Hi Reta,

I just wanted to follow up with you on my request for permission to separate the Schedule of Remuneration and Expenses and the report by the auditor into its own document (pages 51 and 52) for posting on the First Nation Financial Transparency Act (FNFTA) website. No changes besides this separation will be done.

Thanks again,

Hi,

I'm just finishing up my initial review of your 2020-2021 Financial Statements and preparing the initial acceptance letter but it appears the documents for uploading to the First Nation Financial Transparency Act (FNFTA) website were not separated. Could you please provide us permission to separate those documents for uploading as per the First Nation Financial Transparency Act?

Thanks again,
