

Financial Statements of
WEST POINT FIRST NATION

March 31, 2014

INDEPENDENT AUDITOR'S REPORT

To the Members of Council:

We have audited the financial statements of West Point First Nation, which comprise the statement of financial position as at March 31, 2014, and the statement of operations, changes in net financial assets (debt), and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian generally accepted accounting principles, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards required that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal controls relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of West Point First Nation as at March 31, 2014 and the results of its operations, change in net financial assets (debt) and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

WEST POINT FIRST NATION
Notes to Financial Statements
For the year ended March 31, 2014

Note 1. Nature of operations

West Point First Nation (the "organization") is recognized pursuant to the Indian Act as an Indian Band and as such is a non-taxable entity in the Northwest Territories.

The purpose of the West Point First Nation is the following: uphold and protect the treaty and aboriginal rights of members; to ensure that members benefit from effective programs and services in the areas of education, housing, employment, economic development, recreation, health, the environment and other essential areas; to strengthen First Nation governance within the West Point First Nation traditional land base.

Note 2. Summary of significant accounting policies

Cash and cash equivalents

Cash includes cash and investments with maturities at the date of purchase of less than ninety days.

Revenue recognition

West Point First Nation follows the deferral method of accounting for contributions.

Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Restricted investment income is recognized as revenue in the year in which the related expenses are incurred. Unrestricted investment income is recognized as revenue when earned.

Property and equipment

Property and equipment are expensed in the year of acquisition. Major categories of tangible capital assets and estimated cost of assets in those categories is disclosed in the notes. The amount of capital assets expensed in the year is disclosed in Note 5.

Measurement uncertainty

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Such estimates are periodically reviewed and any adjustments necessary are reported in earnings in the period in which they become known. Actual results could differ from these estimates.

Contributed services

Volunteers contribute a significant amount of their time each year. Because of the difficulty in determining their fair value, contributed services are not recognized in the financial statements.

WEST POINT FIRST NATION
Notes to Financial Statements
For the year ended March 31, 2014

Note 2. Summary of significant accounting policies (continued)

Financial instruments policy

Financial instruments are recorded at fair value when acquired or issued. Financial instruments are reported at amortized cost, and tested for impairment at each reporting date. Transaction costs on the acquisition, sale, or issue of financial instruments are expensed when incurred.

Comparative figures

Certain comparative amounts have been reclassified to conform to the current year's presentation.

Note 3. Financial instruments

Credit Risk

Credit risk arises from the potential that a counter party will fail to perform its obligations. The organization is exposed to credit risk from customers. An allowance for doubtful accounts is established based upon factors surrounding the credit risk of specific accounts, historical trends and other information. The organization has a significant number of customers which minimizes concentration of credit risk.

Fair Value

The organization's carrying value of cash and cash equivalents, accounts receivable, and accounts payable approximates its fair value due to the immediate or short term maturity of these instruments.

Note 4. Accounts receivable

	2014	2013
Accounts Receivable	\$ 34,516	\$ 12,776
Payroll Advances	- 176	
	\$ 34,516	\$ 12,952

WEST POINT FIRST NATION
Notes to Financial Statements
For the year ended March 31, 2014

Note 5. Capital Assets

The estimated cost of capital assets is as follows:

	2014	2013
New band office	\$ 294,360	\$ 294,360
Building	285,680	285,680
Furniture and equipment	84,594	84,594
Computer equipment	16,087	4,788
	\$ 680,721	\$ 669,422

Capital assets expensed in the year:

Computer equipment \$ 11,299

Note 6. Deferred Revenue

	2014	2013
Deh Cho First Nations	\$ 2,242	\$ 2,242
IRDA - Resource Royalties	14,726	-
Hay River Metis Government Council	6,281	-
	\$ 23,249	\$ 2,242

Note 7. Economic dependence

The West Point First Nation receives base funding plus specific program funding pursuant to funding arrangements with Aboriginal Affairs and Northern Development Canada, the Government of the Northwest Territories and Deh Cho First Nations. It may therefore be considered economically dependent upon government-source funding for its core operating activities.
