Management's Responsibility for Financial Reporting

To the Members  
Tulita Dene Band

The accompanying financial statements have been prepared by management, which is responsible for the reliability, integrity and objectivity of the information provided. They have been prepared in accordance with Canadian generally accepted accounting principles. Where necessary the statements include amounts that are based on informed judgments and estimates by management, giving appropriate consideration to reasonable limits of materiality.

In discharging its responsibility for the integrity and fairness of the financial statements and for the accounting systems from which they are derived, management maintains the necessary system of internal controls designed to provide assurance that transactions are authorized, assets are safeguarded and proper records are maintained. These controls include quality standards in hiring and training employees, written policies and procedures manuals, and accountability for performance within appropriate and well-defined areas of responsibility. The Band's management recognizes its responsibility for conducting the Band's affairs in accordance with the requirements of applicable laws and sound business principles, and for maintaining standards of conduct that are appropriate to a First Nation.

The auditor annually provides an independent, objective audit for the purpose of expressing an opinion on the financial statements in accordance with Canadian generally accepted auditing standards.

## Independent Auditor's Report

To the Members of  
Tulita Dene Band

I have audited the consolidated statement of financial position of The Tulita Dene Band as at March 31, 2017 and the consolidated statement of operations, the consolidated statement of changes in net financial assets the consolidated statement of changes in debt and the consolidated statement of cash flows for the year then ended and a summary of significant accounting policies and other explanatory notes.

### Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with generally accepted accounting principles. This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies, and making accounting estimates that are reasonable in the circumstances.

### Auditor's responsibility

My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian Public Sector Accounting Standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. I am also required to comply with applicable ethical requirements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparations and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, the auditor expresses no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

### Basis of qualification

In common with many non-profit organizations, the Band derives revenue from donations and fundraising, the completeness of which is not susceptible to satisfactory audit verification.

I was not able to obtain sufficient documentation to satisfy myself as to the correctness and completeness of the transactions in the program in Tulita Developments Ltd called Motor Vehicles.

I was not able to obtain the necessary information to account for the investment in the Tulita District Investment Co. and the Two Rivers Development Group Ltd under the modified equity method. These investments are recorded at cost.

### Opinion

In my opinion except for any adjustments, if any which I might have determined to be necessary had I been able to satisfy myself concerning the completeness of donation and fundraising revenue, and the transactions in the Tulita Developments Ltd program called Motor Vehicles and had I been able to report the investment in the Tulita District Investment Co. and the Two Rivers Development Group under the modified equity method, these financial statements present fairly, in all material respects, the consolidated financial position of the Band as at March 31, 2017 and the consolidated results of its operations, consolidated changes in net financial assets, consolidated changes in net debt and its consolidated cash flows for the year then ended in accordance with Canadian Public Sector Accounting Standards.
