

## INDEPENDENT AUDITORS' REPORT

To the members of Pehdzeh Ki First Nation

### **Qualified Opinion**

We have audited the accompanying consolidated financial statements of Pehdzeh Ki First Nation, which comprise the consolidated statement of financial position as at March 31, 2020 and the consolidated statements of operations and accumulated surplus, changes in net financial debt and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter to as the "financial statements").

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion paragraph, these financial statements present fairly, in all material respects, the consolidated financial position of Pehdzeh Ki First Nation (the "Council") as at March 31, 2020, and the consolidated results of its operations, changes net financial debt and cash flows of the Council for the year then ended in accordance with Canadian public sector accounting standards.

### **Basis for Qualified Opinion**

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Council in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

The Council owns a 100% interest in Pehdzeh Ki Contractors Ltd, Petanea Corporation and Pehdzeh Ki Development Corporation. We were unable to obtain sufficient appropriate audit evidence about equity adjustments recorded in the current year because the financial statements of these companies are not available as they are either inactive or the financial statements are not yet completed. As such, we were unable to determine if further adjustments were necessary to the investments in government business enterprises, earnings from government business enterprises, deficiency of revenues over expenditures and changes in net debt.

The Council derives a material amount of revenue from donations and fundraising activities. We were not able to obtain sufficient appropriate audit evidence about the completeness of the reported amounts for accounts receivable, donation and fundraising revenue, revenue in excess of expenditure and changes to net assets because there is no direct relationship between assets or services given up in exchange for amounts received or receivable. Consequently, we were unable to determine whether any adjustments to these amounts were necessary.

The Council operates a landfill. Under Canadian public sector accounting standards reporting requirements, the Council must estimate the closure and post-closure costs associated with the remediation of the landfill. The Council has not recorded an estimate of these costs due to uncertainty as to ultimate responsibility for the liability. Due to the complexity of such an estimate, we were not able to satisfy ourselves as to an appropriate value by any other means. Accordingly, we were unable to determine if adjustments may be necessary for liabilities associated with the landfill.

**Other Information**

Management is responsible for the other information. The other information comprises Management's Discussion and Analysis, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

We obtained the Management's Discussion and Analysis prior to the date of this auditors' report. If, based on the work we have performed on this other information, we concluded that there is a material misstatement of this other information, we are required to report that fact in this auditors' report. We have nothing to report in this regard.

**Responsibilities of Management and Those Charged with Governance for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Council's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Council or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Council's financial reporting process.

**Auditors' Responsibilities for the Audit of the Financial Statements**

Our objective is to obtain reasonable assurance about whether the financial statements are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Council's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Council's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Council to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Council to express an opinion on the financial statements. We are responsible for the direction, supervision, and performance of the audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

# PEHDZEH KI FIRST NATION

## NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

---

March 31, 2020

---

The Pehdzeh Ki First Nation ("Council") is an Indian Band registered under the *Indian Act*. It provides services to the band members of Pehdzeh Ki First Nation. It is also recognized by Department of Municipal and Community Affairs, the Government of NWT, as the designated authority responsible for the provision of municipal services to the Community of Wrigley, NT.

The Council recognized as a municipality and is exempt for income tax purposes under Section 149 of the *Income Tax Act*.

### 1. Significant Accounting Policies

#### (a) Basis of Preparation

These consolidated financial statements have been prepared in accordance with generally accepted accounting principles for governments as recommended by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada.

#### (b) Reporting Entity

The consolidated financial statements includes the accounts of Pehdzeh Ki First Nation along with its following subsidiary and associated companies using the modified equity method.

	Percentage Owned	Year End
Pehdzeh Ki Contractors Ltd.	100%	March 31, 2020
Petanea Corporation	100%	March 31, 2020
Pehdzeh Ki Development Corporation	100%	March 31, 2020
Deh Cho Helicopters Regional Limited Partnership	14%	May 31, 2019

#### (c) Fund Accounting

The Pehdzeh Ki First Nation follows the deferral method of accounting for capital contributions. Externally restricted contributions are recognized as revenue when the related capital expenditures are incurred. Contributions received in advance of making the related expenditures is recorded as deferred revenue.

The general operating fund reports the core operating accounts of the Council and other programs in accordance with contribution agreements with funding agencies.

The water and sewage Fund records the revenue and expenditure relating to the water and sewage services in the community.

# **PEHDZEH KI FIRST NATION**

## **NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**

---

March 31, 2020

---

### **1. Significant Accounting Policies (Continued)**

#### **(d) Cash and Cash Equivalents**

Cash includes cash and demand deposits. Cash equivalents includes highly liquid investments that can be readily converted into cash for a fixed amount and that matures less than three months from the date of acquisition.

#### **(e) Revenue Recognition**

The financial statements are prepared using the accrual basis of accounting. The accrual basis of accounting records revenues as it is earned and measurable. Expenses are recognized as they are incurred and measurable based upon receipts of goods or services and /or legal obligations to pay.

Government transfers, contributions and other amounts are received from third parties pursuant to legislation, regulation or agreement and may only be used for certain programs, in the completion of specific work, or for the purchase of tangible capital assets. Revenue is recognized in the period when the related expenses are incurred, services performed or the tangible capital assets are acquired.

#### **(f) Non-Financial Assets**

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the normal course of operations. The change in non-financial assets during the year, together with the excess of revenues over expenses, provides the consolidated Change in Net Financial Assets (Debt) for the year.

#### **(i) Tangible Capital Assets**

Purchased tangible capital assets are recorded at cost. Amortization expense is recorded over the estimated useful lives of the assets, with half the amortization for the year of acquisition, using the following method and annual rates:

---

Automotive equipment	30%	Declining Balance
Buildings	4-10%	Declining Balance
Heavy equipment	30%	Declining Balance
Office furniture and equipment	30%	Declining Balance
Shop equipment	30%	Declining Balance
Water treatment plant	5-10%	Declining Balance

---

# **PEHDZEH KI FIRST NATION**

## **NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**

---

March 31, 2020

---

### **1. Significant Accounting Policies (Continued)**

#### **(g) Long Term Investments**

The Council's long term investments have been accounted for on a modified equity basis. Under the modified equity basis, the business enterprise's accounting principles are not adjusted to conform to those of the Council and inter-organizational transactions and balances are not eliminated. Further, the business enterprise's accounting principles are not adjusted to conform with those of the Council and inter-organizational transactions and balances are not eliminated.

#### **(h) Allocation of Expenditure**

Certain common expenditure have been allocated to programs based on estimate of services provided.

#### **(i) Financial Instruments - Recognition and Measurement**

The Council has elected the following classifications with respect to its financial assets and financial liabilities:

- Cash and restricted cash are classified as assets held-for-trading and is subsequently measured at fair value with gains and losses arising from changes in the fair value recognized in net income in the period in which they arise. The estimated fair value of cash is assumed to approximate its carrying amount.
- Accounts receivable are classified as loans and receivables and are subsequently measured at amortized cost using the effective interest method. The amortized cost using the effective interest method approximates their fair values due to the short term nature.
- Accounts payable and accrued liabilities are classified as other financial liabilities and are subsequently measured at amortized cost using the effective interest method. At inception, the estimated fair values of accounts payable and accrued liabilities are assumed to approximate their carrying amounts.

Unless otherwise noted, it is management's opinion that the Council is not exposed to significant interest, currency or credit risks arising from these financial instruments.

# PEHDZEH KI FIRST NATION

## NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

---

March 31, 2020

---

### 1. Significant Accounting Policies (Continued)

#### (j) Use of Estimates

The preparation of financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the year. Actual results could differ from those estimates.

#### (k) Government Transfers

Government transfers are the transfer of assets from senior levels of government that are not the result of an exchange transaction, are not expected to be repaid in the future, or the result of a direct financial return.

Government transfers are recognized in the financial statements as revenue in the period in which events giving rise to the transfer occur, providing the transfers are authorized, any eligibility criteria have been met, and reasonable estimates of the amounts can be determined.

### 2. Cash and Cash Equivalents

	2020	2019
Bank main operating	\$ 51,268	\$ 171,956
Cash on hand	-	972
ATM Cash	2,520	2,515
	<hr/> \$ 53,788	<hr/> \$ 175,443

### 3. Restricted Deposits

	2020	2019
CIBC Business Interest Account - Community Public Infrastructure	\$( 4)	\$ 6,493
CIBC Business Interest Account - Federal Gas Tax	( 4)	27,427
	<hr/> \$( 8)	<hr/> \$ 33,920

Interests on CIBC Business Interest Account are paid monthly at rates ranging from 0.10% to 0.65% per annum depending on monthly average account balance.

## **NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**

---

March 31, 2020

---

### **16. Budget Figures**

No budget was prepared by the First Nation in the current year. As such, no budget amounts have been disclosed in the financial statements.

Canadian public sector accounting standards ("PSAB") require disclosure of budget information for comparison to the First Nation's actual revenues and expenses. The consolidated budgeted revenues and expenses, and surplus (deficit) has not been reported in these consolidated financial statements as there was no approved budget. While having no effect on reported revenues, expenses, and surplus (deficit), omission of this information is considered a departure from PSAB.

### **17. Economic Dependence**

The Council receives a major portion of its revenue from the Indigenous Services Canada of the Government of Canada and the Department of Municipal and Community Affairs of the Government of the Northwest Territories. The nature and extent of this revenue is of such significance that the Council is economically dependent on this source of revenue.

### **18. Comparative Figures**

Certain figures presented for comparative purposes have been reclassified to conform with current year's presentation.

### **19. Financial Instruments and Risk Management**

The Council's financial instruments are exposed to certain risks, which include credit risk, market risk, interest rate risk and liquidity risk.

Credit Risk - Credit risk refers to the potential that the funding agencies or counter party to a financial instrument will fail to discharge its contractual obligations. The Council is exposed mainly to credit risk from funding agencies' refusal to contribute the full funding due to the Council's non-compliance to the contribution agreements. The Council manages credit risk by ensuring that it complies with the terms and conditions of the contribution agreements.

Liquidity Risk - Liquidity risk is the risk that the Council will not be able to meet its financial obligations as they fall due. The Council manages liquidity risk through the management of its capital structure.

Unless otherwise noted, it is management's opinion that the Council is not exposed to other significant interest, currency and market risks arising from these financial instruments.

### **20. Subsequent Events**

On March 11, 2020, the World Health Organization declared a global pandemic. In order to combat the spread of COVID-19, governments worldwide have enacted emergency measures including travel bans, legally enforced or self-imposed quarantine periods, social distancing and business and organization closures. These measures have caused material disruptions to businesses, governments and other organizations resulting in an economic slowdown and increased volatility in national and global equity and commodity markets.

Central banks and governments, including Canadian federal, provincial and territorial governments, have reacted with significant monetary and fiscal interventions designed to stabilize economic conditions. The duration and impact of the COVID-19 outbreak is unknown at this time, as is the efficacy of any interventions. It is not possible to reliably estimate the length and severity of these developments and the impact on the financial results and condition of the society and its operations in future periods.

Other than the above item, no other subsequent events of note were identified during the audit.
