetary Transactions, and revenue accruals.

(c) **Tangible capital property**

Property and equipment are recorded at cost and amortized by the declining balance method at the rates set out in Note 7.

(d) **Deferred government assistance**

Government assistance in the form of grants is capitalized and amortized at the same rate as the assets to which they relate.

Capital asset grants are accounted for in a reduction of their costs. Operational grants are accounted for in a reduction of operating expenses.

(e) **Deferred revenue**

Deferred revenue consists of amounts that have been deferred as a result of project completion dates extending beyond the fiscal year end. It will be taken into income in the year end for which additional expenditures are incurred.

March 31, 2014

---

**(f) General revenues**

Administrative fees, donations, interest income and other miscellaneous income are recognized on an accrual basis as they are earned.

**(g) Project income and deferred project income**

Tulita Dene Band receives contributions from the Government of Canada and the Government of the Northwest Territories for the delivery of projects.

**(h) Contract services**

Contract services acquired by the Council are recognized as expenses in the year the services are rendered.

**(i) Contingent liabilities**

A contingent liability is a potential liability which may become an actual liability when one or more future events occur or fail to occur, and a reasonable estimate of the loss can be made. An estimated liability is accrued and an expense recorded. If the likelihood is not determinable or an amount cannot be reasonably estimated, the contingency is disclosed in the notes to the financial statements.

**(j) Prepaid expenses**

Prepaid expenses are charged to expenses over the period expected to benefit from them.

**(k) Funds and reserves**

Certain amounts, as approved by the Board, are set aside in accumulated surplus for future operating and capital purposes. Transfers to and from funds and reserves are an adjustment to the respective fund when approved.

**(l) Income taxes**

The Band is exempt from federal, territorial, and local government taxes except federal Goods and Services Tax. Taxes reported on the accompanying consolidated financial statements represent the taxes of Tulita Developments Ltd.

**(m) Financial instruments**

A significant financial assets, financial liabilities and equity instruments of the Band are either recognized or disclosed in the financial statements together with other information relevant for making a reasonable assessment of future cash flows, interest rate risk and credit risk. Where practicable the fair values of financial assets and financial liabilities have been determined and disclosed; otherwise only available information pertinent to the fair value has been disclosed.

**Tulita Dene Band**  
**Consolidated Financial Statements**  
**Notes to the Financial Statements**

March 31, 2013

---

8. Due to Related Parties

	2012	2011
Tulita Financial Corporation	\$ 205,879	\$ 205,879

The amounts due to related parties are non-interest bearing and have no fixed terms of repayment. Where the related company has indicated that they will not require payment within the next fiscal year, the amounts have been classified as long-term debt in the accompanying financial statements. The fair value of these amounts cannot be readily determined.

9 Going Concern

Operating deficits over the past years, particularly for the year ended March 31, 2009, have created severe liquidity problems for the Tulita Dene Band. This problem was somewhat alleviated during the current year because of the surplus.. Nevertheless, the Band still has payroll remittances arrears which must be settled.

Therefore it is important that the Band recovers some of the amount of \$ 294,066 which is owed by Tulita Developments Ltd.
